MASTER TRUST AGREEMENT

THIS MASTER TRUST AGREEMENT, dated as of _____, 2022, by and between the PUERTO RICO HIGHWAYS AND TRANSPORTATION AUTHORITY (the “**Authority**”), a body both corporate and politic of the Commonwealth of Puerto Rico (the “**Commonwealth**”) performing essential governmental functions of the Commonwealth, duly created and existing under and by virtue of the laws of the Commonwealth and _____ (the “**Trustee**”), a _____ organized and existing under and by virtue of the laws of _____ and authorized to exercise corporate trust powers in the Commonwealth, with a place of business located in _____, as Trustee, under the circumstances summarized in the following recitals (the capitalized terms not defined in the recitals and granting clauses being used therein as defined in Section 1.01).

R E C I T A L S

Pursuant to the authority granted pursuant to Act No. 74-1965, 9 L.P.R.A §§2001-2035, as amended (the “**Act**”), the Authority was created for the purpose of, among other things, the construction, operation, and maintenance of the Commonwealth’s transportation system.

On June 30, 2016, the United States of America enacted the Puerto Rico Oversight, Management and Economic Stability Act, Pub. L. No. 114–187, 130 Stat. 549 (2016), 48 U.S.C. 2101 et. seq. (“**PROMESA**”); pursuant to Section 4 of PROMESA, the provisions thereof prevail over any general or specific provisions of territory law, State law, or regulation that is inconsistent therewith.

On May 3, 2017 and May 21, 2017, respectively, the Financial Oversight and Management Board for Puerto Rico (together with any successors thereto, the “**Oversight Board**”), established by the United States of America pursuant to Section 101(b) of PROMESA, filed petitions for relief for the Commonwealth of Puerto Rico and the Authority pursuant to Section 304(a) of PROMESA in the United States District Court for the District of Puerto Rico (the “**Title III Court**”), commencing debt adjustment cases under title III of PROMESA (the “**Title III Cases**”).

Pursuant to Section 306(b) of PROMESA, upon commencement of the Title III Cases, the Title III Court exercises exclusive jurisdiction over all property of the Commonwealth of Puerto Rico and the Authority, wherever located.

By entry of the order attached hereto as Exhibit A (the “**Confirmation Order**”), the Title III Court confirmed the Authority’s Plan of Adjustment (as defined below).

[DETERMINATIONS SET FORTH BELOW ARE SUBJECT TO REVISION TO REFLECT FINAL ORDER]

Pursuant to PROMESA, and in accordance with the Confirmation Order, the Plan of Adjustment, and the Act, the Title III Court made a binding determination that the Secured Obligations are valid obligations of the Authority benefiting from the following protections, which were determined to be valid, binding, legal, and enforceable against the Authority, the Commonwealth of Puerto Rico, and other persons and entities:

(i) The Authority is an independent public corporation and instrumentality of the Commonwealth, separate from the Commonwealth and any other instrumentality thereof;

(ii) Upon the Effective Date, the Authority shall have all legal and equitable right, title, and interest in the Pledged Revenues which, except as granted herein and in the Confirmation Order, shall be free and clear of all liens, claims, encumbrances, and other interests of any party;

(iii) The Trust Agreement grants a first-priority lien and first-priority security interest on all of the Authority's legal and equitable right, title, and interest in the Trust Estate (as defined in Article I of this Trust Agreement) to the Secured Obligations, subject only to (A) Sections 5.01(b) and 5.01(c) herein and (B) the senior lien and senior security interest granted hereby in the Trust Estate for the benefit of Holders of Bonds, which first-priority lien and first-priority security interest shall in all respects be senior and superior to the subordinate lien and subordinate security interest granted hereby in the Trust Estate for the benefit of the Holders of Subordinated Indebtedness, in each case, as permitted by the Act, and such first priority lien shall be deemed automatically perfected as of the Effective Date and shall in any event be valid, binding, perfected, and enforceable against all entities having claims of any kind in tort, contract or otherwise against the Authority or its assets, irrespective of whether such entities have notice of such lien or security interest, without any further act or agreement by any entity, and will be "closed" and shall remain in full force and effect until the Secured Obligations have been paid or satisfied in full in accordance with their terms;

(iv) The Pledged Revenues do not and will not constitute, nor will they be deemed to be "available resources" or "available revenues" of the Commonwealth, as that term is used in the Puerto Rico Constitution (whether construed pursuant to the Spanish or English version of the Puerto Rico Constitution);

(v) The Authority's sole and exclusive ownership of the Pledged Revenues will not be affected in any way by the manner of or control over collection; any person who collects or holds Pledged Revenues shall do so on behalf of the Authority, and no entity that collects or holds the Pledged Revenues shall have any legal or equitable right, title, or interest to the Pledged Revenues other than the Authority, for the benefit of the Holders of the Secured Obligations;

(vi) The covenants and agreements of the Authority and the Commonwealth, as the case may be, (including, but not limited to, that described in Section 7.17 of this Trust Agreement) will constitute adequate protection for the property interests of the Authority and the Holders of Secured Obligations in the Trust Estate;

(vii) The Authority has waived, and shall be deemed to have waived, the automatic stay in any future insolvency proceeding commenced on behalf of the Authority (whether under Title III of PROMESA or otherwise) with respect to Net Receipts held in the funds and accounts established herein (other than the Net Receipts in the Arbitrage Rebate Fund);

(viii) The Secured Obligations are not “Tax Supported Debt,” as defined and set forth in the Government of Puerto Rico’s Debt Management Policy adopted pursuant to the Commonwealth Plan; and

(ix) The Confirmation Order is full, final, complete, conclusive, and binding upon and will not be subject to collateral attack or other challenge in any court or other forum, and the Title III Court has retained jurisdiction for the life of the Secured Obligations to ensure compliance with the Plan of Adjustment, including through specific performance if necessary.

All things have been done which are necessary to make the Secured Obligations, when executed by the Authority and authenticated and delivered by the Trustee hereunder, the valid obligations of the Authority, and to constitute this Trust Agreement a valid trust for the security of the Secured Obligations, in accordance with the terms of this Trust Agreement.

NOW, THEREFORE, THIS TRUST AGREEMENT WITNESSETH:

It is hereby covenanted and declared that all the Secured Obligations are to be authenticated and delivered and the property subject to this Trust Agreement is to be held and applied by the Trustee, subject to the covenants, conditions and trusts hereinafter set forth, and the Authority does hereby covenant and agree to and with the Trustee as follows:

This Trust Agreement provides for the following transactions:

(a) Issuance by the Authority of its obligations to (i) settle certain claims made by the Authority’s creditors, including claims relating to indebtedness previously issued by the Authority under its (x) Resolution No. 68-18, adopted June 13, 1968, as amended and supplemented thereafter and (y) Resolution No. 98-06, adopted February 26, 1998, as amended and supplemented and (ii) to fund new capital projects of the Authority relating to the Toll Facilities or, to refund, refinance or defease any obligations issued hereunder;

(b) To establish that Secured Obligations issued by the Authority hereunder, in accordance with the Act and this Trust Agreement, are secured by a valid, binding and perfected first-priority lien on, and first-priority security interest in, the following, which shall be enforceable against all Persons having claims of any kind in tort, contract or otherwise against the Authority of its assets, irrespective of whether such Persons have notice of such first-priority lien or first-priority security interest (the “**Trust Estate**”):

(i) All right, title and interest of the Authority in and to the Pledged Revenues and the right to receive the same, including, without limitation, any moneys, income, revenues, accounts, contract rights or general intangibles derived therefrom, subject only to (A) Sections 5.01(b) and 5.01(c) herein and (B) the senior lien and senior security interest granted hereby in the Trust Estate for the Holders of Bonds, which shall in all respects be senior and superior to the subordinate lien and subordinate security interest granted hereby in the Trust Estate for the benefit of Holders of Subordinated Indebtedness; and

(ii) Except for the Authority Expense Fund and the Arbitrage Rebate Fund, all of the Authority's right, title and interest in the funds and accounts created pursuant to this Trust Agreement and any Supplemental Trust Agreement and the money, securities and other assets on deposit with the Trustee in such funds and accounts created pursuant to this Trust Agreement and any Supplemental Trust Agreement and permitted by the Act; ***provided, however***, that the priority in which such money and securities are applied to the repayment of the Secured Obligations shall be as expressly specified herein; and

(c) Application of proceeds of such Secured Obligations, if any; and

(d) The rights and remedies of the Holders from time to time of the Authority's obligations.

IN TRUST, that in accordance with the Confirmation Order, such first-priority lien and first-priority security interest in the Trust Estate for the benefit of the Holders of the Secured Obligations granted hereby shall be deemed automatically perfected as of the Effective Date and shall in any event be valid, binding, perfected and enforceable against all Persons having claims of any kind in tort, contract or otherwise against the Authority or its assets irrespective of whether such Persons have notice of such lien or security interest;

IN TRUST, that in order to secure the payment of principal of, redemption premium (if any), and interest on all Bonds issued and to be issued under this Trust Agreement, and the performance and observance of each and every covenant and condition contained herein and in the Bonds, and for the consideration of the premises and of the acceptance by the Trustee of all trusts hereby created, and of the acceptance of the Bonds by the respective Holders thereof, and for other good valuable consideration, the sufficiency of which is hereby acknowledged, and for the purpose of fixing and declaring the terms and conditions upon which the Bonds shall be issued, authenticated, delivered, secured, and accepted by all Persons who shall from time to time be or become Holders thereof, the Authority does hereby assign, pledge and grant a senior lien upon and a senior security interest in all of its right, title, and interest in the Trust Estate to the Trustee and its successors and assigns for the benefit of the Holders of Bonds, which shall in all respects be senior and superior to the subordinate lien and subordinate security interest pledged herein to the Holders of Subordinated Indebtedness;

IN TRUST, that in order to secure the payment of principal of, redemption premium (if any), and interest on all Subordinated Indebtedness issued and to be issued under this Trust Agreement, and the performance and observance of each and every covenant and condition contained herein and in the Subordinated Indebtedness, and for the consideration of the premises and of the acceptance by the Trustee of all trusts hereby created, and of the acceptance of the Subordinated Indebtedness by the respective Holders (as hereinafter defined) thereof, and for other good valuable consideration, the sufficiency of which is hereby acknowledged, and for the purpose of fixing and declaring the terms and conditions upon which the Subordinated Indebtedness shall be issued, authenticated, delivered, secured, and accepted by all Persons (as defined herein) who shall from time to time be or become Holders thereof, the Authority does hereby assign, pledge and grant a subordinate lien upon and a subordinate security interest in all of its right, title, and interest in the Trust Estate to the Trustee and its successors and assigns for the benefit of the Holders of Subordinated Indebtedness, ***provided, however***, that the lien and interest granted

hereby for the benefit of Holders of Subordinated Indebtedness shall in all respects be junior, inferior and subordinate to and expressly subject to the senior lien and senior security interest in the Trust Estate pledged herein to the payment of the Bonds.

IN TRUST, that upon execution of this Trust Agreement, the first-priority lien and first-priority security interest securing the Secured Obligations shall immediately attach to the Trust Estate (including, without limitation, all Pledged Revenues and to the right to receive Toll Receipts) and shall thus immediately attach to any Toll Receipts, whether collected now or at any other time in the future by or on behalf of the Authority;

IN TRUST, no diversion, application, or misappropriation of the Trust Estate (including, without limitation, the Toll Receipts) shall limit, impair, defeat, or interfere with the first-priority lien and first-priority security interest securing the Secured Obligations;

IN TRUST, other than with respect to moneys in the Authority Expense Fund and Arbitrage Rebate Fund, which are specifically identified herein as not constituting the Trust Estate, the liens on Toll Receipts and the Trust Estate securing the Secured Obligations shall continue to remain in full force and effect with respect to such property that is deposited in any deposit account or other type of account or fund of the Authority, any successor of the Authority, or other Person, bank, or institution (including the Trustee) where Toll Receipts, the Trust Estate, or other proceeds have been commingled with other funds;

IN TRUST, the liens securing the Secured Obligations shall not be affected or impaired by, among other things, the commingling of Toll Receipts, the Trust Estate, or any proceeds thereof with other amounts regardless of the Person, bank, or institution holding such amounts (including the Trustee);

IN TRUST, upon the terms and trusts herein set forth, the Trust Estate shall be held and applied for the equal and *pro rata* benefit and security of each and every owner of the Bonds issued and to be issued hereunder, without preference, priority or distinction as to participation in the senior lien and senior security interest granted by this Trust Agreement, and the benefit and protection thereof of one Bond over or from the others, by reason of priority in the issue or negotiation or maturity thereof, or for any other reason whatsoever, except as herein otherwise expressly provided, so that each of such Bonds shall have the same right, lien and privilege hereunder and shall be equally secured hereby with the same effect as if the same shall have been made, issued and negotiated simultaneously with the delivery hereof and were expressed to mature on one and the same date;

IN TRUST, subject in all respects to the senior lien and senior security interest in the Trust Estate pledged to the payment of the Bonds, the Trust Estate shall be held and applied for the equal and *pro rata* benefit and security of each and every owner of Subordinated Indebtedness issued and to be issued hereunder, without preference, priority or distinction as to participation in the subordinate lien and subordinate security interest granted by this Trust Agreement, and the benefit and protection thereof of any Subordinated Indebtedness over or from the others, by reason of priority in the issue or negotiation or maturity thereof, or for any other reason whatsoever, except as herein otherwise expressly provided, so that each of such Subordinated Indebtedness shall have the same right, lien and privilege under this Trust Agreement and shall be equally secured hereby

with the same effect as if the same shall have been made, issued and negotiated simultaneously with the delivery hereof and were expressed to mature on one and the same date;

GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.01 Place and Medium of Payment. The Bonds shall be payable, with respect to interest, Principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Except in the case of Book Entry Bonds (as provided in Section 3.10 hereof) or as otherwise provided in Section 4.06 hereof, upon presentation and surrender of Bonds, the Principal or Redemption Price of such Bonds that is due and payable shall be payable at the designated corporate trust office of the Trustee. Payments on the Bonds shall be paid by check mailed to the registered owner thereof at the address thereof as it appears on the registry books of the Authority or if authorized by the Supplemental Trust Agreement authorizing a Series of Bonds by wire transfer to such registered owner of the Bonds of such Series. For purposes of this Section, interest is payable on an Interest Payment Date to the registered owner of a Bond at the close of business on the Record Date for such Bond. All payments of Principal or Redemption Price of or interest on Bonds shall specify the CUSIP number or numbers of the Bonds in connection with which such payment is made.

The Bonds of each Series shall be issued in the form of fully registered Bonds without coupons.

Bonds of each Series issued prior to the first Interest Payment Date thereof shall be dated as of the date specified in the Supplemental Trust Agreement authorizing the issuance thereof. Bonds of each Series issued on or subsequent to the first Interest Payment Date thereof shall be dated as of the Interest Payment Date immediately preceding the date of authentication thereof by the Trustee, unless such date of authentication shall be an Interest Payment Date, in which case they shall be dated as of such date of authentication; ***provided, however,*** that if, as shown by the records of the Trustee, interest on the Bonds of any Series has not been paid as of the Interest Payment Date immediately preceding the date of authentication thereof by the Trustee, the Bonds of such Series issued in lieu of Bonds surrendered for transfer or exchange shall be dated as of the date through which interest has been paid in full on the Bonds surrendered or, if no interest has been paid on the Bonds surrendered since their authentication, as of the date of authentication of the surrendered Bonds. Bonds of each Series shall bear interest from (and including) their date and shall bear interest on overdue interest at the interest rate of such Bonds. For the avoidance of doubt, if any Principal of, Redemption Price or accrued interest on, a Bond is not paid when due, such Principal, Redemption Price and interest shall remain due and payable until paid.

All Bonds of each Series shall mature and/or have Sinking Fund Installments on July 1 of the year or years fixed by the Supplemental Trust Agreement authorizing the issuance of such Bonds. Interest on all Bonds (other than Capital Appreciation Bonds or Convertible Capital Appreciation Bonds) shall be payable on each Interest Payment Date of each year. The first installment of interest due on the Bonds of a Series may be for such period as the Authority shall fix in the Supplemental Trust Agreement authorizing the issuance thereof.

Section 3.02 Legends. The Bonds may contain, or have endorsed thereon, such provisions, specifications and descriptive words not inconsistent herewith or with any Supplemental Trust Agreement authorizing the same, as may be necessary or desirable and as may be determined by the Authority prior to their delivery. The Initial Bonds shall distinctively bear the following legend: “DETERMINED BY THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF PUERTO RICO TO BE VALID, LEGALLY BINDING, AND ENFORCEABLE PURSUANT TO THE JUDGMENT AND CONFIRMATION ORDER, ENTERED ON THE ____ DAY OF _____, 2022.”

Section 3.03 CUSIP Numbers. The Authority shall provide for the assignment of CUSIP numbers for all Bonds and cause such CUSIP numbers to be printed thereon, and the Trustee shall use such CUSIP numbers in notices of redemption and on all checks payable to Bondholders as a convenience to Bondholders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such number either as printed on such Bonds or as contained in any notice of redemption, and that an error in a CUSIP number as printed on such Bond or as contained in any notice of redemption shall not affect the validity of the proceedings for redemption. The Authority shall promptly notify the Trustee of any change in the CUSIP numbers assigned to any Bond of which the Authority has knowledge. The Trustee shall deliver a copy of the foregoing notice to the Holders promptly following its receipt thereof.

Section 3.04 Execution and Authentication. The Bonds shall be executed in the name of the Authority by the manual or facsimile signature of an Authorized Officer thereof, and attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the board of the Authority or other Authorized Officer of the Authority, or in such other manner as may be permitted by law. In case any one or more of the officers or employees who shall have signed any of the Bonds shall cease to be such officer or employee before the Bonds so signed shall have been actually authenticated and delivered by the Trustee, such Bonds may, nevertheless, be delivered as provided herein, and may be issued as if the persons who signed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed on behalf of the Authority by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or be employed by, the Authority, although at the date of the Bonds such persons may not have been so authorized or have held such office or employment.

The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Trust Agreement authorizing the issuance of such Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such executed certificate of authentication shall be entitled to any right or benefit hereunder and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Authority shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered hereunder and that the Holder thereof is entitled to the benefits hereof.

Section 3.05 Interchangeability of Bonds. Bonds, upon surrender thereof at the designated corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series, maturity and tenor of any other authorized denominations.

Section 3.06 Transfer and Registry. So long as any of the Bonds remain Outstanding, the Authority shall maintain and keep, or cause to be maintained and kept, at the designated corporate trust office of the Trustee, books for the registration and transfer of Bonds; and, upon presentation thereof for such purpose at said office, the Authority shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain Outstanding, the Authority shall make all necessary provisions to permit the exchange of Bonds at the designated corporate trust office of the Trustee.

Section 3.07 Transfer of Bonds. Each Bond shall be transferable only upon the books of the Authority, which shall be kept for that purpose at the designated corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney and the payment of a charge sufficient to reimburse the Authority or the Trustee for any tax, fee or other governmental charge required to be paid with respect to such transfer. Upon the transfer of any such Bond, the Authority shall cause to be issued in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, Series, maturity and tenor as the surrendered Bond.

The transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Authority and the Trustee may deem and treat the person in whose name any Outstanding Bond shall be registered upon the books of the Authority as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the Principal or Redemption Price of and, subject to the provisions of Section 3.01 hereof with respect to Record Dates, interest on such Bond and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums paid, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

Section 3.08 Regulations with Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Authority shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions hereof. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Notwithstanding any other provisions hereof, the cost of preparing each new Bond upon each exchange or transfer, and any

other expenses of the Authority or the Trustee incurred in connection therewith, shall be paid by the person requesting such exchange or transfer. The Authority shall not be obliged to make, or cause to be made, any exchange or transfer of Bonds of any Series during the period beginning on the Record Date for such Bonds immediately preceding an Interest Payment Date on such Bonds and ending on such Interest Payment Date, or, in the case of any proposed redemption of Bonds of such Series, after the date immediately preceding the date notice of redemption has been mailed.

Section 3.09 Bonds Mutilated, Destroyed, Lost or Stolen. In case any Bond shall become mutilated or be destroyed, lost or stolen, the Authority in its discretion may execute, and upon its request the Trustee shall authenticate and deliver, a new Bond of like Series, maturity, tenor and principal amount as the Bond so mutilated, destroyed, lost or stolen, in exchange and substitution for the mutilated, destroyed, lost or stolen Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for such Bond so destroyed, lost or stolen, upon filing with the Authority evidence satisfactory to the Authority and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Authority and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Authority and the Trustee may prescribe and paying such expenses as the Authority and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be canceled by it and evidence of such cancellation shall be given to the Authority. In case any Bond which has matured or is about to mature shall have become mutilated or have been destroyed, lost or stolen, the Authority may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of such mutilated Bond upon the surrender on or after the maturity date thereof, or authorize the payment of such destroyed, lost or stolen Bond, upon the Holder thereof filing evidence satisfactory to the Authority and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Authority and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Authority and the Trustee may prescribe and paying such expenses as the Authority and the Trustee may incur in connection therewith.

Section 3.10 Book Entry Bonds. Anything herein to the contrary notwithstanding, Bonds may be authorized and issued as Book Entry Bonds in accordance with the Supplemental Trust Agreement authorizing such Bonds.

For all purposes of this Trust Agreement the Holder of a Book Entry Bond shall be the Depository therefor and neither the Authority nor the Trustee shall have responsibility or any obligation to the beneficial owner of such Bond or to any direct or indirect participant in such Depository. Without limiting the generality of the foregoing, neither the Authority nor the Trustee shall have any responsibility or obligation to any such participant or to the beneficial owner of a Book Entry Bond with respect to (a) the accuracy of the records of the Depository or any participant with respect to any beneficial ownership interest in such Bond, (b) the delivery to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any notice with respect to such Bond, including any notice of the redemption thereof, or (c) the payment to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any amount with respect to the Principal or Redemption Price of, or interest on, such Bond. The Authority and the Trustee may treat the Depository therefor as the absolute owner of a Book Entry Bond for the purpose of (x) payment of the Principal or Redemption Price of and interest on such Bond, (y) giving notices of redemption

and of other matters with respect to such Bond, (z) registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all Principal or Redemption Price of and interest on such Bond only to or upon the order of the Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such Principal or Redemption Price and interest to the extent of the sum or sums so paid. No person other than the Depository shall receive a Bond or other instrument evidencing the Authority's obligation to make payments of the principal or Redemption Price thereof and interest thereon.

Anything herein to the contrary notwithstanding, payment of the Redemption Price of a Book Entry Bond which is redeemed in part prior to maturity may be paid to the Depository by wire transfer without surrender of such Bond to the Trustee; *provided, however*, that the Trustee shall maintain records as to each such payment and of the principal amount of such Bond Outstanding, which shall be binding on the Authority and the Holders from time to time of such Bond.

The Authority, without the consent of the Trustee, the beneficial owner of a Book Entry Bond or any other person, may terminate the services of the Depository with respect to a Book Entry Bond if the Authority reasonably determines in good faith following consultation with the Trustee that (a) the Depository is unable to discharge its responsibilities with respect to such Bonds or (b) a continuation of the requirement that all of the Outstanding Bonds of like Series issued in book entry form be registered in the registration books of the Authority in the name of the Depository, is not in the best interest of the beneficial owners of such Bonds, and the Authority shall terminate the services of the Depository upon receipt by the Authority and the Trustee of written notice from the Depository that it has received written requests that such Depository be removed from its participants having beneficial interests, as shown in the records of the Depository, in an aggregate amount of not less than a Majority in Interest of the then Outstanding Bonds for which the Depository is serving as Depository.

Upon the termination of the services of a Depository with respect to a Book Entry Bond, or upon the resignation of a Depository with respect to a Book Entry Bond, after which no substitute securities depository willing to undertake the functions of such Depository can be found which, in the reasonable opinion of the Authority following consultation with the Trustee, is able to undertake such functions upon reasonable and customary terms, such Bonds shall no longer be registered in the registration books kept by the Trustee in the name of a Depository, but shall be registered in the name or names of the Bondholders transferring or exchanging such Bonds shall designate, in accordance with the provisions of Article III hereof.

In connection with any proposed transfer outside the book-entry system, the Authority or the Depository shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 3.11 Preparation of Definitive Bonds; Temporary Bonds. The definitive Bonds of each Series shall be lithographed or printed on steel engraved borders, except that Book Entry Bonds may be typewritten. Until the definitive Bonds of any Series are prepared, the

Authority may execute, in the same manner as is provided in Section 3.04 hereof, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in authorized denominations or any whole multiples thereof authorized by the Authority, and with such omissions, insertions and variations as may be appropriate to such temporary Bonds. The Authority at its own expense shall prepare and execute and, upon the surrender at the designated corporate trust office of the Trustee of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, at the designated corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant hereto.

All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

ARTICLE IV.

REDEMPTION OF BONDS

Section 4.01 Authorization of Redemption. Bonds subject to redemption prior to maturity pursuant hereto or to a Supplemental Trust Agreement shall be redeemable, in accordance with this Article IV, at such times, at such Redemption Prices and upon such terms as may otherwise be specified herein or in the Supplemental Trust Agreement authorizing such Series.

Section 4.02 Redemption at the Election of the Authority.

(a) In the case of any redemption of Bonds other than as provided in Section 4.03 hereof, the Authority shall give written notice to the Trustee of its election to redeem, of the Series and of the principal amounts and Redemption Prices of the Bonds of each maturity of such Series to be redeemed. Such notice shall be given not less than thirty (30) days prior to the redemption date. The Series, maturities and principal amounts thereof to be so redeemed shall be determined by the Authority in its sole discretion, subject to, in the case of the redemption of less than all of any maturity of Bonds, any limitations with respect thereto contained herein (including, without limitation, Section 4.04 below) or in the Supplemental Trust Agreement authorizing such Series. The Authority shall pay to the Trustee, for the benefit of the Holders of the Bonds to be redeemed, on or prior to the redemption date an amount which, in addition to other amounts available therefor held by the Trustee in the Debt Service Fund, is sufficient to redeem on the redemption date at the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, all of the Bonds to be so redeemed.

(b) In the case of a Partial Disposition pursuant to Section 7.18, the Bonds shall be subject to redemption, at a Redemption Price equal to the par amount thereof, plus accrued interest to the date of redemption, in an amount no less than (i) the allocable portion of Bonds related to the Toll Facilities subject to the disposition and (ii) the amount required to be redeemed in order

to maintain for the Tax-Exempt Bonds that will remain Outstanding after such Partial Disposition, the exclusion of interest on such Tax Exempt Bonds from gross income for purposes of federal income taxation, all as provided in the Supplemental Trust Agreement.

Section 4.03 Redemption Other Than at Authority's Election. Whenever by the terms hereof or of a Supplemental Trust Agreement the Trustee is required to redeem Bonds through the application of mandatory Sinking Fund Installments, the Trustee shall select the Bonds of the Series and maturities to be redeemed in the manner provided in Section 4.04 hereof, give the notice of redemption and pay out of money available therefor the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV.

Section 4.04 Selection of Bonds to be Redeemed. Unless otherwise provided in the Supplemental Trust Agreement authorizing the issuance of Bonds of a Series, in the event of redemption of less than all of the Outstanding Bonds of like Series, maturity and tenor, the Trustee shall assign to each Outstanding Bond of the Series, maturity and tenor to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the lowest denomination in which the Bonds of such Series are authorized to be issued and shall select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at such unit amount equal to the lowest denomination in which the Bonds of such Series are authorized to be issued for each number, shall equal the principal amount of such Bonds to be redeemed. In making such selections the Trustee may draw the Bonds by lot (i) individually or (ii) by one or more groups, the grouping for the purpose of such drawing to be by serial numbers (or, in the case of Bonds of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued, by the numbers assigned thereto as in this Section 4.04 provided) which end in the same digit or in the same two digits. In case, upon any drawing by groups, the total principal amount of Bonds drawn shall exceed the amount to be redeemed, the excess may be deducted from any group or groups so drawn in such manner as the Trustee may reasonably determine. The Trustee may in its discretion assign numbers to aliquot portions of Bonds and select part of any Bond for redemption. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; ***provided, however,*** that only so much of the principal amount of each such Bond of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued shall be redeemed as shall equal the lowest denomination in which the Bonds of such Series are authorized to be issued for each number assigned to it and so selected.

For purposes of this Section 4.04, the lowest denomination in which a Capital Appreciation Bond or Convertible Capital Appreciation Bond is authorized to be issued shall be the lowest Accreted Value authorized to be due at maturity on such Bonds.

Notwithstanding the foregoing, in the event that a Depository shall be the registered owner of all of such Bonds of the Series being redeemed, if less than all of the Bonds of a particular Series are called for redemption, the Authority shall select the maturity or maturities of such Series to be redeemed and the Depository, on behalf of the Trustee, shall select the Bonds within the same maturity of such Series to be redeemed by means of a random lottery and in any event in accordance with the applicable practices of the Depository.

Section 4.05 Notice of Redemption. Whenever Bonds are to be redeemed, the Trustee shall give notice of the redemption of the Bonds in the name of the Authority which notice shall specify: (a) the Bonds to be redeemed which shall be identified by the designation of the Bonds given in accordance with Article II hereof; (b) the maturity dates and interest rates or Accreted Value of the Bonds to be redeemed and the date of such Bonds; (c) the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; (d) the redemption date; (e) the Redemption Price, if then known; (f) with respect to each such Bond, the principal amount thereof to be redeemed; (g) that, except in the case of Book Entry Bonds, such Bonds will be redeemed at the designated corporate trust office of the Trustee giving the address thereof and the telephone number of the Trustee to which inquiries may be directed; (h) that no representation is made as to the correctness of the CUSIP number either as printed on the Bonds or as contained in such notice and that an error in a CUSIP number as printed on a Bond or as contained in such notice shall not affect the validity of the proceedings for redemption; and (i) if the Authority's obligation to redeem the Bonds is subject to conditions, a statement to that effect and of the conditions to such redemption. Such notice shall further state that, if on such date all conditions to redemption have been satisfied, there shall become due and payable on such date upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, and that, from and after such date, payment having been made or provided for, interest thereon shall cease to accrue. Such notice shall be given by mailing a copy of such notice not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. Such notice shall be sent by first class mail, postage prepaid (i) to the registered owners of the Bonds which are to be redeemed, at their last known addresses, if any, appearing on the registration books, and (ii) to the Bond Insurer (if any) insuring the Bonds to be redeemed, at the Bond Insurer's last known address, not more than ten (10) Business Days prior to the date such notice is given. Upon giving such notice, the Trustee shall promptly certify to the Authority that it has mailed or caused to be mailed such notice to the Holders of the Bonds to be redeemed in the manner provided herein. Such certificate shall be conclusive evidence that such notice was given in the manner required hereby. The failure of any Holder of a Bond to be redeemed to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds.

The Trustee shall, if any of the Bonds to be redeemed are Book Entry Bonds, transmit a copy of the notice of redemption to the Depository for such Book Entry Bonds not less than thirty (30) days nor more than sixty (60) days prior to the redemption at the most recent address therefor, or to any successor thereof (or, if the Bonds are held by the Depository, such notice shall be given in accordance with the procedures of the Depository). Transmittal of such copy to the Depository in accordance with the foregoing sentence shall be conclusive evidence of delivery thereof to the holders of beneficial interests in a Book Entry Bond and no such notice shall be required to be transmitted by the Authority directly to any such beneficial holder nor shall transmittal to a beneficial holder by the Authority be a condition precedent to such redemption or affect the validity of the proceedings for redemption of the Bonds. This paragraph shall not alter the Trustee's obligation to transmit a notice of redemption to the Bond Insurer as provided in the preceding paragraph.

Section 4.06 Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 4.05 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, except as otherwise provided in Section 3.10

hereof, upon presentation and surrender of such Bonds, at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date; *provided, however*, that payment of the Redemption Price may be paid by wire transfer to such registered owner if so authorized in the Supplemental Trust Agreement that authorized the Bonds of the Series to be redeemed. If there shall be called for redemption less than all of the principal amount of a registered Bond, the Authority shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the registered Bond so surrendered, Bonds of like Series, maturity and tenor in any of the authorized denominations. If, on the redemption date, money for the redemption of all Bonds or portions thereof of any like Series, maturity and tenor to be redeemed, together with interest accrued and unpaid thereon to the redemption date, shall be held by the Trustee and Paying Agents so as to be available therefor on such date and if notice of redemption shall have been mailed as aforesaid, then, from and after the redemption date, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds shall no longer be considered to be Outstanding hereunder. If such money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Section 5.02 Application of Secured Obligation Proceeds. Upon the receipt of proceeds from the sale of a Series of Secured Obligations (other than the Initial Bonds and the Commonwealth Note), the Authority shall apply such proceeds as specified in the Supplemental Trust Agreement authorizing such Series.

Accrued interest, if any, received upon the delivery of a Series of Secured Obligations shall be deposited in the Debt Service Fund unless all or any portion of such amount is to be otherwise applied as specified in the Supplemental Trust Agreement authorizing such Series.

Section 5.03 Application of Money in the Costs of Issuance Fund. (a) As soon as practicable after the delivery of each Series of Secured Obligations, there shall be deposited by the Authority into each account within the Costs of Issuance Fund the amount, if any, required to be deposited therein pursuant to the Supplemental Trust Agreement authorizing such Series.

If such payment is to be made by bank wire, such direction shall include the routing and account numbers of the payee. If such payment is to be made by check, such direction shall include the address of the payee. (c) The money remaining in the Costs of Issuance Fund after paying or making provision in accordance with the direction of an Authorized Officer of the Authority for the payments required to be made pursuant to paragraph (b) of this Section, including any Costs of Issuance then unpaid, shall be applied by the Trustee in the following order of priority:

First, to the Arbitrage Rebate Fund, the amount determined by the Authority to be required to be deposited therein; and

Section 5.04 Deposit of Toll Receipts in the Toll Receipts Fund. (a) Effective on the date of issuance of the Initial Bonds, the Authority has directed that all Toll Receipts be deposited with the Trustee in the Toll Receipts Fund on behalf of the Authority, until all Secured Obligations are fully paid or defeased in accordance with Section 13.01 below. Second: To the Authority for deposit into the Authority Expense Fund, Toll Receipts in an amount such that the amount on deposit in the Authority Expense Fund equals the amount set forth in the Disbursement Schedules delivered with respect to such Monthly Disbursement Date to pay Costs of Operation, Maintenance and Administration of the Toll Facilities for the two months immediately succeeding such Monthly Disbursement Date. The monthly payments shall be increased or decreased, as necessary, to reflect amendments to the Disbursement Schedule, provided that any increase in Costs of Operation, Maintenance and Administration of the Toll Facilities effectuated by such amendment shall comply with the requirements of Section 7.02 herein. Eighth: To the Subordinated Indebtedness Fund, to the extent Toll Receipts are available to pay (i) interest on Subordinated Indebtedness due on the next succeeding Interest Payment Date, and (ii) principal on Subordinated Indebtedness on the next succeeding Principal Payment Date; and

Section 5.06 Debt Service Fund. (a) The Trustee shall pay out of the Debt Service Fund, the Principal of and interest on all Outstanding Bonds as the same is due and payable. Amounts paid to a Paying Agent for payments pursuant to this Section shall be irrevocably held in trust for Holders of Bonds and applied to such payments.

Any Term Bond so purchased or otherwise purchased and delivered to the Trustee shall be canceled upon receipt thereof by the Trustee and evidence of such cancellation shall be given to the Authority. The Principal amount or Accreted Value, as applicable, of each Term Bond so canceled shall be credited against the Sinking Fund Installment due on such date.

(c) If at the time the Trustee is required to make a withdrawal from the Debt Service Fund the moneys therein shall not be sufficient for such purpose, the Trustee shall withdraw the amount of such deficiency *first*, from moneys on deposit in the General Reserve Fund in accordance with Section 5.10(b) of this Trust Agreement; *second*, from the Toll Receipts on deposit in the Renewal and Replacement Fund; *third*, from the moneys on deposit in the Operating Reserve Fund; and, *fourth*, from the moneys on deposit in the Subordinated Indebtedness Fund, and, in each instance, transfer the same to the Debt Service Fund.

(b) Amounts on deposit in the Operating Reserve Fund shall be transferred, to the extent required to the following funds, in the following order of priority (i) in accordance with Section 5.06(c), to the Debt Service Fund, if at the time the Trustee is required to make a withdrawal from the Debt Service Fund, the moneys therein shall not be sufficient therefor and after the amounts, if any, transferred from the General Reserve Fund and the Toll Receipts, if any, transferred from the Renewal and Replacement Fund are not sufficient for such purpose and (ii) in accordance with Section 5.11(a), to the Arbitrage Rebate Fund, if at the time the Trustee is required to make a withdrawal from the Arbitrage Rebate Fund, the moneys therein, the amounts, if any, transferred from the General Reserve Fund and the Toll Receipts, if any, transferred from the Renewal and Replacement Fund are not sufficient for such purpose.

Section 5.08 Renewal and Replacement Fund. (c) Money in the Subordinated Indebtedness Fund that on the last day of each Fiscal Year is in excess of the amount then required by Section 5.05 hereof to be therein may at the direction of the Authority either be retained therein or transferred to any other fund or account established pursuant hereto; *provided, however*, that if no direction has been given by the Authority, the excess on the last day of each Fiscal Year shall be transferred by the Trustee to the General Reserve Fund.

Section 5.10 General Reserve Fund. (a) Unless an Event of Default has occurred and is continuing, amounts deposited in the General Reserve Fund shall be applied by the Trustee at the direction of the Authority, in such manner, in such priority, and at such times as the Authority shall determine (i) to the purchase or redemption of Bonds, or (ii) for any Toll Facility-related lawful purpose of the Authority; *provided, however*, that no moneys on deposit in the General Reserve Fund shall be used in any Fiscal Year for the purposes provided in this subsection unless all payments required in clauses *first* through *eighth* of Section 5.05(a), including any deficiencies for prior payments, have been made in full for such Fiscal Year, the Operating Reserve Fund and Renewal and Replacement Fund are each funded at their applicable requirements and the Authority shall have fully complied in all material respects with all covenants and agreements contained in this Trust Agreement.

(b) Amounts on deposit in the General Reserve Fund shall be transferred to the following funds and accounts in the following order of priority (i) in accordance with Section 5.06(c), to the Debt Service Fund, if at the time the Trustee is required to make a withdrawal from the Debt Service Fund the moneys therein are not sufficient for such purpose and (ii) in accordance with Section 5.11(a), to the Arbitrage Rebate Fund at any time money is required for such purpose.

Section 5.11 Arbitrage Rebate Fund. (a) The Trustee shall deposit to the Arbitrage Rebate Fund any money delivered to it by the Authority for deposit therein and, in accordance with the provisions of this Article V, shall transfer to the Arbitrage Rebate Fund from the following funds, in the following order of priority in accordance with the written direction of the Authority (i) moneys on deposit in the General Reserve Fund, (ii) Toll Receipts on deposit in the Renewal and Replacement Fund, and (iii) moneys on deposit in the Operating Reserve Fund, at such times and in such amounts as shall be set forth in such written directions of the Authority.

(b) Money on deposit in the Arbitrage Rebate Fund shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Authority only for the purpose of making payments to the Department of the Treasury of the United States of America at such times and in such amounts as the Authority shall determine, based on an opinion of Transaction Counsel, to be required by the Code to be rebated to the Department of the Treasury of the United States of America. Money which an Authorized Officer of the Authority determines to be in excess of the amount required to be so rebated, shall, at the direction of the Authority, either be retained therein or transferred to any other fund or account established pursuant hereto.

(c) If and to the extent required by the Code, the Authority shall periodically, at such times as may be required to comply with the Code, determine the amount required by the Code to be rebated to the Department of the Treasury of the United States of America with respect to Tax Exempt Bonds and (i) transfer or direct the Trustee to transfer from any other of the funds and accounts held hereunder (excluding any funds or accounts earmarked for the payment of the Secured Obligations pursuant to Article V hereof) and deposit to the Arbitrage Rebate Fund, such amount as the Authority shall have determined to be necessary in order to enable it to comply with its obligation to rebate money to the Department of the Treasury of the United States of America with respect to Tax Exempt Bonds and (ii) pay out of the Arbitrage Rebate Fund to the Department of the Treasury of the United States of America the amount, if any, required by the Code to be rebated thereto.

Section 5.12 Transfer of Investments. Whenever money in any fund or account established hereunder is to be paid in accordance herewith to another such fund or account, such payment may be made, in whole or in part, by transferring to such other fund or account investments held as part of the fund or account from which such payment is to be made, whose value, together with the money, if any, to be transferred, is equal to the amount of the payment then to be made; *provided, however*, that no such transfer of investments would result in a violation of any investment standard or guideline applicable to such fund.

ARTICLE VI.

SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 6.01 Security for Deposits. All moneys held hereunder by the Trustee shall be continuously and fully secured, for the benefit of the Holders of the Bonds, and solely to the extent of any moneys held by the Trustee for the benefit of the Authority pursuant to the terms of this Trust Agreement, for the benefit of the Authority, in such manner as may then be required by applicable federal or Commonwealth laws and regulations regarding security, by Eligible Investments of a market value at least equal at all times to the amount of the deposit so held by the Trustee. The Trustee shall have no obligation for the payment of interest on moneys properly held by it that are uninvested hereunder.

Section 6.02 Investment of Funds and Accounts Held by the Trustee. (a) Subject to the limitations set forth in this paragraph, money held hereunder, if permitted by law, shall, as nearly as may be practicable, be invested by the Trustee in any Eligible Investments in accordance with the direction of an Authorized Officer of the Authority given in writing. Money in the Toll Receipts Fund shall only be invested in Eligible Investments of the type described in clause (a), (b), (c) or (d) of the definition of the term "Eligible Investments" set forth in Section 1.01 hereof and such investments shall mature no later than the next succeeding Monthly Disbursement Date. Money in the Debt Service Fund shall only be invested in Eligible Investments of the type described in clause (a), (b), (c) or (d) of the definition of the term "Eligible Investments" set forth in Section 1.01 hereof and such investments shall mature no later than the date on which such moneys are required to be used to pay Principal of and interest on Bonds when due.

(b) The Trustee may conclusively rely upon the Authority's written instructions as to both the suitability and legality of the directed investments. Ratings of Eligible Investments shall be determined at the time of purchase of such Eligible Investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including investment maintenance fees.

(c) Obligations purchased or other investments made as an investment of money in any fund or account held under the provisions hereof shall be deemed at all times to be a part of such fund or account and the income or interest earned, profits realized or losses suffered by a fund or account due to the investment thereof shall be credited or charged, as the case may be, to such fund or account.

(d) In computing the amount in any fund or account held by the Trustee under the provisions hereof, obligations purchased as an investment of money therein or held therein shall be valued at the market value thereof, inclusive of accrued interest to the date of valuation.

(e) Subject to the provisions hereof, the Authority, in its discretion, may, and the Trustee at the direction of an Authorized Officer of the Authority, shall sell, present for redemption or exchange any investment held pursuant hereto and the proceeds thereof may be reinvested as provided in this Section. ARTICLE VII.

PARTICULAR COVENANTS

The Authority (and, as authorized by the Act, the Commonwealth with respect to Section 7.16 hereof) covenants and agrees with the Holders of the Bonds as follows:

Section 7.01 Rate Covenant.

(a) The Authority covenants (the “**Rate Covenant**”) that, except as provided in subsection (d) of this Section, it will at all times charge and collect or cause to be charged and collected Tolls for the use of the Toll Facilities at rates not less than those set forth in the schedule of such Tolls then in effect and as shall be required in order that Toll Receipts in each Fiscal Year shall equal at least the aggregate of (i) one hundred ten percent (110%) of the aggregate of the Required Deposits for such Fiscal Year and (ii) one hundred percent (100%) of Annual Debt Service on Subordinated Indebtedness.

(b) No later than December 31 of each year, the Authority shall perform the calculations to determine compliance with the Rate Covenant for the previous Fiscal Year based upon (x) the audited financial statements for such Fiscal Year or (y) if no audited financial statements for such Fiscal Year are then available, a certificate of an Authorized Officer of Authority setting forth (A) the Toll Receipts for such Fiscal Year, (B) the Required Deposits for such Fiscal Year and (C) Annual Debt Service on Subordinated Indebtedness for such Fiscal Year.

A certificate of an Authorized Officer of the Authority setting forth such calculations will be delivered to the Trustee and posted on EMMA under the CUSIPs for the Outstanding Bonds.

(c) Additionally, on or before July 1 of each year the Authority shall deliver to the Trustee and AAFAF:

- (i) a certificate of the Traffic Consultant setting forth a reasonably detailed projection of the Toll Receipts to be received in the Fiscal Year commencing on such July 1 and for the next succeeding Fiscal Year; provided that such projection shall take into account any increases or decreases in Toll rates for which all legal conditions to effectiveness have been satisfied;
- (ii) a certificate of the Consulting Engineer setting forth a reasonably detailed projection of (A) the Required Deposits and (B) Annual Debt Service on Subordinated Indebtedness, in each case, for the Fiscal Year commencing on such July 1 and for the next succeeding Fiscal Year, and
- (iii) a certificate of an Authorized Officer of the Authority calculating, based on the certificates delivered pursuant to clauses (i) and (ii) of this paragraph (c), the Rate Covenant for the Fiscal Year commencing on such July 1 and for the next succeeding Fiscal Year.

A certificate of an Authorized Officer of the Authority setting forth the calculations required by this subsection (c) will be delivered to the Trustee and posted on EMMA under the CUSIPs for the Outstanding Bonds.

(d) If a certificate of the Authority delivered pursuant to either paragraph (b) or (c) above demonstrates that the Toll Receipts were not or will not be sufficient to satisfy the Rate Covenant, the Authority will cause the Traffic Consultant to make a study (a “**Traffic Consultant Study**”) and to recommend a schedule of Tolls (“**Toll Schedule**”) which will provide sufficient Toll Receipts in the then current or next succeeding Fiscal Year to comply with the Rate Covenant above and will cause additional Pledged Revenues to be collected in the following and later Fiscal Years sufficient to eliminate any deficiency at the earliest practicable time; *provided, however*, that the Authority will not be required to obtain a Traffic Consultant Study as required by this subsection (d) if (x) the Authority has obtained a Traffic Consultant Study pursuant to this subsection (d) in any of the previous two Fiscal Years and the Authority is in material compliance with the recommendations of the Traffic Consultant set forth therein or (y) the Traffic Consultant determines that such noncompliance is directly attributable to the occurrence of a Force Majeure Event. The Authority shall promptly (i) implement the Toll Schedule set forth in the Traffic Consultant Study and other recommendations of the Traffic Consultant or (ii) undertake an alternative course of action designed to ensure the Authority’s ability to satisfy the Rate Covenant, to the extent approved by the Traffic Consultant.

(e) Except as described in the next sentence, failure to comply with the Rate Covenant in any Fiscal Year will not constitute an event of default under this Trust Agreement if either (i) the Authority complies with the covenant described in paragraph (d) above or (ii) the Authority’s Traffic Consultant is of the opinion that a Toll Schedule which will comply with the Rate Covenant

is impracticable at that time, and the Authority therefore cannot comply with the Rate Covenant, and the Authority establishes a Toll Schedule that is recommended by the Traffic Consultant to comply as nearly as practicable with the Rate Covenant, which shall in any event yield, in any Fiscal Year, Toll Receipts in an amount at least equal to the Required Deposits plus Annual Debt Service on Subordinated Indebtedness for such Fiscal Year. Notwithstanding the first sentence of this subsection (e), failure to comply with the Rate Covenant shall be an Event of Default hereunder if (x) for four consecutive Fiscal Years, the certificate delivered by the Authority as required by subsection (b) above demonstrates that the Authority has failed to comply with the Rate Covenant in each such Fiscal Year or (y) the certificate delivered by the Authority as required by subsection (b) above demonstrates that the Authority has failed to comply with the Rate Covenant at the end of the second full Fiscal Year after which a Traffic Consultant delivered a Traffic Consultant Study in accordance with subsection (d) above and the Toll Receipts as set forth in such certificate are less than 100% of the Required Deposits plus Annual Debt Service on Subordinated Indebtedness for such Fiscal Year.

(f) The Authority will not reduce any toll (except by way of certain adjustments or reclassifications of toll rates as referred to below) unless the following conditions and tests shall be met:

- (i) There shall have been delivered to the Trustee a certificate of an Authorized Officer of the Authority to the effect that the cumulative reductions in the immediately preceding twelve (12) months, including the proposed and all other reductions as if they had been in effect for such period, would not reduce Net Receipts for such period by more than one percent (1%), with Toll Schedules demonstrating such conclusion and that, taking into account such reductions, the Authority would have met the Rate Covenant for such period; or
- (ii) There shall have been delivered to the Trustee a certificate of an Authorized Officer of the Authority to the effect (A) the Rate Covenant for the preceding Fiscal Year after taking into account such Toll reductions, would have been satisfied; (B) after giving effect to such Toll reductions, the estimated Toll Receipts (as set forth in a report of the Traffic Consultant) and the estimated Required Deposits and Annual Debt Service on Subordinated Indebtedness (as set forth in a report of the Consulting Engineer) for the then current and each future Fiscal Year to and including the latest maturity of the Bonds shall equal at least the amount necessary to satisfy the Rate Covenant for each such Fiscal Year; and (C) the Authority is not in default in the performance of any of the provisions of the Secured Obligations or this Trust Agreement.

(g) The Authority may increase Tolls from time to time and may make any other adjustments or reclassifications of Tolls or establish special Tolls, introductory Tolls or temporary Tolls (but no reductions other than those permitted by subsection (f) of this Section 7.01), provided that, in the opinion of the Traffic Consultant, such action will not cause the Authority to fail to comply with the Rate Covenant as set forth in subsection (a) of this Section 7.01.

(h) The Authority covenants that it will continue in effect the schedule of Tolls for traffic using the Toll Facilities until such schedule is increased or otherwise modified or reconfigured as provided herein.

(i) The Authority covenants that all Tolls will be classified in a reasonable manner to cover all Traffic, and that no free vehicular passage on the Toll Facilities will be permitted except as permitted under current reference rules, regulations, resolutions and orders.

Section 7.02 Annual Budget and Disbursement Schedule.

(a) The Authority covenants that:

(i) On or before April 15 in each year it shall (A) prepare (1) a preliminary Annual Budget for the next three Fiscal Years and (2) a preliminary Disbursement Schedule for the next succeeding Fiscal Year and (B) deliver copies of such preliminary Annual Budget and Disbursement Schedule to the Traffic Consultant, the Consulting Engineer, the Trustee and AAFAF. Within forty-five (45) days of receipt of the preliminary Annual Budget and Disbursement Schedule, the Traffic Consultant and the Consulting Engineer shall deliver to the Authority and AAFAF any comments thereon, as contemplated under Sections 7.04(b) and (c).

(ii) On or before the first day of each Fiscal Year the Authority shall adopt the Annual Budget and Disbursement Schedule for that Fiscal Year reasonably incorporating the comments of the Traffic Consultant and the Consulting Engineer. The Authority shall file copies of the Annual Budget and Disbursement Schedule with the Traffic Consultant, the Consulting Engineer, the Trustee and AAFAF and shall post the same on the Authority's website and on EMMA linked to the CUSIPs for the Outstanding Bonds.

(iii) Each Annual Budget prepared and delivered in accordance with subsection (a)(i) above, shall show in reasonable detail (A) the Toll Receipts that the Traffic Consultant projects to be received for such Fiscal Year and other Pledged Revenues estimated by the Authority to be received during each Fiscal Year provided that such projection shall take into account any increases or decreases in Toll rates for which all legal conditions to effectiveness have been satisfied, (B) the amount of Annual Debt Service for each Fiscal Year, (C) the Costs of Operation, Maintenance and Administration of the Toll Facilities that the Consulting Engineer expects to be incurred during such Fiscal Year (calculated on an accrual basis), (D) the Toll Receipts and the total amount required to be deposited in the Renewal and Replacement Fund, if any, to make the amount on deposit therein equal to the amount of the Renewal and Replacement Requirement for such Fiscal Year and (E) the amount of Toll Receipts that will be sufficient to meet the Rate Covenant required pursuant to Section 7.01(a) for such Fiscal Year. The Annual Budget shall be prepared in sufficient detail to show also the amounts to be deposited in the various funds, accounts and subaccounts created by or under this Trust Agreement.

(iv) Each annual Disbursement Schedule prepared and delivered in accordance with subsection (a)(i) above, shall show in reasonable detail, the Costs of Operation, Maintenance and Administration of the Toll Facilities that the Consulting Engineer expects

to be incurred during such Fiscal Year (calculated on a cash basis), including (A) all cash disbursements contained in the Annual Budget for the Fiscal Year, (B) expenses that may have accrued in prior years and are expected to be paid in the current Fiscal Year, (C) amounts that are necessary to pay for or result from an emergency condition, (D) amounts that are necessary to pay judgments or otherwise result from the settlement of litigation, and (E) other similar disbursements.

(v) On or before each Monthly Disbursement Date or any date on which the Authority submits a requisition for the withdrawal of funds from the Operating Reserve Fund for the payment of Costs of Operation, Maintenance and Administration of the Toll Facilities, an Authorized Officer of the Authority shall revise the Disbursement Schedule and deliver a certified copy of such revised Disbursement Schedule to the Trustee, the Traffic Consultant, the Consulting Engineer and AAFAF, which schedule shall include the information required by Section 7.02(a)(iv) ***provided, however***, no such revision will be effective if such revision, together with any previous revisions in the same Fiscal Year, result in a decrease of Net Receipts by more than 5%, unless the report required by clause (vi) is so provided.

(vi) The Authority may amend the Annual Budget at any time during the Fiscal Year and any amendment which decreases Net Receipts by 5% or more in the aggregate for such Fiscal Year shall be accompanied by (i) a report of the Traffic Consultant and (b) a report of the Consulting Engineer, which reports collectively shall set forth an explanation of the amendments made to the Annual Budget (including, to the extent requested by the Consulting Engineer, with respect to Costs of Operation, Maintenance and Administration, and what actions, if any, the Authority should undertake to decrease Costs of Operation, Maintenance and Administration) and what actions, if any, the Authority should undertake to increase Net Receipts to the level set forth in such Annual Budget. A copy of each amendment to the Annual Budget shall be filed promptly with the Trustee, the Traffic Consultant, the Consulting Engineer and AAFAF and shall be posted on EMMA linked to the CUSIPs for the Outstanding Bonds.

(vii) The Costs of Operation, Maintenance and Administration of the Toll Facilities incurred in any Fiscal Year shall not exceed the amount of Costs of Operation, Maintenance and Administration of the Toll Facilities determined by the Consulting Engineer and set forth in the Annual Budget, as amended as provided in this Section 7.02. However, nothing in this Section shall limit the amount which the Authority may expend for Cost of Operation, Maintenance and Administration expenditures of the Toll Facilities in any year provided any amounts expended therefor in excess of the Annual Budget shall be received by the Authority from a source other than the Pledged Revenues and the Authority shall not make any reimbursement therefor from the Pledged Revenues.

(iv) If for any reason the Authority has not adopted the Annual Budget before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall be deemed to be in force and shall be treated as the Annual Budget for the then-current Fiscal Year under the provisions of this Trust Agreement until the adoption of the Annual Budget for that Fiscal Year. Such Annual Budget will be adjusted upward or downward to reflect any changes in Annual Debt Service for such then-current Fiscal Year from the preceding

Fiscal Year and to take into account any increases or decreases in Toll rates for which all legal conditions to effectiveness have been satisfied. However, notwithstanding the foregoing, the failure to adopt an Annual Budget for two (2) successive Fiscal Years shall constitute an Event of Default hereunder.

(b) If for any reason the Authority has not adopted the Disbursement Schedule before the first day of any Fiscal Year, the Disbursement Schedule for the preceding Fiscal Year shall be deemed to be in force and shall be treated as the Disbursement Schedule for the then-current Fiscal Year under the provisions of this Trust Agreement until the adoption of the Disbursement Schedule for that Fiscal Year. However, notwithstanding the foregoing, the failure to adopt the Disbursement Schedule for two (2) successive Fiscal Years shall constitute an Event of Default hereunder.

(c) Upon the occurrence and continuance of an Event of Default (other than an Event of Default specified in 11.01(c)), the Authority shall prepare and deliver to the Trustee a Disbursement Schedule which sets forth on a monthly cash basis the Costs of Operation, Maintenance and Administration of the Toll Facilities, which Disbursement Schedule must be approved by the Consulting Engineer.

An event of default under such Reporting Agreement, including the failure to timely provide the notices or information described therein shall not be an Event of Default hereunder and the exclusive remedies available to any Person shall be as described in the Reporting Agreement.

Section 7.23 Non-Impairment. As required by the Confirmation Order, the Authority shall take no action under this Trust Agreement or otherwise that would (i) impair the first-priority lien and first-priority security interest on the Trust Estate, (ii) impair the senior lien and senior security interest on the Trust Estate granted to the Holders of Outstanding Bonds, which shall in all respects be senior and superior to the subordinate lien and subordinate security interest on the Trust Estate granted to the Holders of Outstanding Subordinated Indebtedness, (iii) impair or prevent the monthly deposits under Section 5.05, (iv) limit or alter the rights vested in the Authority in accordance with the Plan of Adjustment and the Confirmation Order in connection with the Secured Obligations, or (v) impair the rights and remedies of the Trustee or the Bondholders under this Trust Agreement and, in particular, Article XI.

ARTICLE VIII.

CONCERNING THE TRUSTEE AND THE PAYING AGENT

Section 8.01 Appointment and Acceptance of Trustee. The Trustee, by its execution and delivery of this Trust Agreement, does signify its acceptance of its appointment as and of the duties and obligations of Trustee and Paying Agent imposed upon it hereby.

Section 8.02 Appointment and Acceptance of Paying Agents. In addition to the Trustee, the Authority may appoint one or more Paying Agents for the Secured Obligations of any Series in the Supplemental Trust Agreement authorizing such Secured Obligations or in the manner provided herein or in such Supplemental Trust Agreement or shall appoint such Paying Agent or Paying Agents prior to the authentication and delivery of the Secured Obligations so long as any such Paying Agents satisfy the requirements set forth in Section 8.10 hereof, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 8.10 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it hereby by written instrument of acceptance deposited with the Authority and the Trustee.

Section 8.03 Responsibilities of Trustee and Paying Agents. The recitals of fact contained herein and in each Supplemental Trust Agreement and in the Secured Obligations shall be taken as the statements of the Authority and neither the Trustee nor any Paying Agent assumes any responsibility for the correctness of the same. Neither the Trustee nor any Paying Agent makes

any representations as to the validity or sufficiency hereof, of any Supplemental Trust Agreement or of any Secured Obligations, or in respect of the security afforded hereby or by each Supplemental Trust Agreement, and neither the Trustee nor any Paying Agent shall incur any responsibility in respect thereof. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to: (i) the issuance of the Secured Obligations for value; (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee or Paying Agent; or (iii) the application of any money paid to the Authority or others in accordance herewith and with each Supplemental Trust Agreement except as to the application of any money paid to it in its capacity as Trustee or Paying Agent. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of or failure to perform its duties hereunder and under each Supplemental Trust Agreement except for its own negligence or willful misconduct.

The duties and obligations of the Trustee and any Paying Agent shall be determined by the express provisions hereof and of each Supplemental Trust Agreement and neither the Trustee nor any Paying Agent shall be liable except for the performance of or failure to perform such duties and obligations as are specifically set forth herein and in each Supplemental Trust Agreement, and no implied covenants or obligations should be read into this Trust Agreement against the Trustee. If any Event of Default under this Trust Agreement shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Trust Agreement and shall use the same degree of care as a prudent person, as a trustee under a trust agreement, would exercise or use in the circumstances in the conduct of such prudent person's own affairs.

Section 8.04 Property Held in Trust. All money and securities conveyed to or held by the Trustee at any time pursuant to the terms hereof and of each Supplemental Trust Agreement shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions hereof and of each Supplemental Trust Agreement.

Section 8.05 Rights of the Trustee and the Paying Agent. The Trustee and any Paying Agent shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it in good faith to be genuine, and to have been signed or presented by the proper party or parties. The Trustee and any Paying Agent may consult with counsel of its selection, who may or may not be of counsel to the Authority, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder and under any Supplemental Trust Agreement, such matter (unless other evidence in respect thereof be specifically prescribed hereby) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer of the Authority. Such certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof and of the Supplemental Trust Agreement upon the faith thereof, but in its discretion the Trustee or any Paying Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein and in each Supplemental Trust Agreement, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof and of any Supplemental Trust Agreement by the

Authority to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Authority by an Authorized Officer thereof.

The Trustee shall not be deemed to have notice of any Event of Default hereunder unless an Authorized Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default is received by the Trustee at the designated corporate trust office of the Trustee and such notice references the Secured Obligations relative to which an Event of Default has occurred.

The Trustee may request that the Authority deliver a certificate of an Authorized Officer of the Authority setting forth the names of individuals and their respective titles of officers authorized at such time to take specified actions pursuant to this Trust Agreement and any Supplemental Trust Agreement, which certificate may be signed by any person authorized to sign an officer's certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except as may be otherwise agreed upon.

Notwithstanding the effective date of this Trust Agreement or anything to the contrary in this Trust Agreement, the Trustee shall have no liability or responsibility for any act or event relating to this Trust Agreement which occurs prior to the date the Trustee formally executes this Trust Agreement and commences acting as Trustee hereunder.

The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Secured Obligations, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Secured Obligations.

The Trustee shall have no liability for any action or failure to act in good faith in accordance with a direction of the Holders of a Quarter in Interest of Outstanding Bonds or Majority in Interest of Outstanding Bonds, as applicable, pursuant to the terms hereof in respect of such action or failure to act, except to the extent of its negligence or willful misconduct in connection therewith.

The Trustee and any Paying Agent shall have the right to accept and act upon instructions, including funds transfer instructions given pursuant to this Trust Agreement and delivered using Electronic Means ("**Instructions**"); *provided, however*, that the Authority shall provide to the Trustee and each Paying Agent an incumbency certificate listing officers with the authority to provide such Instructions and containing specimen signatures of such officers, which incumbency certificate shall be amended by the Authority whenever a person is to be added or deleted from the listing. If the Authority elects to give the Trustee or a Paying Agent Instructions using Electronic Means and the Trustee or such Paying Agent in its discretion elects to act upon such Instructions, the Trustee's or such Paying Agent's understanding of such Instructions shall be deemed controlling. The Authority understands and agrees that the Trustee or a Paying Agent cannot determine the identity of the actual sender of such Instructions and that the Trustee and such Paying Agent shall conclusively presume that directions that purport to have been sent by an Authorized

Officer of the Authority listed on the incumbency certificate provided to the Trustee or such Paying Agent have been sent by such Authorized Officer. The Authority shall be responsible for ensuring that only Authorized Officers thereof transmit such Instructions to the Trustee or any Paying Agent and that the Authority and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords or authentication keys upon receipt by the Authority. Neither the Trustee nor any Paying Agent shall be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's or such Paying Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction unless due to gross negligence or willful misconduct of the Trustee. The Authority agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee or any Paying Agent, including without limitation the risk of the Trustee or such Paying Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee or any Paying Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee and any Paying Agent immediately upon learning of any breach, compromise or unauthorized use of the security procedures.

Section 8.06 Compensation and Indemnification. Unless otherwise provided, the Authority shall pay to the Trustee and to each Paying Agent, from time to time, such compensation as shall be agreed in writing for all services rendered by it hereunder and under the applicable Supplemental Trust Agreement, and also all reasonable and necessary expenses, charges, counsel fees and expenses and other disbursements, including those of their attorneys, agents and employees, required to be incurred in the performance of their powers and duties hereunder and under the applicable Supplemental Trust Agreement. The Authority shall indemnify and save the Trustee and each Paying Agent harmless against any liabilities which it may incur in the acceptance, exercise and performance of its powers and duties hereunder and under the applicable Supplemental Trust Agreement and which are not due to its negligence or willful misconduct. None of the provisions contained herein or in any Supplemental Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it. The Trustee Expenses Cap does not apply to or limit the Authority's liability under this Section for the fees, expense and indemnification of the Trustee and each Paying Agent.

The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other person employed to act hereunder.

The provisions of this Section shall survive termination of this Trust Agreement and the resignation and removal of the Trustee.

Section 8.07 Permitted Acts. The Trustee may become the owner of or may deal in Bonds as fully and with the same rights as if it were not such Trustee or a Paying Agent. The Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the Authority or any committee formed to protect the rights of Holders of Secured Obligations or to effect or aid in any reorganization growing out of the enforcement hereof or of the Secured Obligations or any Supplemental Trust Agreement whether or not such committee shall represent the Holders of a Majority in Interest of the then Outstanding Bonds in respect of which any such action is taken.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys appointed with due care.

The permissive rights of the Trustee to do things enumerated in this Trust Agreement shall not be constructed as a duty unless so specified herein.

Section 8.08 Resignation of Trustee. The Trustee, or any successor thereof, may at any time resign and be discharged of its duties and obligations hereunder and under each Supplemental Trust Agreement by giving not less than sixty (60) days' written notice to: (a) the Authority, and (b) the Holders of the Secured Obligations by first class mail, postage prepaid, at their last known addresses, if any, appearing on the registration books or, in the case of a Bond Insurer, at such Bond Insurer's last known address. Such resignation shall take effect upon the date specified in such notice (which shall be no sooner than the date specified in the immediately preceding sentence) unless previously a successor shall have been appointed as provided in Section 8.10 hereof, in which event such resignation shall take effect immediately on the appointment of such successor; *provided, however*, that such resignation shall not take effect until a successor Trustee has been appointed and has accepted such appointment pursuant to Section 8.10 hereof.

Section 8.09 Removal of Trustee. The Trustee and/or Paying Agent, or any successor thereof, may be removed at any time upon thirty (30) day's written notice by the Authority (provided no Event of Default has occurred or is continuing) or the Holders of a Quarter in Interest of the Outstanding Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to the Authority. The Trustee and/or Paying Agent, or any successor thereof, may also be removed at any time for cause or any breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with, any provisions hereof or of any Supplemental Trust Agreement with respect to the duties and obligations of the Trustee, as applicable, by any court of competent jurisdiction upon application by the Holders of a Quarter in Interest of the Outstanding Bonds. No removal hereunder shall take effect until a successor Trustee has been appointed and has accepted such appointment. A copy of each instrument or order providing for the removal of the Trustee, or any successor thereof, shall be delivered by the applicable Holders to the Trustee or such successor thereof and to the Authority.

Section 8.10 Successor Trustee and/or Paying Agent. In case the Trustee and/or Paying Agent, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee and/or Paying Agent or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee and/or Paying Agent or of its property or affairs, a

successor may be appointed by the Holders of a Quarter in Interest of the Outstanding Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Holders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee and/or Paying Agent, notification thereof being given to the Authority and the predecessor Trustee and/or Paying Agent; **provided, nevertheless,** that unless a successor Trustee and/or Paying Agent shall have been appointed by the Holders as aforesaid, the Authority by a duly executed written instrument signed by an Authorized Officer of the Authority shall forthwith appoint a Trustee and/or Paying Agent to fill such vacancy until a successor Trustee and/or Paying Agent shall be appointed by the Holders as authorized in this Section. The Trustee and/or Paying Agent shall mail a copy of the notice of any such appointment, postage prepaid, to the Holders of any Secured Obligations, at their last addresses appearing on the registry books or, in the case of a Bond Insurer, at such Bond Insurer's last known address. Any successor Trustee and/or Paying Agent appointed by the Authority shall, immediately and without further act, be superseded by a Trustee and/or Paying Agent appointed by the Holders of a Quarter in Interest of the Outstanding Bonds.

If in a proper case no appointment of a successor shall be made within forty-five (45) days after the giving of written notice in accordance with Section 8.08 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee and/or Paying Agent or any Holder may apply, at the expense of the Authority, to any court of competent jurisdiction for the appointment of such a successor, and such court may thereupon, after such notice, if any, as such court may deem proper, appoint such successor. Any successor appointed under the provisions of this Section shall be a bank having trust powers, a trust company or national banking association, in each case located in the State of New York and having a capital and surplus aggregating at least \$50,000,000, if there be such a bank having trust powers or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms and authorized by law to perform all the duties required hereby and by each Supplemental Trust Agreement.

Neither the Authority, the Commonwealth, any Government Entity nor any public corporation, agency or instrumentality of the foregoing nor any entity or person affiliated with the foregoing may be appointed as Trustee or Paying Agent hereunder.

Section 8.11 Transfer of Rights and Property to Successor Trustee. Any successor appointed under the provisions of Section 8.10 hereof shall execute, acknowledge and deliver to its predecessor, and also to the Authority, an instrument accepting such appointment, and thereupon such successor, without any further act, deed or conveyance shall become fully vested with all money, estates, properties, rights, powers, duties and obligations of its predecessor hereunder and under each Supplemental Trust Agreement, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request by the Authority or of such successor, and upon payment of all amounts owed to it hereunder, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of such Trustee in and to any property held by it hereunder, and shall pay over, assign and deliver to such successor any money or other properties subject to the trusts and conditions set forth herein. Should any deed, conveyance or instrument in writing from the Authority be required by such successor for more fully and certainly vesting in and confirming to it any such money, estates, properties, rights, powers, duties or obligations, any and

all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Authority.

Section 8.12 Merger or Consolidation of the Trustee. Any company into which the Trustee may be merged or with which it may be consolidated or any company resulting from any merger or consolidation to which it shall be a party or any company to which such Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank having trust powers or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 8.10 hereof, shall be the successor to such Trustee, without any further act, deed or conveyance. In the event that such entity is not so qualified, such entity shall nevertheless continue to serve as Trustee until a successor Trustee is appointed by the Holders of a Quarter in Interest of the Outstanding Bonds.

Section 8.13 Ancillary Agreements. The Trustee is authorized to enter into and perform its obligations under the any Ancillary Agreement to which it is a party.

ARTICLE IX.

SUPPLEMENTAL TRUST AGREEMENTS

Section 9.01 Modification and Amendment without Consent. Notwithstanding any other provisions of this Article IX or Article X hereof, the Authority and the Trustee may execute and deliver at any time or from time to time Supplemental Trust Agreements for any one or more of the following purposes, and each such Supplemental Trust Agreement shall become effective in accordance with its terms:

(a) To provide for the issuance of a Series of Bonds under and in accordance with (and, for the avoidance of doubt, not in any way contrary to or inconsistent with) the provisions hereof and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(b) To provide for the issuance of Subordinated Indebtedness and to prescribe the terms and conditions pursuant to which such Subordinated Indebtedness may be issued, paid or redeemed, the creation of any additional funds and accounts required for the payment or security thereof, and the provision of any additional rights and remedies applicable thereto; ***provided, however,*** that in no event shall the provisions of such Supplemental Trust Agreement provide for any additional rights or remedies that are inconsistent with the provisions of this Trust Agreement relating to the senior lien and senior security interest on the Trust Estate granted to the Holders of Bonds, the priority of payment of such Bonds, the provisions of Article XII of this Trust Agreement and the rights and remedies applicable thereto for so long as any such Bonds remain Outstanding

(c) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds or Subordinated Indebtedness, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority or the Commonwealth contained herein, in the Ancillary Agreements or in the Act; provided that, in respect of the Bonds, such additional covenants and agreements shall be for the equal benefit and security of all Bonds, without discrimination or preference and, in respect of

any Subordinated Indebtedness, in no event shall such covenants or agreements provide for any additional rights or remedies that are inconsistent with the provisions of this Trust Agreement relating to the senior lien and senior security interest in the Trust Estate granted to the Holders of Bonds, the priority of payment of such Bonds, the provisions of Article XII of this Trust Agreement and the rights and remedies applicable thereto for so long as any such Bonds remain Outstanding;

(d) To prescribe further limitations and restrictions upon the issuance of Refunding Bonds, Additional Bonds and Subordinated Indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect including the limitations and restrictions set forth in the Act and the Plan of Adjustment;

(e) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms hereof, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Authority or the Commonwealth contained herein, in the Ancillary Agreements or in the Act; provided that same shall be for the benefit and security of all Secured Obligations, without discrimination or preference except as otherwise provided herein;

(f) To confirm, as further assurance to secure the repayment of the Secured Obligations, the first-priority lien and first-priority security interest, and the subjection to the first-priority lien and first-priority security interest, of the Authority's right title and interest in the Pledged Revenues and other assets of the Trust Estate, or any other money, investments thereof or funds, provided that such further assurance shall be for the benefit and security of all Secured Obligations, without discrimination or preference except as otherwise provided herein;

(g) To modify any of the provisions hereof or any previously adopted Supplemental Trust Agreement to accommodate the issuance of Subordinated Indebtedness provided that such modifications do not materially and adversely affect the rights of any of the Holders of Bonds, and provided that such modifications may not conflict with Article XII of this Trust Agreement;

(h) To modify any of the provisions hereof or of any previously adopted Supplemental Trust Agreement in any other respects, provided that such modifications shall not be effective until after all Secured Obligations of any Series of Secured Obligations Outstanding as of the effective date of such Supplemental Trust Agreement shall cease to be Outstanding, and all Secured Obligations issued under such Supplemental Trust Agreements shall contain a specific reference to the modifications contained in such subsequent Supplemental Trust Agreement;

(i) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision herein or to insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable, provided that such modification shall not, in the opinion of Transaction Counsel to be provided in accordance with the last paragraph of this Section 9.01, materially adversely affect the interests of the Bondholders or holders of Subordinated Indebtedness in any respect.

Notwithstanding the above, no Supplemental Trust Agreement authorized by this Section 9.01 shall be effective unless and until it is executed by both the Trustee and the Authority and the Authority has delivered to the Trustee an opinion of Transaction Counsel to the effect that

the execution of the Supplemental Trust Agreement will not adversely affect: (i) the excludability of interest on the Tax Exempt Bonds from gross income of the Holders for federal income tax purposes, and (ii) with respect to a modification or amendment made pursuant to paragraphs (b) – (f) above, the rights of the Holders of the Secured Obligations in any other materially adverse respect.

For the avoidance of doubt, no Supplemental Trust Agreement shall be permitted pursuant to this Section 9.01 to the extent it would effectuate a modification or amendment that is only permitted under Section 10.01 with the consent of each affected Holder.

Section 9.02 Supplemental Trust Agreements Effective with Consent of Bondholders. The provisions hereof may also be modified or amended at any time or from time to time by a Supplemental Trust Agreement, subject to compliance with Section 10.01 of this Trust Agreement, such Supplemental Trust Agreement to become effective upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Authority.

Section 9.03 General Provisions Relating to Supplemental Trust Agreements. This Trust Agreement shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article IX, Article X or Section 7.08 hereof. Nothing contained in this Article IX or Article X hereof shall affect or limit the rights or obligations of the Authority to make, do, execute or deliver any Supplemental Trust Agreement, act or other instrument pursuant to the provisions of Section 7.08 hereof or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere herein provided or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Supplemental Trust Agreement, when filed with the Trustee for the Trustee's execution, shall be accompanied by the opinion of Transaction Counsel required by Section 9.01, the Rating Confirmation, if any is required by Section 9.01(j), and an opinion of Transaction Counsel stating that such Supplemental Trust Agreement has been duly and lawfully adopted in accordance with the provisions hereof, is authorized or permitted hereby and is valid and binding upon the Authority and enforceable in accordance with its terms. The Trustee shall be fully protected in relying on such an opinion of Transaction Counsel.

Notwithstanding anything to the contrary herein, no Supplemental Trust Agreement shall become effective without the written consent of the Trustee.

The Authority, as soon as practicable after a Supplemental Trust Agreement changing, amending or modifying any provisions of this Trust Agreement has become effective, shall give written notice thereof to each Rating Service then providing a rating on the Outstanding Bonds at the request of the Authority and shall post a copy of such Supplemental Trust Agreement on the Authority's website and EMMA under the CUSIPs for the Outstanding Bonds.

ARTICLE X.

AMENDMENTS OF TRUST AGREEMENT

Section 10.01 Powers of Amendment.

(a) Except as provided in Section 9.01 hereof, any modification or amendment hereof and of the rights and obligations of the Authority and of the Holders of the Secured Obligations hereunder may only be made by a Supplemental Trust Agreement, with the written consent given as hereinafter provided in Section 10.02 hereof, (i) of the Holders of at least a Majority in Interest of the Bonds Outstanding at the time such consent is given, or (ii) in case less than all of the Series of Secured Obligations then Outstanding are affected by the modification or amendment, of the Holders of at least a Majority in Interest of the Bonds of each Series so affected and Outstanding at the time such consent is given; **provided, however**, that if such modification or amendment will, by its terms, not take effect so long as any Secured Obligations of any specified like Series, maturity and tenor remain Outstanding, the consent of the Holders of such Secured Obligations shall not be required and such Secured Obligations shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under the definition of Majority in Interest for purposes of this Section.

(b) No such modification or amendment shall, without the prior written consent of the Holder of such Secured Obligation, permit a change in the provisions related to the timing or amount of any payment on the Secured Obligations, including, without limitation, any change in the currency to be used to pay Principal of and interest on the Secured Obligations, any change in the amount or date of any Sinking Fund Installment, payment of Principal or any other payment, the terms of redemption or maturity of the principal of any Outstanding Secured Obligations or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon. Further, no such modification or amendment shall (i), without the prior written consent of the Holder of such Secured Obligation, reduce the percentages or otherwise affect the classes of Secured Obligations the consent of the Holders of which is required to effect any such modification or amendment, create a lien upon or pledge of the Trust Estate (other than the liens created under this Trust Agreement), create a preference of priority of any Bond or Bonds over any other Bond or Bonds, to create a preference or priority of any Subordinated Indebtedness over any Bond or Bonds, or to otherwise modify the covenant in section 7.10 and (ii) materially adversely affect the rights of any holder of Bonds or Subordinated Indebtedness without the prior written consent of such holder of Bonds or Subordinated Indebtedness. Further, no waiver of any default or compliance with any provision of this Section 10.01(b) shall be granted without the prior written consent of the Holder of such Secured Obligation.

(c) For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment hereof if the same adversely affects or diminishes the rights of the Holders of Secured Obligations of such Series in any respect. The Trustee may in its discretion reasonably determine whether or not, in accordance with the foregoing provisions, the Secured Obligations of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on the Authority and all Holders of Secured Obligations. If the Trustee does not make such a determination, the Trustee shall obtain an opinion of Transaction Counsel as to whether the Secured Obligations of any particular Series or maturity would be so affected by any such modification or amendment hereof, which such opinion shall be binding and conclusive on the Authority and all Holders of Secured Obligations.

Section 10.02 Consent of Holders of Secured Obligations. The Authority may at any time execute and deliver a Supplemental Trust Agreement making a modification or amendment permitted by the provisions of Section 10.01 hereof to take effect when and as provided in this Section. Upon the adoption of such Supplemental Trust Agreement, a copy thereof, certified by an Authorized Officer of the Authority shall be filed with the Trustee for the inspection of the Holders of Secured Obligations. A copy of such Supplemental Trust Agreement (or summary thereof or reference thereto in form approved in writing by the Trustee) together with a request to Holders of Secured Obligations, to the extent required hereby, for their consent thereto in form satisfactory to the Trustee, shall be mailed or distributed by Electronic Means by the Authority to each affected Holder of Secured Obligations. Such Supplemental Trust Agreement shall not become effective until (a) there shall have been filed with the Trustee (i) the written consent of the Holders of the percentages of Outstanding Secured Obligations specified in Section 10.01 hereof and (ii) the opinions of Transaction Counsel required by Section 9.03 and (b) a notice shall have been mailed or distributed by Electronic Means as hereinafter in this Section provided. Any such consent shall be binding upon the Holder of the Secured Obligations giving such consent and on any subsequent Holder of such Secured Obligations (whether or not such subsequent Holder has notice thereof). At any time after the Holders of the required percentages of Secured Obligations shall have filed their consent to the Supplemental Trust Agreement, notice, stating in substance that the Supplemental Trust Agreement has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section, shall be given by the Trustee to the Holders of Secured Obligations by mailing such notice to Holders of Secured Obligations or by Electronic Means. The Authority shall file with the Trustee proof of giving such notice. Such Supplemental Trust Agreement shall be deemed conclusively binding upon the Authority and the Holders of all Secured Obligations at the expiration of sixty (60) days after the filing with the Trustee of the proof of the giving of such notice, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in legal action or equitable proceeding commenced for such purpose within such sixty (60) day period; *provided, however*, that the Authority during such sixty (60) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Trust Agreement as it may deem expedient.

Section 10.03 Modifications by Unanimous Consent. The terms and provisions hereof and the rights and obligations of the Authority and of the Holders of the Secured Obligations may be modified or amended in any respect upon the execution, delivery and filing with the Trustee by the Authority of a copy of a Supplemental Trust Agreement certified by an Authorized Officer of the Authority and the consent of the Holders of all of the Secured Obligations then Outstanding, such consent to be given as provided in Section 10.02.

Section 10.04 Mailing. Any provision in this Article X for the mailing of a notice or other document to Holders of Secured Obligations shall be fully complied with if it is mailed postage prepaid or distributed by Electronic Means only (a) to each registered owner of Secured Obligations then Outstanding at such person's address, if any, appearing upon the registry books of the Authority, (b) to the Trustee, and (c) to the Bond Insurer at its last known address.

Section 10.05 Exclusion of Secured Obligations. Secured Obligations owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of consent or

other action provided for herein, and the Authority shall not be entitled with respect to such Bonds to give any consent or take any other action provided for herein. At the time of any consent or other action taken hereunder, the Authority shall furnish the Trustee a certificate of an Authorized Officer of the Authority, upon which the Trustee may rely, describing all Secured Obligations so to be excluded.

Section 10.06 Notation on Secured Obligations. Secured Obligations delivered after the effective date of any action taken as provided in Article IX hereof or this Article X may, and if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and upon presentation of his Secured Obligation for such purpose at the designated corporate trust office of the Trustee suitable notation shall be made on such Secured Obligation by the Trustee as to any such action. If the Authority or the Trustee shall so determine, new Secured Obligations so modified as, in the opinion of the Trustee and the Authority, conform to such action shall be prepared and delivered, and upon demand of the Holder of any Secured Obligations then Outstanding shall be exchanged, without cost to such Holder, for Secured Obligations of the same Series and maturity then Outstanding, upon surrender of such Secured Obligations.

ARTICLE XI.

DEFAULTS AND REMEDIES

Section 11.01 Events of Default. An Event of Default shall exist hereunder and under each Supplemental Trust Agreement (herein called “**Event of Default**”) if:

(a) Payment of the Principal or Redemption Price of any Bond shall not be made by the Authority when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise; or

(b) Payment of an installment of interest on any Bond shall not be made by the Authority when the same shall become due and payable; or

Section 11.04 Priority of Payments after Default. First: To the payment of reasonable amounts due to the Trustee and Paying Agents under Section 8.06;

Second: To the Authority, in each month, an amount equal to the amount set forth in the Disbursement Schedule prepared in accordance with Section 7.02(d) to pay Costs of Operation, Maintenance and Administration of the Toll Facilities for the next succeeding two months, to the extent not paid pursuant to clause First above;

Third, Pro rata:

(A) To the payment to the Bondholders of all installments of interest on the Bonds then due (including amounts previously due but not yet paid) in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Bondholders, without any discrimination or preference; and

(B) To the payment to the persons entitled thereto of the unpaid Principal or Redemption Price of any Bonds which shall have become due whether at maturity or by call for redemption in the order of their due dates and, if the amount available shall not be sufficient to pay in full all such amounts due on any such due date, then to the payment thereof ratably, according to the amount of Principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

Fourth, Pro rata:

(B) To the payment to the persons entitled thereto of the unpaid Principal or Redemption Price of any Subordinated Indebtedness which shall have become due whether at maturity or by call for redemption in the order of their due dates and, if the amount available shall not be sufficient to pay in full all such amounts due on any such due date, then to the payment thereof ratably, according to the amount of Principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for such application in the future. The setting aside of such money in trust for application in accordance with the provisions of this Section shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Authority, to any Holder of Secured Obligations or to any other person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions hereof as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be on an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date.

Amounts held by the Trustee after payments to be made pursuant to this Section 11.04 have been made and no Secured Obligations are Outstanding and unpaid shall be paid and applied in accordance with Section 5.05 hereof.

Section 11.05 Termination of Proceedings. In case any proceedings commenced by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been commenced.

Section 11.06 Bondholders' Direction of Proceedings. Anything herein to the contrary notwithstanding, the Holders of a Quarter in Interest of the Outstanding Bonds shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the choice of remedies and the time, method and place of conducting any proceeding for any remedy available to the Trustee hereunder, under each Supplemental Trust Agreement or otherwise, or exercising any trust or power conferred upon the Trustee, including the power to direct or withhold directions with respect to any remedy available pursuant to Section 11.03, provided, (i) such direction shall not be otherwise than in accordance with law and the provisions hereof and of each Supplemental Trust Agreement, (ii) that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and (iii) that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

Section 11.07 Control by Holders of Bonds; Limitations. No Holder of any of the Secured Obligations shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder, or for any other remedy hereunder unless such Holder previously shall have given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than a Quarter in Interest of the Outstanding Bonds, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted hereby or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time (and in no event shall a delay of more than thirty (30) days be deemed reasonable for such purposes) after receipt thereof. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts hereof or for any other remedy hereunder and in equity or at law. Notwithstanding the right of the Holders to direct proceedings in accordance with Section 11.06 above, it is understood and intended that, no one or more Holders of the Secured Obligations secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security hereof, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Secured Obligations. Notwithstanding any other provision hereof and subject in all respects to Article XII of this Trust Agreement, the Holder of any Secured Obligation shall have the right which is absolute and unconditional to receive payment of the Principal of (and redemption premium, if any) and interest

on such Bond on the stated maturity expressed in such Secured Obligation (or, in the case of redemption, on the redemption date or, in the case of interest, on the Interest Payment Date on which such interest is due) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 11.08 Actions by Trustee; Possession of Secured Obligations by Trustee Not Required. All rights of action hereunder or under any of the Secured Obligations secured hereby and thereby, enforceable by the Trustee, may be enforced by it without the possession of any of such Secured Obligations or the production thereof at the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Holders of the Secured Obligations to which such action relates, subject to the provisions hereof.

Section 11.09 Waiver and Non-Waiver of Default. No delay or omission of the Trustee or any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein. Every power and remedy given by this Article XI to the Trustee and the Bondholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon written request of the Holders of not less than a Majority in Interest of the Outstanding Bonds, shall waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof or before the completion of the enforcement of any other remedy hereunder; *provided, however*, the Trustee may not waive any default if it has received a direction from not less than a Majority in Interest of the Outstanding Bonds that such default may not be waived by the Trustee; *provided, further*, that no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 11.10 Notice of Event of Default. The Trustee shall give notice of each Event of Default or Subordinated Payment Default hereunder known to the Trustee to the Authority and AAFAF, within ten (10) days after knowledge of the occurrence thereof and to the Holders of Secured Obligations within thirty (30) days after knowledge of the occurrence thereof, unless such Event of Default or Subordinated Payment Default shall have been remedied or cured before the giving of such notice; *provided, however*, that failure to provide notice to the AAFAF of any Event of Default shall in no way limit the exercise of remedies by the Trustee or Bondholders. In the case of the Holders of the Secured Obligations, each such notice of Event of Default shall be given by the Trustee by mailing written notice thereof to all registered Holders of Secured Obligations, as the names and addresses of such Holders appear on the books for registration and transfer of Secured Obligations as kept by the Trustee and to the Bond Insurer at its last known address.

Section 11.11 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other remedy and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity, by statute or by contract.

ARTICLE XII.

SUBORDINATION

Section 12.01 Agreement to Subordinate. The indebtedness evidenced by all Subordinated Indebtedness, and any liens or property interests securing such Subordinated Indebtedness, shall be junior, inferior, and expressly subordinate in all respects to and subject in all respects to the prior payment in full of the Bonds and to any liens securing the Bonds, except as set forth below, and the holder of any Subordinated Indebtedness whether upon original issue or upon transfer or assignment thereof accepts and agrees to be bound by such provision. Notwithstanding any defect or deficiencies in, or failure to perfect or lapse in perfection of, or avoidance as a fraudulent conveyance or otherwise of, any liens securing the Bonds, and regardless of any Bankruptcy Proceeding, any liens securing the Subordinated Indebtedness shall be junior and subordinate in all respects to any liens securing the Bonds. Subject in all respects to the provisions of this Article XII and to the express subordination of the Subordinated Indebtedness to the senior lien and senior security interest in the Trust Estate pledged to the payment of the Bonds provided for in this Trust Agreement, holders of Subordinated Indebtedness shall be entitled to receive payments of principal and interest with respect to the Subordinated Indebtedness and to seek specific performance thereof. Each provision in this Article XII shall constitute a subordination agreement for purposes of section 510(a) of the Bankruptcy Code.

Section 12.02 Distributions in Bankruptcy Proceedings. Upon any payment or distribution of any kind in any Bankruptcy Proceeding (including, without limitation, any plan distributions, interim distributions, or adequate protection), or otherwise:

(a) All Bonds (including principal, interest, premiums, and fees on such Bonds due or to become due, absolute or contingent, now existing or hereafter arising, and including interest, premiums, and fees that accrue after the commencement of any Bankruptcy Proceeding, regardless of whether such interest, premiums, and fees are allowed claims in such proceeding) shall first be paid or duly provided for to the extent of such payment or distribution before any payment or distribution of any kind is made upon the indebtedness evidenced by the Subordinated Indebtedness;

(b) Any payment or distribution of assets of the Authority of any kind or character, whether in cash, property, securities, or any other form of consideration to which the Holders of the Subordinated Indebtedness would be entitled except for the provisions of this Article, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Authority being subordinated to the payment of the Subordinated Indebtedness, shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of the Bonds, to the extent necessary to provide for the payment of all Bonds in full before any payment is made upon the indebtedness evidenced by the Subordinated Indebtedness;

(c) In the event that, any payment or distribution of any kind shall be received by the Trustee or by the holders of the Subordinated Indebtedness in respect of any Subordinated Indebtedness before all Bonds are paid or duly provided for in full, such payment or distribution

shall be segregated and held in trust and forthwith shall be paid over to the holders of the Bonds for application to the payment thereof until such Bonds shall have been paid or provision for such payment shall have been made in full;

(d) For purposes of this Article XII, all references to payment of Bonds in full shall include all principal, interest, premiums, and fees on such Bonds due or to become due, absolute or contingent, now existing or hereafter arising, and including interest, premiums, and fees that accrue after the commencement of any Bankruptcy Proceeding, regardless of whether such interest, premiums, and fees are allowed claims in such proceeding; and

(e) Notwithstanding any other provision to the contrary herein, if an Event of Default described in clauses (a) through (h) of Section 11.01 of this Trust Agreement has occurred and is continuing, all Holders of the Subordinated Indebtedness and any representatives for such Subordinated Indebtedness hereby agree that unless and until the Bonds have been paid in full, they shall not exercise any rights or remedies or take any action or proceeding to collect or enforce any of the Subordinated Indebtedness or any liens securing such Subordinated Indebtedness.

Section 12.03 Prohibition on Contesting Liens and Claims. Each Holder of Subordinated Indebtedness and each representative of the Holders of such Subordinated Indebtedness, agrees that it will not (and hereby waives any right to) directly or indirectly contest or support any other Person in contesting, in any proceeding (including any Bankruptcy Proceeding), the priority, validity, perfection, extent or enforceability of any claims of the holders of Bonds or the Trustee or any lien held, or purported to be held, by or on behalf of any of the Trustee or the holders of the Bonds in the Trust Estate pursuant to this Trust Agreement. Until the Bonds have been discharged and paid in full, so long as an Event of Default (other than an Event of Default described in Section 11.01(i), provided that no other Events of Default described in Section 11.01 have occurred and be continuing) shall have occurred and be continuing, no Holder of Subordinated Indebtedness or any representative of the Holders of such Subordinated Indebtedness will assert any marshaling, appraisal, valuation or other similar right that may otherwise be available to a junior secured creditor; ***provided, however,*** that if an Event of Default (other than an Event of Default described in Section 11.01(i)) has occurred and is continuing and the Trustee (on behalf of the Holders of Bonds) or the Holders of Bonds (to the extent permitted by Section 11.07) exercise remedies, the Holders of Subordinated Indebtedness may join in such actions, but only if their participation is not in opposition to, and does not otherwise conflict with, the relief sought by the Holders of the Bonds or the Trustee, as applicable.

Section 12.04 Post-Petition Interest. Each of the parties hereto hereby acknowledges and agrees that the Holders of Bonds shall be entitled to receive, in addition to amounts distributed to them in respect of principal, prepetition interest and other claims, all amounts owing in respect of post-petition interest regardless of whether such amounts are allowed in any Bankruptcy Proceeding (including, without limitation, any additional interest payable pursuant to this Trust Agreement, the Bonds, or any Ancillary Agreements, arising from or related to a default, which is disallowed as a claim in any Bankruptcy Proceeding), if any, before any distribution is made in respect of the claims held by the Holders of Subordinated Indebtedness with respect to the Trust Estate, with Holders of Subordinated Indebtedness or any representative thereof hereby acknowledging and agreeing to turn over to the Trustee, for itself and on behalf of each other Holder of Bonds, any portion of the Trust Estate otherwise received or receivable by them to the

extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Holders of Subordinated Indebtedness.

ARTICLE XIII.

DEFEASANCE

Section 13.01 Defeasance. (a) If the Authority shall pay or cause to be paid to the Holder of a Secured Obligation the Principal or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, herein, and in the applicable Supplemental Trust Agreement, then all rights granted hereby and by the Act to such Secured Obligation shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Authority, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Authority, and all money or investments thereof held by it pursuant hereto and to the applicable Supplemental Trust Agreement which are being held for the sole benefit of such Secured Obligations and which are not required for the payment or redemption of Secured Obligations of the same Series as such Secured Obligation shall be applied by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority, second, to the Debt Service Fund, to the extent the amount then on deposit therein is less than Annual Debt Service for the then current Fiscal Year, and third, to the extent not required to be deposited in the Arbitrage Rebate Fund or the Debt Service Fund, at the direction of the Authority, shall be transferred to any other fund or account established pursuant hereto.

(b) Secured Obligations for the payment or redemption of which money shall have been set aside and shall be held in trust by the Trustee (through deposit of money for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section. All Outstanding Secured Obligations of any Series or any maturity within a Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section if:

(i) in case any of said Secured Obligations are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in Article IV hereof notice of redemption on said date of redemption of such Secured Obligations; and

(ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient in the judgment of a nationally recognized verification agent to pay when due the Principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be; and

(iii) in the event said Secured Obligations are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the

Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of said Secured Obligations at their last known addresses appearing on the registration books, a notice to the Holders of such Secured Obligations that the deposit required by (II) above has been made with the Trustee and that said Secured Obligations are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which money is to be available for the payment of the Principal or Redemption Price, if applicable, of and interest on said Secured Obligations; and

(iv) the Authority shall have delivered to the Trustee an opinion of Transaction Counsel to the effect that (A) any Secured Obligation having been deemed to have been paid as provided in this Section is no longer Outstanding hereunder and is no longer secured by or entitled to the benefits of this Trust Agreement, (B) such defeasance is in accordance with the terms hereof and (C) with respect to a Tax Exempt Bond, such defeasance will not adversely affect the exclusion of interest on such Tax Exempt Bond from gross income for purposes of federal income taxation.

The Authority shall give written notice to the Trustee of its selection of the Series and maturity payment of which shall be made in accordance with this Section. The Trustee shall select the Secured of like Series and maturity payment of which shall be made in accordance with this Section in the manner provided in Section 4.04 hereof. Neither the Defeasance Securities nor money deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal or Redemption Price, if applicable, of and interest on said Bonds; ***provided, however,*** that any money received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose in the judgment of a nationally recognized verification agent, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the Principal or Redemption Price, if applicable, of and interest to become due on said Secured Obligations on and prior to such redemption date or maturity date hereof, as the case may be. Any income or interest earned by, or increment to, the investment of any such money so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required hereinabove to pay the Principal or Redemption Price, if applicable, of and interest on such Secured Obligations, as realized, shall be applied by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Authority, second, to the Debt Service Fund, to the extent the amount then on deposit therein is less than the sum of the Interest Funding Requirement for the then current Fiscal Year and the Principal Funding Requirement for the then current Fiscal Year, and third, to the extent not required to be deposited in the Arbitrage Rebate Fund or the Debt Service Fund, at the direction of the Authority, shall be retained therein or transferred to any other fund or account established pursuant hereto.

(c) Anything herein to the contrary notwithstanding, any money held by the Trustee or a Paying Agent in trust for the payment and discharge of any of the Secured Obligations of a Series or the interest thereon which remain unclaimed for three (3) years after the date when all of the Secured Obligations of such Series have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such money was held by the Trustee or Paying Agent at

such date, or for three (3) years after the date of deposit of such money if deposited with the Trustee or Paying Agent after said date when all of the Secured Obligations of such Series become due and payable, or three (3) years after the date when the Principal or Redemption Price of or interest on the Secured Obligations for which said money is held was due and payable, shall, at the written request of the Authority, be repaid by the Trustee or Paying Agent to the Authority as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Holders of Secured Obligations shall look only to the Authority for the payment of such Secured Obligations.

ARTICLE XIV.

EXECUTION OF INSTRUMENTS BY BONDHOLDERS AND PROOF OF OWNERSHIP OF SECURED OBLIGATIONS

Section 14.01 Evidence of Signatures of Bondholders and Ownership of Secured Obligations. Any request, consent or other instrument which this Trust Agreement may require or permit to be signed and executed by a Holder or Holders of Secured Obligations may be in one or more instruments of similar tenor, and shall be signed or executed by such Holder or Holders of Secured Obligations in person or by his or their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of an instrument appointing any such attorney, or the holding or owning by any person of such Secured Obligations, shall be sufficient for any purpose hereof (except as otherwise herein expressly provided) if made in the manner set forth below, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable.

The fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of any officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The corporation of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or a vice-president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

The ownership of Secured Obligations and the amount, numbers and other identification, and date of holding or owning the same shall be proved by the registry books. Any request, consent or vote of the owner of any Secured Obligations shall bind all future owners of such Secured Obligation in respect of anything done or suffered to be done or omitted to be done by the Authority or the Trustee in accordance therewith. The Authority or the Trustee may fix a record date in connection with any such request, consent or vote.

ARTICLE XV.

MISCELLANEOUS

Section 15.01 Preservation and Inspection of Documents. All documents received by the Trustee from the Authority or from Bondholders under the provisions hereof or of any Supplemental Trust Agreement shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Authority any Bondholder and their agents and their representatives, any of whom may make copies thereof; *provided, however*, that with respect to inspection by a Bondholder a written request of such Bondholder must have been received by the Trustee at least five (5) Business Days prior to the date of inspection. The Trustee shall provide to the Authority account balances and other information reasonably requested by the Authority.

Section 15.02 Money and Funds Held for Particular Secured Obligations. The amounts held by the Trustee or any Paying Agent for the payment of the Principal or Redemption Price of and interest on the Secured Obligations due on any date with respect to particular Bonds shall, pending such payment, be set aside and validly and irrevocably held in trust by it for the Holders of such Secured Obligations entitled thereto, and for the purposes hereof such Principal or Redemption Price of and interest on such Secured Obligations, due after such date thereof, shall no longer be considered to be unpaid.

Section 15.03 Cancellation of Secured Obligations. The Trustee or any Paying Agent shall forthwith cancel all Secured Obligations which have been redeemed or paid and shall dispose of such Bonds in accordance with its customary procedures. No such Secured Obligations shall be deemed Outstanding Secured Obligations hereunder and no Secured Obligations shall be issued in lieu thereof.

Section 15.04 No Recourse under Trust Agreement or on the Secured Obligations. All covenants, stipulations, promises, agreements and obligations of the Authority contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Authority and not of any member, officer or employee of the Authority, and no recourse shall be had for the payment of the Principal or Redemption Price of or interest on the Secured Obligations or for any claims based thereon, hereon or on the Supplemental Trust Agreement against any member, officer or employee of the Authority or any person executing the Secured Obligations, all such liability, if any, being expressly waived and released by every Holder of Secured Obligations by the acceptance of the Secured Obligations.

Section 15.05 Severability of Invalid Provision. If any one or more of the covenants, stipulations, promises, agreements and obligations provided herein or in any Supplemental Trust Agreement on the part of the Authority or the Trustee to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, agreement or agreements or obligation or obligations shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions hereof or of such Supplemental Trust Agreement or of the Secured Obligations.

Section 15.06 Parties of Interest. Nothing herein or in any Supplemental Trust Agreement adopted pursuant to the provisions hereof, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party other than the Authority, the Trustee, the Paying Agents and the Holders and, to the extent provided in this Trust Agreement and any Supplemental Trust Agreement, any Bond Insurer any rights, remedies or claims hereunder or by reason hereof or of any Supplemental Trust Agreement or any covenant, condition or stipulation thereof. All covenants, stipulations, promises and agreements herein or in any Supplemental Trust Agreement contained by or on behalf of the Authority shall be for the sole and exclusive benefit of the Authority, the Trustee, the Paying Agents, the Holders and the Bond Insurer. Any Bond Insurer of any Insured Bonds issued under this Trust Agreement is an express third party beneficiary of this Trust Agreement and of any applicable Supplemental Trust Agreement.

Section 15.07 Certain Provisions Relating to Capital Appreciation Bonds or Convertible Capital Appreciation Bonds. For the purposes of receiving payment of the Redemption Price of a Capital Appreciation Bond or Convertible Capital Appreciation Bond (prior to the applicable Interest Commencement Date with respect to such Convertible Capital Appreciation Bond) redeemed prior to maturity, the then current Accreted Value of such Bond shall be deemed to be its principal amount. In computing the principal amount of Bonds held by the registered owner of a Capital Appreciation Bond or Convertible Capital Appreciation Bond (prior to the applicable Interest Commencement Date with respect to such Convertible Capital Appreciation Bond) in giving to the Authority or the Trustee any notice, consent, request, or demand pursuant hereto for any purpose whatsoever, the Accreted Value of such Bond as at the immediately preceding Valuation Date shall be deemed to be its principal amount. Notwithstanding any other provision hereof, the amount payable at any time with respect to the Principal of and interest on any Capital Appreciation Bond or Convertible Capital Appreciation Bond (prior to the applicable Interest Commencement Date with respect to such Convertible Capital Appreciation Bond) shall be equal to its Accreted Value thereof at such time plus redemption premium, if any.

Section 15.08 Notices. Except as otherwise provided herein, any notices, directions or other instruments required to be given or delivered pursuant hereto or to any Supplemental Trust Agreement shall be in writing and shall be delivered by hand against the written receipt therefor or sent by registered or certified mail addressed: in the case of the Authority, to it to the attention of the Authority's Executive Director with a copy to the Secretary of the Authority's board, at Roberto Sanchez Vilella (Minillas) Government Center, de Diego Ave No. 100, San Juan, PR 00907; and in the case of the Trustee, addressed to it at the designated corporate trust office of the Trustee at _____, _____, _____ att.: _____; in the case of the Commonwealth or the Secretary of the Treasury, to the attention of the Secretary of Treasury at 10 Paseo Covadonga, San Juan, Puerto Rico, 00901, or, in each case, to such other individual and at such other address as the person to be notified shall have specified by notice to the other persons. Any such communication may also be sent by Electronic Means, receipt of which shall be confirmed.

In the event the Trustee sends a notice to the Holders of any series of Secured Obligations, the Trustee shall also provide such notice in electronic format, accompanied by such identifying information as is prescribed by the Municipal Securities Rulemaking Board, including the CUSIP numbers for the Secured Obligations of the series to the Authority's dissemination agent for distribution through the EMMA system. The Authority shall cooperate with the Trustee to the

extent necessary to facilitate the foregoing. The Trustee shall not be liable under any circumstances for monetary damages to any person for any breach of the provisions of this paragraph. The sole remedy for failure of the Trustee to perform is specific performance.

Section 15.09 Headings. Any headings preceding the text of the several Articles and Sections hereof, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part hereof nor shall they affect its meaning, construction or effect.

Section 15.10 Governing Laws. This Trust Agreement and the Bonds shall be governed by the laws of the State of New York applicable to agreements made in and to be performed wholly within such jurisdiction, and the laws of the State of New York, without giving effect to principles of conflicts of laws, shall apply to any action or proceeding arising under this Trust Agreement and the Bonds; *provided, however*, that the authorization of this Trust Agreement and the issuance of the Secured Obligations by the Authority shall be governed by the laws of the Commonwealth.

Section 15.11 Retention of Jurisdiction of Title III Court. The Title III Court shall retain jurisdiction from and after the Effective Date of all matters arising from or related to the Plan of Adjustment, the Confirmation Order and this Trust Agreement, including, without limitation, with respect to the payment of the Secured Obligations and the enforcement of the remedies set forth herein to the fullest extent permitted by law. Any disputes, legal action, suit, or proceeding arising from or related to this Trust Agreement or the Secured Obligations (a) shall be brought in accordance with the terms of this Trust Agreement in the Title III Court and any appellate court therefrom, or, in the event such court does not have or accept such jurisdiction, in any federal district court sitting in Puerto Rico and any appellate court therefrom or, in the event such federal district court does not have or accept jurisdiction, a Commonwealth court and any appellate court therefrom and (b) the parties shall be deemed to consent to the jurisdiction thereof.

Section 15.12 Signatures and Counterparts. This Trust Agreement and each Supplemental Trust Agreement may be executed and delivered in any number of counterparts, each of which shall be deemed to be an original, but such counterparts together shall constitute one and the same instrument.

Section 15.13 Successors and Assigns. Whenever in this Trust Agreement the Authority is named or referred to, it shall be deemed to include its successors and assigns and all the covenants and agreements in this Trust Agreement contained by or on behalf of the Authority shall bind and inure to the benefit of its successors and assigns whether so expressed or not.

Section 15.14 Conflicts. All resolutions or other proceedings of the Authority or parts thereof in conflict herewith are repealed insofar as such conflict exists.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements contained herein, the Debtors and the Trustee hereby agree to amend and restate the Original Trust Agreement in its entirety as follows:

AGREEMENT

ARTICLE I

DECLARATION OF TRUST

1.1 Creation of Trust. The Debtors and the Trustee, pursuant to the Plan and the Confirmation Order, hereby constitute and create the Avoidance Actions Trust, which shall bear the name “Commonwealth Avoidance Actions Trust.” In connection with the exercise of the Trustee’s power hereunder, the Trustee may use this name or such variation thereof as the Trustee sees fit.

1.2 Purpose of Avoidance Actions Trust. The sole purpose of the Avoidance Actions Trust is to implement the Plan and the HTA Plan on behalf, and for the benefit, of the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries, and to serve as a mechanism for liquidating, converting to Cash and distributing the Avoidance Actions Trust Assets and the HTA Avoidance Actions in accordance with Treasury Regulations section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Avoidance Actions Trust.

1.3 Transfer of Avoidance Actions Trust Assets.

(a) The Debtors previously transferred, for the sole benefit of the Avoidance Actions Trust Beneficiaries, and in accordance with the Plan and the Confirmation Order, all of the Avoidance Actions Trust Assets to the Avoidance Actions Trust, free and clear of any and all liens, claims, encumbrances and interests (legal, beneficial or otherwise) of all other Persons to the maximum extent contemplated by and permissible pursuant to the Plan and Confirmation Order. Such transfer occurred on the Effective Date for all Avoidance Actions Trust Assets other than the settlement funds residing in the account at Banco Popular de Puerto Rico with account number 75-0277-01-4 (the “Escrow Account Funds”). On or after the Effective Date, upon the written request of the Trustee, the Debtors or the Reorganized Debtors, as the case may be, with the assistance of the FOMB and its Special Claims Committee, shall take actions necessary to cause the Escrow Account Funds to be disbursed to the Avoidance Actions Trust in accordance with that certain Escrow Agreement dated as of March 11, 2021, by and among the Special Claims Committee, the Official Committee of Unsecured Creditors for all Title III Debtors (other than PBA and COFINA), and Banco Popular de Puerto Rico. In addition, the Commonwealth shall fund the Avoidance Actions Trust, on a one time basis, in the amount of Fifteen Million U.S. Dollars (\$15,000,000) (the “Administrative Funding”) by transferring such funds to the Avoidance Actions Trust within two business days of receiving written transfer instructions for such purpose from the Trustee. Any portion of the Administrative Funding that is not used to fund the activities of the Avoidance Actions Trust shall be distributed in accordance with Section 4.2. The FOMB shall

reasonably cooperate with the reasonable requests of the Trustee in connection with the transfer by the Debtors of the Avoidance Actions Trust Assets pursuant to this Section 1.3(a).

(b) On the effective date of the HTA Plan (the “HTA Effective Date”), HTA shall transfer, for the sole benefit of the HTA Trust Beneficiaries, and in accordance with the HTA Plan and the HTA Confirmation Order, all of the HTA Avoidance Actions to the Avoidance Actions Trust, free and clear of any and all liens, claims, encumbrances and interests (legal, beneficial or otherwise) of all other Persons to the maximum extent contemplated by and permissible pursuant to the HTA Plan and HTA Confirmation Order. The FOMB shall reasonably cooperate with the reasonable requests of the Trustee in connection with the transfer by HTA of the HTA Avoidance Actions pursuant to this Section 1.3(b).

1.4 No Rights of Debtors. Following the Effective Date and the transfer of the Avoidance Actions Trust Assets and the HTA Avoidance Actions to the Avoidance Actions Trust, the Debtors shall have no authority or control over the Avoidance Actions Trust Assets or the HTA Avoidance Actions, including no rights to appear in, prosecute, compromise, or otherwise direct the litigation or settlement of the Avoidance Actions or the HTA Avoidance Actions, except as may be necessary to ensure, and for the sole purpose of ensuring, the full transfer of control and authority over the Avoidance Actions Trust Assets and the HTA Avoidance Actions to the Avoidance Actions Trust. The Debtors agree to take whatever actions may be reasonably necessary, including seeking the amendment of complaints or the restatement of tolling agreements, to ensure that all such authority and control over the Avoidance Actions, the HTA Avoidance Actions and other Trust Assets is so transferred to the Trust. The limitations on the Debtors’ rights in this subsections shall not prejudice the ability of any of the Debtors to appear in or provide testimony in Avoidance Actions, HTA Avoidance Actions or other litigation in order to fulfil the Debtors’ cooperation obligations set forth in Section 9.11 hereof.

1.5 Appointment and Acceptance of Trustee. As set forth in the Confirmation Order, the members of the Trust Advisory Board hereby ratify the designation of Drivetrain, LLC to serve as the initial Trustee under the Plan, and HTA hereby designates the Drivetrain, LLC to serve as the initial Trustee under the HTA Plan. The Trustee accepts the Avoidance Actions Trust created by this Trust Agreement and the grant, assignment, transfer, conveyance and delivery to the Trustee, on behalf, and for the benefit, of the Avoidance Actions Trust Beneficiaries, by the Debtors of all of their respective right, title and interest in the Avoidance Actions Trust Assets and the HTA Avoidance Actions, upon the terms and subject to the conditions set forth herein, in the Plan, the Confirmation Order, the HTA Plan and the HTA Confirmation Order. The Trustee’s powers are exercisable solely in a fiduciary capacity consistent with, and in furtherance of, the purpose of the Avoidance Actions Trust and not otherwise. The Trustee shall have the authority to bind the Avoidance Actions Trust within the limitations set forth herein, but shall for all purposes hereunder be acting in the capacity as Trustee, and not individually.

1.6 Liquidation of Avoidance Actions Trust Assets and HTA Avoidance Actions. The Trustee shall, in an expeditious but commercially reasonable manner and subject to the provisions of the Plan (including Article LXXVIII of the Plan), the Confirmation Order, the HTA Plan, the HTA Confirmation Order and the other provisions of this Trust Agreement, liquidate and convert to Cash the Avoidance Actions Trust Assets and the HTA Avoidance Actions, make timely

distributions in accordance with the terms hereof and the Plan and not unduly prolong the existence of the Avoidance Actions Trust. The Trustee shall exercise reasonable business judgment and liquidate the Avoidance Actions Trust Assets and the HTA Avoidance Actions to maximize net recoveries; provided, however, that the Trustee shall be entitled to take into consideration the risks, timing, and costs of potential actions in making determinations as to the maximization of recoveries and the determinations and actions of the Trustee shall in all cases be subject to the limitations provided elsewhere herein. Subject to the terms of this Trust Agreement, such liquidations may be accomplished through the prosecution, compromise and settlement, abandonment or dismissal of any or all claims, rights or causes of action of the Avoidance Actions Trust or through the sale or other disposition of the Avoidance Actions Trust Assets and the HTA Avoidance Actions (in whole or in combination, and including the sale of any claims, rights or causes of action of the Avoidance Actions Trust). The Trustee may incur any reasonable and necessary expenses in connection with the liquidation or conversion into Cash of the Avoidance Actions Trust Assets and HTA Avoidance Actions, or in connection with the administration of the Avoidance Actions Trust and HTA Avoidance Actions, and, to the extent that any Administrative Funding is available, such expenses shall first be deducted from the Administrative Funding; provided, however, that any expenses incurred solely in connection with the administration, liquidation and conversion into Cash of the HTA Avoidance Actions shall be paid or reimbursed from the Cash proceeds of the HTA Avoidance Actions to the extent such Cash proceeds are or become available. Incurrence of expenses requiring funding from sources other than the Administrative Funding shall require the approval of the Trust Advisory Board.

1.7 No Reversion to Debtors. In no event shall any part of the Avoidance Actions Trust Assets or the HTA Avoidance Actions revert to or be distributed to any Debtor or Reorganized Debtor.

1.8 Incidents of Ownership. The Avoidance Actions Trust Beneficiaries shall be the sole beneficiaries of the Avoidance Actions Trust Assets, the HTA Trust Beneficiaries shall be the sole beneficiaries of the HTA Avoidance Actions, and the Trustee shall retain only such incidents of ownership as are necessary to undertake the actions and transactions authorized herein, in the Plan, the Confirmation Order, the HTA Plan and the HTA Confirmation Order, including those powers set forth in Section 6.2 hereof.

1.9 Privileges and Obligation to Respond to Ongoing Investigations.

(a) All attorney-client privileges, work product protections and other immunities or protections from disclosure held by the Debtors ("Privileges") shall be transferred, assigned and delivered to the Avoidance Actions Trust, without waiver and in recognition of the joint and/or successorship interest in prosecuting claims on behalf of the Debtors, and shall vest in the Trustee solely in its capacity as such (and any other Person whom the Trustee, with the consent of the Trust Advisory Board, may designate; it being understood that, as of the date of this Trust Agreement, the Trustee shall designate the Trust Advisory Board, solely in its capacity as such, as well as any other Person designated in this Trust Agreement). The FOMB, the Debtors, as the case may be, and the Trustee are authorized to take all necessary actions to effectuate the sharing and vesting of such Privileges.

(b) Pursuant to Federal Rule of Evidence 502(d) (to the extent Rule 502(d) is relevant, notwithstanding the fact that the FOMB, the Debtors and the Trustee are joint holders of certain attorney-client privileges, work product protections or other immunities or protections from disclosure), no Privileges shall be waived by disclosure to the Trustee, the Avoidance Actions Trust's professionals, or the Trust Advisory Board of the FOMB's or the Debtors' information subject to attorney-client privileges, work product protections or other immunities or protections from disclosure, or by disclosure among the FOMB, the Debtors, the Trustee and/or the Trust Advisory Board of information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure jointly held by the FOMB, the Debtors, the Trustee and/or the Trust Advisory Board. The Trustee shall be obligated to respond, on behalf of the Debtors, and with their reasonable cooperation, to all information demands with respect to the Avoidance Actions or the HTA Avoidance Actions. The Trustee may waive, and/or disclose documents subject to, Privileges that are held by the FOMB and/or the Debtors (including the deliberative process privilege) only with the prior written consent of (i) the applicable holder(s) of such Privilege (*i.e.*, the FOMB and/or the Debtors, as the case may be), and (ii) the Trust Advisory Board, and only to the extent the Trustee determines in good faith that doing so is in the best interests of the Avoidance Actions Trust and its beneficiaries.

(c) Notwithstanding anything in Section 1.9(b) to the contrary, the Trustee may disclose information that is subject to attorney-client privileges, work product protections or other immunities held by the FOMB or the Debtors (i) pursuant to an order of a court of competent jurisdiction, subject to the procedure described in the next sentence insofar as it applies, or (ii) as otherwise required by law. If the Trustee or the Trust Advisory Board receives a request from a third party to disclose information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure that are jointly held with the Trustee and/or the Trust Advisory Board, the party or parties who receives such request will (A) pursue all reasonable steps to maintain the applicable privileges, protections or immunities from disclosure, including, if necessary, to maintain the privileges, protections or immunities from disclosure by seeking a protective order against and/or otherwise objecting to the production of such material, (B) notify the Trustee or the Trust Advisory Board, as the case may be, (C) notify AAFAF, (D) allow the Trustee or the Trust Advisory Board, as the case may be, reasonable time under the circumstances to seek a protective order against and/or otherwise object to the production of such material, and (E) unless required by law, not disclose the materials in question unless and until any objection raised by the Trustee or the Trust Advisory Board is resolved in favor of disclosure. For the avoidance of doubt, this Section 1.9(c) does not limit the Trustee's obligations under Section 1.9(b) to seek, and be granted, AAFAF and Trust Advisory Board consent prior to waiving Privileges held by the Debtors or Avoidance Action Trust.

ARTICLE II

AVOIDANCE ACTIONS TRUST BENEFICIARIES

2.1 **Conflicting Claims.** If any conflicting claims or demands are made or asserted with respect to an Avoidance Actions Trust Interest or HTA Trust Interest (as defined below), the Trustee shall be entitled, in its sole and absolute discretion, to refuse to comply with any such conflicting claims or demands. In so refusing, the Trustee, at its sole election, may elect to make no payment or distribution with respect to the Avoidance Actions Trust Interest or HTA Trust Interest subject to the claims or demands involved, or any part thereof, and the Trustee shall refer such conflicting claims or demands to the Title III Court, which shall have exclusive jurisdiction over resolution of such conflicting claims or demands. In so doing, the Trustee shall not be or become liable to any party for its refusal to comply with any of such conflicting claims or demands. The Trustee shall be entitled to refuse to act until either (a) the rights of the adverse claimants have been adjudicated by a Final Order of the Title III Court (or such other court of proper jurisdiction) or (b) all differences have been resolved by a written agreement among all of such parties and the Trustee, which agreement shall include a complete release of the Avoidance Actions Trust and the Trustee (the occurrence of either (a) or (b) in this Section 2.1 being referred to as a “Dispute Resolution”). Promptly after a Dispute Resolution is reached, the Trustee shall transfer the payments and distributions, if any, in accordance with the terms of such Dispute Resolution. Any payment of any interest or income should be net of any taxes attributable thereto in accordance with Section 5.3.

As used in this Agreement, “HTA Trust Interests” means the tranche of beneficial interests in the Avoidance Actions Trust allocated in accordance with the terms and provisions of the HTA Plan to the HTA GUC Recovery and relating only to net recoveries attributable to HTA Avoidance Actions

2.2 **Rights of Avoidance Actions Trust Beneficiaries.** Each Avoidance Actions Trust Beneficiary and each HTA Trust Beneficiary shall be entitled to participate in the respective rights and benefits due hereunder to an Avoidance Actions Trust Beneficiary or HTA Trust Beneficiary, as applicable, according to the terms of its Avoidance Actions Trust Interest or HTA Trust Interest. The interest of an Avoidance Actions Trust Beneficiary or HTA Trust Beneficiary is hereby declared and shall be in all respects personal property. Except as expressly provided hereunder, each Avoidance Actions Trust Beneficiary and each HTA Trust Beneficiary shall have no title to, right to, possession of, management of or control of the Avoidance Actions Trust, the Avoidance Actions Trust Assets, or the HTA Avoidance Actions, or to any right to call for a partition or division of such assets or to require an accounting. No surviving spouse, heir or devisee of any deceased Avoidance Actions Trust Beneficiary or HTA Trust Beneficiary shall have any right of dower, homestead or inheritance, or of partition, or any other right, statutory or otherwise, in the Avoidance Actions Trust Assets or the HTA Avoidance Actions, but the whole title to the Avoidance Actions Trust Assets and the HTA Avoidance Actions shall be vested in the Trustee and the sole interest of each Avoidance Actions Trust Beneficiary and each HTA Trust Beneficiary shall be the rights and benefits given to such Person under this Trust Agreement, the Plan, and the HTA Plan.

2.3 Evidence of Avoidance Actions Trust Interest and HTA Trust Interest. Ownership of an Avoidance Actions Trust Interest or HTA Trust Interest in the Avoidance Actions Trust will be evidenced by the recording of such ownership in an electronic book-entry system (the “Book Entry System”) maintained either by the Avoidance Actions Trust or an agent of the Avoidance Actions Trust and containing information provided by the Debtors or an agent of the Debtors. For the avoidance of doubt, the Avoidance Actions Trust or an agent thereof shall maintain a separate register as part of the Book Entry System to record ownership of the HTA Trust Interests. An Avoidance Actions Trust Beneficiary or HTA Trust Beneficiary shall be deemed the “holder of record” (hereinafter “holder”) of such Avoidance Actions Trust Beneficiary’s Avoidance Actions Trust Interest(s) or such HTA Trust Beneficiary’s HTA Trust Interest(s), as the case may be, for purposes of all applicable United States federal and state laws, rules and regulations, including all applicable Commonwealth laws, rules and regulations. The Trustee shall, upon the written request of a holder of an Avoidance Actions Trust Interest or a HTA Trust Interest, provide reasonably adequate documentary evidence of such holder’s Avoidance Actions Trust Interest or HTA Trust Interest, as applicable, as indicated in the Book Entry System. The expense of providing such documentation shall be borne by the requesting holder.

2.4 Claims Reports. Within sixty (60) days after the Effective Date, the Debtors shall arrange for the Trustee to receive a report (the “Initial Claims Report”) regarding Avoidance Actions Trust Interests containing (a) an updated claims register for General Unsecured Claims, and (b) a written report of the status of any previously filed objections to General Unsecured Claims and the status of any reconciliations of General Unsecured Claims, showing which General Unsecured Claims are Allowed Claims, which are Disputed Claims (as defined below), and which are still being evaluated for possible objection. Further, the Debtors shall arrange for the Trustee to receive a monthly report within ten (10) days of the end of each month (the “Monthly Claims Report”), which report shall include all material updates to information contained in the Initial Claims Report or a previous Monthly Claims Report, as applicable, as well as any material information omitted from such prior reports. In addition, the Debtors shall, upon reasonable request, periodically supply the Trustee with any other reports or information the Avoidance Actions Trust may reasonably request related to the reconciliation of General Unsecured Claims and the payment of distributions to Avoidance Actions Trust Beneficiaries.

2.5 Reliance on Debtors for Information. It is the responsibility of the Debtors, pursuant to, among other things, their cooperation obligations established herein, to provide to the Avoidance Actions Trust reasonably complete and accurate information regarding Avoidance Actions Trust Interests and to provide periodic updates regarding such information as set forth in Section 2.4 hereof. The (a) Trustee, (b) individual(s) comprising the Trustee, as the case may be, (c) Trust Advisory Board, and (d) members of the Trust Advisory Board (each, a “Trust Party” and, collectively, the “Trust Parties”) shall be entitled to rely on information supplied by the Debtors and their agents (including the Disbursing Agent) concerning the Avoidance Actions Trust Interests, and shall not be held liable to any party for any incompleteness or inaccuracy of such information.

2.6 Transfers of Avoidance Actions Trust Interests.

(a) General. Avoidance Actions Trust Interests shall not be transferable or assignable except by will, intestate succession or operation of law.

(b) Book Entry System. The Book Entry System shall include a register (which may be electronic) setting forth the names and addresses of the Avoidance Actions Trust Beneficiaries, and the amount and class of their Avoidance Actions Trust Interests from time to time. Any transfer or assignment of an Avoidance Actions Trust Interest by will, intestate succession or operation of law shall not be effective unless and until such transfer or assignment is recorded in the Book Entry System, which shall be completed as soon as practicable. Subject to Section 2.4(d) hereof, the entries in the Book Entry System shall be conclusive absent manifest error, and the Avoidance Actions Trust and the Trustee shall treat each Person whose name is recorded in the Book Entry System pursuant to the terms hereof as the owner of Avoidance Actions Trust Interests indicated therein for all purposes of this Trust Agreement, notwithstanding notice to the contrary.

(c) Registration. In accordance with the Plan, the Trust is intended to be exempt from the requirements of (i) the Securities Exchange Act of 1934, as amended, and any applicable state and local laws requiring registration of securities, pursuant to section 1145 of the Bankruptcy Code, and (ii) the Investment Company Act of 1940, as amended, pursuant to sections 7(a) and 7(b) of that Act and section 1145 of the Bankruptcy Code. If the Trustee, with the consent of the Trust Advisory Board and upon advice of counsel, determines that any class of Avoidance Actions Trust Interests may be subject to registration pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Trustee shall pursue relief from such registration by obtaining either an exemptive order, a no-action letter or an interpretive letter from the Securities and Exchange Commission (the "SEC") or its staff or, absent its ability to achieve that objective or in lieu thereof, shall register such class pursuant to Section 12 of such statute (it being understood and agreed that the Trustee with the consent of the Trust Advisory Board shall be authorized, among other things, to register such class and to seek relief from one or more of the requirements then applicable subsequent to such registration and to de-register such class). To the extent that any Administrative Funding is available, any expenses that are associated with such application for relief and/or registration shall first be deducted from the Administrative Funding. Incurrence of expenses requiring funding from sources other than the Administrative Funding shall require the approval of the Trust Advisory Board.

(d) Further Limitations on Transfer. Notwithstanding any other provision to the contrary, the Trustee may disregard any purported transfer or assignment of Avoidance Actions Trust Interests by will, intestate succession or operation of law if sufficient necessary information (as reasonably determined by the Trustee), including applicable tax-related information, is not provided by such purported transferee or assignee to the Trustee.

2.7 Limited Liability. No provision of this Trust Agreement, the Plan, the Confirmation Order, the HTA Plan or the HTA Confirmation Order, and no mere enumeration herein of the rights or privileges of any Avoidance Actions Trust Beneficiary or any HTA Trust Beneficiary, shall give rise to any liability of such Avoidance Actions Trust Beneficiary or HTA

Trust Beneficiary solely in its capacity as such, whether such liability is asserted by any Debtor, by creditors, employees, or equity interest holders of any Debtor, or by any other Person (except to the extent of the Avoidance Actions Trust Beneficiary's or the HTA Trust Beneficiary's fraud, gross negligence or willful misconduct). Avoidance Actions Trust Beneficiaries and HTA Trust Beneficiaries are deemed to receive the Avoidance Actions Trust Assets and the HTA Avoidance Actions, as applicable, in accordance with the provisions of this Trust Agreement, the Plan, the Confirmation Order, the HTA Plan and the HTA Confirmation Order in exchange for their Allowed Claims, without further obligation or liability of any kind (except to the extent of the Avoidance Actions Trust Beneficiary's or the HTA Trust Beneficiary's fraud, gross negligence or willful misconduct), but subject to the provisions of this Trust Agreement.

ARTICLE III

DURATION AND TERMINATION OF AVOIDANCE ACTIONS TRUST

3.1 Duration. The Avoidance Actions Trust became effective upon the Effective Date of the Plan, and the amendments set forth in this Trust Agreement shall become effective on the HTA Effective Date. The Avoidance Actions Trust shall remain and continue in full force and effect until dissolved as provided for in Section 78.14(d) of the Plan.

3.2 Dissolution of the Avoidance Actions Trust.

(a) The Trustee and the Avoidance Actions Trust shall be discharged or dissolved, as the case may be, on the earlier to occur of (i) all the Avoidance Actions Trust Assets and all the proceeds of the HTA Avoidance Actions having been distributed pursuant to the Plan, the HTA Plan and this Trust Agreement and (ii) following the reconciliation of all General Unsecured Claims, the Trustee having determined, with the consent of the Trust Advisory Board, that the administration of any remaining Avoidance Actions Trust Assets and any remaining HTA Avoidance Actions is not likely to yield sufficient additional Avoidance Actions Trust proceeds to justify further pursuit; provided, however, that in no event shall the Avoidance Actions Trust be dissolved later than five (5) years from the Effective Date unless the Title III Court, upon motion within the six-month period prior to the third (3rd) anniversary (or within the six-month period prior to the end of any extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Trustee and the Trust Advisory Board that any further extension would not adversely affect the status of the trust as a "Liquidating Trust" for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Avoidance Actions Trust Assets and the HTA Avoidance Actions.

(b) If at any time the Trustee determines, in reliance upon such Trust Professionals as the Trustee may retain, that the expense of administering the Avoidance Actions Trust so as to make a final distribution to the Avoidance Actions Trust Beneficiaries or the HTA Trust Beneficiaries is likely to exceed the value of the assets remaining in the Avoidance Actions Trust, the Trustee may apply to the Title III Court for authority to (i) reserve any amount necessary to dissolve the Avoidance Actions Trust, (ii) donate any balance to a charitable organization (A) of the type described in Section 501(c)(3) of the IRC, (B) exempt from United States federal income

tax under Section 501(a) of the IRC, and (C) that is unrelated to the Debtors, the Reorganized Debtors, the Avoidance Actions Trust, and any insider of the Trustee, and (iii) dissolve the Avoidance Actions Trust. Upon receipt of such authority from the Title III Court, the Trustee shall notify each Avoidance Actions Trust Beneficiary and each HTA Trust Beneficiary.

3.3 Continuance of Avoidance Actions Trust for Winding Up. After the dissolution of the Avoidance Actions Trust and solely for the purpose of liquidating and winding up the affairs of the Avoidance Actions Trust, the Trustee shall continue to act as such until its duties have been fully performed. Upon distribution of all the Avoidance Actions Trust Assets and the proceeds, if any, of the HTA Avoidance Actions, the Trustee shall retain the books, records and files that shall have been delivered to or created by the Trustee. At the Trustee's discretion, all of such records and documents may be destroyed at any time following the date that is six (6) years after the final distribution of the Avoidance Actions Trust Assets and the proceeds of the HTA Avoidance Actions, subject to any joint prosecution and common interest agreement(s) to which the Trustee may be party. Provisions with respect to the destruction of documents in this Section 3.3 shall not limit the Trustee's right, prior to the dissolution of the Avoidance Actions Trust, to destroy documents that the Trustee considers no longer necessary to retain, subject to applicable law, the Plan, the Confirmation Order, the HTA Plan, the HTA Confirmation Order and this Trust Agreement.

ARTICLE IV

ADMINISTRATION OF AVOIDANCE ACTIONS TRUST

4.1 Payment of Claims, Expenses and Liabilities. Subject to the Budget from time to time approved by the Trust Advisory Board in accordance with Section 4.13(b), and in accordance with Sections 6.7(j), 6.9(b), and 7.6 hereof, and except as otherwise provided herein, the Trustee shall use the Avoidance Actions Trust Assets: (a) to pay reasonable costs and expenses of the Avoidance Actions Trust (including any taxes imposed on the Avoidance Actions Trust, the actual reasonable out-of-pocket fees and expenses incurred by Trust Professionals in connection with the administration and liquidation of the Avoidance Actions Trust Assets and the HTA Avoidance Actions, as provided in Section 6.7 hereof, and the preservation of books and records of the Avoidance Actions Trust); (b) to satisfy other obligations or other liabilities incurred or assumed by the Avoidance Actions Trust (or to which the Avoidance Actions Trust Assets are otherwise subject) in accordance with the Plan, the Confirmation Order or this Trust Agreement, including reasonable fees and costs incurred in connection with the protection, preservation, liquidation and distribution of the Avoidance Actions Trust Assets and the HTA Avoidance Actions, and the reasonable costs of investigating, prosecuting, resolving and/or settling any Claims; (c) as reasonably necessary to meet contingent liabilities and to maintain the value of the Avoidance Actions Trust Assets and the HTA Avoidance Actions during liquidation; and (d) to satisfy any other obligations of the Avoidance Actions Trust expressly set forth in the Plan, the Confirmation Order, the HTA Plan, the HTA Confirmation Order and this Trust Agreement. The costs, expenses and other obligations or other liabilities set forth in this Section 4.1 shall first be deducted from the Administrative Funding; provided, however, that any costs, expenses and other obligations incurred solely in connection with the administration, liquidation and conversion into Cash of the

HTA Avoidance Actions shall be paid or reimbursed from the Cash proceeds of the HTA Avoidance Actions to the extent such Cash proceeds are or become available. Incurrence of any such costs, expenses and other obligations or other liabilities requiring funding from sources other than the Administrative Funding shall require the approval of the Trust Advisory Board.

4.2 Distributions.

(a) Generally. All distributions to the Avoidance Actions Trust Beneficiaries on account of their Avoidance Actions Trust Interests or the HTA Avoidance Actions shall be made, at the election and direction of the Trustee with notice to the Debtors and AAFAF, by either (i) the Disbursing Agent selected by the Debtors under the Plan or (ii) such other disbursing agent as may be selected by the Trustee (the disbursing agent selected by the Trustee under either (i) or (ii) being the “Trust Disbursing Agent”), in either case in accordance with the terms and provisions of Article LXXVII of the Plan and Article XXVIII of the HTA Plan, except as otherwise provided herein. The Trust Disbursing Agent shall be deemed to hold all property to be distributed hereunder in trust for the Entities entitled to receive the same. The Trust Disbursing Agent shall not hold an economic or beneficial interest in such property. The Debtors will direct the Disbursing Agent to share information with and otherwise reasonably cooperate with the Trustee to generate administrative efficiencies and reduce duplication of effort in the distribution processes contemplated hereunder and under the Plan, including by sharing claimant tax information with the Trustee and providing access to the Debtors’ Claims register.

(b) Distributions by the Trust Disbursing Agent. The Trust Disbursing Agent is required to distribute to the Avoidance Actions Trust Beneficiaries on account of their Avoidance Actions Trust Interests, and to the HTA Trust Beneficiaries on account of their HTA Trust Interests, on a semi-annual basis (each such date, a “Distribution Date”), in accordance with the terms of the Plan and the HTA Plan, all unrestricted Cash then on hand (including any Cash received from the Debtors on the Effective Date, and treating any permissible investment as Cash for purposes of this Section 4.2), except (i) Cash reserved pursuant to this Trust Agreement to fund the activities of the Avoidance Actions Trust, and (ii) such amounts as are allocable to or retained on account of Disputed Claims in accordance with Section 82.3 of the Plan to pay reasonable incurred or anticipated expenses (including any taxes imposed on or payable by the Avoidance Actions Trust in respect of the Avoidance Actions Trust Assets and the HTA Avoidance Actions); provided, however, that the Trust Disbursing Agent shall not be required to make a distribution pursuant to this Section 4.3 if the aggregate net amount of unrestricted Cash available for distribution (taking into account the above listed exclusions) is such as would make the distribution impracticable as reasonably determined by the Trustee, with the consent of the Trust Advisory Board, in accordance with applicable law, and so long as such aggregate net amount is less than Twenty-Five Million Dollars (\$25,000,000.00); provided further, however, that the Trustee, with consent of the Trust Advisory Board, may decide to direct the Trust Disbursing Agent to forego the first distribution to those Avoidance Actions Trust Beneficiaries or HTA Trust Beneficiaries with respect to which the Trustee, in its reasonable judgment, is not administratively prepared to direct such distribution, in which case, such distribution shall be made to such holders as soon as practicable after the Trustee is administratively prepared to do so, not to exceed three (3) months from the date of the first semi- annual distribution.

(c) Payment of Distributions. Each Avoidance Actions Trust Beneficiary's share of the Avoidance Actions Trust Interests as determined pursuant to the Plan (including any Cash to be received on account of any Avoidance Actions Trust Interests) shall be allocated and distributed, and the Avoidance Actions Trust Assets shall be allocated and distributed, in accordance with Article LXXVII of the Plan. Each HTA Trust Beneficiary's share of the proceeds of the HTA Avoidance Actions as determined pursuant to the HTA Plan shall be allocated and distributed in accordance with Article XXVIII of the HTA Plan.

4.3 De Minimis Distributions. No Cash payment shall be made to any holder of an Avoidance Actions Trust Interest or a HTA Trust Interest until such time, if ever, as the amount payable thereto, in any distribution from the Avoidance Actions Trust, is equal to or greater than Ten Dollars (\$10.00). Any holder of an Avoidance Actions Trust Interest or HTA Trust Interest on account of which the amount of Cash to be distributed pursuant to any distribution from the Avoidance Actions Trust is less than Ten Dollars (\$10.00) shall be deemed to have no claim for such distribution against the Debtors, the Reorganized Debtors, the Avoidance Actions Trust, the Avoidance Actions Trust Assets or the proceeds of the HTA Avoidance Actions. Subject to Section 4.6, any Cash not distributed pursuant to this Section 4.3 hereof shall be the property of the Avoidance Actions Trust free of any restrictions thereon, and shall be available for distribution to the other Avoidance Actions Trust Beneficiaries or the HTA Trust Beneficiaries, in accordance with the Plan, the HTA Plan and this Trust Agreement.

4.4 Undeliverable Distributions. For purposes of this Trust Agreement, an "undeliverable" distribution shall include a check that is sent to a holder in respect of a distribution to such holder, which check has not been negotiated within six (6) months following the date on which such check was issued. If any distribution to the holder of an Avoidance Actions Trust Interest or a HTA Trust Interest is undeliverable, no further distribution shall be made to such holder unless and until the Trustee (or its duly authorized agent) is notified, in writing, of such holder's then-current address. Undeliverable distributions shall remain in the possession of the Trustee (or its duly authorized agent) until such time as a distribution becomes deliverable. All Persons ultimately receiving an undeliverable distribution shall not be entitled to any interest or other accruals of any kind on account of the delay in payment resulting from the undeliverable status of such distribution. Except as required by law, the Trustee (or its duly authorized agent) shall not be required to attempt to locate any holder of an Avoidance Actions Trust Interest or HTA Trust Interest.

4.5 Interest on Avoidance Actions Trust Interests and HTA Trust Interests. As set forth in the Plan and the HTA Plan, interest shall not accrue and be paid on the Avoidance Actions Trust Interests or HTA Trust Interests.

4.6 Distributions After the Effective Date. Distributions made after the Effective Date to holders of Avoidance Actions Trust Interests or HTA Trust Interests on account of Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made in accordance with the terms and provisions of Article LXXVII of the Plan or Article XXVIII of the HTA Plan, as applicable.

4.7 Compliance with Laws. Any and all distributions of Avoidance Actions Trust Assets shall be in compliance with applicable laws, including applicable federal and state tax and securities laws.

4.8 Fiscal Year. Except for the first and last years of the Avoidance Actions Trust, the fiscal year of the Avoidance Actions Trust shall be the calendar year. For the first and last years of the Avoidance Actions Trust, the fiscal year of the Avoidance Actions Trust shall be such portion of the calendar year that the Avoidance Actions Trust is in existence.

4.9 Books and Records. The Trustee shall retain and preserve the Debtors' books, records and files that shall have been delivered to or created by the Trustee. Subject to Section 3.3, the Trustee shall maintain, in respect of the Avoidance Actions Trust, the Avoidance Actions Trust Beneficiaries, the HTA Trust Beneficiaries and all others to receive distributions under this Trust Agreement, books and records relating to the assets and the income of the Avoidance Actions Trust and the payment of expenses of, liabilities of, and claims against or assumed by, the Avoidance Actions Trust and the Trustee, in such detail and for such period of time as may be necessary to enable it to make full and proper reports in respect thereof in accordance with the provisions of this Trust Agreement and applicable provisions of law, including applicable tax, securities and other federal and state laws. Except as otherwise provided herein or in the Plan, nothing in this Trust Agreement requires the Trustee to file any accounting or seek approval of any court with respect to the administration of the Avoidance Actions Trust, or as a condition for making any payment or distribution out of the Avoidance Actions Trust Assets. The Trustee shall provide AAFAF and any member of the Trust Advisory Board with access to such books and records during normal business hours as may be reasonably requested with three (3) Business Days' advance notice. Avoidance Actions Trust Beneficiaries and HTA Trust Beneficiaries holding Allowed Claims shall have the right upon thirty (30) days' prior written notice delivered to the Trustee to inspect such books and records; provided, however, that if so requested, all costs associated with such inspection shall be paid in advance by such requesting Avoidance Actions Trust Beneficiary or HTA Trust Beneficiary and such Avoidance Actions Trust Beneficiary or HTA Trust Beneficiary shall have entered into a confidentiality agreement reasonably satisfactory in form and substance to the Trustee.

4.10 Cash Payments. All distributions required to be made to the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries shall be made in Cash denominated in United States dollars by checks drawn on a domestic bank selected by the Trustee or, at the option of the Trustee, by wire transfer from a domestic bank selected by the Trustee or as otherwise required or provided in applicable agreements; provided, however, that Cash payments to foreign holders of Avoidance Actions Trust Interests or HTA Trust Interests may be made, at the option of the Trustee, in such funds as and by such means as are necessary or customary in a particular foreign jurisdiction.

4.11 Insurance. The Avoidance Actions Trust shall maintain customary insurance coverage for the protection of the Trustee, the members of the Trust Advisory Board, employees and any such other persons serving as administrators and overseers of the Avoidance Actions Trust on and after the Effective Date. The Trustee also may obtain insurance coverage it deems

necessary and appropriate with respect to real and personal property that may become Avoidance Actions Trust Assets or the proceeds of HTA Avoidance Actions.

4.12 Disputes. To the extent a dispute arises between the Trustee and the Trust Advisory Board concerning the performance of any of the powers, duties, and/or obligations herein, the Trustee or the Trust Advisory Board may file a motion and/or other pleadings with the Title III Court and obtain advice and guidance or such other relief as may be appropriate concerning a resolution of the matter(s) in dispute between the parties. In the event of a dispute, the Trustee and the Trust Advisory Board, as applicable, shall have the right to engage legal counsel to advise it with respect to the matter(s) in dispute and the reasonable fees and expenses of such legal counsel shall be reimbursed by the Trustee from the Administrative Funding or, if the Administrative Funding has been spent, any other unrestricted Cash in the Avoidance Actions Trust, subject to the approval of a majority of the Trust Advisory Board and subject to Section 7.5. A motion and/or other pleading described in this Section 4.12 filed by the Trust Advisory Board may only be filed upon the consent of a majority of its members.

4.13 Reports from the Trustee

(a) The Trustee shall deliver reports to members of the Trust Advisory Board and AAFAF not later than thirty (30) days following the end of each fiscal quarter, or less frequently as may be agreed upon between the Trustee and the Trust Advisory Board. Such reports shall specify in reasonable detail (i) the status of any Causes of Action, Claims and litigation involving the Avoidance Actions Trust or the Avoidance Actions Trust Assets, including Avoidance Actions, including any settlements entered into by the Avoidance Actions Trust, (ii) the costs and expenses of the Avoidance Actions Trust that are incurred (including any taxes imposed on the Avoidance Actions Trust or actual reasonable out-of-pocket fees and expenses incurred by Trust Professionals in connection with the administration and liquidation of the Avoidance Actions Trust Assets and the HTA Avoidance Actions, allocated between the Avoidance Actions Trust Assets and the HTA Avoidance Actions, and preservation of books and records as provided in Section 4.8) during the preceding fiscal quarter and the remaining amount (if any) of the Administrative Funding, (iii) the amounts listed in clause (ii) incurred since the Effective Date, (iv) the amount of Cash and other assets received by the Avoidance Actions Trust during the prior fiscal quarter, allocated between the Avoidance Actions Trust Assets and the HTA Avoidance Actions, (v) the aggregate amount of Cash and other assets received by the Avoidance Actions Trust since the Effective Date, allocated between the Avoidance Actions Trust Assets and the HTA Avoidance Actions, (vi) the calculation of the estimated amount of the Cash and other assets to be distributed on the next Distribution Date, including any Cash on hand that is not to be distributed pursuant to Section 4.2(a) above, (vii) the aggregate amount of distributions from the Avoidance Actions Trust to the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries since the Effective Date, allocated between the Avoidance Actions Trust Assets and the HTA Avoidance Actions, and (viii) such other information as the Trust Advisory Board may reasonably request from time to time. All allocations referred to above shall be reasonably made by the Trustee. The Trustee also shall timely prepare, file and distribute such additional statements, reports and submissions (A) as may be necessary to cause the Avoidance Actions Trust and the Trustee to be

in compliance with applicable law or (B) as may be otherwise reasonably requested from time to time by the Trust Advisory Board.

(b) The Trustee shall prepare and submit to the Trust Advisory Board for approval an annual plan and budget at least thirty (30) days prior to the commencement of each fiscal year of the Avoidance Actions Trust; provided, however, that the first such annual plan and budget shall be submitted no later than forty-five (45) days after the Effective Date of the Plan. Such annual plan and budget shall set forth in reasonable detail: (i) the Trustee's anticipated actions to administer and liquidate the Avoidance Actions Trust Assets and the HTA Avoidance Actions; and (ii) the anticipated expenses, including the expenses of Trust Professionals, associated with conducting the affairs of the Avoidance Actions Trust. Such annual plan and budget shall be updated and submitted to the Trust Advisory Board for review and approval on a quarterly basis, and each such quarterly update shall reflect the differences between the anticipated actions described in the annual report and actual operations of the Avoidance Actions Trust to date. Any such annual plan and budget as approved by the Trust Advisory Board is referred to herein as the "Budget". All actions by the Trustee must be substantially consistent with the then current Budget, provided that the Trustee may take action outside the Budget with the prior approval of the Trust Advisory Board.

(c) In accordance with the Plan and the HTA Plan, the Avoidance Actions Trust is intended to be exempt from the requirements of (i) the Securities Exchange Act of 1934, as amended, and any applicable state and local laws requiring registration of securities, pursuant to section 1145 of the Bankruptcy Code, and (ii) the Investment Company Act of 1940, as amended, pursuant to Sections 7(a) and 7(b) of that Investment Company Act of 1940, as amended, and section 1145 of the Bankruptcy Code. Notwithstanding the foregoing, if required to do so, and until such time as the Avoidance Actions Trust is dissolved in accordance with Section 78.14(d) of the Plan (or otherwise in accordance with this Trust Agreement), the Avoidance Actions Trust shall file with (or furnish to, as the case may be) the SEC such periodic reports as the Avoidance Actions Trust is required to file pursuant to the Exchange Act.

ARTICLE V

TAX MATTERS

5.1 Avoidance Actions Trust Assets and HTA Avoidance Actions Treated as Owned by Avoidance Actions Trust Beneficiaries and HTA Trust Beneficiaries. For all United States federal income tax purposes, all parties (including the Debtors, the Trustee, the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries) shall treat the transfer of the Avoidance Actions Trust Assets and the HTA Avoidance Actions to the Avoidance Actions Trust as (a) a transfer of the Avoidance Actions Trust Assets (subject to any obligations relating to those assets) and the HTA Avoidance Actions directly to the Avoidance Actions Trust Beneficiaries and HTA Trust Beneficiaries (as applicable), and, to the extent Avoidance Actions Trust Assets or HTA Avoidance Actions are allocable to Disputed Claims, to the reserve for such claims, *followed by* (b) the transfer by the Avoidance Actions Trust Beneficiaries of the Avoidance Actions Trust Assets (other than the Avoidance Actions Trust Assets allocable to a reserve for disputed claims) in exchange for Avoidance Actions Trust Interests, and the transfer by the HTA Trust Beneficiaries

of the HTA Avoidance Actions in exchange for the HTA Trust Interests. Accordingly, the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries shall be treated for United States federal income tax purposes as the grantors and owners of their respective share of the Avoidance Actions Trust Assets (other than such Avoidance Actions Trust Assets as are allocable to a reserve for disputed claims) and the HTA Avoidance Actions, respectively. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes. The establishment of the Avoidance Actions Trust under United States law shall not, by itself, be deemed to subject the Avoidance Actions Trust Beneficiaries or the HTA Trust Beneficiaries to United States federal income taxes.

5.2 Tax Reporting.

(a) The Trustee shall prepare and file (or cause to be prepared and filed) tax returns for the Avoidance Actions Trust treating the Avoidance Actions Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Article V. To the extent and in the manner required by applicable law, the Trustee also will annually send to each holder of an Avoidance Actions Trust Interest and each holder of an HTA Trust Interest a separate statement regarding the receipts and expenditures of the Avoidance Actions Trust as relevant for United States federal income tax purposes (with such receipts and expenditures reasonably allocated by the Trustee between the Avoidance Actions Trust Assets and the HTA Avoidance Actions) and will instruct all such holders to use such information in preparing their United States federal income tax returns or to forward the appropriate information to such holder's underlying beneficial holders with instructions to utilize such information in preparing their United States federal income tax returns. The Trustee also shall file (or cause to be filed) any other statement, return or disclosure relating to the Avoidance Actions Trust that is required by any governmental unit.

(b) To the extent and in the manner required by applicable law, allocations of Avoidance Actions Trust taxable income among the Avoidance Actions Trust Beneficiaries (other than taxable income allocable to a reserve for disputed claims) and among HTA Trust Beneficiaries shall be determined by reference to the manner in which an amount of Cash representing such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Avoidance Actions Trust had distributed all its assets (valued at their tax book value, and other than assets allocable to a reserve for disputed claims) to the holders of the Avoidance Actions Trust Interests and HTA Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Avoidance Actions Trust. Similarly, to the extent and in the manner required by applicable law, taxable loss of the Avoidance Actions Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Avoidance Actions Trust Assets and the HTA Avoidance Actions. To the extent and in the manner required by applicable law, the tax book value of the Avoidance Actions Trust Assets and the HTA Avoidance Actions for purposes of this Section 5.2(b) shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(c) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Trustee of a private letter ruling if the Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Trustee), the Trustee shall (i) timely elect to treat any reserve for disputed claims as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9, and (ii) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Trustee, the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

(d) The Trustee shall be responsible for payment, out of the Avoidance Actions Trust Assets, of any taxes imposed on the Avoidance Actions Trust or its assets, including any reserve for disputed claims, and for payment, out of the HTA Avoidance Actions, of any taxes imposed on the Avoidance Actions Trust directly related to the HTA Avoidance Actions. If, and to the extent, any Cash retained on account of Disputed Claims in the reserve for such claims is insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims (including any income that may arise upon the distribution of the assets from such reserve), such taxes may be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Trustee as a result of the resolution of such Disputed Claims.

5.3 Tax Withholdings by Trustee. The Trustee may withhold and pay to the appropriate tax authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state or local tax law with respect to any payment or distribution to the holders of Avoidance Actions Trust Interests and HTA Trust Interests. All such amounts withheld and paid to the appropriate tax authority (or placed in escrow pending resolution of the need to withhold) shall be treated as amounts distributed to such holders of Avoidance Actions Trust Interests and HTA Trust Interests for all purposes of the Trust Agreement, it being understood that any such amount withheld shall reduce the amount actually realized by the applicable holder upon distribution. The Trustee shall be authorized to collect such tax information from the holders of Avoidance Actions Trust Interests and HTA Trust Interests (including social security numbers or other tax identification numbers) as in its sole discretion the Trustee deems necessary to effectuate the Plan, the Confirmation Order, the HTA Plan, the HTA Confirmation Order and this Trust Agreement. In order to receive distributions under the Plan or the HTA Plan, all holders of Avoidance Actions Trust Interests and HTA Trust Interests shall be required to identify themselves to the Trustee and provide tax information and the specifics of their holdings, to the extent the Trustee deems appropriate in the manner and in accordance with the procedures from time to time established by the Trustee for these purposes. To the extent the Disbursing Agent collects such tax information in performance of its duties under the Plan, the Debtors agree to direct the Disbursing Agent to provide such tax information concerning Avoidance Action Trust Beneficiaries and the HTA Trust Beneficiaries to the Trust Disbursing Agent for use in accordance with this Trust Agreement. This identification requirement generally applies to all holders of Avoidance Actions Trust Interests and HTA Trust Interests, including those who hold their Claims in “street name.” The Trustee may refuse to make a distribution to any holder of a Avoidance

Actions Trust Interest or HTA Trust Interest that fails to furnish such information in a timely fashion, and until such information is delivered may treat such holder's Avoidance Actions Trust Interests or HTA Trust Interests as disputed; provided, however, that if such information is not furnished to the Trustee within six (6) months of the original request to furnish such information, no further distributions shall be made to the holder of such Avoidance Actions Trust Interest or HTA Trust Interest; and, provided further, however, that, upon the delivery of such information by a holder of a Avoidance Actions Trust Interest or a HTA Trust Interest, the Trustee shall make such distribution to which the holder of the Avoidance Actions Trust Interest or HTA Trust Interest is entitled, without additional interest occasioned by such holder's delay in providing tax information; provided further, however, that if the Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Trustee for such liability (to the extent such amounts were actually distributed to such holder).

Notwithstanding the above, and without limiting any of the other obligations of the Debtors or rights of the Trustee described herein, (a) the Debtors shall be required to supply to the Trustee such tax information of the holders of Avoidance Actions Trust Interests and HTA Trust Interests that is in the possession or control of the Debtors or any of their agents, representatives or professionals, including the Disbursing Agent and that the Trustee may reasonably request be provided to it by the Debtors, and (b) the Trust Parties shall be entitled to rely on, and shall not be held liable for any omission or inaccuracy with respect to, such tax information so supplied to the Trustee.

ARTICLE VI

proceeds of the Avoidance Actions Trust Assets and the HTA Avoidance Actions and the administration of the Avoidance Actions Trust.

(b) Nothing in this Trust Agreement shall be deemed to limit the Trust Parties' protections and benefits under the Plan or the HTA Plan or to prevent a Trust Party from taking or refraining to take any action on behalf of the Trust that, based upon the advice of counsel or other professionals, the Trust Party determines it is obligated to take or to refrain from taking in the performance of any duty that the Trust Party may owe the Avoidance Actions Trust Beneficiaries, the HTA Trust Beneficiaries or any other Person under the Plan, Confirmation Order, the HTA Plan, the HTA Confirmation Order or this Agreement.

(c) The Trustee shall have only such rights, powers and privileges expressly set forth in the Plan, the Confirmation Order, the HTA Plan, the HTA Confirmation Order and this Trust Agreement and as otherwise provided by applicable law. (vii) to enter into any agreements binding the Avoidance Actions Trust, and to execute, acknowledge and deliver any and all instruments that are necessary or

deemed by the Trustee to be consistent with and advisable in furthering the purpose of the Avoidance Actions Trust;

(viii) to open and maintain bank accounts on behalf of or in the name of the Avoidance Actions Trust;

(ix) to cause the Avoidance Actions Trust to employ and pay professionals, claims agents, disbursing agents, and other agents and third parties, in accordance with the terms and limitations set forth herein;

(x) to cause the Avoidance Actions Trust to pay all of its lawful expenses, debts, charges, taxes and other liabilities, and make all other payments;

(xi) to cause the Avoidance Actions Trust to withhold from the amount distributable to any Person the maximum amount needed to pay any tax or other charge that the Trustee has determined, based upon the advice of its agents and/or professionals, may be required to be withheld from such distribution under the income tax or other laws of the United States or of any state or political subdivision thereof;

(xii) to cause the Avoidance Actions Trust to seek a determination of tax liability or refund under section 505 of the Bankruptcy Code;

(xiii) to cause the Avoidance Actions Trust to establish out of all Avoidance Actions Trust Assets such reserves for taxes, assessments and other expenses of administration of the Trust as may be necessary and appropriate for the proper operation of the Avoidance Actions Trust;

(xiv) to establish and maintain a website, to the extent the Trustee deems necessary, to provide notice of the Avoidance Actions Trust's activities to Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries, provided that the Trustee determines, on the advice of counsel, that establishing such website does not implicate any securities or other applicable law;

(xv) to undertake all administrative functions of the Avoidance Actions Trust, including overseeing the winding down and termination of the Avoidance Actions Trust;

(xvi) to exercise, implement, enforce, and discharge all of the terms, conditions, powers, duties, and other provisions of the Plan, the Confirmation Order, the HTA Plan, the HTA Confirmation Order and this Agreement; and

(xvii) to take all other actions consistent with the provisions of the Plan and the HTA Plan that the Trustee deems reasonably necessary or desirable to administer the Trust.

(d) In all circumstances, the Trustee shall act in the best interests of all Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries and in furtherance of the purpose of the Avoidance Actions Trust.

6.3 Title III Court. Except as otherwise provided in this Trust Agreement, the Trustee will not be required to obtain the order or approval of the Title III Court, or any other court of competent jurisdiction in, or account to the Title III Court or any other court of competent jurisdiction for, the exercise of any right, power or privilege conferred hereunder. Notwithstanding the foregoing, where the Trustee determines, in its reasonable discretion, that it is necessary, appropriate or desirable, the Trustee will have the right to submit to the Title III Court any question or questions regarding any specific action proposed to be taken by the Trustee with respect to this Trust Agreement, the Avoidance Actions Trust, the Avoidance Actions Trust Assets or the HTA Avoidance Actions, including the administration and distribution of the Avoidance Actions Trust Assets and the HTA Avoidance Actions, and the termination of the Avoidance Actions Trust. Pursuant to the Plan, the Title III Court has retained jurisdiction for such purposes and may approve or disapprove any such proposed action upon motion by the Trustee.

6.4 Exclusive Authority to Pursue Avoidance Actions and HTA Avoidance Actions. The Trustee shall have the exclusive right and power to (a) litigate any and all of the Avoidance Actions and the HTA Avoidance Actions and (b) compromise and settle such Avoidance Actions and HTA Avoidance Actions, upon approval of the Title III Court. The Trustee shall be the sole representative of the Debtors under section 1123(b)(3) of the Bankruptcy Code with respect to the Avoidance Actions and the HTA Avoidance Actions. The Trustee shall be vested with and entitled to assert all setoffs and defenses of the Debtors or the Trust to any counterclaims that may be asserted by any defendant in an Avoidance Action or a HTA Avoidance Action. The Trustee also shall be vested with and entitled to assert all of the Debtors' rights with respect to any such counterclaims under section 558 of the Bankruptcy Code.

6.5 Limitations on Trustee. The Trustee shall, on behalf of the Avoidance Actions Trust, hold the Avoidance Actions Trust out as a trust in the process of liquidation and not as an investment company. The Trustee shall be restricted to the liquidation of the Avoidance Actions Trust Assets and the HTA Avoidance Actions on behalf, and for the benefit, of the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries, as applicable, and the distribution and application of Avoidance Actions Trust Assets and the proceeds of the HTA Avoidance Actions for the purposes set forth in, and the conservation and protection of the Avoidance Actions Trust Assets and the HTA Avoidance Actions, and the administration thereof in accordance with, the provisions of this Trust Agreement, the Plan, the Confirmation Order, the HTA Plan and the HTA Confirmation Order.

6.6 Conflicts of Interest. The Trustee will appoint a disinterested Person to handle any matter where the Trustee has identified it has a conflict of interest or the Title III Court, on motion of the any party in interest, determines one exists. If the Trustee is unwilling or unable to appoint a disinterested Person to handle any such matter, the Title III Court, on notice and hearing, may do so.

6.7 Establishment of Trust Advisory Board.

(a) The “Trust Advisory Board” means the board to be appointed in accordance with, and to exercise the duties set forth in, this Trust Agreement, which duties shall be (i) to oversee the liquidation and distribution of the Avoidance Actions Trust Assets and the HTA Avoidance Actions by the Trustee in accordance with this Trust Agreement, the Plan, the Confirmation Order, the HTA Plan and the HTA Confirmation Order, (ii) to approve (or withhold approval) of those matters submitted to it for approval in accordance with the terms of this Trust Agreement, and (iii) to remove and appoint any successor to the Trustee as provided for in this Trust Agreement. Notwithstanding anything that may be to the contrary contained herein, the initial OB Director need not be selected by the FOMB on the date hereof, but may be selected at any time after the date hereof.

(b) The Trust Advisory Board initially shall be comprised of (i) two (2) directors selected by the Creditors’ Committee (the “Creditor Directors”), and (ii) one (1) director selected by the FOMB (the “OB Director”). The initial members of the Trust Advisory Board are set forth on Annex A hereto. Each member of the Trust Advisory Board shall have a fiduciary duty to act in the best interests of the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries as a whole. The Trust Advisory Board shall be subject to provisions consistent with Puerto Rico laws governing ethics, anti-corruption and conflicts of interest, and such laws shall be, and shall be deemed to be, incorporated into the Trust Advisory Board’s bylaws.

(c) The authority of the members of the Trust Advisory Board shall be effective as of the Effective Date and shall remain and continue in full force and effect until the Avoidance Actions Trust is dissolved in accordance with Section 3.2. The service of the members of the Trust Advisory Board shall be subject to the following:

(i) the members of the Trust Advisory Board shall serve until disability, death, or resignation pursuant to clause (ii) below, or removal pursuant to clause (iii) below;

(ii) a member of the Trust Advisory Board may resign at any time by providing a written notice of resignation to the remaining members of the Trust Advisory Board. Such resignation shall be effective when a successor is appointed as provided herein;

(iii) a member of the Trust Advisory Board may be removed by the unanimous vote of the other members for (a) fraud, gross negligence or willful misconduct in connection with the affairs of the Avoidance Actions Trust, or (b) cause, which shall include a breach of fiduciary duty other than as specified in the foregoing clause (a). Such removal shall be effective immediately upon such vote;

(iv) in the event of a vacancy in a member’s position (whether by removal, death or resignation), a new member may be appointed, (A) in the case of a Creditor Director, (i) by the Creditors’ Committee, as notified in writing to the Trust Advisory Board and the Trustee within ten (10) Business Days, or (ii) if the Creditors’ Committee has been dissolved, the remaining Creditor Director, as notified in writing to

the Trust Advisory Board and the Trustee within ten (10) Business Days, or (B) in the case of the OB Director (i) by the FOMB, as notified in writing to the Trust Advisory Board within ten (10) Business Days, or (ii) if the FOMB has been dissolved, by AAFAF, as notified in writing to the Trust Advisory Board and the Trustee within ten (10) Business Days. In each case, the appointment of a successor member of the Trust Advisory Board shall be evidenced by the filing with the Title III Court by the Trustee of a notice of appointment, which notice shall include the name, address, and telephone number of the successor member of the Trust Advisory Board; and

(v) immediately upon appointment of any successor member of the Trust Advisory Board, all rights, powers, duties, authority, and privileges of the predecessor member of the Trust Advisory Board hereunder shall be vested in and undertaken by the successor member of the Trust Advisory Board without any further act; and the successor member of the Trust Advisory Board shall not be liable personally for any act or omission of the predecessor member of the Trust Advisory Board.

(d) Each member of the Trust Advisory Board shall designate (i) one or more representatives who shall attend meetings of and participate in other activities of the Trust Advisory Board, and (ii) an alternate representative to attend meetings and participate in other activities of the Trust Advisory Board when the representatives designated pursuant to clause (i) above are unavailable.

(e) Notwithstanding anything in this Trust Agreement to the contrary, the Trust Advisory Board shall not take any action which will cause the Avoidance Actions Trust to fail to qualify as a "Liquidating Trust" for United States federal income tax purposes.

(f) A quorum for meetings of the Trust Advisory Board shall consist of a majority of the non-recused, voting members of the Trust Advisory Board then serving; provided, however, that, for purposes of determining whether a quorum is present at such a meeting, a voting member of the Trust Advisory Board shall be deemed present if a representative of the member is attending in Person, by telephone or by proxy.

(g) Except as expressly provided herein, the affirmative vote of a majority of the non-recused, voting members of the Trust Advisory Board shall be the act of the Trust Advisory Board with respect to any matter that requires the determination, consent, approval or agreement of such board. If an equal number of the non-recused voting members of the Trust Advisory Board vote for and against a particular matter, the Trustee shall only in such circumstances have the authority to cast a vote with respect to such matter. Any of or all the members of the Trust Advisory Board may participate in a regular or special meeting by, or conduct the meeting through the use of, conference telephone or similar communications equipment by means of which all persons participating in the meeting may hear each other, in which case any required notice of such meeting may generally describe the arrangements (rather than or in addition to the place) for the holding thereof. Any member of the Trust Advisory Board participating in a meeting by this means is deemed to be present in Person at the meeting. In all matters submitted to a vote of the Trust Advisory Board, each Trust Advisory Board member shall be entitled to cast one vote, which vote shall be cast personally by such Trust Advisory Board

member or by proxy. In a matter in which the Trustee cannot obtain direction or authority from the Trust Advisory Board, the Trustee may file a motion requesting such direction or authority from the Title III Court; provided, however, that any member of the Trust Advisory Board may oppose such motion.

(h) A Trust Advisory Board member and its representative shall be recused from the Trust Advisory Board's deliberations and votes on any and all matters as to which such member has a conflicting interest. If a Trust Advisory Board member or its representative does not recuse itself from any such matter, that Trust Advisory Board member and its representative may be recused from such matter by the unanimous vote of the remaining, voting members of the Trust Advisory Board that are not recused from the matter.

(i) Any action required or permitted to be taken by the Trust Advisory Board at a meeting may be taken without a meeting if the action is taken by unanimous written consent of the Trust Advisory Board as evidenced by one or more written consents describing the action taken, signed by the Trust Advisory Board and filed with the minutes or proceedings of the Trust Advisory Board.

(j) The members of the Trust Advisory Board shall be compensated as the Trust Advisory Board shall determine in an amount not to exceed \$75,000 per board member per year. Any member of the Trust Advisory Board shall also be reimbursed by the Trustee for its actual, reasonable out-of-pocket expenses, not to include outside counsel fees, incurred for serving on such board in the same manner and priority as the compensation and expenses of the Trustee under this Trust Agreement, in accordance with the Budget, after submission of reasonably detailed receipts or invoices evidencing such expenses and the approval of such expenses by the Title III Court. Except as provided for in this Section 6.7, the members of the Trust Advisory Board shall not be entitled to receive any other form of compensation for their services provided as such members. The Budget shall include a reserve for the fees and expenses of the Trust Advisory Board. Payment of the compensation and expenses set forth in this Section 6.7(j) shall first be deducted from the Administrative Funding. Payment of amounts from sources other than the Administrative Funding shall require the approval of the Trust Advisory Board.

6.8 Cooperation with Respect to Claim Allowance: The Trustee and the Debtors shall cooperate and consult each other with respect to the disallowance or allowance of claims in connection with the litigation and/or resolution of Avoidance Actions, including with respect to any issues arising under sections 502(d) or 502(h) of the Bankruptcy Code.

6.9 Agents, Employees and Professionals.

(a) The Avoidance Actions Trust may, but shall not be required to, from time to time enter into contracts with, consult with and retain members, managers, agents, representatives, employees, officers and independent contractors, including attorneys, accountants, appraisers, disbursing agents or other parties deemed by the Trustee to have qualifications necessary or desirable to assist in the proper administration of the Avoidance Actions Trust (collectively, the "Trust Professionals"), on such terms as the Trustee deems appropriate, including counsel retained on a contingency-fee basis, subject to the approval of the

Trust Advisory Board. The Debtors agree that the Avoidance Actions Trust may (but shall not be obligated to) retain as disbursing agent the same disbursing agent as retained by one or more of the Debtors, on terms and conditions to facilitate timely and efficient distributions of the Cash proceeds of Avoidance Actions. None of the professionals that represented parties-in-interest in the Title III Cases shall be precluded from being engaged by the Trustee solely on account of their service as a professional for such parties-in-interest prior to the Effective Date.

(b) After the Effective Date, Trust Professionals shall be required to submit reasonably detailed invoices on a monthly basis to the Trustee and the Trust Advisory Board, including in such invoices a description of the work performed, who performed such work, and if billing on an hourly basis, the hourly rate of such Person, plus an itemized statement of expenses. The Trustee shall pay such invoices thirty (30) days after such invoices are approved by the Trustee. In the event of any dispute concerning the entitlement to, or the reasonableness of any compensation and/or expenses of any Trust Professionals, either the Trustee or the affected party may ask the Title III Court to resolve the dispute.

(c) All payments to Trust Professionals shall be paid out of the Administrative Funding or, if all of the Administrative Funding has been spent, any remaining Avoidance Actions Trust Assets, subject to the approval of the Trust Advisory Board; provided, however, that payments to Trust Professionals for services related solely to the HTA Avoidance Actions shall be paid or reimbursed from the proceeds of the HTA Avoidance Actions prior to the distribution of such proceeds to HTA Trust Beneficiaries.

(d) Nothing in this Agreement shall prevent the Trustee, subject to the approval of the Trust Advisory Board, from seeking and obtaining outside credit or other funding for the prosecution of the Avoidance Actions or the HTA Avoidance Actions.

6.10 Investment of Avoidance Actions Trust Monies. All monies and other assets received by the Trustee as Avoidance Actions Trust Assets (including the proceeds thereof as a result of investment in accordance with this Section 6.10) or as proceeds of the HTA Avoidance Actions shall, until distributed or paid over as herein provided, be held in trust for the benefit of the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries (as applicable), and shall not be segregated from other Avoidance Actions Trust Assets, unless and to the extent required by the Plan or the HTA Plan. The Trustee may invest any Cash (including any earnings thereon or proceeds thereof) as permitted by section 345 of the Bankruptcy Code, in the manner set forth in this Section 6.10, but shall otherwise be under no liability for interest or income on any monies received by the Avoidance Actions Trust hereunder and held for distribution or payment to the Avoidance Actions Trust Beneficiaries and the HTA Trust Beneficiaries, except as such interest shall actually be received. Investment of any monies held by the Avoidance Actions Trust shall be administered in accordance with the general duties and obligations hereunder. The right and power of the Trustee to invest the Avoidance Actions Trust Assets, the proceeds thereof, the proceeds of the HTA Avoidance Actions or any income earned by the Avoidance Actions Trust, shall be limited to the right and power to: (a) invest such Avoidance Actions Trust Assets or proceeds of HTA Avoidance Actions (pending distributions in accordance with the Plan, the HTA Plan or this Trust Agreement) in either (i) short-term direct obligations of, or obligations guaranteed by, the United States of America or (ii) short-term obligations of any agency or

corporation which is or may hereafter be created by or pursuant to an act of the Congress of the United States as an agency or instrumentality thereof; or (b) deposit such assets in demand deposits at any bank or trust company, which has, at the time of the deposit, a capital stock and surplus aggregating at least \$1,000,000,000 (collectively, the “Permissible Investments”); provided, however, that the scope of any Permissible Investments shall be limited to include only those investments that a liquidating trust, within the meaning of Treasury Regulations section 301.7701-4(d), may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise.

6.11 Termination. The duties, responsibilities and powers of the Trustee shall terminate on the date the Avoidance Actions Trust is wound up and dissolved in accordance with New York law pursuant to Section 3.2 hereof, under applicable law in accordance with the Plan, by an order of the Title III Court or by entry of a final decree closing the Debtors’ Title III Cases; provided, that Sections 7.1, 7.2, 7.3, 7.4 and 7.5 hereof shall survive such termination, dissolution and entry.

ARTICLE VII

LIABILITY AND INDEMNITY

7.1 Liability to Third Persons. No Avoidance Actions Trust Beneficiary or HTA Trust Beneficiary shall be subject to any personal liability whatsoever, in tort, contract or otherwise, to any Person in connection with the Avoidance Actions Trust Assets, the HTA Avoidance Actions or the affairs of the Trustee (except to the extent of the Avoidance Actions Trust Beneficiary’s or HTA Trust Beneficiary’s fraud, gross negligence or willful misconduct). Notwithstanding anything herein to the contrary and without limitation of section 78.15 of the Plan, neither the Trust Parties nor the Trust Parties’ firms, companies, affiliates, partners, officers, directors, members, employees, professionals, advisors, attorneys, financial advisors, investment bankers, disbursing agents or agents, or any of such Person’s successors and assigns shall be subject to any personal liability whatsoever, in tort, contract or otherwise, to any Person (including, in the case of the Trustee and members of the Trust Advisory Board, to any Trust Professionals retained by the Trustee in accordance with this Trust Agreement) in connection with the Avoidance Actions Trust Assets, the HTA Avoidance Actions or the affairs of the Avoidance Actions Trust and shall not be liable with respect to any action taken or omitted to be taken in good faith, except for actions and omissions determined by a final order of the Title III Court to be due to their respective gross negligence, fraud, criminal conduct or willful misconduct, and all such persons shall look solely to the Avoidance Actions Trust Assets and the HTA Avoidance Actions (as applicable) for satisfaction of claims of any nature arising in connection with affairs of the Avoidance Actions Trust. Other than as set forth in the Plan or in the Confirmation Order, nothing in this Section 7.1 shall be deemed to release any Avoidance Actions Trust Beneficiary or any HTA Trust Beneficiary from any actions or omissions occurring prior to the Effective Date.

7.2 Nonliability for Acts of Others. Except as provided herein, nothing contained in this Trust Agreement, the Plan, the Confirmation Order, the HTA Plan or the HTA Confirmation Order shall be deemed to be an assumption by Trustee, the Trust Advisory Board (or its members) or the Trust Professionals of any of the liabilities, obligations or duties of the Debtors or shall be deemed to be or contain a covenant or agreement by the such persons to assume or accept any such

liability, obligation or duty. Any successor Trustee or Trust Advisory Board member may accept and rely upon any accounting made by or on behalf of any predecessor Trustee or Trust Advisory Board hereunder, and any statement or representation made as to the assets comprising the Avoidance Actions Trust Assets or the HTA Avoidance Actions, or as to any other fact bearing upon the prior administration of the Avoidance Actions Trust, so long as it has a good faith basis to do so. The Trustee and the Trust Advisory Board members shall not be liable for having accepted and relied in good faith upon any such accounting, statement or representation if it is later proved to be incomplete, inaccurate or untrue (except to the extent of the Trustee's, or the Trust Advisory Board members', fraud, gross negligence or willful misconduct). The Trustee or any successor Trustee and the Trust Advisory Board members or any successor Trust Advisory Board member shall not be liable for any act or omission of any predecessor Trustee or Trust Advisory Board member. No provision of this Trust Agreement shall require the Trustee or any Trust Advisory Board member to expend or risk his personal funds or otherwise incur any financial liability in the performance of his rights or powers hereunder if the Trustee or Trust Advisory Board member has reasonable grounds to believe that the payment of such funds or adequate indemnity against such risk or liability is not reasonably assured or provided to him.

7.3 Exculpation. As of the Effective Date, the Trust Parties, the Trust Parties' firms, companies, affiliates, partners, officers, directors, members, employees, professionals, advisors, attorneys, financial advisors, investment bankers, disbursing agents and agents, and any of such Person's successors and assigns shall be and hereby are exculpated by all Persons, including Avoidance Actions Trust Beneficiaries, HTA Trust Beneficiaries, holders of Claims, holders of Equity interests, and other parties-in-interest, from any and all claims, causes of action and other assertions of liability arising out of or related to the discharge of their respective powers and duties conferred by the Plan, the HTA Plan, this Trust Agreement or any order of the Title III Court entered pursuant to or in furtherance of the Plan or the HTA Plan, or applicable law or otherwise, except for actions or omissions to act that are determined by final order of the Title III Court to have arisen out of their own respective fraud, criminal conduct, gross negligence or willful misconduct. No Avoidance Actions Trust Beneficiary, HTA Trust Beneficiary, holder of a Claim, or other party-in-interest shall have or be permitted to pursue any claim or cause of action against the Trust Parties, their employees, professionals, or representatives, for making payments in accordance with, or for implementing, the provisions of the Plan, the Confirmation Order and this Trust Agreement. Any action taken or omitted to be taken with the express approval of the Title III Court or the Trust Advisory Board shall conclusively be deemed not to constitute gross negligence or willful misconduct; provided, however, that, notwithstanding any provision herein to the contrary, the Trustee shall not be obligated to comply with a direction of the Trust Advisory Board, whether or not express, that would result in a change to the distribution provisions of this Trust Agreement and the Plan. In such instance, the Trustee shall request, within fourteen (14) days, the Title III Court's ratification of its determination not to comply with a direction of the Trust Advisory Board.

7.4 Limitation of Liability. The Trustee, the members of the Trust Advisory Board, and the Trust Professionals will not be liable for punitive, exemplary, consequential, special or other damages for a breach of this Trust Agreement under any circumstances, except for those resulting from acts arising out of their own fraud, willful misconduct, or gross negligence.

7.5 Indemnity. The Trust Parties and their respective firms, companies, affiliates, partners, officers, directors, members, employees, professionals, advisors, attorneys, financial advisors, investment bankers, disbursing agents and agents, and any of such Person's successors and assigns (each, an "Indemnified Party"), shall not be liable to the Avoidance Actions Trust Beneficiaries or the HTA Trust Beneficiaries for actions taken or omitted in their capacity as, or on behalf of, the Trustee or the Trust Advisory Board, as applicable, except those acts arising out of their own fraud, willful misconduct or gross negligence, and each shall be entitled to indemnification and reimbursement by the Avoidance Actions Trust for fees and expenses in defending any and all actions or inactions in their capacity as, or on behalf of, the Trustee or the Trust Advisory Board, as applicable, except for any actions or inactions involving fraud, willful misconduct or gross negligence. Any indemnification claim of an Indemnified Party under this Section 7.5 shall be satisfied solely from the Avoidance Actions Trust Assets or the proceeds of the HTA Avoidance Actions (as applicable) and shall be entitled to a priority distribution therefrom, ahead of the Avoidance Actions Trust Interests and the HTA Trust Interests (as applicable), and any other claim to or interest in such assets. The Indemnified Parties shall be entitled to rely, in good faith, on the advice of their retained professionals. The foregoing indemnity in respect of any Indemnified Party shall survive the termination of such Indemnified Party from the capacity for which they are indemnified.

7.6 Compensation and Expenses. The Trustee (including the Person(s) serving as or comprising the Trustee) shall receive compensation for its services, to be paid out of the Avoidance Actions Trust Assets and the proceeds of the HTA Avoidance Actions, in the manner and amount determined by the Trust Advisory Board, subject to the approval of the Title III Court. In addition, the Trustee shall be entitled, with the consent of the Trust Advisory Board, and subject to the approval of the Title III Court, to reimburse itself from the Avoidance Actions Trust Assets on a monthly basis for all reasonable out-of-pocket expenses actually incurred in the performance of duties in accordance with this Trust Agreement and the Plan so long as it falls within the amounts provided for in the Budget; otherwise, approval of the Trust Advisory Board is required. Payment of the compensation and expenses set forth in this Section 7.6 shall first be deducted from the Administrative Funding; provided, however, that to the extent any compensation and expenses hereunder relate solely to the administration, liquidation and conversion into Cash of the HTA Avoidance Actions, such compensation and expenses shall be paid or reimbursed from the Cash proceeds of the HTA Avoidance Actions to the extent such Cash proceeds are or become available. Payment of amounts from sources other than the Administrative Funding shall require the approval of the Trust Advisory Board.

ARTICLE VIII

SUCCESSOR TRUSTEE

8.1 Resignation. The Trustee may resign from the Avoidance Actions Trust by giving at least sixty (60) days' prior written notice thereof to each member of the Trust Advisory Board. Such resignation shall become effective on the later to occur of (a) the date specified in such written notice and (b) the effective date of the appointment of a successor Trustee in accordance

with Section 8.4 hereof and such successor's acceptance of such appointment in accordance with Section 8.5 hereof.

8.2 Removal. The Trustee may be removed by a majority vote of the members of the Trust Advisory Board. Such removal shall become effective on the date specified in such action by the Trust Advisory Board.

8.3 Effect of Resignation or Removal. The resignation, removal, incompetency, bankruptcy or insolvency of the Trustee shall not operate to terminate the Avoidance Actions Trust or to revoke any existing agency created pursuant to the terms of this Trust Agreement, the Plan, the Confirmation Order, the HTA Plan or the HTA Confirmation Order, or invalidate any action theretofore taken by the Trustee. All fees and expenses properly incurred by the Trustee prior to the resignation, incompetency or removal of the Trustee shall be paid from the Avoidance Actions Trust Assets, unless such fees and expenses are disputed by (a) the Trust Advisory Board, or (b) the successor Trustee, in which case the Title III Court shall resolve the dispute and any disputed fees and expenses of the predecessor Trustee that are subsequently allowed by the Title III Court shall be paid from the Avoidance Actions Trust Assets; provided, however, that, to the extent any fees and expenses incurred by the Trustee prior to resignation or removal relate solely to the administration, liquidation and conversion into Cash of the HTA Avoidance Actions, such fees and expenses shall be paid or reimbursed from the Cash proceeds of the HTA Avoidance Actions to the extent such Cash proceeds are or become available. In the event of the resignation or removal of the Trustee, such Trustee shall: (i) promptly execute and deliver such documents, instruments and other writings as may be reasonably requested by the successor Trustee or directed by the Title III Court to effect the termination of such Trustee's capacity under this Trust Agreement; (ii) promptly deliver to the successor Trustee all documents, instruments, records and other writings related to the Avoidance Actions Trust as may be in the possession of such Trustee; and (iii) otherwise assist and cooperate in effecting the assumption of its obligations and functions by such successor Trustee.

8.4 Appointment of Successor. In the event of the death, resignation, removal, incompetency, bankruptcy or insolvency of the Trustee, a vacancy shall be deemed to exist and a successor shall be appointed by a majority of the Trust Advisory Board; provided, however, that under no circumstance shall the successor Trustee be a director or officer of any Affiliate of the Avoidance Actions Trust.

8.5 Acceptance of Appointment by Successor Trustee. Any successor Trustee appointed hereunder shall execute an instrument accepting its appointment and shall deliver one counterpart thereof to the Title III Court for filing and to the Trust Advisory Board and, in case of the Trustee's resignation, to the resigning Trustee. Thereupon, such successor Trustee shall, without any further act, become vested with all the liabilities, duties, powers, rights, title, discretion and privileges of its predecessor in the Avoidance Actions Trust with like effect as if originally named Trustee. The resigning or removed Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such resigning or removed Trustee hereunder and shall, as directed by the Title III Court or reasonably requested by such successor Trustee, execute and deliver an instrument or instruments conveying and transferring to such successor

Trustee upon the trusts herein expressed, all the liabilities, duties, powers, rights, title, discretion and privileges of such resigning or removed Trustee.

ARTICLE IX

MISCELLANEOUS PROVISIONS

9.1 Binding on the Debtors. This Trust Agreement shall be binding on the Debtors and shall remain binding on the Debtors notwithstanding any dissolution of the FOMB or any other event that may cause the FOMB to cease to exist or to cease serving as a representative of the Debtors.

9.2 Governing Law. This Trust Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without giving effect to principles of conflicts of laws; provided, however, that the Trust Advisory Board shall be subject to Puerto Rico laws governing ethics, anti-corruption and conflicts of interest, and such laws shall be, and shall be deemed to be, incorporated into the Trust Advisory Board's bylaws.

9.3 Jurisdiction. Subject to the proviso below, the parties agree that the Title III Court shall have exclusive jurisdiction over the Avoidance Actions Trust and the Trustee, including the administration and activities of the Avoidance Actions Trust and the Trustee, and, pursuant to the Plan, the Title III Court has retained such jurisdiction; provided, however, that notwithstanding the foregoing, the Trustee shall have power and authority to bring any action in any court of competent jurisdiction (including the Title III Court) to prosecute any Claims or Causes of Action assigned to the Avoidance Actions Trust.

9.4 Severability. If any provision of this Trust Agreement or the application thereof to any Person or circumstances shall be determined by a final, non-appealable judgment or order to be invalid or unenforceable to any extent, the remainder of this Trust Agreement or the application of such provision to persons or circumstances or in jurisdictions other than those as to or in which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Trust Agreement shall be valid and enforceable to the full extent permitted by law.

Any party from time to time may change its address, facsimile number or other information for the purpose of notices to that party by giving notice specifying such change to the other parties hereto.

9.7 Headings. The headings contained in this Trust Agreement are solely for convenience of reference and shall not affect the meaning or interpretation of this Trust Agreement or of any term or provision hereof.

9.8 Actions Taken on a Date Other Than a Business Day. If any payment or act under the Plan, the HTA Plan or this Trust Agreement is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

9.9 Relationship to the Plan and the HTA Plan. The terms of this Trust Agreement are intended to supplement the terms provided by the Plan, the Confirmation Order, the HTA Plan and the HTA Confirmation Order, and therefore this Trust Agreement incorporates the provisions of the Plan, the Confirmation Order (which may amend or supplement the Plan), the HTA Plan and the HTA Confirmation Order (which may amend or supplement the HTA Plan). Additionally, the Trustee and the Trust Advisory Board may seek any orders from the Title III Court, upon notice and a hearing in furtherance of implementation of the Plan, the Confirmation Order, the HTA Plan, the HTA Confirmation Order and this Trust Agreement. However, to the extent that there is conflict between the provisions of this Trust Agreement, and the provisions of the Plan, the Confirmation Order, the HTA Plan or the HTA Confirmation Order, each document shall have controlling effect in the following rank order: (a) *first*, this Trust Agreement; (b) *second*, the Confirmation Order or HTA Confirmation Order (as applicable); and (c) *third*, the Plan or HTA Plan (as applicable).

9.10 Entire Trust Agreement. This Trust Agreement (including the recitals and annexes hereto), the Plan, the Confirmation Order, the HTA Plan and the HTA Confirmation Order constitute the entire agreement and understanding by and among the parties and supersede all prior and contemporaneous agreements or understandings, statements, or exchanges by and among the parties or any other person with respect to the subject matter hereof.

9.11 Cooperation. Each of the Debtors and the FOMB shall turn over or otherwise make available to the Trustee at no cost to the Avoidance Actions Trust or the Trustee, all books and records (or copies thereof) and other information, in each as may be reasonably requested by the Trustee, including (a) all communications by and between the FOMB and its professionals and the Avoidance Action defendants, and (b) all data and documents the FOMB and its professionals have received from the Avoidance Action defendants and the HTA Avoidance Action defendants through the “information exchange” process contemplated by the *Order Granting Omnibus Motion by the Financial Oversight and Management Board for Puerto Rico, Acting by and through the Members of the Special Claims Committee and the Official Committee of Unsecured Creditors to (i) Establish Litigation Case Management Procedures and (ii) Establish Procedures for Approval of Settlements* [Docket No. 7941]. The Debtors and the FOMB further agree to reasonably cooperate with the Trustee in carrying out its duties hereunder, including by, among other things: (i) delivering to the Trustee work product developed by their respective professionals in connection with the prosecution of the Avoidance Actions and the HTA Avoidance Actions, subject to the confidentiality provisions herein to preserve the confidential nature of the Debtors’ and the FOMB’s books and records; (ii) following the Effective Date, participating in meetings with the Trustee, at the Trustee’s reasonable request and at such times and upon such notice as does not unreasonably interfere with the operations of such party, for purposes of coordinating the transition of the Avoidance Actions Trust Assets and the HTA Avoidance Actions; (iii) providing assistance in discovery responses and witness testimony as is reasonably necessary for the resolution of the Avoidance Actions and the HTA Avoidance Actions; and (iv) maintaining all data rooms, hard drives and other media containing information and/or documents related to the Avoidance Actions and the HTA Avoidance Actions, as reasonably requested by the Trustee, to facilitate access to such information and/or documents. Notwithstanding the foregoing or anything else that may be to the contrary herein, the FOMB shall not be required to disclose any information

or work product if the same constitutes or relates to communications between a committee of the FOMB and another part or a member of the FOMB; provided, however, that the FOMB shall provide to the Trustee the relevant portion of any memoranda or other documents containing research or analysis concerning legal or factual issues arising in proceedings related to the Avoidance Actions or HTA Avoidance Actions, regardless of whether such memoranda or other documents were shared between a committee of the FOMB and another part or a member of the FOMB. The Trustee agrees to give the Debtors and/or their designated counsel reasonable access to attend (A) witness preparations related to the Avoidance Actions and the HTA Avoidance Actions for any witness who will be providing testimony in his or her capacity as a current or former employee of any of the Debtors, and (B) the depositions of any witness who provides testimony related to the Avoidance Actions or the HTA Avoidance Actions in his or her capacity as a current or former employee of any of the Debtors; provided, however, that such attendance (1) will be solely as an observer, and (2) shall not constitute a waiver of any privileges.

9.12 Amendment and Waiver. Any provision of this Trust Agreement may be amended or waived by the Trustee with the unanimous consent of all voting members of the Trust Advisory Board. Notwithstanding this Section 9.12, any amendment to this Trust Agreement shall not be inconsistent with the purpose and intention of the Avoidance Actions Trust to liquidate in an expeditious but orderly manner the Avoidance Actions Trust Assets and the HTA Avoidance Actions in accordance with Treasury Regulations section 301.7701-4(d) and Section 1.2.

9.13 Confidentiality. The Trust Parties and their advisors, including the Trust Professionals (each a “Confidential Party” and, collectively, the “Confidential Parties”) shall hold strictly confidential and not use for personal gain any material, non-public information of which they have become aware in their capacity as a Confidential Party, of or pertaining to any Debtor or the FOMB to which any of the Avoidance Actions Trust Assets or HTA Avoidance Actions relates; provided, however, that such information may be disclosed if: (a) it is now or in the future becomes generally available to the public other than as a result of a disclosure by the Confidential Parties; or (b) such disclosure is required of the Confidential Parties pursuant to legal process, including subpoena or other court order or other applicable laws or regulations. If any Confidential Party is requested to divulge confidential information pursuant to clause (b) above, such Confidential Party shall promptly, in advance of making such disclosure, provide reasonable notice of such required disclosure to the Trustee (or the Trust Advisory Board in case the Trustee is the disclosing party) to allow sufficient time to object to or prevent such disclosure through judicial or other means and shall cooperate reasonably with the Trustee (or the Trust Advisory Board, as applicable) in making any such objection, including appearing in any judicial or administrative proceeding in support of any objection to such disclosure.

9.14 Rules of Construction. Except where the context otherwise may require, (a) words of any gender include the other gender, and (b) words importing the singular number shall include the plural number and *vice versa*. All references herein to Articles, Sections and other subdivisions, unless referring specifically to the Plan or provisions of the Bankruptcy Code, the Bankruptcy Rules or other law, statute or regulation, refer to the corresponding Articles, Sections and other subdivisions of this Trust Agreement. The terms “hereof”, “hereto”, “herein” and words of similar import refer to this Trust Agreement as a whole and not to any particular Article, Section

or subdivision of this Trust Agreement. The terms “include”, “includes” and “including” shall be construed as if followed by the words “without limitation”.

9.15 Counterparts. This Trust Agreement may be executed with counterpart signature pages or in any number of counterparts, each of which counterparts shall be deemed an original, but all such counterparts shall together constitute but one and the same instrument. A facsimile, portable document file (PDF) or other electronic transmission signature of any party shall be considered to have the same binding legal effect as an original signature.

9.16 Intention of Parties to Establish Avoidance Actions Trust. This Trust Agreement is intended to create a Avoidance Actions Trust for United States federal income tax purposes and, to the extent provided by law, shall be governed and construed in all respects as such a trust and any ambiguity herein shall be construed consistent herewith and, if necessary, this Trust Agreement may be amended to comply with such United States federal income tax laws, which amendments may apply retroactively.

SECTION 2.01. Creation of Trust; Assignment of Trust Property.

(a) The Trust is being created by the Depositor on the date hereof on behalf of the Electing Holders pursuant to the execution of this Trust Agreement. The Delaware Trustee is hereby authorized and directed to file a Certificate of Trust for the HTA Class 6 Trust in the form of Exhibit F attached hereto (the “Certificate of Trust”) with the Office of the Secretary of State of

the State of Delaware (the “Secretary of State”), under the name “HTA Class 6 Trust” in which name the Trust shall have power and authority, and is hereby authorized and empowered, without the need for further action on the part of the Trust, and the Trustee shall have power and authority, and is hereby authorized and empowered, to conduct the business of the Trust. It is the intention of the parties hereto that the Trust hereby created constitute a statutory trust under the Delaware Statutory Trust Act and that this document constitutes the governing instrument of the Trust. It is the intention of the parties hereto that, solely for U.S. federal income or state and local income, franchise and value added tax purposes, the Trust and each Sub-Trust will be a Grantor Trust. The parties agree that, unless otherwise required by appropriate tax authorities, neither the Trust nor any Sub-Trust will file or cause to be filed annual or other necessary returns, reports or other forms inconsistent with the characterization of the Trust and each Sub-Trust as other than a Grantor Trust. The parties further agree, unless otherwise required by appropriate taxing authorities or by law, not to take any action, or direct any other party to take any action, inconsistent therewith. In furtherance of the foregoing, (i) the purpose of the Trust and each Sub-Trust shall be to protect and preserve the assets of the Trust or the relevant Sub-Trust, as applicable, and neither the Trust nor any Sub-Trust shall at any time engage in or carry out any kind of business for U.S. federal income tax purposes or any kind of commercial activity and (ii) the Trust, each Sub-Trust, the Trustee and the Credit Support Provider (and any agent of such Person) shall each take, or refrain from taking, all such action (other than pursuant to the specific provisions of this Trust Agreement) as is necessary to maintain the status of the Trust and each Sub-Trust as a Grantor Trust. Notwithstanding anything to the contrary in this Trust Agreement or otherwise, neither the Trust, any Sub-Trust, the Trustee nor the Credit Support Provider (nor any agent of such Person) shall (1) acquire any assets or dispose of any portion of the Trust or such Sub-Trust, as the case may be, other than pursuant to the specific provisions of this Trust Agreement, (2) vary the investment of the Trust or any Sub-Trust within the meaning of Treasury Regulation Section 301.7701-4(c), or (3) substitute new investments or reinvest so as to enable the Trust or any Sub-Trust to take advantage of variations in the market to improve the investment of any Unitholder. The provisions of this Trust Agreement shall be interpreted consistently with and to further the intention of the parties. No election will be made by or on behalf of the Trust or any Sub-Trust to be classified as an association taxable as a corporation for U.S. federal income tax purposes.

(b) On the Closing Date, or as soon thereafter as is reasonably practicable, the Trust shall receive (i) the Electing Ambac Prepetition Insured Bonds, (ii) the HTA CVI/Bond Distributions (including the HTA Clawback CVIs and New HTA Bonds) and (iii) the benefit of the Credit Support. (c) The Trustee shall have power and authority, and is hereby authorized and empowered to execute and file with the Secretary of State any certificate required or permitted under the Delaware Statutory Trust Act to be filed with the Secretary of State. The office of the Trust shall

The Units are not obligations of, and are not guaranteed by, the Depositor, the Issuer or the Trustee, and no recourse shall be had against the Depositor or the Issuer, against any officer, director, manager or employee of the Depositor or the Issuer, or against any of their respective successors or assigns, for the payment of any amounts payable under the Units or the payment or performance of any obligation of the Trust, the Trustee or the Credit Support Provider under or pursuant to this Trust Agreement.

(g) Neither the Depositor nor the Issuer shall be accountable for the use or application by the Trust of the Units or the proceeds thereof or any moneys paid to the Trust pursuant to the provisions of this Trust Agreement.

(h) None of the Depositor, the Issuer or any of their respective Affiliates will have the authority to act for, or to assume any obligation or responsibility on behalf of, the Trust.

(i) General overhead and administrative expenses of the Trust will not be charged or otherwise allocated to the Depositor, the Issuer or any of their respective Affiliates.

(j) The Trust will not (A) operate or purport to operate as an integrated, single economic unit with respect to the Depositor, the Issuer or any other affiliated or unaffiliated entity of the Depositor or the Issuer; (B) seek or obtain credit or incur any obligation to any third party based upon the assets of the Depositor, the Issuer or any of their respective Affiliates; or (C) induce any such third party to reasonably rely on the creditworthiness of the Depositor, the Issuer or any affiliated or unaffiliated entity of the Depositor or the Issuer in its dealings with the Trust.

The Trustee acknowledges it expects to receive (i) the Electing Ambac Prepetition Insured Bonds, (ii) the HTA CVI/Bond Distributions (including the HTA Clawback CVIs and New HTA Bonds) and documents relating to the issuance of the HTA Clawback CVIs and New HTA Bonds and (iii) the benefit of the Credit Support, and declares that it will hold such assets and all other assets comprising the Trust Property in trust, for the benefit of all present and future Unitholders and the Credit Support Provider, in each case as provided herein, and for the purposes and subject to the terms and conditions set forth in this Trust Agreement, including the Trustee's obligations, as and when they may arise.

SECTION 2.03. Agreement to Authenticate and Deliver Units.

The Trustee agrees and acknowledges that it will, concurrently with the deposit to and receipt by it of the property described in Section 2.02, cause to be executed, authenticated and delivered, as applicable, to each Electing Holder its Units in the form of a beneficial interest in the applicable Global Security.

ARTICLE III

Trust Powers; Administration of the Trust Property

SECTION 3.01. Trust Property.

(a) The "Trust Property" with respect to the Trust will consist of: (i) the Class A-2028 Trust Property, (ii) the Class M-2023 Trust Property, (iii) the Class L-2038 Trust Property, (iv) the Class N-2026 Trust Property, (v) the Class N-2027 Trust Property, (vi) the Class N-2028 Trust Property, (vii) the Class N-2029 Trust Property, (viii) the Class N-2030 Trust Property, (ix) the Class N-2031 Trust Property, (x) the Class N-2045 Trust Property, (xi) the Fee Reserve and (xii) any other asset constituting a portion or proceeds of the foregoing.

(b) For the avoidance of doubt, for purposes of this Trust Agreement, the Global Securities and the Certificates, the assts identified or determined (i) as Section 103 Cash and "Non-Taxable" shall only be the "Trust Property" of the applicable Unit labelled "(Non-Taxable)" and the applicable Global Security and (ii) as cash not constituting Section 103 Cash and (Taxable) shall only be the "Trust Property" of the applicable Unit labelled "(Taxable)" and the applicable Global Security.

(c) On the date hereof, all Trust Property shall be held by one Sub-Trust (a "Taxable Sub-Trust").

(d) Upon a determination by Bond Counsel or the Internal Revenue Service by the Outside Non-Taxable CVI Determination Date, a new Sub-Trust will be formed to be the beneficiary of all assets identified or determined to be Section 103 Cash and “Non-Taxable” as the “Trust Property” of newly-issued Units labelled “(“Non-Taxable”) and applicable newly-issued Global Securities, and shall be held in a new Sub-Trust (a “Non-Taxable Sub-Trust”). Upon such a determination, the Section 103 Cash and the other assets identified or determined as “Non-Taxable” will no longer constitute Trust Property for the benefit of Units labelled “(Taxable)” and the applicable Global Security but will then constitute Trust Property for the benefit of the newly-issued Units labelled “(Non-Taxable)” and the applicable newly-issued Global Security. All such Non-Taxable HTA CVIs shall then constitute Non-Taxable Funds and Section 103 Cash will be transferred from the Taxable Collection Account to the Non-Taxable Collection Account.

(e) Upon such re-characterization, the notional amount of the applicable Units labelled “(Taxable)”, if any, and the applicable Global Security will be reduced accordingly, and the Units labeled “(Non-Taxable)” and the applicable Global Security will be increased accordingly, with the aggregate notional amount to remain unchanged. For the avoidance of doubt, in the event of such a re-characterization, the benefit of the Credit Support will be allocated pro rata (by Notional Amount) between the Taxable Sub-Trust, if any, and the Non-Taxable Sub-Trust. The foregoing in respect of re-characterization set forth in Section 3.01(d) and in this Section 3.01(e) will be undertaken by the Trustee (i) solely to the extent permitted by the Depositary and (ii) at the direction of the Credit Support Provider.

(f) If such determination pursuant to paragraph (d) above and such re-characterization pursuant to paragraph (e) above results in the conversion of all of the outstanding notional amount of Taxable CVIs to Non-Taxable CVIs, then the Taxable Sub-Trust shall be redesignated as “Non Taxable,” constituting “Non-Taxable” Trust Property for the benefit of Units and the applicable Global Security without the creation of a new Sub-Trust, new Units or new applicable Global Securities. The Trustee shall reflect the foregoing in newly-issued Certificates and, to the extent required by the Depositary, newly-issued Global Securities.

(g) If, on any date subsequent to the formation of the Non-Taxable Sub-Trust, any Taxable CVIs are re-characterized as Taxable CVIs, the HTA CVIs re-characterized on such date shall be transferred to a new Sub-Trust which shall be an additional Taxable Sub-Trust. If, on any date subsequent to the date hereof (other than covered by paragraphs (d) and (e) above), any Taxable CVIs are re-characterized as Non-Taxable CVIs, the HTA CVIs re-characterized in such date shall be transferred to a new Sub-Trust which shall be an additional Non-Taxable Sub-Trust. For the avoidance of doubt, in the event of such a transfer, the benefit of the Credit Support will be allocated pro rata (by Notional Amount) with the transferred HTA CVIs. The foregoing will be undertaken by the Trustee at the direction of the Credit Support Provider consistent with paragraphs (d), (e) and (f) above and, for the avoidance of doubt, solely to the extent permitted by the Depositary. The Trustee shall perform the duties imposed upon it by this paragraph (g) by such supplemental agreement to be agreed to between the Credit Support Provider and the Trustee in accordance therewith and in exchange for such supplemental fee (if any) as agreed by such parties with respect thereto.

SECTION 3.02. Administration of the Trust.

(a) The Trustee shall take such actions with respect to the Trust Property as directed by the Credit Support Provider pursuant to Article VI hereof and as otherwise expressly provided herein. Each Electing Holder (by its election under Section [] of the Plan of Adjustment and receipt of Units) and each other assignee thereof, consents to the provisions of this Trust Agreement and authorizes the Trustee to follow any direction of the Credit Support Provider delivered under the terms of this Trust Agreement.

(b) Subject to Article IX, the Trustee is hereby authorized to perform, and from time to time hereafter, shall perform only those acts which are described in this Trust Agreement as obligations of the Trustee. Notwithstanding the generality of the foregoing, the Trustee is hereby specifically authorized to, and shall, do the following on behalf of the Trust: (i) to issue the Global Securities and, if applicable, Certificates, evidencing Units; (ii) to establish and maintain the Taxable Collection Accounts, the Non-Taxable Collection Accounts and the Credit Support Collection Accounts hereunder; (iii) to accept delivery of the Electing Ambac Prepetition Insured Bonds, the HTA CVI/Bond Distributions including the HTA Clawback CVIs and New HTA Bonds and the benefit of the Credit Support; (iv) to the extent the Available Funds for any Class of Units are insufficient to pay in full the Aggregate Unit Balance of the outstanding Units of such Class on the applicable Scheduled Final Redemption Date, to draw on the applicable Credit Support to the extent available on such Scheduled Final Redemption Date in the amount of such insufficiency; (v) to the extent Available Funds are insufficient to pay the Sinking Fund Distribution on the Sinking Fund Distribution Date or the Interest Distribution on any Interest Payment Date, to draw on the Credit Support to the extent available on such Sinking Fund Distribution Date or applicable Interest Payment Date in the amount of such insufficiency; (vi) to the extent available funds are insufficient to pay the Interest Distribution on the applicable Interest Payment Date for such Class of Units, to draw on the Credit Support to the extent available on such Interest Payment Date in the amount of such insufficiency; (vii) to make and dispose of Permitted Investments pursuant to Section 3.04; (viii) to liquidate the Trust pursuant to Article VIII; (viii) to make distributions pursuant to Articles IV and VI; including, without limitation, Discretionary Distributions which result in the redemption and cancellation of Units, and (ix) to accept payments from the Credit Support Provider in satisfaction of its obligations under the Credit Support, or otherwise, including for the avoidance of doubt, on dates other than an Interest Payment Date or a Scheduled Final Redemption Date, to be applied as designated by the Credit Support Provider and reduce the amount available under, or otherwise satisfy its obligations under the Credit Support, and a deemed corresponding reduction of the Credit Support.

(c) The Trustee shall not sell, assign, pledge or otherwise transfer the HTA Clawback CVIs, New HTA Bonds or any other Trust Property to any Person or Persons, except to a successor trustee as provided in Section 9.07 or as otherwise expressly permitted hereunder (including without limitation, Sections 6.02 and 6.03 hereto). This section shall not be construed to prohibit transfers of the Units, or sale or substitution of Permitted Investments.

(d) For purposes of the preparation of any statement that the Trustee forwards or causes to be forwarded to the Credit Support Provider and each Unitholder pursuant to Section 4.02(a), the Trustee shall separately track each class of Taxable Funds and each class of Non-Taxable Funds including, without limitation, interest on the applicable Taxable HTA CVI/Bonds and the applicable Non-Taxable HTA CVI/Bonds.

For the avoidance of doubt, the Trustee shall continue to take direction from the Credit Support Provider as provided throughout this Trust Agreement unless and until a final, non-appealable order as described above is entered.

(i) If, prior to a Trust Termination Event, the Credit Support Provider has made a payment in respect of any Credit Support, the Credit Support Provider shall be entitled to receive, upon its

Each Distribution Date shall be no later than the immediately following applicable Interest Payment Date unless HTA CVI Distributions are received by the Trustee within two (2) Business Days of such Interest Payment Date, whereby the Distribution Date shall be within three (3) Business Days of receipt of such HTA CVI Distributions by the Trustee.

All Units issued upon any registration of transfer or exchange of Units shall be entitled to the same benefits under this Trust Agreement as the Units surrendered upon such registration of transfer or exchange.

(c) Every Unit represented by a Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed (and in the case of a transfer, accompanied by a written instrument of transfer substantially in the form of Exhibit D hereto), duly executed, by the

Unitholder thereof or his/her attorney duly authorized in writing, or by a member firm of a national securities exchange, and such other documents as the Unit Registrar may require.

The Trustee may require payment by the Unitholders of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Units.

SECTION 5.04. Mutilated, Destroyed, Lost and Stolen Certificates.

If (i) any mutilated Certificate is presented to the Unit Registrar or (ii) the Unit Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and there is delivered to the Unit Registrar such security or indemnity as it may require to save it and any Paying Agent harmless, and the Unit Registrar has not received notice that such Certificate (and the Units represented thereby) has been acquired by a bona fide purchaser, then, in each case, the Trustee shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like Class, tenor, form, terms and principal amount, bearing an identifying number not used by any contemporaneously existing Certificate, so that neither gain nor loss in interest shall result from such exchange or substitution.

Upon the issuance of any new Certificate under this Section, the Trustee may require the payment by the Unitholder of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee or Unit Registrar) connected therewith.

Every new Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the applicable Trust Property to the extent provided herein, unless the destroyed, lost or stolen Certificate shall be legally enforceable as determined by a final court order at any time enforceable by anyone, and the Units represented thereby shall be entitled to all the benefits of this Trust Agreement equally and proportionately with any and all other Units of the related Class, if any, duly issued thereunder.

The terms of this Section shall apply, *mutatis mutandis*, with respect to the certificates representing the Global Securities, provided that any costs, taxes or expenses in connection therewith or with respect to a required indemnity, to the extent not paid or provided by a Unitholder, shall be borne by the Trustee and deemed an Extraordinary Trust Expense.

The terms of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Units.

SECTION 5.05. Persons Deemed Owners.

Subject to Section 5.04 and except for the final distribution, the Trustee and any agent of the Trustee may treat the Person in whose name any Unit is registered as the owner of such Unit on the related Record Date, if applicable, or Distribution Date for the purpose of receiving distributions on such Unit and for all other purposes whatsoever and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary. All distributions made to any such

Unitholder, or upon his/her order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys distributable upon such Unit.

SECTION 5.06. Cancellation.

(a) All Units evidenced by Certificates surrendered for payment, redemption, replacement, transfer or exchange shall be delivered to the Trustee and shall be promptly cancelled by the Trustee. The Trustee (or, if different, the Unit Registrar) and no one else will cancel all such Units surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Units and the related Certificates in accordance with its customary procedures. No Certificates evidencing Units shall be authenticated in lieu of or in exchange for any Units cancelled as provided in this Section, except as expressly permitted by this Trust Agreement.

(b) At such time as all beneficial interests in a particular Global Security have been exchanged for HTA Clawback CVIs and/or New HTA Bonds pursuant to Section 6.03 hereof or for Certificates representing Units, or a Trust Termination Event has occurred with respect to all Units represented by a particular Global Security, such Global Security will be cancelled and destroyed by the Trustee in accordance with Section 5.06(a).

SECTION 5.07. Appointment of Paying Agent.

(a) The Trustee may appoint one or more paying agents (each, a "Paying Agent") with respect to the Units. Any such Paying Agent shall be authorized to make distributions to Unitholders pursuant to this Trust Agreement and shall report the amounts of such distributions to the Trustee. The Trustee may remove the Paying Agent if the Trustee determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Trust Agreement in any material respect or if the Paying Agent fails to satisfy the eligibility requirements set forth in paragraph (b) of this Section. The Paying Agent shall initially be the Trustee. Any Paying Agent shall be permitted to resign as Paying Agent upon 30 days' written notice to the Trustee. In the event that the Trustee shall no longer be the Paying Agent, the Trustee shall appoint a successor or additional Paying Agent and shall provide written notice of such appointment to the Credit Support Provider and the Unitholders. The Trustee shall cause each such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that it will hold all sums, if any, held by it for distribution to the Unitholders in an Eligible Account in trust for the benefit of the Unitholders entitled thereto until such sums shall be distributed to such Unitholders. The Paying Agent shall return all unclaimed funds to the Trustee within two years from the time such funds were first eligible to be claimed and promptly upon removal shall also return all funds in its possession to the Trustee or a successor Paying Agent.

(b) The Paying Agent shall at all times be a bank or trust company, the combined capital and surplus of which is at least \$200,000,000 and the long-term debt obligations of which are rated in one of the four highest categories assigned long-term debt obligations by each of S&P and Moody's or, notwithstanding such capital and surplus and rating requirements, is otherwise acceptable to the Credit Support Provider in its sole discretion, and is subject to supervision of examination by Federal or State authority. If such bank or trust company publishes reports of conditions at least annually, pursuant to combined capital and surplus of such bank or trust

company shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In the event that at any time the Paying Agent shall cease to be eligible in accordance with the terms of this paragraph, the Paying Agent shall release all funds held by the Paying Agent to the Trustee and then resign immediately. Upon such resignation, the Trustee shall act as Paying Agent until the appointment of a successor Paying Agent in accordance with paragraph (a) of this Section.

(c) The terms of Sections 9.01, 9.02, 9.03, 9.05 and 9.06 shall be applicable to any Paying Agent, *mutatis mutandis*.

(d) Any reference in this Trust Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

SECTION 5.08. [Reserved].

SECTION 5.09. Issuance and Transfer Restrictions.

(a) The Units shall be issued on the Closing Date upon deposit of the Electing Ambac Prepetition Insured Bonds, the benefit of the Credit Support and the HTA CVI/Bond Distributions (and related cash) into the Trust pursuant to the **Plan of Adjustment** and the due authentication by the Trustee of the Units in the form set forth in Exhibit C1 through Exhibit C10 attached hereto as applicable.

(b) No Unit shall be transferred except in accordance with the terms of Section 5.03 and this Section 5.09(b) or, if applicable, Section 5.09(c). Each proposed transfer of a Unit shall not be effective until the transferor and transferee have provided the Trustee with a certificate of transfer in substantially the form of Exhibit D hereof and the acknowledgement of such certificate by the Trustee. If, at any time, the Trustee learns that (i) a transfer of a beneficial interest in a Global Security shall have been made without the transferor complying with its obligations under Section 5.03 hereof or (ii) any of the representations or warranties provided by a potential transferee of any Certificate is false or that any agreement made therein has been violated, any transfer of such Unit (or beneficial interest therein) to such potential transferee shall be null and void ab initio. The Trustee shall have such other powers to effect compliance with the terms of this Section 5.09 as it deems appropriate.

(c) With respect to any Units represented by Global Securities, the following terms shall apply:

(i) The Units will be represented by one or more Global Securities registered in the name of the Depositary or its nominee. The Trustee initially appoints DTC to act as Depositary with respect to the Global Securities.

(ii) Any Global Security shall be exchangeable for Certificates registered in the name of Persons other than the Depositary or its nominee *only* if (A)(x) the Depositary is no longer willing or able to continue to act as a depositary *or* (y) the Depositary ceases to be an Exchange Act registered clearing agency *and* (B) the Trustee is unable to appoint a qualified successor within 120 days. Upon the occurrence of (1) either event described in subclause (A) of the previous sentence *and* (2) the event described in subclause (B) of the previous sentence, Certificates representing Units shall be issued in exchange for any applicable Units represented

by Global Securities in such names as the Depositary shall instruct the Trustee. Upon such issuance, the Trustee shall register such Certificates in the name of, and cause the same to be delivered to, such Person or Persons (or the nominee thereof) consistent with Section 5.02. In addition, the Trustee may (and at the direction of the Credit Support Provider shall) cause the entire beneficial interest in a Global Security held by a Person that is in breach of its obligations under Section 5.03 hereof to be converted into a definitive Certificate. For the avoidance of doubt, any Unit authenticated and delivered in exchange for a Global Security or any portion thereof pursuant to this Section 5.09(c)(ii) shall be authenticated and delivered in the form of, and shall be, a Certificate. A Global Security may not be exchanged for a Certificate other than as provided in this Section 5.09(c)(ii); provided, however, that Units may be transferred and exchanged as provided in Section 5.09(c)(iii).

(iii) The transfer and exchange of Units will be effected through the Depositary, in accordance with the provisions of this Trust Agreement and the Applicable Procedures. Units may be transferred to Persons who take delivery thereof only in the form of a beneficial interest in the same Global Security. No written orders or instructions shall be required to be delivered to the Unit Registrar to effect the transfers of beneficial interests in a Global Security described in this Section 5.09(c)(iii).

(iv) Any Global Security shall bear a legend in substantially the following form:

“This certificate is a Global Security (within the meaning of the Trust Agreement hereinafter referred to) and is registered in the name of a Depositary or a nominee of a Depositary. This Global Security is exchangeable for Certificates registered in the name of a person other than the Depositary or its nominee only in the limited circumstances described in the Trust Agreement, and may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary. Unless this Global Security is presented by an authorized representative of The Depositary Trust Company (“DTC”) to the Trustee (as defined in the Trust Agreement) or its agent for registration of transfer, exchange or payment, and any Global Security issued is registered in the name of Cede & Co. or such other name as may be requested by an authorized representative of DTC (and any payment is made to Cede & Co. or such other entity as may be requested by an authorized representative of DTC), any transfer, pledge or other use of this Global Security (rather than the underlying Units which may be transferred pursuant to the Trust Agreement and which may be pledged) for value or otherwise by or to any person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest therein.”

ARTICLE VI

Rights of Unitholders and Credit Support Provider

SECTION 6.01. Voting Rights with Respect to HTA Clawback CVIs and New HTA Bonds.

(a) Within two (2) Business Days after receipt of notice of any meeting of, or other occasion for the exercise of voting rights, the giving of consents or any other election right by, owners of any of the HTA Clawback CVIs or New HTA Bonds, the Trustee shall deliver a copy of such notice to the Credit Support Provider.

(b) The voting, election and direction rights allocable to the owners of the HTA Clawback CVIs and New HTA Bonds pursuant to the terms thereof (including, without limitation, voting, election and direction rights in respect of remedies) will be allocated solely to the Credit Support Provider and no Unitholder shall have any right to direct the Trustee as to any voting, election or direction rights allocable to owners of the HTA Clawback CVIs and New HTA Bonds except as described in Section 4.01(h). Upon the written request of the Credit Support Provider, the Trustee shall vote, elect or act in accordance with any instruction set forth in such written request. The Credit Support Provider may exercise its rights hereunder in its sole discretion.

SECTION 6.02. HTA Clawback CVI and New HTA Bond Sales.

(a) Taxable HTA CVI/Bonds. The Credit Support Provider may, in its sole discretion at any time and from time to time, direct the Trustee to sell all or any portion of the Taxable HTA CVI/Bonds that are Trust Property (except for the Non-Taxable Funds and the Non-Taxable HTA CVI/Bonds set forth in Section 6.02(b)) attributed to such Class; provided that (i) any such sale is made for fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices as the Credit Support Provider shall deem appropriate and delivered to the Trustee), and (ii) the proceeds of any such sale of Taxable HTA CVI/Bonds from the Trust Property of a Class of Units shall be deposited into the Taxable Collection Account of such Class of Units for the benefit of the Unitholders of such Class. The Trustee shall have no obligation to determine whether the requirements of the foregoing clause (i) are satisfied and shall be entitled to rely on the information provided by the Credit Support Provider. In the case of any sale of Taxable HTA CVI/Bonds, the Credit Support Provider shall direct the Trustee to, and the Trustee shall, in consultation with the Credit Support Provider, sell all or a portion of the applicable Taxable HTA CVI/Bonds, to the extent possible, at a fair price in the context of the market at such time. Each Unitholder (which term shall for purposes hereof include any holder of a beneficial interest in a Global Security), by electing to receive Units hereunder and any assignee thereof, shall be deemed to have consented to the sale of the applicable Taxable HTA CVI/Bonds as directed by the Credit Support Provider from time to time as provided in this Section 6.02(a). Notwithstanding the foregoing, there shall be no sales of Taxable HTA CVI/Bonds on or before the Outside Non-Taxable HTA CVI/Bond Determination Date.

(b) Non-Taxable HTA CVI/Bonds. The Trustee shall not sell any Non-Taxable HTA CVI/Bonds except upon a Non-Taxable HTA CVI/Bond Sale Event. Upon the occurrence of a Non-Taxable HTA CVI/Bond Sale Event with respect to one or more series of Non-Taxable HTA CVI/Bonds, the Trustee shall sell such portion of the Non-Taxable HTA CVI/Bonds to the extent subject to such Non-Taxable HTA CVI/Bond Sale Event; provided that, (i) any such sale is made for fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices), (ii) the proceeds of any such sale of Non-Taxable HTA CVI/Bonds from the Trust Property of a Class of Units shall be deposited into the Non-Taxable Collection Account of such Class of Units for the benefit of the Unitholders of such

Class, and (iii) solely if the Calculation Agent selects clause (i) of the definition of Non-Taxable HTA CVI/Bond Threshold Amount, after the sale of the Non-Taxable HTA CVI/Bonds, the notional amount of such HTA Clawback CVIs and New HTA Bonds and the amount of the proceeds from such sale shall be deducted from the Initial Adjusted Non-Taxable HTA CVI/Bond Notional, and the Initial Adjusted Notional Threshold Amount shall be ratably reduced. The Trustee shall have no obligation to determine whether the requirements of the foregoing clause (i) are satisfied and shall be entitled to rely on the information provided by the Calculation Agent. In the case of any permitted sale of Non-Taxable HTA CVI/Bonds hereunder, the Trustee shall, in consultation with the Credit Support Provider, sell all or a portion such Non-Taxable HTA CVI/Bonds, to the extent possible, at a fair price in the context of the market at such time; provided, however, the Trustee shall rely on the information provided by the Calculation Agent and shall be under no obligation to determine the price.

(c) To effectuate the sales set forth in Sections 6.02(a) or 6.02(b) above, the Credit Support Provider must instruct the Trustee, by delivering a direction and notice in the form of Exhibit E-1 or Exhibit E-2 hereto, as applicable, to dispose of some or all of the applicable Non-Taxable HTA CVI/Bonds.

(d) The Calculation Agent shall monitor on at least a monthly basis (or more frequently as the Calculation Agent may determine) the fair market value of the Non-Taxable HTA CVI/Bonds to determine whether the fair market value of any series of Non-Taxable HTA CVI/Bonds exceeds the applicable Non-Taxable HTA CVI/Bond Threshold Amount for such Non-Taxable HTA CVI/Bonds. The Calculation Agent shall promptly notify the Trustee and the Credit Support Provider if the fair market value of any series of Non-Taxable HTA CVI/Bonds (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) exceeds the applicable Non-Taxable HTA CVI/Bond Threshold Amount for such series of Non-Taxable HTA CVI/Bonds.

(e) Upon distribution pursuant to Section 4.01(a) of the proceeds of any sale of Non-Taxable HTA CVI/Bonds, the applicable Aggregate Unit Balance shall be reduced, and the Sinking Fund Schedule for all applicable Classes shall be reduced by the Trustee pursuant to the provisions of Section 5.01(b).

(f) Upon any Discretionary Distribution pursuant to Section 4.01(b) of the proceeds of any sale of Taxable HTA CVI/Bonds, the applicable Aggregate Unit Balance shall be reduced, and the Sinking Fund Schedule for all applicable Classes shall be reduced by the Trustee pursuant to the provisions of Section 5.01(b).

SECTION 6.03. Distribution of HTA Clawback CVIs and New HTA Bonds.

(a) As part of the payment in full of the Aggregate Unit Balance of any Class of Units, the Credit Support Provider may direct the Trustee to distribute all of the remaining underlying HTA Clawback CVIs and New HTA Bonds that are Trust Property attributable to such Class to the applicable Unitholders, upon written notice from the Credit Support Provider to the Trustee and the applicable Unitholders indicating that all HTA Clawback CVIs and New HTA Bonds shall be distributed via mandatory exchange in exchange for all remaining Units, and the Trustee shall distribute such amount and type of HTA Clawback CVIs and New HTA Bonds indicated in such

notice to the applicable Unitholders of such Class on a pro rata basis or as close to a pro rata basis as practicable (based on the aggregate sum of the Notional Amounts of all Units of each Class held by such Unitholder) to the applicable Unitholders, and in the case of Global Securities, subject to and in accordance with the applicable procedures of the Depositary. At any time, solely to the extent permitted by the Depositary, the Credit Support Provider may direct the Trustee to distribute a portion of the underlying HTA Clawback CVIs and New HTA Bonds that are Trust Property of a Class of Units to the applicable Unitholders of such Class of Units, upon written notice from the Credit Support Provider to the Trustee and the applicable Unitholders of such Class of Units indicating the HTA Clawback CVIs and New HTA Bonds to be distributed, and the Trustee shall distribute such amount and type of HTA Clawback CVIs and New HTA Bonds indicated in such notice on a pro rata basis within such Class or as close to a pro rata basis as practicable (based on the aggregate sum of the Notional Amounts of all applicable Units held by such Unitholder) to the applicable Unitholders of such Class of Units, by way of redemption or otherwise, and in the case of Global Securities, subject to and in accordance with the applicable procedures of the Depositary. Upon any such distribution described in the preceding sentence, any Units so redeemed or exchanged shall be cancelled by the Trustee, the applicable Aggregate Unit Balance for the Class or Classes receiving such distribution shall be reduced by the Deemed HTA Clawback CVI or New HTA Bond Valuation Amount and the Sinking Fund Schedule for the Class or Classes, if applicable, receiving such distribution shall be revised by the Trustee accordingly in the amount specified in Section 5.01(b) and Section 6.04(c) and there shall be a deemed corresponding reduction to the Credit Support.

(b) The Credit Support Provider may, at its sole discretion, at any time and from time to time, agree with any Unitholder (which term for purposes of this clause (b) shall include any holder of a beneficial interest in a Global Security) to exchange such Unitholder's Units for a proportional percentage of any portion of the underlying applicable Trust Property (including HTA Clawback CVIs, New HTA Bonds, Ambac Prepetition Insured Bonds, Credit Support, cash and/or proceeds of Permitted Investments then held by the Trust) and upon (i) delivery of such Units through DTC via DWAC, and (ii) written notice from the Credit Support Provider to the Trustee indicating the amount of such HTA Clawback CVIs (if any), New HTA Bonds (if any), Ambac Prepetition Insured Bonds (if any), Credit Support (if any), cash (if any) and proceeds of Permitted Investments (if any) to be released, the Trustee shall release such amount of, if applicable, HTA Clawback CVIs, New HTA Bonds Ambac Prepetition Insured Bonds, Credit Support, cash and/or proceeds of Permitted Investments to such Unitholder. In such event, such Unitholder shall execute a release, in form and substance satisfactory to the Credit Support Provider, releasing all rights and obligations owing to such Unitholder against the Trust and under the Credit Support (if applicable). The exchange with such Unitholder shall not give rise to any right of any other Unitholder to request such an exchange or to receive any other consideration with respect to its Units. Upon any such exchange the applicable Aggregate Unit Balance for such Class or Classes shall be reduced and the Sinking Fund Schedule, if applicable, for the Class or Classes subject to such exchange shall be revised by the Trustee in an amount specified by the Credit Support Provider, and the Trustee shall cancel all such exchanged Units (which cancellation, in the case of any Units represented by a Global Security, shall be effectuated by the Trustee by reducing the aggregate balance of Units comprising such Global Security).

(c) The Credit Support Provider may, at its sole discretion, at any time and from time to time, offer to purchase all or a portion of any Class of Units by providing the Trustee with a notice (the

“Purchase Offer Notice”). The Purchase Offer Notice shall specify (i) the purchase price for such Units, (ii) the Class and number of available Units the Credit Support Provider is offering to purchase, (iii) the contact information and terms for acceptance of such purchase offer and (iv) the length of time such offer shall remain outstanding. The Trustee shall promptly provide the Purchase Offer Notice to the applicable Unitholders, in the case of Global Securities, by transmitting such notice to the Depository in accordance with its procedures and in the case of Certificates, if applicable, by transmitting such notice by facsimile to such number or by electronic mail at such address as may be provided to the Trustee. In the event any Unitholder (which term for purposes of this clause (c) shall include any holder of a beneficial interest in a Global Security) agrees to such terms, such Unitholder shall execute a release, in form and substance satisfactory to the Credit Support Provider, releasing all rights and obligations owing to such Unitholder against the Trust and under the Credit Support, and thereafter the Credit Support Provider shall have all rights associated with ownership of such Units equivalent to any other Unitholder (including for the avoidance of doubt, the right set forth in Section 6.03(b) above). In the event that Unitholders having a greater number of Units than are available for purchase accept the purchase offer, the Credit Support Provider shall purchase Units in the order the countersigned Purchase Offer Notices were received. For the avoidance of doubt, nothing in this Section 6.03(c) shall obligate the Trustee to act as tender agent in connection with any Purchase Offer Notice. To the extent that (i) the Credit Support Provider determines to appoint a tender agent in connection with any Purchase Offer Notice and (ii) the Trustee determines to accept such appointment, the Trustee shall perform the duties imposed upon the tender agent by such supplemental agreement to be agreed upon by the Credit Support Provider and the Trustee in accordance therewith and in exchange for such supplemental fee (if any) as agreed by such parties with respect thereto.

(d) In the event the Credit Support Provider makes an election under Sections 6.03(a), (b) or (c) above or Section 8.02(b) and the Depository requests indemnification from the Trustee in order to effectuate the transaction, the Credit Support Provider shall provide matching indemnification to the Trustee, in writing, in order to effectuate the transaction.

SECTION 6.04. Electing Ambac Prepetition Insured Bonds.

(a) Notwithstanding the deposit of the Electing Ambac Prepetition Insured Bonds in the Trust, the Electing Ambac Prepetition Insured Bonds shall not be cancelled (other than for tax purposes with respect to the Electing Ambac Prepetition Insured Bonds) and all rights and remedies under and in accordance with the Ambac Prepetition Insured Bonds, the Bond Resolution (other than with respect to the payment and other obligations of HTA (including any lien granted as security under such Bond Resolution)) and the applicable Credit Support shall be preserved and remain in full force and effect with respect to the Electing Ambac Prepetition Insured Bonds, including, without limitation, the option of the Credit Support Provider in its sole discretion to satisfy its obligations thereunder, in whole or in part, by providing for payment of all or part of the accelerated principal of the Electing Ambac Prepetition Insured Bonds, together with accrued interest. The Credit Support Provider shall be deemed the sole holder of the Electing Ambac Prepetition Insured Bonds deposited in the Trust, including, without limitation, with respect to voting, amendment, acceleration, events of default and election and direction of rights and remedies subject to the provisions of Section 4.01(h).

(b) For the avoidance of doubt, the Ambac Prepetition Insured Bonds not beneficially owned by an Electing Holder shall be cancelled on the Closing Date and shall be deemed no longer outstanding for all purposes of the Bond Resolution.

(c) Each reference in this Trust Agreement to the Sinking Fund Schedule for a Class of Units being reduced shall be deemed to include a corresponding reduction to the Sinking Fund Schedule for the related Electing Ambac Prepetition Insured Bonds and a corresponding reduction (without duplication) in the Credit Support as a result thereof. Each reference in this Trust Agreement to an Interest Distribution when paid on an Interest Payment Date shall be deemed a corresponding reduction for the related Electing Ambac Prepetition Insured Bonds and a corresponding reduction (without duplication) in the Credit Support as a result thereof.

ARTICLE VII

Default on HTA Clawback CVIs and New HTA Bonds and Permitted Investments

SECTION 7.01. Realization Upon Default.

(a) The Trustee shall assert claims under the HTA Clawback CVIs, the New HTA Bonds, the Permitted Investments, the applicable Credit Support and the other applicable Trust Property, and shall take such reasonable steps as are necessary to receive payment or to permit recovery thereunder with respect to any default, only at the direction of the Credit Support Provider with respect to the HTA Clawback CVIs, the New HTA Bonds and the Permitted Investments in accordance with the applicable document pursuant to which the Permitted Investment was issued or by which it is governed and Article VI hereof.

(b) If there is a breach, a default or an event of default (as defined in the HTA Clawback CVI Trust Agreement) with respect to any HTA Clawback CVI or New HTA Bond, or a breach, a default or an event of default (as defined in the applicable document pursuant to which the Permitted Investment was issued or by which it is governed) with respect to any Permitted Investment, and such breach, default or event of default is known to the Trustee, the Trustee shall give notice thereof to the Unitholders and the Credit Support Provider as promptly as practicable, and, in any event, within two (2) Business Days after such event of default becomes known to the Trustee. However, if the Trustee receives notice of an anticipated payment default with respect to any HTA Clawback CVI or New HTA Bond, the Trustee shall promptly give notice thereof to the Unitholders and the Credit Support Provider within two (2) Business Days after receipt of such notice.

ARTICLE VIII

Trust Wind-Up Events; Termination

SECTION 8.01. Trust Wind-Up Events.

The Trust shall dissolve and wind-up upon the earlier of (a) the Class N-2045 Scheduled Final Redemption Date or (b) payment in full of the Aggregate Unit Balance for each Class of Units (a "Trust Termination Event"). Upon the completion of the dissolution and winding-up of the Trust in accordance with this Article 8 and Section 3808 of the Delaware Statutory Trust Act, a

certificate of cancellation of the Certificate of Trust shall be filed with the Secretary of State. Upon the effectiveness of such filing, this Trust and this Trust Agreement, and the obligations and responsibilities of the Trustee hereunder, shall terminate.

SECTION 8.02. Trust Property Made Available.

(a) Except with respect to a Trust Termination Event occurring on the Class N-2045 Scheduled Final Redemption Date, the Trustee shall provide notice to the Unitholders and the Credit Support Provider of the intent to effect a Trust Termination Event and that Unitholders should surrender their Units to the Trustee, for the greater of (x) their respective portion of the Aggregate Unit Balance of such Class or (y) their respective portion of any amount remaining in the Trust after making reimbursement payments required to be made to the Credit Support Provider for the amounts described in Section 8.02(b). Such notice to the Unitholders shall also specify (i) the location and hours of the Corporate Trust Office at which Units should be presented and surrendered, and (ii) that each Unitholder must supply wire instructions in writing with respect to any cash distribution.

(b) Upon the occurrence of payment in full of the Aggregate Unit Balance on any Class of Units on account of the Credit Support Provider making a payment with respect to the Credit Support (whether upon a Trust Termination Event or earlier), the Credit Support Provider shall be entitled to receive reimbursement of any amounts paid by the Credit Support Provider pursuant to the Credit Support to the extent not previously reimbursed, in accordance with the manner set forth in Section 4.01. Upon written direction to the Trustee from the Credit Support Provider, the amount required to be reimbursed to the Credit Support Provider shall be paid from the proceeds of a sale of the remaining Trust Property of a Class of Units (including upon the occurrence of a Trust Termination Event amounts remaining in the Fee Reserve) or, at the election of the Credit Support Provider, may be made in the form of HTA Clawback CVIs or New HTA Bonds that are Trust Property of a Class of Units having a fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) equal to the amount required to be paid to the Credit Support Provider pursuant to this Section 8.02(b). Any excess proceeds in the Trust Property of a Class of Units with respect to the HTA Clawback CVIs and New HTA Bonds remaining after the reimbursement to the Credit Support Provider pursuant to this Section 8.02(b) shall be distributed pro rata within such Class or on an as close to a pro rata basis as practicable (based on the aggregate sum of the Notional Amounts of all applicable Units held by such Unitholder) to applicable Unitholders of such Class of Units as of the date of the Trust Termination Event, and in the case of Global Securities, subject to and in accordance with the applicable procedures of the Depositary.

(c) On the date on which all Classes of Units and the Credit Support Provider have received the amounts due them pursuant to Section 8.02(b), the Electing Ambac Prepetition Insured Bonds and the Credit Support shall be released and cancelled, and the Credit Support Provider's obligations thereunder shall be deemed satisfied in full.

ARTICLE IX

Concerning the Trustee

SECTION 9.01. Duties of Trustee.

(a) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement. Any permissive right of the Trustee enumerated in this Trust Agreement shall not be construed as a duty.

(b) The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee which are specifically required to be furnished pursuant to any provision of this Trust Agreement, shall examine them to determine whether they conform to the requirements of this Trust Agreement. If any such instrument is found not to conform to the requirements of this Trust Agreement, the Trustee shall take action as it deems appropriate to have the instrument corrected, and if the instrument is not corrected to the Trustee's satisfaction, the Trustee will provide notice thereof to the Unitholders and the Credit Support Provider.

(c) No provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own gross negligent action or its own gross negligent failure to act or its own misconduct; provided, however, that:

(i) the duties and obligations of the Trustee shall be determined solely by the express terms of this Trust Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Trust Agreement, no implied covenants or obligations shall be read into this Trust Agreement against the Trustee and, in the absence of gross negligence or willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee that conform to the requirements of this Trust Agreement;

(ii) the Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Trust Agreement.

SECTION 9.02. Certain Matters Affecting the Trustee.

(a) Except as otherwise provided in Section 9.01:

(i) the Trustee may request and rely upon and shall be protected in acting or refraining from acting upon any resolution, Officers' Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine and to have been signed by the proper party or parties;

(ii) the Trustee may consult with counsel and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or

omitted by it under this Trust Agreement in good faith and in accordance with such advice or Opinion of Counsel;

(iii) except for the duties and obligations of the Trustee expressly created by this Trust Agreement (which for avoidance of doubt shall include matters for which the Credit Support Provider is entitled to direct the Trustee hereunder and for which this Section 9.02(a)(iii) shall not apply) and under the Delaware Statutory Trust Act, the Trustee shall be under no obligation to exercise any of the discretionary trusts or powers vested in it by this Trust Agreement or to institute, conduct or defend any litigation thereunder or in relation thereto, at the request, order or direction of any of the Unitholders or the Credit Support Provider, pursuant to the terms of this Trust Agreement;

(iv) the Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized, or within the discretion, rights or powers conferred upon it by this Trust Agreement;

(v) the Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, approval, bond or other paper or document believed by it to be genuine;

(vi) the Trustee may execute any of the trusts or powers or perform any duties under this Trust Agreement either directly or by or through agents or attorneys or a custodian or administrative agent;

(vii) the Trustee shall not be personally liable for any loss resulting from the investment of funds held in any Collection Account pursuant to Section 3.03 and in investments directed pursuant to Section 3.04;

(viii) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Units generally or this Trust Agreement;

(ix) the Trustee shall have the power to reimburse itself for any unpaid Extraordinary Trust Expense actually incurred in accordance with the terms and conditions of this Trust Agreement prior to the distribution of funds or Trust Property to applicable Unitholders, and shall have a charging lien upon the Taxable Collection Account and Non-Taxable Collection Account to secure payment of its fees and expenses, including the reasonable fees and expenses of its counsel; provided, however, that in the event that it has been finally adjudicated by a court of competent jurisdiction, evidenced by a final non-appealable order that the Trustee engaged in gross negligence, material breach or willful misconduct, the Trustee shall not be entitled to reimbursement of any fees and expenses incurred in defending against such suits brought by the Credit Support Provider or the Unitholders; and

(x) the Trustee shall establish a Fee Reserve, which Fee Reserve shall be replenished up to the Fee Reserve Threshold Amount pro rata from the amounts in the Collection Account on each Distribution Date, and the Trustee shall be permitted to apply the amounts therein to pay fees and expenses of the Trust, including, without limitation the Trustee Fees, the Delaware Trustee Fees, Extraordinary Trust Expenses, and fees and expenses of the Accountant, and any other fees and expenses of the Trust in connection with tax obligations, as and when due.

(b) All rights of action under this Trust Agreement or under any of the Units, enforceable by the Trustee, may be enforced by it without the possession of any of the Units, or the production thereof at the trial or other Proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Unitholders, subject to the terms of this Trust Agreement.

SECTION 9.03. Limitation on Liability of Trustee.

The Trustee assumes no responsibility for the correctness of the recitals contained in this Trust Agreement, the Units, or in any document issued in connection with the sale of the Units (other than the signature and authentication on the Units if done by Trustee). Except as set forth in Section 9.11, the Trustee makes no representations or warranties as to the validity or sufficiency of this Trust Agreement, the Units (other than the signature and authentication on the Units if done by Trustee), any security or of any related document. The Units do not represent interests in or obligations of the Trustee and the Trustee shall not be responsible or accountable for any tax, accounting or other treatment proposed to be applied to the Units or any interest therein except as expressly provided in this Trust Agreement.

SECTION 9.04. Trustee Fees and Expenses; Limited Indemnification.

(a) As compensation for its services and in payment of its expenses under this Trust Agreement (including the reasonable compensation, expenses and disbursements of its counsel for services hereunder) the Trustee shall be entitled to the Trustee Fees and the Delaware Trustee shall be entitled to the Delaware Trustee Fee (which shall not be limited by any provision of law in regard to compensation or payment of a trustee of an express trust). For avoidance of doubt, neither the Depositor nor the Issuer shall be responsible for the Trustee Fees or the Delaware Trustee Fee.

(b) The Trustee, the Delaware Trustee, the Calculation Agent and any director, officer, employee or agent of the Trustee, the Delaware Trustee, or the Calculation Agent shall be indemnified and held harmless by the Trust against any loss, liability or expense incurred in connection with any Proceeding relating to this Trust Agreement or the Units or the performance of any of the Trustee's duties, Delaware Trustee's duties, or the Calculation Agent's duties (as applicable) under this Trust Agreement, other than, (w) with respect to the Trustee, any loss, liability or expense (i) that constitutes a specific liability of the Trustee under this Trust Agreement or (ii) incurred by reason of willful misfeasance or gross negligence in the performance of the Trustee's duties hereunder, (x) with respect to the Delaware Trustee, any loss, liability or expense (i) that constitutes a specific liability of the Delaware Trustee under this Trust Agreement or (ii) incurred by reason of willful misfeasance or gross negligence in the performance of the Delaware Trustee's duties hereunder (such loss, liability or expense, other

than as described in clauses (w)(i) and (ii) and (x)(i) and (ii) of this sentence, “Extraordinary Trust Expense”), and (y) with respect to the Calculation Agent, any loss, liability or expense incurred by reason of willful misfeasance or gross negligence in the performance of the Calculation Agent’s duties hereunder.

SECTION 9.05. Eligibility Requirements for Trustee; Delaware Trustee.

(a) The Trustee hereunder shall at all times be a bank or other financial institution organized and doing business under the laws of any State or the United States, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$200,000,000 and subject to supervision or examination by Federal or State authority, and the long-term debt obligations of which are rated in one of the four highest categories assigned long-term debt obligations by each of S&P and Moody’s or, notwithstanding such capital and surplus and rating requirements, is otherwise acceptable to the Credit Support Provider in its sole discretion. If such bank or trust company publishes reports of conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In the event that at any time the Trustee shall cease to be eligible in accordance with the terms of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.06.

(b) Any successor Delaware Trustee, however appointed, shall be a bank or trust company satisfying the requirements of Section 3807(a) of the Delaware Statutory Trust Act. Any bank or trust company into which the Delaware Trustee may be merged or converted or with which it may be consolidated, or any bank or trust company resulting from any merger, conversion or consolidation to which such Delaware Trustee shall be a party, or any bank or trust company to which substantially all the corporate trust business of the Delaware Trustee may be transferred, shall, subject to the preceding sentence, be the Delaware Trustee under this Trust Agreement without further act.

SECTION 9.06. Resignation or Removal of the Trustee, Delaware Trustee.

(a) The Trustee or the Delaware Trustee may at any time resign and be discharged from the Trust by giving written notice thereof to the Credit Support Provider, the Depositor, the Issuer and to all Unitholders. The Trustee or the Delaware Trustee may be removed and be discharged from the Trust upon the Credit Support Provider’s written notice of removal to the Trustee, Delaware Trustee, Depositor, the Issuer and all Unitholders, or upon approval of the Directing Unitholders and written notice of removal to the Credit Support Provider to effectuate such removal on behalf of the Unitholders. Upon receiving such notice of resignation or removal, the Credit Support Provider shall as promptly as practicable (and in any event within 30 days after the date of such notice of resignation or removal) appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the resigning or removed Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Depositor, the Issuer and the Unitholders by the Credit Support Provider. If no such successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation or removal, the resigning or removed Trustee or Delaware Trustee (as applicable) may

petition any court of competent jurisdiction for the appointment of a successor trustee for the Units. If at any time the Trustee shall cease to be eligible in accordance with the terms of Section 9.05 and shall fail to resign after written request therefor by the Credit Support Provider, or if at any time the Trustee shall become incapable of acting, shall have breached its obligations hereunder, or shall be adjudged bankrupt or insolvent, or a receiver or a conservator of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, or for any other reason as determined in the sole discretion of the Credit Support Provider, then the Credit Support Provider may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee. A copy of such instrument shall be delivered to the Depositor, the Issuer and the Unitholders by the Credit Support Provider.

(b) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the terms of this Section shall not become effective until acceptance of appointment by the successor trustee as provided in Section 9.07.

SECTION 9.07. Successor Trustee.

(a) Any successor trustee appointed as provided in Section 9.06 shall execute, acknowledge and deliver to its predecessor trustee and the Credit Support Provider, with a copy to the Depositor and the Issuer, an instrument accepting such appointment under this Trust Agreement, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under this Trust Agreement, with the like effect as if originally named as trustee in this Trust Agreement. The predecessor trustee shall deliver to the successor trustee the Trust Property and all documents and statements held by it under this Trust Agreement, and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations. No successor trustee shall accept appointment as provided in this Section unless, at the time of such acceptance, such successor trustee shall be eligible under the terms of Section 9.05.

(b) Upon acceptance of appointment by a successor trustee as provided in this Section, the Trustee shall transmit notice of the succession of such trustee under this Trust Agreement to the Depositor, the Issuer and all Unitholders in the manner provided pursuant to Section 10.05.

SECTION 9.08. Merger or Consolidation of Trustee.

Any bank or trust company into which the Trustee may be merged or converted or with which it may be consolidated or any bank or trust company resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any bank or trust company succeeding to the business of the Trustee, shall be the successor of the Trustee under this Trust Agreement, provided such bank or trust company shall be eligible under the terms of Section 9.05, without the execution or filing of any paper or any further act on the part of any of the parties to this Trust Agreement, anything in this Trust Agreement to the contrary notwithstanding.

SECTION 9.09. Appointment of Co-Trustee.

(a) Notwithstanding any other terms of this Trust Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Property may at the time be located, the Trustee shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Trustee to act as co-trustee or co-trustees, jointly with the Trustee, of all or any part of the Trust Property, and to vest in such Person or Persons, in such capacity, such title to the Trust Property, or any part thereof, and, subject to the other terms of this Section, such powers, duties, obligations, rights and trusts as the Trustee and the Credit Support Provider may consider necessary or desirable. The Trustee shall remain liable for the actions and omissions of the co-trustee unless and until such co-trustee under this Trust Agreement shall (1) meet the terms of eligibility as a successor trustee under Section 9.05 and (2) provide notice to the Depositor, the Issuer, the Unitholders and the Credit Support Provider of the appointment of a co-trustee or co-trustees in the manner provided pursuant to Section 10.05.

(b) In the case of any appointment of a co-trustee pursuant to this Section, all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such co-trustee jointly, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed by the Trustee, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to such Trust Property or any portion thereof in any such jurisdiction) shall be exercised and performed by such co-trustee at the direction of the Trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the co-trustees, as effectively as if given to each of them. Every instrument appointing any co-trustee shall refer to this Trust Agreement and the conditions of this Article IX. Each co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, jointly with the Trustee subject to all the terms of this Trust Agreement, specifically including every provision of this Trust Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any co-trustee may, at any time, constitute the Trustee, its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Trust Agreement delegated pursuant to Section 9.09(c) to such co-trustee on its behalf and in its name. If any co-trustee shall become incapable of acting, resign or be removed by the Trustee, the Credit Support Provider or the Directing Unitholders, all its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 9.10. Appointment of Office or Agency.

The Units may be surrendered for registration of transfer or exchange, and presented for the final distribution with respect thereto, and notices and demands to or upon the Trustee in respect of the Units and this Trust Agreement, shall be served at the Corporate Trust Office.

SECTION 9.11. Representations and Warranties of Trustee and Delaware Trustee.

(a) The Trustee represents and warrants that:

(i) the Trustee is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;

(ii) the Trustee has full power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and the Global Securities and the Certificates, and has taken all necessary action to authorize the execution, delivery and performance by it of this Trust Agreement, and the Global Securities and the Certificates;

(iii) the execution and delivery of this Trust Agreement, and the Global Securities and the Certificates by the Trustee and its performance of and compliance with the terms of this Trust Agreement, and the Global Securities and the Certificates will not violate the Trustee's articles of incorporation, association or other constitutive documents or by-laws or constitute a default under, or result in the breach or acceleration of, any material contract, agreement or other instrument to which the Trustee is a party or which may be applicable to the Trustee or any of its assets;

(iv) as of the Closing Date, each of this Trust Agreement, and the Global Securities and the Certificates, has been duly executed and delivered by the Trustee, and this Trust Agreement constitutes the legal, valid and binding obligation of the Trustee, enforceable in accordance with its terms, except as enforcement may be limited by the applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(v) the Trustee is not in violation, and the execution and delivery of this Trust Agreement, and the Global Securities and the Certificates, by the Trustee and its performance and compliance with respective terms of this Trust Agreement, and the Global Securities and the Certificates, will not constitute a violation, of any order or decree of any court or any order or regulation of any Federal, State, municipal or governmental agency having jurisdiction over the Trustee or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of the Trustee or its properties, or on the performance of its duties thereunder;

(vi) there are no actions or proceedings against, or investigations of, the Trustee pending, or, to the knowledge of the Trustee, threatened, before any court, administrative agency or other tribunal (A) that could reasonably be expected to prohibit its entering into this Trust Agreement or to render the Units invalid, (B) seeking to prevent the issuance of the Global Securities and the Certificates, or the consummation of any of the transactions contemplated by this Trust Agreement or (C) that could reasonably be expected to prohibit or materially and adversely affect the performance by the Trustee of its obligations under, or the validity or enforceability of, this Trust Agreement, or the Global Securities and the Certificates; and

(vii) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Trustee of, or

compliance by the Trustee with, this Trust Agreement, or the Global Securities and the Certificates, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date.

(b) The Delaware Trustee represents and warrants that:

(i) the Delaware Trustee is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;

(ii) the Delaware Trustee has full power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and has taken all necessary action to authorize the execution, delivery and performance by it of this Trust Agreement;

(iii) the execution and delivery of this Trust Agreement, by the Delaware Trustee and its performance of and compliance with the terms of this Trust Agreement, will not violate the Delaware Trustee's articles of incorporation, association or other constitutive documents or by-laws or constitute a default under, or result in the breach or acceleration of, any material contract, agreement or other instrument to which the Delaware Trustee is a party or which may be applicable to the Delaware Trustee or any of its assets;

(iv) as of the Closing Date, this Trust Agreement has been duly executed and delivered by the Delaware Trustee, and this Trust Agreement constitutes the legal, valid and binding obligation of the Delaware Trustee, enforceable in accordance with its terms, except as enforcement may be limited by the applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(v) the Delaware Trustee is not in violation, and the execution and delivery of this Trust Agreement by the Delaware Trustee and its performance and compliance with respective terms of this Trust Agreement, and the Global Securities and the Certificates, will not constitute a violation, of any order or decree of any court or any order or regulation of any Federal, State, municipal or governmental agency having jurisdiction over the Delaware Trustee or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of the Delaware Trustee or its properties, or on the performance of its duties thereunder;

(vi) there are no actions or proceedings against, or investigations of, the Delaware Trustee pending, or, to the knowledge of the Delaware Trustee, threatened, before any court, administrative agency or other tribunal (A) that could reasonably be expected to prohibit its entering into this Trust Agreement or to render the Units invalid, (B) seeking to prevent the issuance of the Global Securities and the Certificates, or the consummation of any of the transactions contemplated by this Trust Agreement or (C) that could reasonably be expected to prohibit or materially and adversely affect the performance by the Delaware Trustee of its obligations under, or the validity or enforceability of, this Trust Agreement, or the Global Securities and the Certificates; and

(vii) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Delaware Trustee of, or compliance by the Delaware Trustee with, this Trust Agreement, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date.

(c) Within thirty (30) days of the earlier of discovery by the Trustee or Delaware Trustee, or receipt of notice by the Trustee or Delaware Trustee from the Credit Support Provider or the Unitholders, of a breach of any representation or warranty of the Trustee or Delaware Trustee set forth in this Section 9.11 that materially and adversely affects the interests of the Unitholders, the Trustee or the Delaware Trustee, as the case may be, shall promptly cure such breach in all material respects or resign.

SECTION 9.12. Limitation of Powers and Duties.

(a) The Trust is constituted solely for the purposes of acquiring and holding the Trust Property and issuing the Global Securities and the Certificates. The Trust shall not incur any debt and may not issue additional Units except in accordance with Sections 5.03 and 5.04 hereof. The Trustee is not authorized to acquire any other investments or engage in any activities not authorized in this Trust Agreement and, in particular, the Trustee is not authorized to sell, assign, transfer, exchange, pledge, set-off or otherwise dispose of any of the HTA Clawback CVIs, New HTA Bonds or interests therein, including to Unitholders (except upon termination of the Trust in accordance with Article VIII of this Trust Agreement and at the direction of the Credit Support Provider (including in accordance with Sections 6.02 and 6.03 hereof)).

(b) Without first obtaining an Opinion of Counsel to the effect that such action will not, for U.S. federal income tax purposes, cause any Sub-Trust to be taxable as other than a Grantor Trust with respect to any Units labelled “(Taxable)”, or to be subject to entity level taxation with respect to any Units labelled “(Non-Taxable)”, and neither the Trust, any Sub-Trust, nor anyone acting on behalf of the Trust or any Sub-Trust (including, but not limited to, the Trustee and the Credit Support Provider) shall have the power or authority to, cause the Trust to:

(i) exchange any portion of the Trust Property for other property following the date hereof, except as explicitly permitted by this Trust Agreement;

(ii) acquire any other property with, or otherwise reinvest, any distributions, income or proceeds received with respect to the Trust’s investments, including any proceeds from the sale of any such investment, except as explicitly permitted by this Trust Agreement;

(iii) accept any contributions of cash or property following the date hereof, except as explicitly permitted by this Trust Agreement;

(iv) agree to receive, or negotiate for, any financing with which to acquire any investments, except as explicitly permitted by this Trust Agreement;

(v) exercise any rights or otherwise take any action that could vary the Trust’s investments including the Trust Property; or

(vi) otherwise acquire or agree to acquire, by contribution, purchase, exchange, borrowing, or otherwise, any cash or property following the date hereof.

For the avoidance of doubt, when acting pursuant to written direction provided under the provisions of this Trust Agreement, the Trustee shall be under no obligation to determine whether the action prescribed by such written direction satisfies the requirements of this Section 9.12(b) and shall rely solely on the information provided in the written direction with respect to such action.

(c) Notwithstanding anything to the contrary in Section 9.12(b), the Trust may exchange a certificate representing a Taxable Clawback CVI for a certificate representing a Non-Taxable Clawback CVI in connection with a re-characterization of Taxable Clawback CVIs as tax-exempt by Bond Counsel or the Internal Revenue Service, together with an Opinion of Counsel, provided that there are no other changes to the terms of such previously Taxable Clawback CVI. In the event of such an exchange, the Trust and each Unitholder, by electing to receive Units (which constitute beneficial interests) in the Trust, and any assignee thereof, agree to treat such exchange as a nonrealization event for U.S. federal, state and local income tax purposes.

(d) [Reserved].

(e) Consistent with the terms of this Trust Agreement, the Trustee or the Credit Support Provider may amend, waive, consent to the departure from or modify any term of any Trust Property (a "Modification"), provided either (i) such Modification will not result in a "significant modification" (within the meaning of Treasury Regulation §1.1001-3) or otherwise results in the receipt of property or a change in legal rights that differs materially either in kind or in extent from such Trust Property for U.S. federal income tax purposes or (ii) the Trust obtains an Opinion of Counsel to the effect that such action will not, for U.S. federal income tax purposes, cause any Sub-Trust holding such Trust Property to be subject to entity level taxation. Without limiting the generality of the foregoing, Trustee shall continue, and is hereby authorized and empowered, to execute and deliver on behalf of itself, the Trust and any Sub-Trust, all instruments of satisfaction or cancellation, or of partial or full release, discharge and all other comparable instruments, with respect to the Trust Property. The Trust shall, as necessary, promptly furnish Trustee with such powers of attorney as are necessary and appropriate and with such other documents as are necessary or appropriate to enable Trustee to carry out its duties under this Trust Agreement.

(f) Sections 9.12(b) and (c) are intended to ensure that neither the Trust, any Sub-Trust nor anyone acting on behalf of the Trust or any Sub-Trust (including, but not limited to, the Trustee and the Credit Support Provider) has the power to vary any Sub-Trust's investments and Trust Property within the meaning of Treasury Regulations § 301.7701-4(c) unless such action would not cause the Sub-Trust to be subject to entity level taxation and shall be interpreted and applied consistently with such intent.

SECTION 9.13. Power and Authority of the Delaware Trustee.

The Delaware Trustee shall have the power and authority, and is hereby authorized and empowered, to (a) accept legal process served on the Trust in the State of Delaware and (b) execute any certificates that are required to be executed under the Delaware Statutory Trust Act and file

such certificates in the office of the Secretary of State, and take such action or refrain from taking such action under this Trust Agreement as may be directed in a writing delivered to the Delaware Trustee by the Credit Support Provider; provided, however, that the Delaware Trustee shall not be required to take or to refrain from taking any such action if the Delaware Trustee shall reasonably believe, or shall have been advised by competent counsel, that such performance is likely to involve the Delaware Trustee in personal liability or to result in personal liability to the Delaware Trustee, or is contrary to the terms of this Trust Agreement or of any document contemplated hereby to which the Trust or the Delaware Trustee is or becomes a party or is otherwise contrary to law. The Credit Support Provider agrees not to instruct the Delaware Trustee to take any action or to refrain from taking any action that is contrary to the terms of this Trust Agreement or of any document contemplated hereby to which the Trust or the Delaware Trustee is or becomes party or that is otherwise contrary to law. Other than as expressly provided for in this Trust Agreement, the Delaware Trustee shall have no duty to take any action for or on behalf of the Trust.

SECTION 9.14. Delaware Trustee May Request Direction.

If at any time the Delaware Trustee determines that it requires or desires guidance regarding the application of any provision of this Trust Agreement or any other document, or regarding action that must or may be taken in connection herewith or therewith, or regarding compliance with any direction it received under this Trust Agreement, then the Delaware Trustee may deliver a notice to a court of applicable jurisdiction requesting written instructions as to the desired course of action, and such instructions from the court shall constitute full and complete authorization and protection for actions taken and other performance by the Delaware Trustee in reliance thereon. Until the Delaware Trustee has received such instructions after delivering such notice, it shall be fully protected in refraining from taking any action with respect to the matters described in such notice.

SECTION 9.15. Delaware Trustee's Capacity.

In accepting the trust hereby created, Wilmington Trust, N.A. acts solely as Delaware Trustee under this Trust Agreement and not in its individual capacity, serves the Trust solely to fulfill the Trust's obligation pursuant to Section 3807(a) of the Delaware Statutory Trust Act to have at least one trustee who has its principal place of business in the State of Delaware, and all Persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Trust Agreement or any other document shall look only to the Trust Property for payment or satisfaction thereof. Notwithstanding any provision of this Trust Agreement or any other document to the contrary, under no circumstances shall Wilmington Trust, N.A., in its individual capacity or in its capacity as Delaware Trustee, (a) have any duty to choose or supervise, nor shall it have any liability for the actions or inactions of, the Trustee or any officer, manager, employee, or other Person (other than Wilmington Trust, N.A. and its own employees), or (b) be liable or responsible for, or obligated to perform, any contract, representation, warranty, obligation or liability of the Trust, the Trustee, or any officer, manager, employee, or other Person (other than Wilmington Trust, N.A. and its own employees); provided, however, that this limitation shall not protect Wilmington Trust, N.A. against any liability to the Credit Support Provider or the Unitholders to which it would otherwise be subject by reason of its bad faith, willful misconduct, fraud, gross negligence in the performance of its duties under this Trust Agreement.

SECTION 9.16. Duties.

None of the Delaware Trustee, or any successor Delaware Trustee shall have any duty or obligation under or in connection with this Trust Agreement, the Trust, or any transaction or document contemplated by this Trust Agreement, except as expressly provided by the terms of this Trust Agreement and, except as set forth in the Delaware Statutory Trust Act, no implied duties or obligations shall be read into this Trust Agreement against the Delaware Trustee, Wilmington Trust, N.A. or any successor Delaware Trustee. The right of the Delaware Trustee to perform any discretionary act enumerated in this Trust Agreement shall not be construed as a duty. To the fullest extent permitted by applicable law, including without limitation Section 3806 of the Delaware Statutory Trust Act, the Delaware Trustee's, Wilmington Trust, N.A.'s or any successor Delaware Trustee's duties (including fiduciary duties) and liabilities relating thereto to the Trust and the Unitholders shall be restricted to those duties (including fiduciary duties) expressly set forth in this Trust Agreement and liabilities relating thereto, or enumerated in the Delaware Statutory Trust Act.

SECTION 9.17. Trustee.

There shall be, at all times, a trustee, which trustee initially shall be the Trustee (and may include any co-trustee appointed pursuant to Section 9.09), to serve with the Delaware Trustee for the purpose of performing all obligations and duties other than fulfilling the Trust's obligations pursuant to Section 3807(a) of the Delaware Statutory Trust Act including, but not limited to executing any documentation that may require the signature of more than one trustee of the Trust. The Trust hereby grants the Trustee the power to act and sign documents on behalf of the Trust pursuant to the terms of the Trust Agreement.

ARTICLE X

Miscellaneous Terms

SECTION 10.01. Amendment of Trust Agreement.

(a) This Trust Agreement may be amended from time to time by the Credit Support Provider and the Trustee without the consent of any of the Unitholders or any other Person, for any of the following purposes: (i) to cure any ambiguity or to correct, clarify or supplement any provision in this Trust Agreement which may be defective or inconsistent with any other provision in this Trust Agreement; (ii) to evidence and provide for the acceptance of appointment under this Trust Agreement by a successor Trustee; (iii) to add or change any of the terms of this Trust Agreement as shall be necessary to provide for or facilitate the administration of the Trust; or (iv) upon delivery of an Officers' Certificate of the Credit Support Provider or an Opinion of Counsel, to the effect that such amendment will not adversely affect the interests of any Unitholder. Any amendment pursuant to clause (iii) above in connection with implementation of Section 3.01(d), (e) and (f) that includes creation of a new trust rather than a Sub-Trust requires delivery of an Opinion of Counsel that any resulting new trust should be classified as a Grantor Trust or should not be subject to entity level taxation. In addition, any Unitholder may, with the consent of the Credit Support Provider and notice to the Trustee, subdivide any Class of Units into sub-classes without the consent of any other Unitholder, with such information to be provided from each

Unitholder electing to receive such sub-class to the Trustee as it may require to facilitate such subdivision. For avoidance of doubt, nothing in this Section 10.01(a) shall obligate the Trustee to act as Trustee with respect to any Class of Units that have been sub-divided hereunder, unless and until the Trustee agrees, and the Credit Support Provider and the Trustee agree to a supplemental fee (if any) with respect thereto. Notwithstanding anything herein to the contrary, no amendment shall be made to this Trust Agreement that would cause any Sub-Trust to be classified as other than a Grantor Trust for U.S. federal income tax purposes unless such amendment would not cause the Sub-Trust to be subject to entity level taxation.

(b) Promptly after the execution of any such amendment or modification, the Trustee shall furnish a copy of such amendment or modification to each Unitholder, the Depositor and the Issuer.

Assured will direct the Trustee to utilize a specific broker which will arrange the Bond Sale pursuant to the terms set forth in this Section 3.04(a). The Trustee shall not be responsible for the selection of the broker or for any determination required to be made in connection with the Bond Sale. Prior to any Bond Sale, Assured will notify the Trustee of the intended Bond Sale and will direct the Trustee to promptly distribute a sale notice (the "**Sale Notice**") (i) through the Depository to all Book-Entry Trust Unit Holders and (ii) directly to all Non-Book-Entry AGC Trust Unit Holders.

(b) The Sale Notice will include (i) a statement identifying the Subject Bonds, the principal amount (or, with respect to capital appreciation bonds, current Accreted Value) of Subject Bonds to be sold, the applicable Target Price and Floor Price, (ii) a statement regarding the right of each applicable Trust Unit Holder to elect to receive in-kind delivery of a pro rata share of the Subject Bonds, subject to payment by such Trust Unit Holder of the allocable portion of any outstanding Trustee Costs (solely to the extent not previously paid by Assured pursuant to the Fee Agreement) and Tax Costs (the "**Bond Election**"), in lieu of receiving a pro rata share of the actual net cash proceeds ("**Cash Proceeds**") from the Bond Sale and (iii) a statement that the Bond Sale will only be executed if the weighted average price obtainable for the Subject Bonds (prior to the deduction of customary commissions and other sales expense of an arm's length transaction) is equal to or greater than the Floor Price. Book-Entry Trust Unit Holders that determine to make a Bond Election must make the election through the Depository within ten (10) Business Days after the Depository receives the Sale Notice (the "**Sale Notice Period**"). Non-Book-Entry AGC Trust Unit Holders that determine to make a Bond Election must inform the Trustee of such election within the Sale Notice Period.

(c) Following the Sale Notice Period,

(i) If any applicable Trust Unit Holders make valid Bond Elections, an amount of Subject Bonds representing a proportion of the Subject Bonds equivalent to such Trust Unit Holders' aggregate pro rata ownership of all applicable Trust Units shall be reserved from the Bond Sale and shall instead be distributed pro rata to each such Trust Unit Holder making a valid Bond Election (any

such distribution to be rounded down to the nearest minimum denomination, with any reduction as a result of such rounding down to be distributed to such Trust Unit Holders in cash). In order to make a valid Bond Election, a Trust Unit Holder shall be required to pay to the Trustee such Trust Unit Holder's allocable portion of any outstanding Trustee Costs and Tax Costs prior to the expiration of the Sale Notice Period. To the extent a Trust Unit Holder has not paid its allocable portion of any such outstanding Trustee Costs and Tax Costs prior to the expiration of the Sale Notice Period, the Bond Election will be deemed invalid.

(ii) Applicable Trust Unit Holders that did not make a valid Bond Election will promptly receive a pro rata share of Cash Proceeds from the sale of Subject Bonds (not subject to a valid Bond Election), net of the allocable portion of any outstanding Trustee Costs and Tax Costs, and less any Cash Proceeds distributed as a result of rounding in accordance with Section 3.04(c)(i) to Trust Unit Holders making valid Bond Elections.

(iii) If the broker specified in the Sale Notice is unable to arrange the sale of any of the Subject Bonds not subject to a valid Bond Election for a weighted average price (prior to the deduction of customary commissions and other sales expense of an arm's length transaction) equal to or greater than the Floor Price, the Trustee shall not sell or distribute any Subject Bonds, the Bond Sale shall be cancelled, and the Trustee shall send a notice, at the sole cost of Assured, to (A) the applicable Book-Entry Trust Unit Holders through the Depository and (B) the Non-Book-Entry AGC Trust Unit Holders directly, stating that such Bond Sale was cancelled, after which any future sale of the Subject Bonds shall be required to be made pursuant to a new Sale Notice.

Section 3.05. *Adjustments to Principal Amounts and Compounded Amounts.*

(a) Each Distribution made on or prior to the Maturity Date to Trust Unit Holders shall result in a deemed simultaneous dollar-for-dollar reduction (i) in the case of any relevant Current Interest Bonds, first, of any accrued and unpaid interest on, and second, of the outstanding principal amount of, such Current Interest Bonds or, (ii) in the case of any relevant Capital Appreciation Bonds, the Compounded Amount of such Capital Appreciation Bonds, in either case, as of the date of such Distribution and in an amount equal to such Distribution. For the purposes of such reduction, any deduction from any Distribution in respect of Tax Costs shall be treated as if such amounts deducted were paid to the applicable Trust Unit Holders in cash as part of the Distribution and shall reduce the applicable accrued and unpaid interest amount, outstanding principal amount, or Compounded Amount accordingly. For the avoidance of doubt, any deduction from any Distribution in respect of Trustee Costs shall not reduce the applicable accrued and unpaid interest amount, outstanding principal amount or Compounded Amount, accordingly. As set forth in Sections 3.02(a)(iii), 3.02(b)(ii), 3.02(c)(ii), and 3.02(d)(ii) above, Trustee Costs shall never be paid out of, or deducted from, Distributions comprised of payments received by the Trust from Assured on account of, and in accordance with, an Assured Insurance Policy (i) insuring the Assured Legacy Bonds CUSIP deposited in the Insurance Policy Account, (ii) insuring a FGIC-Insured Secondary Market Assured Legacy Bonds CUSIP, (iii) insuring an AGM

Double-Insured Secondary Market Assured Legacy Bonds CUSIP (Partial), or (iv) insuring the AGC-AGC Double-Insured Secondary Market Assured Legacy Bonds CUSIP, as applicable.

(b) Any Bond Sale resulting in a distribution of Cash Proceeds or Subject Bonds to Trust Unit Holders, as the case may be, shall result in a deemed simultaneous dollar-for-dollar reduction (i) in the case of any relevant Current Interest Bonds, first, of any accrued and unpaid interest on, and second, of the outstanding principal amount of, such Current Interest Bonds or, (ii) in the case of any relevant Capital Appreciation Bonds, the Compounded Amount of such Capital Appreciation Bonds, in either case as of the date the Cash Proceeds of such Bond Sale are distributed by the Trustee to the applicable Trust Unit Holders and in an amount equal to the aggregate Cash Proceeds from such Bond Sale distributed to the applicable Trust Unit Holders. For the purposes of such reduction, any deduction from the Cash Proceeds in respect of Tax Costs shall be treated as if such amounts deducted were paid to the applicable Trust Unit Holders in cash and shall reduce the applicable accrued and unpaid interest amount, outstanding principal amount, or Compounded Amount accordingly. Further, for purposes of this Section 3.05(b), the aggregate Cash Proceeds shall be calculated as if each applicable Trust Unit Holder that took actual delivery of Subject Bonds had received the same amount of cash per Unit as a Trust Unit Holder that did not make a Bond Election, or if all applicable Trust Unit Holders participating in the Bond Sale made a Bond Election, the aggregate Cash Proceeds shall be calculated as if all Subject Bonds were sold at a net price equal to the Target Price. For the avoidance of doubt, any deduction from any Distribution in respect of Trustee Costs shall not reduce the applicable accrued and unpaid interest amount, outstanding principal amount or Compounded Amount, accordingly. As set forth in Sections 3.02(a)(iii), 3.02(b)(ii), 3.02(c)(ii), and 3.02(d)(ii) above, Trustee Costs shall never be paid out of, or deducted from, Distributions comprised of payments received by the Trust from Assured on account of, and in accordance with, an Assured Insurance Policy (i) insuring the Assured Legacy Bonds CUSIP deposited in the Insurance Policy Account, (ii) insuring a FGIC-Insured Secondary Market Assured Legacy Bonds CUSIP, (iii) insuring an AGM Double-Insured Secondary Market Assured Legacy Bonds CUSIP (Partial), or (iv) insuring the AGC-AGC Double-Insured Secondary Market Assured Legacy Bonds CUSIP, as applicable.

(c) If any Assured Legacy Bonds CUSIP is subject to mandatory sinking fund redemptions, any reduction of the outstanding principal amount or Compounded Amount, as applicable, of such Assured Legacy Bonds CUSIP pursuant to Section 3.05(a) or (b) (a “**Principal Amount Reduction**”) shall automatically result in the dollar-for-dollar reduction of the mandatory sinking fund redemption obligations for purposes of the Assured Insurance Policy insuring such Assured Legacy Bonds CUSIP, with such reduction to be applied sequentially against such mandatory sinking fund redemptions starting with the first mandatory sinking fund redemption occurring after such Principal Amount Reduction.

(d) If the principal amount (or Compounded Amount, as applicable) of the applicable Assured Legacy Bonds CUSIP is reduced to zero at any time, Assured shall be entitled to any remaining Trust Assets, including any remaining Trust Assets in the Tax-Exempt Bond Account, the Taxable Bond Account, the Cash Account, the Insurance Policy Account, the FGIC Certificates Account, the FGIC Insured Bonds Insurance Policy

Payments Account, the Non-Book-Entry Double-Insured AGC Trust Units Account, the AGM Double-Insured Insurance Policy Payments Account, and the AGC Insurance Policy SM-2007-267 Payments Account, as applicable.

(e) For the avoidance of doubt, it is expressly understood and agreed that to the extent the principal amount (or Compounded Amount, as applicable) of the applicable Assured Legacy Bonds CUSIP is reduced to zero prior to the Maturity Date, as of the date the principal amount (or Compounded Amount, as applicable) is reduced to zero, (i) the applicable Trust Units shall be cancelled; (ii) all of Assured's obligations under the applicable Assured Insurance Policies and Assured Legacy Bonds will be satisfied and discharged; (iii) the applicable Assured Insurance Policies shall be indefeasibly cancelled; and (iv) subject to Assured's entitlement to any remaining Trust Assets, the Trust shall terminate in accordance with the provisions of Article VII hereof.

Section 3.06. *Payments on Assured Insurance Policies.*

(a) After taking into account any adjustments made pursuant to Section 3.05, if there are insufficient funds (determined without taking into account any securities or other non-cash Trust Assets) in the Tax-Exempt Bond Account, the Taxable Bond Account, the Cash Account, the Insurance Policy Account, the FGIC Certificates Account, the FGIC Insured Bonds Insurance Policy Payments Account, the Non-Book-Entry Double-Insured AGC Trust Units Account, the AGM Double-Insured Insurance Policy Payments Account, or the AGC Insurance Policy SM-2007-267 Payments Account, as applicable, to satisfy the accrued and unpaid interest and/or unpaid principal due on an Original Scheduled Payment Date (the amount of any such shortfall, the "**Payment Shortfall**"), then at least five (5) Business Days prior to such Original Scheduled Payment Date, the Trustee shall deliver a notice in substantially the form attached hereto as Exhibit A (a "**Notice of Claim and Certificate**") to Assured. Assured agrees that such notice provided by the Trustee shall constitute a valid notice of the type required under the applicable Assured Insurance Policy in order for the Trustee to draw on the applicable Assured Insurance Policy, and the Trustee shall make draws on the applicable Assured Insurance Policy to make payment, from the Insurance Policy Account, the FGIC Insured Bonds Insurance Policy Payments Account, the AGM Double-Insured Insurance Policy Payments Account, or the AGC Insurance Policy SM-2007-267 Payments Account, as applicable, of any accrued and unpaid interest or any unpaid principal due on the Original Scheduled Payment Date. The Trustee is authorized to take all actions necessary to draw on the Assured Insurance Policies for such purposes, including actions that, under the applicable Assured Insurance Policies and related agreements, would otherwise be taken by the HTA Fiscal Agent, and the Trustee shall have all powers and authority of the HTA Fiscal Agent for such purposes. Except as otherwise provided in Section 3.06(b) and Section 3.06(c) below, in the event a particular Trust holds more than one Assured Insurance Policy insuring the same Assured Legacy Bonds CUSIP, the Trustee shall draw pro rata on all such Assured Insurance Policies insuring the same Assured Legacy Bonds CUSIP.

(b) Notwithstanding any other provision of this Trust Agreement, no AGM Double-Insured Trustee shall make a draw on an AGM Double-Insured Insurance Policy, and Assured shall not be required to make any payment under such AGM Double-

Insured Insurance Policy, unless either (i) Assured has confirmed to the AGM Double-Insured Trustee in writing, at least (5) Business Days prior to the relevant Original Scheduled Payment Date, that Assured will not be providing sufficient funds under the AGC Insurance Policy insuring the relevant AGC Assured Legacy Bonds CUSIP to cover any Payment Shortfall with respect to the relevant AGM Double-Insured Secondary Market Assured Legacy Bonds CUSIP, or (ii) as of the Original Scheduled Payment Date, Assured has not in fact provided sufficient funds under the AGC Insurance Policy insuring the relevant AGC Assured Legacy Bonds CUSIP to cover any Payment Shortfall with respect to the relevant AGM Double-Insured Secondary Market Assured Legacy Bonds CUSIP. For the avoidance of doubt, this Section 3.06(b) applies both to AGM Double-Insured Trustees (Partial) and AGM Double-Insured Trustees (Complete), such that where the Trustee with respect to an Assured Legacy Bonds CUSIP (Combined) holds both an AGM Double-Insured Insurance Policy (Complete) and an AGC Insurance Policy, such Trustee shall not make a draw on such AGM Double-Insured Insurance Policy (Complete), and Assured shall not be required to make any payment under such AGM Double-Insured Insurance Policy (Complete), except under the circumstances described in clauses (i) or (ii) of this Section 3.06(b).

(c) Notwithstanding any other provision of this Trust Agreement, the AGC-AGC Double-Insured Trustee shall not make a draw on AGC Insurance Policy SM-2007-267, and Assured shall not be required to make any payment under AGC Insurance Policy SM-2007-267, unless either (i) Assured has confirmed to the AGC-AGC Double-Insured Trustee in writing, at least (5) Business Days prior to the relevant Original Scheduled Payment Date, that Assured will not be providing sufficient funds under AGC Insurance Policy CIFGNA-562 to cover any Payment Shortfall with respect to the AGC-AGC Double-Insured Secondary Market Assured Legacy Bonds CUSIP, or (ii) as of the Original Scheduled Payment Date, Assured has not in fact provided sufficient funds under AGC Insurance Policy CIFGNA-562 to cover any Payment Shortfall with respect to the AGC-AGC Double-Insured Secondary Market Assured Legacy Bonds CUSIP.

(d) Subject to Sections 3.06(b) and 3.06(c) above, if and to the extent Assured fails to make any payment at the time, in the amount and in the manner set forth herein, the Trustee shall take, subject to its rights and protections herein, all necessary or desirable actions to enforce the applicable Assured Insurance Policy (including, to the extent applicable, as and when directed by the Requisite Trust Unit Holders as set forth in Section 6.01 hereof).

(e) If the Trustee receives HTA Payments, (i) after the Trustee draws on an Assured Insurance Policy pursuant to Section 3.06(a), but (ii) prior to the Trustee using the amounts drawn from the Assured Insurance Policy to pay accrued and unpaid interest and/or unpaid principal due on that Original Scheduled Payment Date, then the Trustee shall (x) distribute and apply the HTA Payments received in accordance with Sections 3.02 and 3.05, (y) only apply amounts drawn from the Assured Insurance Policy to pay accrued and unpaid interest and/or unpaid principal to the extent the HTA Payments received are insufficient (the amount of such insufficiency, the “**HTA Payment Shortfall**”) to pay the accrued and unpaid interest and/or unpaid principal due on that Original Scheduled Payment Date such that the amounts so applied are not in excess of the HTA Payment Shortfall and (z)

promptly return to Assured any amounts drawn on the Assured Insurance Policy that are in excess of such HTA Payment Shortfall.

Section 3.07. *Exchange of Trust Units for Trust Assets.*

(a) At any time on, or prior to, the Maturity Date, a Trust Unit Holder may exchange its Trust Units for a pro rata share of any remaining Trust Assets in the Tax-Exempt Bond Account, the Taxable Bond Account, the FGIC Certificates Account, or the Non-Book-Entry Double-Insured AGC Trust Units Account, as applicable, net of the pro-rata share of any outstanding Assured Deferred Expenses, Trustee Costs, Tax Costs, and Assured Reimbursement Amount (the “**Unit Exchange Election**”), provided that the Trust Unit Holder must provide thirty (30) days’ prior written notice of such Unit Exchange Election by submitting the form attached hereto as Exhibit B to the Trustee.

(b) Upon a Unit Exchange Election, the expiration of the thirty day (30) notice period set forth in Section 3.07(a) hereof and the presentation and surrender of the applicable Trust Units at the office of the Trustee therein designated on that date, the Trustee shall distribute to such Trust Unit Holder a pro rata share of any remaining Trust Assets in the Tax-Exempt Bond Account, the Taxable Bond Account, the FGIC Certificates Account, or the Non-Book-Entry Double-Insured AGC Trust Units Account, as applicable, net of the pro-rata share of any outstanding Assured Deferred Expenses, Assured Reimbursement Amount, Trustee Costs, or Tax Costs, which shall be paid to Assured, the Trustee, or the relevant tax or governmental authority, as applicable (provided that, if cash is not available to satisfy in full such outstanding Assured Deferred Expenses, Assured Reimbursement Amount, Trustee Costs, and Tax Costs, each applicable Trust Unit Holder shall pay in cash its applicable pro rata share of such Assured Deferred Expenses, Assured Reimbursement Amount, Trustee Costs, and Tax Costs prior to the receipt of its share of remaining Trust Assets). For the avoidance of doubt, the Assured Reimbursement Amount must be paid to Assured prior to the distribution of the applicable Trust Assets to the Trust Unit Holder.

(c) Upon distribution of such Trust Assets in accordance with Section 3.07(b) hereof, (i) the applicable Trust Units shall be cancelled; (ii) all of Assured’s obligations under the applicable Assured Insurance Policies with respect to such Trust Units and the Trust Unit Holder’s portion of the Assured Legacy Bonds will be satisfied and discharged; and (iii) the related Assured Insurance Policies shall be indefeasibly cancelled with respect to such Trust Units and the Trust Unit Holder’s portion of the Assured Legacy Bonds.

(d) (i) Upon receiving notice of any Unit Exchange Election, the Trustee shall provide notice of such Unit Exchange Election to Assured and (ii) upon making a distribution of Trust Assets pursuant to this Section 3.07, the Trustee shall provide notice of such distribution to Assured.

Section 3.08. *Payments at Maturity Date.*

(a) If, (i) in the case of Current Interest Bonds, the outstanding principal amount or accrued and unpaid interest amount, or (ii) in the case of Capital Appreciation

Bonds, the Compounded Amount, as the case may be, of the Assured Legacy Bonds at the Maturity Date is expected to be greater than zero, no later than thirty (30) calendar days and no earlier than thirty-five (35) calendar days prior to the Maturity Date, Assured shall direct the Trustee to deliver to (A) all applicable Book-Entry Trust Unit Holders through the Depository and (B) all Non-Book-Entry AGC Trust Unit Holders directly, a notice of maturity (the “**Maturity Notice**”) in substantially the form attached hereto as Exhibit C. The Maturity Notice will include (i) a statement identifying the Maturity Date and (ii) a statement regarding the right of each Trust Unit Holder to receive a Distribution (or multiple Distributions) in the aggregate amount of a pro rata share of the Insured Amount corresponding (i) in the case of any relevant Current Interest Bonds, to the outstanding principal amount of, and accrued and unpaid interest on, such Current Interest Bonds as of the Maturity Date, or (ii) in the case of any relevant Capital Appreciation Bonds, the Compounded Amount as of the Maturity Date, in either case, to be paid to the Trustee by Assured and/or from the other Trust Assets. Notwithstanding anything herein to the contrary, Assured’s failure to direct the Trustee to deliver a Maturity Notice or the Trustee’s or Depository’s failure to deliver a Maturity Notice to Trust Unit Holders in accordance with this Section 3.08 shall not affect or delay the occurrence of the applicable Maturity Date, or affect the amounts to be paid to Trust Unit Holders on the Maturity Date.

(b) Reserved.

(c) On the Maturity Date, after giving effect to any Distribution made from other Trust Assets on the Maturity Date, and subject to Assured having received a Notice of Claim and Certificate in accordance with Section 3.06 hereof, Assured shall pay to the Trustee, and the Trustee shall distribute to all Trust Unit Holders, a pro rata share of the Payment Shortfall, if any, net of any Tax Costs, following which Assured shall be entitled to any remaining Trust Assets, including any remaining Trust Assets in the Tax-Exempt Bond Account, the Taxable Bond Account, the Cash Account, the Insurance Policy Account, the FGIC Certificates Account, the FGIC Insured Bonds Insurance Policy Payments Account, the Non-Book-Entry Double-Insured AGC Trust Units Account, the AGM Double-Insured Insurance Policy Payments Account, or the AGC Insurance Policy SM-2007-267 Payments Account, as applicable.

(d) On the Maturity Date, after giving effect to any Distributions made on the Maturity Date (including the payment and distribution of any Payment Shortfall (in accordance with Section 3.08(c) hereof)), (i) the applicable Trust Units shall be cancelled; (ii) all of Assured’s obligations under the applicable Assured Insurance Policies and Assured Legacy Bonds will be satisfied and discharged; (iii) the applicable Assured Insurance Policies shall be indefeasibly cancelled; and (iv) subject to Assured’s entitlement to any Remaining Trust Assets following payment of any Trustee Costs and any other remaining Trust expenses, the Trust shall terminate in accordance with the provisions of Article VII hereof.

ARTICLE IV

REPORTING/REMITTING TO TRUST UNIT HOLDERS

Section 4.01. *Statements to Trust Unit Holders.*

No later than three (3) Business Days after the date on which the Trustee makes any Distribution to any Trust Unit Holder, the Trustee shall prepare and post a statement to EMMA, substantially in the form attached hereto as Exhibit D, and upon request, deliver such statement by mail to any Trust Unit Holder, setting forth:

(a) With respect to the Tax-Exempt Bond Account, the Taxable Bond Account, the Cash Account, the Insurance Policy Account, the FGIC Certificates Account, the FGIC Insured Bonds Insurance Policy Payments Account, the Non-Book-Entry Double-Insured AGC Trust Units Account, the AGM Double-Insured Insurance Policy Payments Account, and the AGC Insurance Policy SM-2007-267 Payments Account, as applicable, distributions made from each such account during the month and during the year to date (on an aggregate and per unit basis);

(b) The accrued and unpaid interest on, and principal amount of (or Compounded Amount, as applicable) of the relevant Assured Legacy Bonds CUSIP (or any other securities or property received in respect thereof or in exchange therefor) (on an aggregate and per unit basis);

(c) Any other distributions made to Trust Unit Holders;

(d) Any required tax reporting for such period (as specified in Section 8.04); and

(e) All other information required to complete Exhibit D.

The Trustee shall deliver a copy of any statement it posts to EMMA pursuant to this Section 4.01 to Assured promptly after such statement is posted to EMMA.

Section 4.02. *Compliance with Withholding Requirements.*

Notwithstanding any other provisions of the Trust Agreement, the Trustee shall comply with all federal withholding requirements with respect to payments to the Depository and Trust Unit Holders that the Trustee reasonably believes are applicable under the Code. The consent of the Depository and Trust Unit Holders shall not be required for such withholding. In the event the Trustee does withhold any amount from payments to the Depository or any Trust Unit Holder pursuant to federal withholding requirements, the Trustee shall indicate with any payment to the Depository or such Trust Unit Holders the amount withheld. Any amounts withheld shall be treated as a distribution of cash to the Depository or Trust Unit Holder, as the case may be, in the amount of the withholding and shall thereby reduce amounts otherwise distributable to the Depository or such Trust Unit Holder. If an amount required to be withheld was not withheld, the Trust may reduce subsequent distributions by the amount of such required withholding.

ARTICLE V

TRUST UNITS

Section 5.01. *The Trust Units.*

Each series of Trust Units shall bear unique CUSIPs and, other than the Non-Book-Entry AGC Trust Units, shall be freely tradable and transferable through The Depository Trust Company. So long as an Assured Insurer Event is not occurring under the applicable Assured Insurance Policy, Assured shall be deemed the sole holder of the New Securities deposited in the respective Trusts with respect to voting, amendment, acceleration, events of default and election and direction of rights and remedies, including, without limitation, in connection with insolvency proceedings. In addition, Assured shall be fully subrogated to the rights of the respective Trust Unit Holders in respect of the New Securities deposited in the respective Trusts.

The Trust Units shall be designated in the Trust Agreement. Unless otherwise specified in the Trust Agreement, the Trust Units in the aggregate will represent the entire beneficial ownership interest in the Trust Estate. With respect to any day, the Notional Amount of the Trust Units will be equal to the outstanding principal amount (or, in the case of Capital Appreciation Bonds, the Compounded Amount) of the Assured Legacy Bonds underlying such Trust Units. The Trust Units will be substantially in the forms annexed to the Trust Agreement. Unless otherwise provided in the Trust Agreement, the Trust Units will be issuable in book-entry form, in denominations equal to the denomination of the applicable underlying Assured Legacy Bonds or any integral multiple of the amount specified therein, subject to the requirements of the Depository; provided, however, that (i) any interest in a Trust Unit equal to or in excess of the applicable minimum denomination at the time of the issuance thereof which ceases or fails to be such minimum or multiple as a result of Distributions may be transferred in its entirety, and (ii) the Non-Book-Entry AGC Trust Units shall be issued in certificated rather than book-entry form (a) in the case of an AGM Double-Insured Secondary Market Assured Legacy Bonds CUSIP (Partial), to the applicable AGM Double-Insured Trust (Partial), (b) in the case of the AGC-AGC Double-Insured Secondary Market Assured Legacy Bonds CUSIP, to the AGC-AGC Double-Insured Trust, and (c) in the case of any Assured Insured Bondholder who, prior to the Effective Date, held in certificated form custody receipts evidencing a beneficial interest in an Assured Legacy Bond insured by AGC and the related AGC Insurance Policy, to such Assured Insured Bondholder who, prior to the Effective Date, held such custody receipts in certificated form; provided, however, that in the event any such Assured Insured Bondholder has not provided the existing custodian of the pre-Effective Date certificated custody receipts with the information necessary for the applicable Non-Book-Entry AGC Trust Units to be registered in the Assured Insured Bondholder's name, then the applicable Non-Book-Entry AGC Trust Units shall be issued in the name of the existing custodian of the pre-Effective Date certificated custody receipts, solely as custodian for the sole benefit of such Assured Insured Bondholder. Each Trust Unit will share ratably in all Trust Assets of the applicable Trust and in all rights of the related Trust Unit Holders.

Upon original issue, the Trust Units shall be executed and delivered by the Trustee and the Trustee shall cause the Trust Units to be authenticated by the Unit Registrar upon receipt

by the Trustee of the documents specified in Section 2.02. The Trust Units shall be executed by manual or electronic signature on behalf of the Trustee by an authorized officer. Trust Units bearing the manual or electronic signatures of individuals who were at any time the proper officers of the Trustee shall bind the Trustee, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Trust Units or did not hold such offices at the date of such Trust Units. No Trust Unit shall be entitled to any benefit under the Trust Agreement or be valid for any purpose, unless there appears on such Trust Unit a certificate of authentication as set forth on such certificate executed by manual or electronic signature on behalf of the Unit Registrar by a duly authorized officer of the Unit Registrar, and such certificate of authentication shall be conclusive evidence, and the only evidence, that such Trust Unit has been duly authenticated and delivered hereunder. All Trust Units shall be dated the date of their execution.

Section 5.02. *Book-Entry Trust Units.*

(a) The Book-Entry Trust Units will be represented initially by one or more global certificates registered in the name designated by the Depository. Notwithstanding anything herein to the contrary, the Trustee may for all intents and purposes (including the making of payments on the Book-Entry Trust Units) deal with the Depository or its nominee as the authorized representative of the Beneficial Owners of the Book-Entry Trust Units as if the Depository were the sole Book-Entry Trust Unit Holder for purposes of the Trust Agreement (including these Standard Terms) for as long as those Book-Entry Trust Units are registered in the name of the Depository or its nominee. The rights of Beneficial Owners of the Book-Entry Trust Units shall be limited to those established by law, the Trust Agreement and agreements between such Beneficial Owners and the Depository and Depository Participants. Requests and directions from, and votes of, the Depository, as Holder, shall not be deemed to be inconsistent if they are made with respect to different Beneficial Owners. Subject to Section 5.03 below, a Book-Entry Trust Unit may not be transferred by the Depository or its nominee except to another nominee or the Depository, or another Depository or its nominee that agrees to hold the Book-Entry Trust Unit for the account of the respective Depository Participants and Beneficial Owners.

(b) The Trustee will not have any liability to any person for any aspect of the records relating to or payment made on account of Beneficial Owners of the Book-Entry Trust Units held by the Depository, for monitoring or restricting any transfer of beneficial ownership in a Book-Entry Trust Unit or for maintaining, supervising or reviewing any records relating to such Beneficial Owners.

Section 5.03. *Registration of and Limitation on Transfers and Exchanges of Units.*

The Trustee shall cause to be kept at its Corporate Trust Office a Unit Register in which, subject to such reasonable regulations as it may prescribe, the Trustee shall provide for the registration of Trust Units and of transfers and exchanges of Trust Units as provided in the Trust Agreement (including these Standard Terms). The Trustee will initially serve as Unit Registrar for the purpose of registering Trust Units and transfers and exchanges of Trust Units as herein provided.

Subject to Section 5.04, upon surrender for registration of transfer of any Trust Unit at the Corporate Trust Office of the Trustee or at any other office or agency of the Trustee maintained for such purpose, the Trustee shall execute and the Unit Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Trust Units of a like aggregate Notional Amount.

At the option of the Trust Unit Holders, each Trust Unit may be exchanged for other Trust Units with a like aggregate Notional Amount and in authorized denominations, upon surrender of such Trust Unit to be exchanged at any such office or agency. Whenever any Trust Units are so surrendered for exchange, the Trustee shall execute and cause the Unit Registrar to authenticate and deliver the Trust Units which the Trust Unit Holder making the exchange is entitled to receive. Every Trust Unit presented or surrendered for transfer or exchange shall (if so required by the Trustee) be duly endorsed by, or be accompanied by a written instrument of transfer in form satisfactory to the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge to the Trust Unit Holders shall be made for any transfer or exchange of Trust Units, but the Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Trust Units.

All Trust Units surrendered for transfer and exchange shall be disposed of by the Unit Registrar in accordance with its customary procedures.

The Trustee will cause the Unit Registrar (unless the Trustee is acting as Unit Registrar) to provide notice to the Trustee of each transfer of a Trust Unit, and will provide the Trustee with an updated copy of the Unit Register on January 1 of each year.

Section 5.04. *No Obligation to Register.*

The Trustee is not obligated to register or qualify any Trust Unit under the Securities Act or any other securities laws or to effect any qualification under the Trust Indenture Act of 1939, as amended.

Section 5.05. *Mutilated, Destroyed, Lost or Stolen Units.*

If (a) any mutilated Trust Unit is surrendered to the Trustee or the Unit Registrar, or the Trustee and the Unit Registrar receive evidence to their satisfaction of the destruction, loss or theft of any Trust Unit, and (b) there is delivered to the Trustee and the Unit Registrar such security or indemnity as may be required by them to save each of them harmless, then, in the absence of actual knowledge by the Trustee or the Unit Registrar that such Trust Unit has been acquired by a protected purchaser, the Trustee shall execute and deliver and the Unit Registrar shall authenticate, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Trust Unit, a new Trust Unit of like tenor. Upon the issuance of any new Trust Unit under this Section, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trust Unit Registrar) connected therewith. Any replacement Trust Unit issued pursuant to this Section shall constitute complete and indefeasible evidence of

ownership in the Trust, as if originally issued, whether or not the destroyed, lost or stolen Trust Unit shall be found at any time.

Section 5.06. *Persons Deemed Owners.*

Prior to due presentation of a Trust Unit for registration or transfer, the Trustee, the Unit Registrar and any agent of any of them may treat the person in whose name any Trust Unit is registered as the owner of such Trust Unit for the purpose of receiving distributions, and neither the Trustee, the Unit Registrar nor any agent of any of them shall be affected by notice to the contrary.

Section 5.07. *Appointment of Trust Unit Paying Agent.*

The Trustee shall serve as the initial Trust Unit Paying Agent hereunder and thereafter, solely in the event that legal or regulatory requirements require the appointment of a different Trust Unit Paying Agent, the Trustee may appoint on behalf of, and as an expense of, the Trust, any other Trust Unit Paying Agent for the purpose of making distributions to Trust Unit Holders; provided, however, that any replacement Trust Unit Paying Agent shall be required to meet the eligibility requirement set forth in Section 6.06. The Trustee shall cause such Trust Unit Paying Agent to execute and deliver to the Trustee an instrument in which such Trust Unit Paying Agent shall agree with the Trustee that such Trust Unit Paying Agent will hold all sums held by it for the payment to Trust Unit Holders in trust for the benefit of the Trust Unit Holders entitled thereto until such sums shall be paid to the Trust Unit Holders. All funds remitted by the Trustee to any such Trust Unit Paying Agent for the purpose of making distributions shall be paid to Trust Unit Holders as soon as practicable following receipt thereof by the Trust Unit Paying Agent and any amounts not so paid shall be returned as soon as practicable to the Trustee.

ARTICLE VI

CONCERNING THE TRUSTEE

Section 6.01. *Duties of Trustee.*

Every provision of the Trust Agreement (including these Standard Terms) relating to the conduct of, affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VI.

The Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Trust Agreement and no implied covenants or obligations shall be read into the Trust Agreements against the Trustee.

The Trustee shall (at the direction of the Requisite Trust Unit Holders), subject to its rights and protections herein, take all necessary or desirable actions to enforce the Assured Insurance Policies as set forth herein.

The Trustee shall deliver to all Trust Unit Holders copies of all notices and written communications received from Depositor, Reorganized HTA, or the trustee of a FGIC Trust as they relate to the Bonds and/or the FGIC Certificates, as applicable.

Except as provided in Section 6.02 hereof, no provision of the Trust Agreement shall be construed to relieve the Trustee from liability for its own grossly negligent action, grossly negligent failure to act or willful misconduct; *provided, however*, that:

(a) The Trustee shall not be liable for an error of judgment made in good faith by an Officer of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(b) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of Assured or, in the event that the Voting Rights are held by a party other than Assured, Trust Unit Holders entitled to a majority of the Voting Rights (or such other percentage as may be specified herein) relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the New Securities or exercising any trust or power conferred upon the Trustee with respect to the New Securities, under the Trust Agreement;

(c) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Requisite Trust Unit Holders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the Assured Insurance Policies or exercising any trust or power conferred upon the Trustee with respect to the Assured Insurance Policies, under the Trust Agreement; and

(d) Any determination of gross negligence, willful misconduct or bad faith of the Trustee shall be made only upon the rendering of a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

Section 6.02. *Certain Matters Affecting the Trustee.*

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties. Further, the Trustee may accept a copy of the vote of the board of directors or equivalent governing body of any party certified by its clerk or assistant clerk or secretary or assistant secretary as conclusive evidence of the authority of any Person to act in accordance with such vote, and such vote may be considered as in full force and effect until receipt by the Trustee of written notice to the contrary;

(b) The Trustee may, in the absence of bad faith on its part, conclusively rely upon an Opinion of Counsel or certificate of an Officer of the appropriate Person whenever in the administration of the Trust Agreement the Trustee shall deem it desirable

that a matter be proved or established (unless other evidence be herein specifically prescribed) prior to taking, suffering or omitting any action hereunder;

(c) The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in reliance on such advice or Opinion of Counsel;

(d) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by the Trust Agreement or to institute, conduct, defend or continue any litigation thereunder or in relation thereto at the request, order or direction of any of the Trust Unit Holders, pursuant to the provisions of the Trust Agreement, unless such Trust Unit Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) The Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by the Trust Agreement (including these Standard Terms);

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by Assured or, in the event that the Voting Rights are held by a party other than Assured, Trust Unit Holders entitled to a majority of the Voting Rights; *provided, however*, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of the Trust Agreement, the Trustee may require indemnity against such expense or liability as a condition to taking any such actions;

(g) The Trustee may execute any of the trusts or powers under the Trust Agreement or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and the Trustee shall not be responsible for the supervision of or any misconduct or negligence on the part of any agent or attorney appointed with due care by it under the Trust Agreement (including these Standard Terms);

(h) Whenever the Trustee is authorized herein to require acts or documents in addition to those required to be provided it in any matter, it shall be under no obligation to make any determination whether or not such additional acts or documents should be required unless obligated to do so under Section 6.01;

(i) The Trustee shall not be deemed to have notice of any matter unless one of its Officers has received written notice thereof at the Corporate Trust Office and such notice references the applicable Trust Units generally, the applicable Depositor(s), the Trust or the Trust Agreement;

(j) None of the provisions of the Trust Agreement or these Standard Terms shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it;

(k) Notwithstanding anything herein to the contrary, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(l) The permissive rights of the Trustee to perform any discretionary act enumerated in the Trust Agreement or these Standard Terms shall not be construed as a duty or obligation, and the Trustee shall not be answerable in the performance of such act other than for its gross negligence or willful misconduct;

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian, co-trustee and other Person employed to act hereunder;

(o) The Trustee shall have no liability or responsibility for the acts or omissions of any other party to any of the Trust Agreement, these Standard Terms or any related document;

(p) The Trustee shall have no duty or obligation to obtain or solicit any collateral or any funds to be remitted in any of the accounts established under the Trust Agreement or these Standard Terms, and shall have a duty only to accept such collateral or funds delivered to it in accordance with the Trust Agreement (including these Standard Terms);

(q) The Trustee may rely conclusively on certification from Assured as to the Compounded Amount;

(r) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(u) The rights, protections, privileges and immunities granted to the Trustee shall be applicable to the Trustee in its capacity as Unit Registrar and Trust Unit Paying Agent, *mutatis mutandis*.

Section 6.03. *Trustee Not Liable for Trust Units or Securities.*

The Trustee makes no representations or warranties as to the validity or sufficiency of the Trust Agreement or of the Trust Units (other than the signature and authentication of the Trustee on the Trust Units) or of the Securities or related documents. The Trustee shall not be accountable for the use or application of any of the Trust Units, or for the use or application of any funds in respect of the Securities or deposited in or withdrawn from the Trust in accordance with the Trust Agreement other than, in each case, any funds held by or on behalf of the Trustee in accordance with Sections 3.01 and 3.02. The Trustee, in its capacity as Trustee hereunder, shall have no responsibility or obligation to comply with, or to monitor any other Person's compliance with, the Bond Documents.

Section 6.04. *Trustee May Own Units.*

The Trustee in its individual capacity or any other capacity may become the owner or pledgee of Trust Units with the same rights it would have if it were not Trustee.

Section 6.05. *Trustee's Fees and Expenses.*

(a) Pursuant to the Fee Agreement, each of the Trustee and the Delaware Trustee shall be entitled to receive from Assured, and if not paid by Assured, the Trust, compensation agreed upon in writing (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by it in the execution of the trusts created under the Trust Agreement and in the exercise and performance of any of the powers and duties thereunder of the Trustee. Each of the Trustee and the Delaware Trustee shall be entitled to reimbursement for (x) all reasonable fees, expenses, costs and disbursements (other than Extraordinary Expenses) incurred or made by the Trustee or the Delaware Trustee in accordance with any of the provisions of the Trust Agreement (including these Standard Terms) (including but not limited to the fees, expenses and disbursements of their respective counsel and of all persons not regularly in their respective employ), in each case to the extent set forth in the Fee Agreement and (y)

All such Trustee Costs shall be paid pursuant to the terms of the Fee Agreement and the provisions of this Trust Agreement and may be reimbursed to the Trustee and the Delaware Trustee in accordance with the provisions of the Fee Agreement and the terms of this Trust Agreement, including Section 3.02 hereof. As set forth in the Fee Agreement, Trustee Costs will only be paid by the Trust in the event that Assured fails to do so pursuant to the terms of the Fee Agreement. As set forth in Sections 3.02(a)(iii), 3.02(b)(ii), 3.02(c)(ii), and 3.02(d)(ii) above, Trustee Costs shall never be paid out of, or deducted from, Distributions comprised of payments received by the Trust from Assured on account of, and in accordance with, an Assured Insurance Policy (i) insuring the Assured Legacy Bonds CUSIP deposited in the Insurance Policy Account, (ii) insuring a FGIC-Insured Secondary Market Assured Legacy Bonds CUSIP, (iii) insuring an AGM Double-Insured Secondary Market Assured Legacy Bonds CUSIP (Partial), or (iv) insuring the AGC-AGC Double-Insured Secondary Market Assured Legacy Bonds CUSIP, as applicable. For the avoidance of doubt, the obligations to the Trustee shall include the Trustee in its capacity as Unit Registrar and Trust Unit Paying Agent.

(b) In furtherance of Section 6.05(a), and subject to the terms of and limitations in the Fee Agreement, each of the Trustee (including in its capacities as the Unit Registrar and Trust Unit Paying Agent) and the Delaware Trustee shall be entitled to receive reimbursement for all reasonable out-of-pocket expenses which are properly documented and incurred or made by it, including costs of collection, payable as a result of or in connection with litigation, enforcement actions or other proceedings brought by Trust Unit Holders against the Depositor, Reorganizd HTA, the Trust, or each of the Trustees except for proceedings, litigation or enforcement actions that relate to the Trustee’s or Delaware Trustee’s, as the case may be, own grossly negligent action, grossly negligent failure to act or its own willful misconduct as determined by a final judgment of a court of competent jurisdiction no longer subject to appeal or review (the “**Extraordinary Expenses**”). Subject to the terms of the Fee Agreement, the Trustee may (i) demand reimbursement from Assured, or (ii) in the event Assured fails to pay in response to such demand, make withdrawals from the Trust, to pay or reimburse itself the amount of any Extraordinary Expenses, up to a payment limit of \$150,000 in the aggregate for the Trusts of Extraordinary Expenses in any calendar year or pro rata portion thereof in the case of the initial and the final years of the Trust based upon the portion of the applicable calendar year in which the Trust exists; provided, however, that the Trustee shall not have any obligation to incur additional Extraordinary Expenses in excess of such annual limit unless it has received security or indemnity reasonably satisfactory to it for such additional Extraordinary Expenses; and provided, further, that if the Trustee does incur any additional Extraordinary Expenses in excess of such annual limit in any calendar year, nothing herein shall prohibit it from being reimbursed for such Extraordinary Expenses in any subsequent calendar year, to the extent of funds available for such reimbursement as provided hereunder and subject to the payment limit of \$100,000 applicable for each such subsequent calendar year or such pro rata portion thereof in the case of the initial and final years of the Trust and provided further that the foregoing shall not limit the payment of any amounts to which the Trustee is entitled

pursuant to its indemnification rights set forth in Section 6.13 and the Fee Agreement with respect to defending the Trustee against any claim asserted by any Person.

(c) For the avoidance of doubt, the Depositor shall not be liable for any Trustee Costs or Extraordinary Expenses.

Section 6.06. Eligibility Requirements for Trustee, Successor Trustee, and Trust Unit Paying Agent.

The Trustee, any successor Trustee, and any successor Trust Unit Paying Agent shall at all times be a corporation or national banking association that: (i) is not an Affiliate of the Depositor or Assured; (ii) is neither affiliated with the Commonwealth or its instrumentalities, public corporations, or municipalities, nor located in the Commonwealth; (iii) is organized and doing business under the laws of any state or the United States of America; (iv) is authorized under such laws to exercise corporate trust powers; (v) is in good standing under the law of the jurisdiction in which it is organized; (vi) has a combined capital and surplus of at least \$50,000,000; (vii) is subject to supervision or examination by federal or state authority; and (viii) is regularly acting as a trustee in the municipal finance market. If such corporation publishes reports of its conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time any Trustee, successor Trustee, or successor Trust Unit Paying Agent shall cease to be eligible in accordance with the provisions of this Section, such Trustee, successor Trustee, or successor Trust Unit Paying Agent shall resign immediately in the manner and with the effect specified in Section 6.07.

Section 6.07. Resignation and Removal of the Trustee.

(a) The Trustee may at any time resign and be discharged from the trusts created pursuant to a Trust Agreement by giving 60 days written notice, which shall be posted to EMMA by the Trustee. Upon receiving such notice of resignation, Assured shall promptly appoint a successor trustee meeting the requirements set forth in Section 6.06 by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Trust Unit Holders and posted to EMMA by the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Trust.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 6.06 and shall fail to resign after written request therefor by Assured, or if any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then Assured may remove the Trustee

and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee.

(c) Assured may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, in triplicate, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

Any resignation of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 6.07 shall not become effective until the acceptance of appointment by the successor trustee as provided in Section 6.08 hereof. The compensation and reimbursement for fees and expenses of any successor trustee appointed in connection with the resignation of the Trustee shall be the sole responsibility of Assured and the Trust, including without limitation, the costs and expenses incurred in connection with any such succession.

Any removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 6.07 shall not become effective until (i) acceptance of appointment by the successor trustee as provided in Section 6.08 hereof and (ii) payment of all costs, expenses and indemnities (other than Extraordinary Expenses) due and owing to the outgoing Trustee, including without limitation, the costs and expenses incurred in connection with any such succession.

Notwithstanding the replacement of the Trustee pursuant to this Section 6.07, the rights, benefits, protections and indemnities afforded to the Trustee under this Article VI shall continue to the benefit of the retiring Trustee.

Section 6.08. *Successor Trustee.*

Any successor trustee appointed as provided in Section 6.07 shall execute, acknowledge and deliver to the Trust Unit Holders and to the predecessor trustee an instrument accepting such appointment under the Trust Agreement and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor thereunder, with the like effect as if originally named as trustee therein. The predecessor trustee shall deliver to the successor trustee all related documents and statements held by it under the Trust Agreement and the Trust Unit Holders and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 6.06 hereof.

Upon acceptance of appointment by a successor trustee as provided in this Section, the successor trustee shall (a) post to EMMA notice of the succession of such trustee under the

Trust Agreement and (b) mail notice of the succession of such trustee under the Trust Agreement to all Holders of Trust Units at their addresses as shown in the Unit Register.

Section 6.09. *Merger or Consolidation of Trustee.*

Any Person into which the Trustee may be merged or converted or with which it may be consolidated or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee under the Trust Agreement provided such Person shall be eligible under the provisions of Section 6.06, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 6.10. *Reserved.*

Section 6.11. *Appointment of Custodians.*

The Trustee may appoint one or more Custodians to hold all or a portion of the Trust Estate as agent for the Trustee, by entering into a custodial agreement. The appointment of any Custodian may at any time be terminated and a substitute custodian appointed therefor by the Trustee. Subject to Article VI, the Trustee agrees to comply with the terms of each custodial agreement and to enforce the terms and provisions thereof against the Custodian for the benefit of the Trust Unit Holders. Each Custodian shall be a depository institution or trust company subject to supervision by federal or state authority, shall have combined capital and surplus of at least \$10,000,000 and shall be qualified to do business in the jurisdiction in which it holds any asset constituting part of the Trust Estate. Any such Custodian may not be an Affiliate of the Depositor or Assured.

Section 6.12. *Trustee May Enforce Claims Without Possession of Trust Units.*

All rights of action and claims under the Trust Agreement or the Trust Units may be prosecuted and enforced by the Trustee without the possession of any of the Trust Units or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name or in its capacity as Trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, fees, expenses, indemnities, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Trust Unit Holders in respect of which such judgment has been recovered.

Section 6.13. *Trustee Indemnity*

The Trustees' rights to claim indemnification for losses that they may incur with respect to the Trust Agreement (incorporating these Standard Terms) and each other document contemplated by the foregoing to which either of the Trustees is a party shall be as set forth in Annex I hereto and the Fee Agreement, subject to, with respect to Extraordinary Expenses, the provisions of Section 6.05(b).

ARTICLE VII

TERMINATION OF TRUST

Section 7.01. *Termination; No Redemption Rights.*

Upon the indefeasible cancellation or other indefeasible termination of the relevant Assured Insurance Policy, the Trust (including the respective obligations and responsibilities under the Trust Agreement of the Trustee and Assured) shall terminate upon (i) the distribution to Assured or to Trust Unit Holders, as applicable, of any remaining Trust Assets held by or on behalf of the Trustee and required hereunder to be so distributed in accordance with the provisions of Section 3.03, 3.04, 3.05 3.07, or 3.08 hereof (the “Final Distribution”), (ii) payment in full of any Trustee Costs due and owing to the Trustees under the Trust Agreement (including these Standard Terms), (iii) payment in full of any Assured Deferred Expenses due and owing to Assured under the Trust Agreement (including these Standard Terms), (iv) payment in full of any known Tax Costs due and owing to any tax or governmental authority, and (v) solely to the extent the Final Distribution is required to be made to Trust Unit Holders and not to Assured, completion of the procedure for termination set forth in Section 7.02 below. In no event shall the Trust be terminated or the Securities be redeemed (except in the case of a redemption of the Securities permitted under the terms of the Bond Documents) or otherwise released from the Trust Estate (except pursuant to, and in accordance with, Sections 3.04 and 3.07 hereof) without the prior express written consent of Assured if either (i) the relevant Assured Insurance Policy has not been indefeasibly terminated or (ii) Assured has not been indefeasibly paid in full for any amounts owed pursuant to the Commonwealth Plan or the HTA Plan.

Upon the dissolution, wind up and termination of the Trust and the Trust Agreement, the Trustee or Delaware Trustee (acting solely at the written direction of the Trustee) is authorized to file a certificate of cancellation with the Secretary of State.

Notwithstanding anything contained herein to the contrary, the merger or consolidation of the Trustee shall not cause a termination of the Trust.

Section 7.02. *Procedure for Termination.*

At least thirty (30) days prior to the date on which the Trustee intends to make the Final Distribution from the Trust, solely to the extent such Final Distribution is required to be made to Trust Unit Holders and not to Assured, the Trustee shall give notice by letter to the Trust Unit Holders specifying: (a) the anticipated date of the Final Distribution; (b) any relevant amounts, or trust assets, remaining on deposit in the Trust will be distributed to the holders of record of the Trust Units on a pro rata basis to the extent necessary to satisfy the Insured Amount; and (c) that the Trustee believes that, following the occurrence of such Final Distribution, the conditions to termination of the Trust have been satisfied and that it intends to terminate the Trust (a “**Termination Notice**”); provided, however, that to the extent that the Final Distribution is to be made to Assured, no such Termination Notice or notice period shall be required.

In the event a Termination Notice is required, (i) the Trustee shall provide a copy of the Termination Notice to the Unit Registrar at the time such Termination Notice is given to Trust Unit Holders, and (ii) if the Requisite Trust Unit Holders do not object in writing within thirty (30) days after the Trustee has provided the Termination Notice as set forth herein, then, upon completion of the Final Distribution as set forth in the Termination Notice, the Trust shall be dissolved, wound up, and terminated; provided, however, that no Trust Unit Holder shall be permitted to object to the termination of the Trust on any grounds other than that the Insured Amount, as calculated in accordance with this Trust Agreement, the HTA Plan, the Commonwealth Confirmation Order, and other applicable law, is anticipated to be greater than zero as of the anticipated date of the Final Distribution.

ARTICLE VIII

TAX PROVISIONS

Section 8.01. *Grantor Trust Provisions.*

The Trustee, the Depositor, the Trust Unit Holders (by their acceptance of the Trust Units and book-entry beneficial interests therein) and Assured each agree and acknowledge or have agreed and acknowledged that the Trust is intended to qualify for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust, and it is neither the purpose nor the intent of the parties hereto to create a partnership, joint venture or association taxable as a corporation or to serve as associates in a joint enterprise for the conduct of business for profit. In furtherance of the foregoing, (a) the purpose of the Trust is and shall be to protect and conserve the assets of the Trust Estate, and the Trust shall not at any time engage in or carry on any kind of business or any kind of commercial or investment activity, (b) the Trust is formed to facilitate direct investment in the Trust Assets, and (c) the Trustee (at the direction of Assured and/or the Requisite Trust Unit Holders), shall take, or refrain from taking, all such action as is necessary to maintain the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not (i) acquire any assets or dispose of any portion of the Trust other than pursuant to the specific provisions of this Trust Agreement, (ii) vary the investment of the Trust within the meaning of Treasury Regulation § 301.7701-4(c), (iii) substitute new investments or reinvest so as to enable the Trust Estate to take advantage of variations in the market to improve the investment of any Trust Unit Holder or (iv) engage in any activity which may directly or indirectly, adversely affect the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not have any authority to manage, control, use, sell, dispose of or otherwise deal with any part of the Trust Estate except as required by the express terms of this Trust Agreement in accordance with the powers granted to or the authority conferred upon the Trustee pursuant to this Trust Agreement. The Trustee and Assured each agree that they shall not take any action that would result in the Trust failing to be characterized for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust.

Section 8.02. *Characterization.*

Each Trust Unit Holder acknowledges and agrees to treat the Trust Units and the book-entry beneficial interests therein as undivided interests in the Trust Estate.

Section 8.03. *Grantor Trust Administration.*

Notwithstanding anything in this Trust Agreement to the contrary, and notwithstanding any direction or instruction by less than all the Trust Unit Holders, the Trustee shall not be authorized to take any action that would cause the Trust not to be treated as a grantor trust under the Code all of the distributions and income from which would be subject to the tax treatment described in Subpart J of Chapter 1 of the Code as to the Trust Unit Holders. The Trustee shall perform its duties hereunder so as to maintain the status of the Trust as a grantor trust under the Grantor Trust Provisions. The Trustee shall not (a) exercise any discretionary rights with respect to the Trust Assets, (b) acquire an interest in any additional Trust Assets (other than proceeds of a sale of Trust Assets permitted under the terms of this Trust Agreement), (c) knowingly take any other action or fail to take (or fail to cause to be taken) any other action that, under the Grantor Trust Provisions, if taken or not taken, as the case may be, could adversely affect the status of (i) the Trust as a grantor trust, (ii) the Trust as a U.S. trust, or (iii) the Trust Unit Holders as grantors with respect to the Trust under the Grantor Trust Provisions (any such adverse effect on trust status, an “**Adverse Trust Event**”), unless the Trustee has obtained or received an Opinion of Counsel from counsel nationally recognized as competent in matters relating to the U.S. federal income taxation of organizations such as the Trust (at the expense of the party requesting such action or at the expense of the Trust Estate if the Trustee seeks to take such action or to refrain from taking any action for the benefit of the Trust Unit Holders) to the effect that the contemplated action will not result in an Adverse Trust Event. None of the other parties hereto shall take any action or fail to take any action (whether or not authorized hereunder) as to which the Trustee has advised it in writing that the Trustee has received or obtained an Opinion of Counsel to the effect that an Adverse Trust Event could result from such action or failure to act. The Trustee may consult with counsel to make such written advice, and the cost of same shall be borne by the party seeking to take the action not permitted by this Trust Agreement, but in no event at the cost or expense of the Trust Estate or the Trustee.

Section 8.04. *Reports to Trust Unit Holders and Tax Authorities*

(a) The Trustee shall perform or cause to be performed on behalf of the Trust all reporting and other tax compliance duties that are required in respect thereof under the Code, the Grantor Trust Provisions or other compliance guidance issued by the Internal Revenue Service or any state or local taxing authority, including for the avoidance of doubt the filing of IRS Forms 1099 or providing other information statements to the extent required pursuant to U.S. Treasury Regulations Section 1.671-5, as amended, or any successor provision (the “**WHFIT Regulations**”) (including U.S. Treasury Regulations Section 1.671-5(c)(1)).

(b) Consistent with the Trust’s characterization for U.S. federal income tax purposes as a grantor trust, except to the extent required pursuant to the WHFIT

Regulations, no U.S. federal income tax return shall be filed on behalf of the Trust unless either (i) the Trustee shall receive an Opinion of Counsel that, based on a change in applicable law occurring after the date hereof, the Code requires such a filing or (ii) the Internal Revenue Service shall determine that the Trust is required to file such a return. In the event that the Trust is required to file tax returns, the Trustee shall prepare or cause to be prepared, and sign and file when due with the appropriate tax authorities all of the tax returns in respect of the Trust. In no event shall the Trustees, the Depositor, or Assured be liable for any liabilities, costs or expenses of the Trust or the Trust Unit Holders arising out of the application of any tax law, including federal, state, foreign or local income or excise taxes or any other tax imposed on or measured by income (or any interest, penalty or addition with respect thereto or arising from a failure to comply therewith) except, in the case of the Trustee, for any such liability, cost or expense attributable to the Trustee's gross negligence or willful misconduct.

(c) If any tax, duty, assessment, or other governmental charge is imposed, levied or assessed on the Trust, or if the Trust becomes subject to deduction, withholding, or other charge or assessment from, or with respect to, any amounts received by the Trust or any distributions made by the Trust, such tax, duty, assessment or other governmental charge, together with all incidental costs and expenses (including, without limitation, penalties and reasonable attorneys' fees) (collectively, the "**Tax Costs**") shall be the sole responsibility of, charged to and payable by the Trust Unit Holders on a pro rata basis. To the extent known prior to the termination of the Trust, all Tax Costs that are withheld, collected, charged, assessed, or levied shall be paid by the Trustee from the Trust Assets and income to the applicable taxing or governmental authority and any amounts so withheld, collected and/or paid to the applicable taxing or governmental authority shall be deemed to have been paid as distributions to the applicable Trust Unit Holders and treated in accordance with the provisions of the Trust Agreement applicable to Tax Costs. To the extent any Tax Costs become known after the termination of the Trust, the former Trust Unit Holders of such Trust shall remain responsible for such Tax Costs on a pro rata basis.

(d) The Trustee shall, for U.S. federal income tax purposes, maintain books and records with respect to the Trust on a calendar year basis or such other basis as may be required under the Code.

(e) All taxes due and payable on any amounts payable to a Trust Unit Holder with respect to a Trust Unit shall be that Trust Unit Holder's sole responsibility.

(f) For the purposes of this Article VIII of these Standard Terms and any other provision of the Trust Agreement relating to the ownership of a Trust Unit for U.S. federal income tax purposes, including definitions, all references to Holder, Trust Unit Holder, or Beneficial Owner shall mean the beneficial owner of a Trust Unit for U.S. federal income tax purposes. By acquiring an interest in a Trust Unit, a beneficial owner of the Trust Unit for U.S. federal income tax purposes shall be deemed to consent as a condition of acquiring such interest to comply with any requirements of such Articles, Sections, or provisions hereof.

(g) Notwithstanding any other provision of the Trust Agreement (including these Standard Terms), Assured makes no representations, warranties, or guarantees, and shall have no liability, with respect to the tax treatment of the Trust, the Trust Units, any payments made in connection with the Trust or the Trust Units, any Tax Costs, or any securities or other property held in the Trust or issued in connection with the Trust, including, without limitation, the Trust Units. By electing, or being deemed to elect, Assured Bondholder Election 2, all Trust Unit Holders expressly agree to hold Assured harmless, and not to seek to impose any liability on Assured, related to the tax treatment of the Trust, the Trust Units, any payments made in connection with the Trust or the Trust Units, any Tax Costs, or any securities or other property held in the Trust or issued in connection with the Trust, including, without limitation, the Trust Units.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 9.01. *Amendment of Trust Agreement.*

Promptly following the execution of the Trust Agreement, the Trustee shall post full and complete copies of the Trust Agreement (including these Standard Terms) on EMMA. The Trust Agreement (including these Standard Terms) may not be amended, waived or supplemented without the prior written consent of Assured. The Trust Agreement (including these Standard Terms) may be amended, waived or supplemented from time to time by Assured and the Trustee without the consent of the Trust Unit Holders; provided, however, that no such amendment shall:

(a) except as otherwise provided in the Trust Agreement (including these Standard Terms) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Trust Unit Holder without the written consent of such Trust Unit Holder;

(b) compromise, waive, sell, forfeit, or otherwise diminish the rights of the Trust, the Trustee, or the Trust Unit Holders under any Assured Insurance Policy without the written consent of each Trust Unit Holder affected;

(c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Trust Unit Holder affected;

(d) amend this Section 9.01 without the written consent of each Trust Unit Holder;

(e) adversely affect in any other material respect the interests of the Trust Unit Holders in any manner other than as described in (a), (b), or (c) without the written consent of the Trust Unit Holders evidencing at least a majority of such Trust Units in the applicable Trust (measured, in the case of Current Interest Bonds, by the outstanding principal amount, or, in the case of Capital Appreciation Bonds, the Compounded Amount, as the case may be, of the underlying Assured Legacy Bonds), excluding, from both the

numerator and the denominator, any Trust Units held by Assured; *provided*, that only Trust Units that an Officer of the Trustee knows are so held shall be so disregarded; or

(f) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

Prior to executing any amendment permitted by this Article IX, (i) the Trustee shall be required to obtain an Opinion of Counsel that is nationally recognized as competent in matters relating to the federal income taxation of organizations such as the Trust to the effect that such amendment will not result in an Adverse Trust Event and (ii) the Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel and a certificate from an Officer of Assured stating that the execution of such amendment is authorized or permitted by the Trust Agreement and that all conditions precedent have been met. The Trustee may, but shall not be obligated to, enter into any such amendment that affects the Trustee's own rights, duties, liabilities, indemnities or immunities under the Trust Agreement, these Standard Terms or otherwise.

Promptly after the execution of any such amendment the Trustee shall furnish a copy of such amendment to each Trust Unit Holder and shall post a copy of such amendment to EMMA.

The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Trust Unit Holders shall be subject to such reasonable regulations as the Trustee may prescribe.

Section 9.02. *Counterparts; Electronic Signatures.*

The Trust Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument. The words "execution," "signed," "signature," and words of like import in the Trust Agreement (including these Standard Terms) or in any other certificate, agreement or document related to the Trust Agreement (including these Standard Terms) shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg") and other electronic signatures (including, without limitation, DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the US Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

Section 9.03. *Limitation on Rights of Trust Unit Holders.*

The death or incapacity of any Trust Unit Holder shall not operate to terminate the Trust Agreement or the Trust, nor entitle such Trust Unit Holder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

No Trust Unit Holder shall have any right to vote (except as expressly provided for herein) or in any manner otherwise control the operation and management of the Trust, or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Trust Units, be construed so as to constitute the Trust Unit Holders from time to time as partners or members of an association; nor shall any Trust Unit Holder be under any liability to any third person by reason of any action taken by the parties to the Trust Agreement pursuant to any provision hereof.

Except with respect to enforcement of the applicable Assured Insurance Policies in accordance with the terms hereof, no Trust Unit Holder shall have any right by virtue of any provision of the Trust Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to the Trust Agreement, unless the Requisite Trust Unit Holders shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee under the Trust Agreement, and the Trustee, for 15 days after its receipt of such request shall have neglected or refused to institute any such action, suit or proceeding. It is understood and intended, and expressly covenanted by each Trust Unit Holder with every other Trust Unit Holder and the Trustee, that no one or more Holders of Trust Units shall have any right in any manner whatever by virtue of any provision of the Trust Agreement to affect, disturb or prejudice the rights of the Holders of any other Trust Units, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under the Trust Agreement, except in the manner therein provided and for the equal, ratable and common benefit of all Trust Unit Holders. For the protection and enforcement of the provisions of this Section, each and every Trust Unit Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

In the event that an Officer of the Trustee receives a request for its consent to any amendment, modification or waiver of these Standard Terms, the Trust Agreement or any other document thereunder or relating thereto, or receives any other solicitation for any action with respect to the Securities or Assured Insurance Policies, the Trustee shall transmit a notice of such proposed amendment, modification, waiver, solicitation or action to each of the Trust Unit Holders within five (5) days of receipt thereof. The Trustee shall request instructions from the Trust Unit Holders as to whether or not to consent to or vote to accept such amendment, modification, waiver, solicitation or action.

The Trustee shall consent or vote proportionally in accordance with the written direction of the Trust Unit Holders; provided, however, that the Trustee shall not:

(a) without the prior written consent of any Trust Unit Holder, consent or affirmatively vote on behalf of such Trust Unit Holder on any matter that would: (i)

terminate the Trust, (ii) except as expressly provided herein, sell some or all of the assets of the Trust; (iii) compromise, waive, sell, forfeit, or otherwise diminish the rights of the Trust, the Trustee, or the Trust Unit Holders under any Assured Insurance Policy; and

(b) without the prior written consent of Assured, consent or affirmatively vote on any matter that would amend, modify or waive any agreement in such a manner as to adversely impact Assured. Any such determination as to whether any such amendment, modification or waiver adversely impacts Assured shall be made in the sole and absolute discretion of Assured and such determination shall be promptly provided by notice to the Trustee and the Trust Unit Holders. The Trustee shall not be liable to any Trust Unit Holder or any other Person for refusing to consent or affirmatively vote on such a matter in accordance with such written direction of Assured.

A copy of any notice required to be telecopied hereunder also shall be mailed to the appropriate party in the manner set forth above. A copy of any notice given hereunder to any other party shall be delivered to the Trustee.

Section 9.05. *Severability of Provisions.*

If any one or more of the covenants, agreements, provisions or terms of the Trust Agreement shall be for any reason whatsoever held invalid, then to the fullest extent permitted by law such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of the Trust Agreement and shall in no way affect the validity or enforceability of the other provisions of the Trust Agreement or of the Trust Units or the rights of the Holders thereof.

Section 9.06. *Third-Party Beneficiaries.*

The Trust Unit Holders and their successors and assigns shall be third-party beneficiaries of the provisions of the Trust Agreement (including these Standard Terms). For the avoidance of doubt, beneficial holders of Trust Units are third party beneficiaries solely to the extent necessary to allow them to enforce the applicable Assured Insurance Policies as set forth herein. Nothing in these Standard Terms or the Trust Agreement, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, and the Trust Unit Holders, any benefit or any legal or equitable right, remedy or claim under the Trust Agreement (including these standard terms).

Section 9.07. *Acts of Trust Unit Holders.*

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by the Trust Agreement (including these Standard Terms) to be given or taken by Trust Unit Holders or a class of Trust Unit Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Trust Unit Holders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Trustee. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of the Trust Agreement (including these Standard Terms) and conclusive in favor of the Trustee. The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Trustee deems sufficient. The ownership of Trust Units shall be proved by the Unit Register.

Section 9.08. *Headings.*

Section and subsection headings in these Standard Terms are included herein for convenience of reference only and shall not constitute a part of these Standard Terms for any other purpose or be given any substantive effect.

Section 9.09. *No Waiver; Cumulative Remedies.*

No failure to exercise and no delay in exercising, on the part of any party of any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

Section 9.10. *Merger and Integration.*

These Standard Terms and the Trust Agreement sets forth the entire understanding of the parties relating to the subject matter hereof and thereof, and all prior understandings, written or oral, are superseded by the Trust Agreement (including these Standard Terms).

Section 9.11. *The Delaware Trustee*

(a) The Delaware Trustee is appointed to serve as the trustee of the Trust in the State of Delaware for the sole purpose of satisfying the requirement of Section 3807(a) of the Delaware Statutory Trust Act that the Trust have at least one trustee with a principal place of business in the State of Delaware. It is understood and agreed by the parties hereto that the Delaware Trustee shall have none of the duties or liabilities of the Trustee or any other trustees.

(b) The duties of the Delaware Trustee shall be limited to (i) accepting legal process served on the Trust in the State of Delaware and (ii) the execution of any certificates required to be filed with the Delaware Secretary of State which the Delaware Trustee is required to execute under Section 3811 of the Delaware Statutory Trust Act. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating thereto to the Trust or the Trust Unit Holders, it is hereby understood and agreed by the other parties hereto that such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of the Trustee or any other trustees and the Delaware Trustee shall not be liable for supervising or monitoring the performance of the duties of the Trustee, or any other trustees, or the Trust or of any other person or entity under the Trust Agreement or any related document.

(c) The Delaware Trustee may be removed by Assured upon thirty days prior written notice to the Delaware Trustee. The Delaware Trustee may resign upon thirty days prior written notice to Assured, with a copy to the Trustee. No resignation or removal of the Delaware Trustee shall be effective except upon the appointment by Assured of a successor Delaware Trustee that (i) is reasonably acceptable to Assured, (ii) has a combined capital and surplus of at least \$10,000,000 and (iii) is qualified to do business in the State of Delaware. If no successor has been appointed within such thirty (30) day period, the Delaware Trustee, the Trustee or the Trust Unit Holders may petition a court to appoint a successor Delaware Trustee, which shall be at the expense of the Trust.

(d) Any Person into which the Delaware Trustee may be merged or with which it may be consolidated, or any Person resulting from any merger or consolidation to

which the Delaware Trustee shall be a party, or any Person which succeeds to all or substantially all of the corporate trust business of the Delaware Trustee, shall be the successor Delaware Trustee under the Trust Agreement without the execution, delivery or filing of any paper or instrument or further act to be done on the part of the parties hereto, except as may be required by applicable law, provided that such resulting or successor entity otherwise satisfies the requirements set forth herein to serve as Delaware Trustee.

(e) Assured and the Trust shall be responsible for the payment of any fees or expenses of the Delaware Trustee. The Delaware Trustee shall be entitled to all of the same rights, protections, indemnities and immunities under the Trust Agreement and with respect to the Trust as the Trustee. No amendment or waiver of any provision of the Trust Agreement which adversely affects the Delaware Trustee shall be effective against it without its prior written consent. This provision shall survive the resignation or removal of the Delaware Trustee.

Section 9.12. Timing of Distributions and other Trust Actions

Notwithstanding anything to the contrary contained in this Trust Agreement, the HTA Plan, or the HTA Confirmation Order, if the Trust or the Trustee (on behalf of the Trust), is unable to perform any actions pursuant to this Trust Agreement within the time set forth herein due to circumstances outside the control of the Trust or Trustee, as applicable, then such actions shall be effectuated as soon as reasonably practicable thereafter, and the Trust or Trustee shall not be liable or held responsible for any such delays related thereto.

ANNEX I

INDEMNIFICATION PROVISIONS

(i) The Trust shall indemnify each of the Trustees or any predecessor Trustees and their agents for, and to hold them harmless against, any and all loss, damage, claims, liability or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustees), arising out of or in connection with the acceptance or administration of the Trust hereunder, including the costs and expenses of defending itself against any claim asserted by any other Person or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent that such loss, damage, claim, liability or expense is due to its own gross negligence or willful misconduct as determined by a final judgment of a court of a competent jurisdiction no longer subject to appeal or review.

(ii) The Trustees shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Trust shall pay the reasonable fees and expenses of such separate counsel; provided, however, that the Trustees may only employ separate counsel at the expense of the Trust if in the reasonable judgment of the Trustees (1) a conflict of interest exists by reason of common representation or (2) there are legal defenses available to the Trustees that are different from or are in addition to those available to the Trust or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

Section 3. Organization of Trust.

The Trust is being created on the date hereof pursuant to the execution of this Agreement and the filing by the Trustees of a Certificate of Trust of the Trust (the “Certificate of Trust”) with the Office of the Secretary of State of the State of Delaware (the “Secretary of State”), under the name “[] Assured Custodial Trust” in which name the Trust shall have power and authority and is hereby authorized and empowered, without the need for further action on the part of the Trust, and the Trustee shall have power and authority, and is hereby authorized and empowered, to conduct the activities of the Trust. It is the intention of the parties hereto that the Trust hereby created constitutes a statutory trust under the Delaware Trust Statute and that the Trust Agreement (including the Standard Terms) constitutes the governing instrument of the Trust. Notwithstanding any other provision of this Agreement to the contrary, the Trustees are hereby authorized and directed to, and shall, on the date hereof, execute and file the Certificate of Trust with the Secretary of State in substantially the form attached as Exhibit B hereto. The Trustee shall have power and authority, and is hereby authorized and empowered to take all actions on behalf of the Trust as set forth in the Trust Agreement and each of the Trustees is authorized and empowered to execute and file with the Secretary of State any other certificate required or permitted under the Delaware Trust Statute to be filed with the Secretary of State. The office of the Trust shall be in the care of the Trustee at the Corporate Trust Office or at such other address as the Trustee may designate by written notice to the Trust Unit Holders and Assured.

Section 4. Notional Amount.

The aggregate Notional Amount of the Trust Units that may be executed and delivered under this Agreement is limited to the outstanding principal amount (or, in the case of Capital Appreciation Bonds, the Compounded Amount) as of the Effective Date of the Assured Legacy Bonds deposited into the Trust as set forth on Schedule I hereto.

Section 5. Forms of Trust Units.

The Trust Units shall be substantially in the form attached as Exhibit A hereto. The Book-Entry Trust Units shall be issued in global form and transferable through the Depository.

Section 6. Schedules.

Schedule I and Schedule II are attached hereto and incorporated herein by reference as contemplated herein or by the Standard Terms.

Section 7. Patriot Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustees, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustees. The parties to this Trust Agreement agree that they will provide the Trustees with such information as they may request in order for the Trustees to satisfy the requirements of the U.S.A. PATRIOT Act.

Section 8. Governing Law; Venue; Jury Waiver.

THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT, OR (B) IN ANY WAY IN CONNECTION WITH OR PERTAINING TO OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES WITH RESPECT TO THIS AGREEMENT OR IN CONNECTION WITH THIS AGREEMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW

EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. EACH OF THE PARTIES IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY FEDERAL OR STATE COURTS SITTING IN THE STATE OF DELAWARE IN RESPECT OF ANY ACTION OR PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH PROCEEDINGS IN ANY SUCH COURT AND ANY CLAIM THAT ANY PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 9. Force Majeure.

In no event shall the Trustees be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, pandemics and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 10. Intent of Parties.

(a) The parties hereto intend that, for all purposes, the transfer to the Trust of the Trust Estate shall be, and shall be construed as, a transfer of such Trust Estate on behalf of the applicable Assured Legacy Bondholders in lieu of a transfer of such assets to the Trust directly by the applicable Assured Legacy Bondholders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Effective Date, the Depositor will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of the Depositor or of the Depositor's estate in the event of a liquidation, reorganization, or similar proceeding of the Depositor and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. The parties agree to treat the transfer contemplated hereby for all purposes (including financial accounting purposes) as an absolute transfer on all relevant books, records, financial statements and other documents.

(b) The Trust Estate will be held by the Trust free and clear of any lien or encumbrance of any Person claiming through or under the Depositor.

(c) Notwithstanding anything to the contrary in the Trust Agreement or in any other document governing the formation, management, or operation of the Trust, if and for so long as any Trust Unit remains outstanding, none of the Trust Unit Holders, Assured, the Trustees, nor any other Person shall authorize, cause or permit the Trust to (and the Trust shall not and neither Trustee shall directly take any action that to its actual knowledge would constitute any of the following):

(ii) acquire or own any assets other than the Trust Estate or lease (as lessor) any assets;

(iv) fail to observe at any time any necessary, appropriate and customary corporate, organizational, company and/or other legal formalities to maintain its separate existence;

(v) fail to act solely in its own name or in the name of the Trustee on behalf of the Trust through duly authorized agents in the conduct of its activities;

(vi) provide for the payment of its expenses, indebtedness or other obligations other than from its own separate assets;

(vii) have its debts or other obligations guaranteed by any other person or hold itself out as responsible for the debts or other obligations of any other Person;

(viii) commingle its assets or liabilities with those of any other Person;

(ix) fail to maintain its own records, books of account, bank accounts, accounting records and other entity documents separate and apart from those of any other Person;

(x) divert funds for any purpose other than as set forth in the Trust Agreement;

(xiii) incur, create or assume any indebtedness of or buy or hold evidence of indebtedness issued by any other Person (other than as contemplated by the Trust Agreement); guarantee or hold itself out to be responsible for the debts of another Person or otherwise pledge its assets to secure the obligations of any other Person, or hold out its credit or assets as being available to satisfy the obligations of any other Person or seek to incur, create or assume any indebtedness based upon the assets of any other Person;

- (xiv) perform any duties or obligations of the Depositor or any other Person;
- (xv) make any loans or advances to any third party, including, without limitation, any Trust Unit Holder, Depositor or Affiliate of the Trust, or any principal or Affiliate thereof;

- (xvii) fail to hold itself out to the public as a legal entity separate and distinct from any other Person, fail to conduct its activities solely in its own name or in the name of the Trustee and as a separate and distinct entity, or fail to correct any known misunderstanding regarding its separate identity;
- (xviii) identify itself as a department or division of any other Person;
- (xix) fail to observe all formalities required of a Delaware statutory trust;
- (xx) fail to pay its expenses and liabilities only out of its own funds to the extent such funds are available and fail to hold its assets only in its own name; provided, however, the foregoing shall not require the Depositor to sell any assets, or make any capital contribution, to the Trust;
- (xxi) conduct any oral or written communication, including, without limitation, letters, invoices, purchase orders, contracts, statements and applications, other than in its own name or in the name of the Trustee on behalf of the Trust;

- (xxiii) supplement, modify, amend, restate, replace, waive or repeal this Section 10 or Sections 2.03, 2.04, 9.01 or 9.03 of the Standard Terms, or the definitions used in such Sections, in each case except for any supplement, modification, amendment or restatement of any such provision that (x) corrects any error and (y) would not (individually or together with other changes) be reasonably likely to cause the Trust to no longer be a "special purpose entity" in accordance with applicable law and standards; or

(xxiv) supplement, modify, amend, restate, replace, waive or repeal any portion of this Trust Agreement or the Standard Terms except as expressly permitted by Section 9.01 of the Standard Terms.

(d) Failure of the Trust, the Depositor, Assured, any Trust Unit Holder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 10 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Trust Unit Holder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Section 11. Non-Petition. The Depositor, Assured, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Trust Unit Holders, by electing (or being deemed to elect) Assured Bondholder Election 2, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another person, the Trustee may file appropriate proofs of claim. For the avoidance of doubt, no adequate remedy at law exists with respect to any breach of this Section 11, and specific performance shall in all circumstances be available as a remedy for the enforcement of this Section 11.

Section 12. Certain Terms Regarding the Depositor. For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Holders of the Trust Units shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, the Depositor, and no recourse shall be had against any Officer, director, manager, employee, security holder or incorporator of the Depositor, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and the Depositor assumes no responsibility for their correctness. The Depositor makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing or acquiring any Trust Units in certificated form, the purchaser or acquirer shall be deemed to acknowledge, represent to and agree, and in purchasing or acquiring any book-entry beneficial interests in the Trust Units, the purchaser or acquirer shall be deemed to acknowledge, represent and agree, that none of the Depositor nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such

purchaser or acquirer, and such purchaser or acquirer is not relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of the Depositor or any of its affiliates.

(iv) The Depositor shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

IN WITNESS WHEREOF, the Depositor, Assured, the Trustee and the Delaware Trustee have caused this Agreement to be duly executed by their respective officers thereunto duly authorized and all as of the date first set forth above.

Trust Unit Certificate No. ____

Original Notional Amount: _____

CUSIP: [●]

Each Trust Unit represented by this Trust Unit certificate is one of a duly authorized issue of certificates designated as the Trust Units (herein collectively called the “Units”), and representing a beneficial ownership interest in the Trust Estate created by the Trust Agreement referred to below.

This certifies that [CEDE & CO.] is the registered owner of the Notional Amount of Trust Units evidenced by this certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of [●], by and among the Puerto Rico Highways and Transportation Authority (the “Depositor”), [Assured Guaranty Corp.] [Assured Guaranty Municipal Corp.] (“Assured”), U.S. Bank Trust Company, National Association, (the “Trustee”) and U.S. Bank Trust National Association (the “Delaware Trustee”, which term includes any successor under the Trust Agreement, and together with the Trustee, the “Trustees”), and the Standard Terms to Trust Agreement, dated as of [●] (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this certificate shall be made by the Trust Unit Paying Agent under the Trust Agreement.

This certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, Assured and the Holder of the certificate and the terms upon which the certificate is executed and delivered.

This certificate does not bear interest. Distributions on this certificate represent a combination of certain payments made on the New Securities and certain other payments which derive from the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction (i) in the case of any relevant Current Interest Bonds, first, of any accrued and unpaid interest on, and second, of the outstanding principal amount of, such Current Interest Bonds or, (ii) in the case of any relevant Capital Appreciation Bonds, the Compounded Amount of such Capital Appreciation Bonds, in either case, as of the date of such Distribution and in an amount equal to such Distribution, as set forth in the Standard Terms.

In certain circumstances, Assured may instruct the Trustee in writing to sell the New Securities (the “Subject Bonds”) underlying the Units for cash (a “Bond Sale”). The Holder of this certificate shall have the option to elect to receive in-kind delivery of a pro rata share of the Subject

Bonds, subject to payment by such Trust Unit Holder of the allocable portion of any outstanding Trustee Costs and Tax Costs, in lieu of receiving a pro rata share of the actual net cash proceeds from the Bond Sale, as set forth in the Standard Terms.

This certificate is not subject to repurchase by the Trust at the option of the Holder of this certificate.

The Holder, by its acceptance of this certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Trust Unit Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank Trust Company, National Association and U.S. Bank Trust National Association, not individually or personally, but solely as Trustee and Delaware Trustee, respectively, in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee, the Delaware Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank Trust Company, National Association or U.S. Bank Trust National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank Trust Company, National Association or U.S. Bank Trust National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank Trust Company, National Association, U.S. Bank Trust National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this certificate, covenants and agrees that it will not at any time institute against the Depositor, Assured or the Trust, or join in any institution against the Depositor, Assured or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this certificate or the Trust Agreement, that no adequate remedy at law exists with respect to any breach of such covenant and agreement, and that specific performance shall in all circumstances be available as a remedy for any breach of such covenant and agreement.

Distributions on this certificate will be made as provided in the Trust Agreement by the Trust Unit Paying Agent without the presentation or surrender of this certificate or the making of any notation hereon.

Reference is hereby made to the further provisions of this certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this certificate has been executed by the manual or electronic signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual or electronic signature, this certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this certificate to be duly executed.

II ASSURED CUSTODIAL TRUST

REVERSE OF TRUST UNIT CERTIFICATE

This certificate does not represent an obligation of, or an interest in, Assured, the Trustees, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement (including the Standard Terms) may not be amended, waived or supplemented without the prior written consent of Assured. The Trust Agreement (including the Standard Terms) may be amended, waived or supplemented from time to time by Assured and the Trustee without the consent of the Trust Unit Holders; provided, however, that no such amendment shall:

- a) except as otherwise provided in the Trust Agreement (including the Standard Terms) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Trust Unit Holder without the written consent of such Trust Unit Holder;
- b) compromise, waive, sell, forfeit, or otherwise diminish the rights of the Trust, the Trustee, or the Trust Unit Holders under any Assured Insurance Policy without the written consent of each Trust Unit Holder affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Trust Unit Holder affected;
- d) amend Section 9.01 of the Standard Terms without the written consent of each Trust Unit Holder;
- e) adversely affect in any other material respect the interests of the Trust Unit Holders in any manner other than as described in a), b), or c) without the written consent of the Trust Unit Holders evidencing at least a majority of the Trust Units (measured, in the case of Current Interest Bonds, by the outstanding principal amount, or, in the case of Capital Appreciation Bonds, the Compounded Amount, as the case may be, of the underlying Assured Legacy Bonds), excluding, from both the numerator and the denominator, any Trust Units held by Assured; *provided*, that only Trust Units that an Officer of the Trustee knows are so held shall be so disregarded; or
- f) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this certificate is registrable in the Unit Register upon the surrendering of this certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

Prior to due presentation of a Trust Unit for registration or transfer, the Trustee, the Unit Registrar and any agent of any of them may treat the person in whose name any Trust Unit is registered as the owner of such Trust Unit for the purpose of receiving distributions, and neither the Trustee, the Unit Registrar nor any agent of any of them shall be affected by notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Trust Units of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement or of any other costs or expenses as provided in the Trust Agreement.

All distributions to Unitholders shall be made only from cash on deposit in either the General Collection Account or the FGIC Insurance Policy Collection Account in accordance with the terms hereof.

(b) If, at any time, a formerly Eligible Account no longer fulfills the definition of Eligible Account, the Trustee shall within thirty (30) days establish a new General Collection Account or FGIC Insurance Policy Collection Account, as applicable, meeting the conditions specified in such definition and transfer any cash on deposit in the General Collection Account or FGIC Insurance Policy Collection Account to such new General Collection Account or FGIC Insurance Policy Collection Account, and from the date such new General Collection Account or FGIC Insurance Policy Collection Account is established, it shall be the General Collection Account or FGIC Insurance Policy Collection Account under this Trust Agreement.

(c) The Trustee shall give notice to FGIC and Unitholders of the location of each Eligible Account and other account and to the proposed new location of any Eligible Account or other account prior to any change thereof.

Section 3.2 Investment of Funds in the Collection Accounts.

Amounts in the General Collection Account and the FGIC Insurance Policy Collection Account shall not be invested.

Section 3.3 FGIC Insurance Policy and Effect of Distributions.

(a) The Trust is deemed to hold the Covered FGIC Insured Bonds and is the sole Person entitled under the terms of the Covered FGIC Insured Bonds to payment thereof. Accordingly, the Trust is and shall be the sole “Bondholder” entitled to assert claims and receive payments under or with respect to the Covered FGIC Insurance Policy.

(b) The Trustee shall have the sole authority to assert, and shall assert, subject to its rights and protections herein, claims under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and to take all actions required to enforce the Covered FGIC Insurance Policy, including in the event that FGIC fails to make any payment when due under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy. The Trustee shall be authorized to take, and shall take, subject to its rights and protections herein, all actions it

deems necessary or advisable to satisfy any and all conditions to the obligations to make payment of any claim asserted by the Trustee under the Covered FGIC Insurance Policy or any payment in respect of any DPO or DPO Accretion related to the Covered FGIC Insurance Policy which may become payable in accordance with the FGIC Rehabilitation Plan. The following are conditions to FGIC's obligation to make any such payment, and the Trustee is authorized and directed to satisfy such conditions: (i) the Trustee shall have submitted to FGIC with respect to each claim a fully completed and duly executed Proof of Policy Claim Form in accordance with the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan, and (ii) with respect to each such payment (other than on account of DPO Accretion) relating or with respect to the principal of the Covered FGIC Insured Bonds, which is paid or deemed to be paid by FGIC in cash (each a "Cash Payment"), the Trustee shall have executed and delivered on behalf of the Trust to FGIC (or its fiscal agent) assignments in substantially the form of Exhibit G with respect to a proportionate share (based on the proportion of such Cash Payment compared to the total principal amount of the Covered FGIC Insured Bonds then held by the Trust) of the Trust Assets held by the Trust, as confirmed by FGIC, and taken such actions as shall be necessary to transfer such Trust Assets to the account of FGIC or its custodian, in either case as directed by FGIC in writing, and receipt of such Trust Assets shall have been confirmed by FGIC.

(c) All claims that are properly submitted to FGIC by the Trustee under the Covered FGIC Insurance Policy shall be paid to the extent permitted by FGIC under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan, subject to satisfaction of any conditions to such payments, including the conditions set forth in this Trust Agreement. All payments to the Trustee under or with respect to the Covered FGIC Insurance Policy shall be deposited into the FGIC Insurance Policy Collection Account on the date received if received prior to 11:00 a.m. New York time, on any Business Day or, if received after such time on any Business Day, on the following Business Day. In the event that FGIC has defaulted in its payment obligations under the Covered FGIC Insurance Policy, the Requisite Unitholders shall have the right to direct the Trustee in writing to take, and the Trustee is authorized to take, and shall take, subject to its rights and protections herein, any and all actions necessary or desirable to enforce and recover such payment obligations.

(d) Each distribution of cash to the Unitholders from the General Collection Account shall automatically and immediately reduce on a dollar-for-dollar basis the outstanding principal amount of the Covered FGIC Insured Bonds and shall automatically and immediately result in a corresponding reduction in FGIC's obligations under the Covered FGIC Insurance Policy. All payments from the FGIC Insurance Policy Collection Account under or with respect to the Covered FGIC Insurance Policy arising from or related to principal of or interest on the Covered FGIC Insured Bonds (other than on account of DPO Accretion) shall be deemed to automatically and immediately reduce on a dollar-for-dollar basis the outstanding principal amount of or the accrued and unpaid interest on the Covered FGIC Insured Bonds, respectively. For the avoidance of doubt, all payments on account of a claim for accrued and unpaid interest due shall reduce on a dollar-for-dollar basis the outstanding interest amount of the Covered FGIC Insured Bonds, and all payments of a claim for principal shall reduce on a dollar-for-dollar basis the outstanding principal amount of the Covered FGIC Insured Bonds.

(e) If at any time the principal amount of the Covered FGIC Insured Bonds shall be reduced to zero, then thereafter each distribution of cash to the Unitholders under this

Trust Agreement (other than distributions from the FGIC Insurance Policy Collection Account on account of payments made by FGIC under or with respect to the Covered FGIC Insurance Policy) shall automatically and immediately reduce on a dollar-for-dollar basis the accrued and unpaid interest, if any, due on the Covered FGIC Insured Bonds and shall automatically and immediately result in a corresponding reduction in FGIC's obligations under the Covered FGIC Insurance Policy. If at any time the principal amount of and the accrued and unpaid interest on the Covered FGIC Insured Bonds and the DPO Accretion balance under the Covered FGIC Insurance Policy shall be reduced to zero, then (i) the Covered FGIC Insurance Policy shall be indefeasibly canceled, (ii) within three (3) Business Days thereafter, the Trustee shall (x) first, assign to FGIC ownership of the Trust Assets held by the Trust at that time to the extent required to reimburse FGIC for any unreimbursed payments previously made under the Covered FGIC Insurance Policy and (y) second, distribute to the Unitholders any remaining Trust Assets, and (iii) upon making such assignment and distributions (if any), the Units shall be deemed to be redeemed in full and the Trust shall terminate in accordance with the provisions of Article IX hereof.

(f) Each of FGIC and each Unitholder shall have and retain all rights set forth in the Plan applicable to it, including those set forth in Section 26.3 of the Plan.

(g) In addition to any other rights FGIC may have hereunder or otherwise, due to the subrogation rights under the Covered FGIC Insurance Policy, upon making each Cash Payment or Cash Acceleration Payment to the Trust, FGIC shall automatically become the owner of a proportionate share (as described in Section 3.3(b)) of the Trust Assets held by the Trust and shall be fully subrogated to all of the Trust's rights therein, including any payments on or in respect thereof.

Section 3.4 Distributions.

(a) All cash received by the Trust or the Trustee from any source shall be applied and distributed in accordance with the terms of this Trust Agreement. Within two (2) Business Days of the Trust's receipt of (i) the Cash to be deposited into the Trust pursuant to clause (a) of Section 2.2 on the Closing Date, (ii) any scheduled payment of principal or interest in respect of any series of the New HTA Bonds, or (iii) any scheduled payment due on the HTA Clawback CVIs, the Trustee shall distribute such amounts, net of any outstanding Trustee Costs that are due and payable or to be reimbursed to the Trustees as of the related distribution date, Other Trust Costs to be reimbursed under Section 7.5(c) and amounts necessary to fund the Fee Reserve to the Fee Reserve Threshold Amount, to the Depositary for distribution on a pro rata "pass-through" basis to each Unitholder as of the related Record Date. The Trustee shall pay or reimburse such Trustee Costs, reimburse such Other Trust Costs and fund the Fee Reserve at the time of such distribution.

(b) The Trustee shall establish the Record Date for the distribution of (i) any other funds deposited or to be deposited in the General Collection Account or (ii) any payment made or to be made under or with respect to the Covered FGIC Insurance Policy, and the Trustee shall send notice to the Unitholders of such Record Date and the related anticipated distribution date of such amounts, in accordance with Section 11.4, in each case not later than two (2) Business Days after the Trust's receipt of such funds or payments. Such Record Date shall be at least 10 days and no more than 15 days after the date such notice is posted on EMMA. On such distribution

date, the Trustee shall distribute such amounts, in the case of clause (i) net of any outstanding Trustee Costs that are due and payable as of such distribution date, to the Depository for distribution on a pro rata “pass-through” basis to each Unitholder as of the related Record Date.

(c) Any distribution to Unitholders shall be made to the Person in whose name such Unit is registered at the close of business on the related Record Date in accordance with the procedures of the Depository.

Section 3.5 Threshold Event or Permitted Sale Event.

(a) The Trustee shall not sell any New HTA Bonds or HTA Clawback CVIs except upon a Threshold Event or Permitted Sale Event and subject to the terms of Section 3.5(b), provided that the Trustee shall be authorized to make the assignments and transfers contemplated by Sections 3.3 and 3.6. Upon the Trustee’s receipt of a notice substantially in the form of Exhibit E-1 attached hereto as contemplated by clause (ii) of the definition of “Permitted Sale Event”, the Trustee shall (i) provide the notice to Unitholders contemplated by clause (iii) of such definition (with a copy of such notice to FGIC) as soon as practicable and in any event within three (3) Business Days of receiving FGIC’s notice, and (ii) no later than the tenth (10th) Business Day following the date of such notice to Unitholders, notify FGIC in writing whether the Trustee has received a written objection from the Requisite Unitholders as contemplated by clause (iv) of such definition.

(b) Upon the occurrence of a Threshold Event or Permitted Sale Event with respect to which FGIC has provided written instruction to the Trustee (substantially in the form of Exhibit E-2 hereto, in the case of a Threshold Event, or Exhibit E-3 hereto, in the case of a Permitted Sale Event) to sell some or all of one or more series of New HTA Bonds or the HTA Clawback CVIs, the Trustee shall seek to sell such New HTA Bonds or HTA Clawback CVIs to the person(s) identified to the Trustee by FGIC in such instruction (which instruction shall also include the applicable sale price(s), the information for the account(s) to which such New HTA Bonds or HTA Clawback CVIs shall be transferred by the Trustee and any other details, including relevant broker(s), to be utilized by the Trustee for such sale) as soon as practicable and in any event within one (1) Business Day of receiving such instruction, provided that: (i) any such sale is made at price(s) that equal or exceed the Fair Market Value applicable to such sale, as confirmed to the Trustee by FGIC, (ii) any such sale is made at price(s) that equal or exceed the applicable Threshold Price in the case of a Threshold Event or the applicable Permitted Sale Price in the case of a Permitted Sale Event, and (iii) all proceeds of such sales shall be deposited into the General Collection Account.

Section 3.6 Surrendered Units.

(a) Subject to satisfaction of the conditions set forth in Section 3.6(b), any Unitholder may, at any time and from time to time, elect to surrender Units held by such Unitholder (as confirmed by the Depository) to the Trustee for cancellation (the “Surrendered Units”) in exchange for a transfer to such Unitholder of its proportional percentage of the New HTA Bonds and HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, by giving written notice thereof to FGIC and the Trustee (a “Unitholder Election”).

(b) The following conditions must be satisfied to permit and effectuate any Unitholder Election: (i) FGIC shall, in its sole discretion, have consented in writing to such Unitholder Election (other than any Unitholder Election in connection with which FGIC shall not have agreed or otherwise be obligated to pay any consideration for the release set forth in clause (iv) below), (ii) the Surrendered Units shall be cancelled by the Trustee with an automatic and immediate corresponding reduction in the aggregate Notional Amount of the Units and the Trustee shall deliver written notice of such cancellation and reduction to the Depositary, (iii) the outstanding principal amount of the Covered FGIC Insured Bonds shall automatically and immediately be reduced on a proportionate dollar-for-dollar basis (based on the proportion of the Notional Amount of such Surrendered Units to the aggregate Notional Amount of the Units at that time) with an automatic and immediate corresponding reduction in FGIC's obligations under the Covered FGIC Insurance Policy, which reductions shall be acknowledged by the Trustee, and (iv) such Unitholder shall execute and deliver a release, in form and substance satisfactory to FGIC, releasing all rights and claims of any kind it may have relating to the Surrendered Units or the Covered FGIC Insurance Policy subject to receipt of consideration, if any, that FGIC shall have agreed in writing to pay to such Unitholder in consideration for release. Upon satisfaction of such conditions, the Trustee shall transfer to the Unitholder ownership of the applicable proportional percentage of the New HTA Bonds and HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, as directed by FGIC. FGIC's consent to any Unitholder Election shall not limit its right, in its sole discretion, to deny its consent to any other Unitholder Election.

Section 3.7 FGIC Election to Accelerate Policy Payments.

(a) Section 3.7(b) shall apply to the Trust and the Covered FGIC Insurance Policy as of the date that is thirty (30) Business Days following the Closing Date unless the Requisite Unitholders notify the Trustee in writing prior to such date of their election that Section 3.7(b) shall not so apply.

(b) Pursuant to the Plan, the payment of the principal of the Covered FGIC Insured Bonds was accelerated and such Covered FGIC Insured Bonds are due and payable at an "acceleration price" of one hundred percent (100%) of the principal amount thereof, plus accrued interest thereon, or 100% of accreted amounts thereon, to the date of payment. FGIC is not obligated to pay any claims on an accelerated basis under the Covered FGIC Insurance Policy. FGIC shall have the right, in its sole and absolute discretion, to elect at any time to permit a claim under the Covered FGIC Insurance Policy in the amount of such acceleration price at such time (regardless of whether the Trustee shall have submitted a claim therefor to FGIC) and to make payment to the Trustee in respect of such permitted claim under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan; provided, however, that FGIC shall not be obligated to make all or any portion of such payment, unless and until, with respect to the portion of such payment relating to the principal of the Covered FGIC Insured Bonds which will be paid or deemed to be paid by FGIC in cash (the "Cash Acceleration Payment"), the Trustee shall have executed and delivered to FGIC (or its fiscal agent) assignments in substantially the form of Exhibit G with respect to a proportionate share (based on the proportion of such Cash Acceleration Payment compared to the total principal amount of the Covered FGIC Insured Bonds then held by the Trust) of the Trust Assets held by the Trust, as confirmed by FGIC, and taken such action as shall be necessary to transfer such Trust Assets to the account of FGIC

or its custodian, in either case as directed by FGIC in writing, and receipt of such Trust Assets shall have been confirmed by FGIC.

(c) At any time, Requisite Unitholders can notify the Trustee of an election that Section 3.7(b) shall apply notwithstanding a prior election under Section 3.7(a), and such notice will be effective upon agreement by FGIC within 30 Business Days of such notification.

ARTICLE IV

REPORTING/REMITTING TO UNITHOLDERS

Section 4.1 Statements to Unitholders and FGIC.

On a quarterly basis, the Trustee shall prepare and post a statement to EMMA, in the form attached hereto as Exhibit B and provide notice of such statement to the Unitholders and FGIC in accordance with the Notice provisions of Section 11.4 setting forth:

(a) all distributions made from the General Collection Account during the quarter and during the year to date (on an aggregate and per Unit basis), identifying the portion thereof attributable to the amount of (i) asset sales; (ii) principal and interest payments; and (iii) CVI payments;

(b) all distributions made from the FGIC Insurance Policy Collection Account during the quarter and during the year to date (on an aggregate and per Unit basis);

(c) the principal amount (or accreted amount, as applicable) as of the quarter end of each CUSIP number of New HTA Bonds and HTA Clawback CVI held by the Trust (or any other securities or property received in respect thereof or in exchange therefor) (on an aggregate and per Unit basis);

(d) the DPO balance and DPO Accretion balance associated with the Covered FGIC Insured Bonds under the Covered FGIC Insurance Policy as of the quarter end, to the extent such information has been furnished to the Trustee by FGIC;

(e) the principal amount of, and the accrued and unpaid interest on, the Covered FGIC Insured Bonds as of the end of the quarter, together with a description of the changes in such amounts during the quarter;

(f) any notices received by the Trustee from FGIC in connection with any required DPO and DPO Accretion payments associated with the Covered FGIC Insured Bonds under the Covered FGIC Insurance Policy;

(g) (i) the respective amounts paid to the Trustees for trustee fees, other Trustee Costs under Section 7.5(a), Trustee Costs under Section 7.5(b) and indemnification amounts under Section 7.12, a description of such indemnification amounts and Trustee Costs, (ii) the amount of any Other Trust Costs reimbursed under Section 7.5(c), if applicable, and (iii) the ending Fee Reserve balance for each quarter; and

- (h) any required tax reporting for such period.

Section 4.2 Compliance with Withholding Requirements.

Notwithstanding any other provisions of the Trust Agreement, the Trustee shall comply with all federal withholding requirements with respect to payments to the Depositary and the Unitholders that the Trustee reasonably believes are applicable under the Code. The consent of the Depositary and the Unitholders shall not be required for such withholding. In the event the Trustee does withhold any amount from payments to the Depositary or any Unitholder pursuant to federal withholding requirements, the Trustee shall indicate with any payment to the Depositary or such Unitholder the amount withheld. Any amounts withheld shall be treated as a distribution of cash to the Depositary or Unitholder, as the case may be, in the amount of the withholding for all purposes and shall thereby reduce amounts otherwise distributable to the Depositary or such Unitholder. If an amount required to be withheld was not withheld, the Trust may reduce subsequent distributions by the amount of such required withholding.

ARTICLE V

THE UNITS

Section 5.1 The Units.

(a) The Units shall be evidenced by the Certificate issued by the Trustee to the Depositary in accordance with Section 5.2(a).

(b) As of the Closing Date, the Notional Amount of the Units issued under this Trust Agreement shall be the Notional Amount set forth in Exhibit C, which is the aggregate original principal amount as of their date of issuance of those Covered FGIC Insured Bonds deposited, or deemed hereunder to have been deposited, into the Trust. The beneficial ownership of the Units as of the Closing Date shall be allocated by the Depositary among the Original Holders on a proportionate basis based on the aggregate original principal amount as of their date of issuance of each original Holder's respective Covered FGIC Insured Bonds that are deposited, or deemed hereunder to have been deposited, into the Trust on the Closing Date.

(c) All Units issued under this Trust Agreement shall be evidenced by the same Certificate, subject to the requirements of the Depositary, and otherwise identical in all respects. All Units issued under this Trust Agreement shall be in all respects equally and ratably entitled to the benefits hereunder without preference, priority or distinction on account of the actual time or times of authentication and delivery, and shall be held and transferable only through the Depositary.

(d) No additional interests in the Trust other than the Certificate and the Units shall be issued hereunder, except in accordance with Section 5.3.

Section 5.2 The Certificate; Book-Entry-only System.

(a) On the Closing Date, upon deposit of all of the Trust Assets into the Trust pursuant to the Plan of Adjustment and as provided in Section 2.2, the Trustee shall issue to the

Depository the initial Certificate by executing and delivering the Certificate, on behalf of this Trust, with the manual or facsimile signature of an authorized officer or other agent of the Trustee.

(b) The Trust shall issue the Certificates to the Depository. Consistent with DTC book-entry provisions, one or more typewritten Certificates shall be prepared and registered in the name of the Depository or its nominee. There shall be no physical delivery of the Certificate or Units to the Unitholders (other than the Depository) or other beneficial owners.

(c) DTC is hereby appointed as the initial Depository, with Cede & Co., a nominee thereof, being the initial registered owner of the Certificate. In the event that any Depository resigns or is removed, the Trustee shall select a substitute Depository. Notwithstanding anything herein to the contrary, the Trust and each of the Trustees, and any agent of the Trust or either of the Trustees, may treat any Depository in whose name any Certificate is registered as the owner of the Units for all purposes, including for actions by Unitholders. For so long as the Depository is the registered owner of the Certificate, procedures with respect to the transmission of notices and the transfer of ownership and payment of Units shall be in accordance with arrangements between the Trustee and the Depository. The Certificate shall be issued in global form and the Units represented thereby shall be freely tradeable and transferable through the Depository.

(d) Notwithstanding anything herein to the contrary, so long as the Certificate is registered in the name of the Depository, the Trust and the Trustee shall have no responsibility or obligation to any Depository participant, indirect participant or beneficial owner of the Certificate or Units. Without limiting the immediately preceding sentence, the Trust and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of any Depository or any Depository participant or indirect participant with respect to any beneficial ownership interest in the Certificate, (ii) the delivery to any Depository participant, indirect participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Certificate or Units, including any notice of Record Date, distribution date, payment, redemption or tender, or (iii) the payment to any Depository participant, indirect participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Units or Certificate. The rights of Unitholders shall be limited to those established by law and agreements between the Unitholders and the Depository and Depository participants and as provided herein.

(e) A CUSIP number will be imprinted on the Certificate, but such CUSIP number shall not constitute a part of the contract evidenced by the Certificate or Units. As a convenience to the Depository and Unitholders, the Trust and the Trustees may use such CUSIP numbers in any notices to the Depository and Unitholders.

Section 5.3 Mutilated, Destroyed, Lost and Stolen Certificate.

(a) If (i) any mutilated Certificate is presented to the Trustee or (ii) the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and there is delivered to the Trustee such security or indemnity as it may require to save it harmless, and the Trustee has not received notice that such Certificate (and the Units represented thereby) has been acquired by a protected purchaser, then, in each case, the Trustee shall execute, authenticate and

deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor, form, terms and principal amount, bearing an identifying number not used by any contemporaneously existing Certificate, so that neither gain nor loss in interest shall result from such exchange or substitution.

(b) Upon the issuance of any new Certificate under this Section, the Trustee may require the payment by the Certificate holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(c) Every new Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust Assets to the extent provided herein, whether or not the destroyed, lost or stolen Certificate shall be at any time enforceable by anyone, and the Units represented thereby shall be entitled to all the benefits of this Trust Agreement.

(d) The terms of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Units.

Section 5.4 No Obligation to Register.

The Trustee is not obligated to register or qualify any Certificate or Unit under the Securities Act of 1933, as amended, and the rules and regulations promulgated by the Securities and Exchange Commission thereunder, or any other securities laws or to effect any qualification under the Trust Indenture Act of 1939, as amended.

Section 5.5 Persons Deemed Owners.

Subject to Section 5.3, but notwithstanding anything else in this Trust Agreement, the Trustee and any agent of the Trustee may treat the Depositary or its nominee in whose name the Certificate is registered as the owner of the Units on the related distribution date for the purpose of receiving distributions on such Units and for all other purposes whatsoever, including for actions by Unitholders, and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary. All distributions made hereunder to the Depositary or its nominee, or upon its order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys distributable upon the Units.

Section 5.6 Cancellation.

All Certificates evidencing Units surrendered for payment, redemption, transfer or exchange shall be delivered to the Trustee and shall be promptly canceled by the Trustee. The Trustee and no one else will cancel all such Certificates surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Certificates in accordance with its customary procedures. No Certificate shall be authenticated in lieu of or in exchange for any Certificates canceled as provided in this Section, except as expressly permitted by this Trust Agreement.

ARTICLE VI

NEW HTA BONDS AND HTA CLAWBACK CVIs

Section 6.1 Voting Rights with Respect to New HTA Bonds and HTA Clawback CVIs.

(a) Within three (3) Business Days after receipt of notice of any meeting of, or other occasion for the exercise of voting rights or the giving of consents by, owners of any of the New HTA Bonds or the HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor), the Trustee shall deliver a copy of such notice to FGIC and the Unitholders.

(b) The voting and direction rights allocable to the owners of the New HTA Bonds and HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor) pursuant to the terms thereof (including voting and direction rights in respect of remedies) ("Voting Rights") shall be allocated to FGIC unless FGIC is in default under the Covered FGIC Insurance Policy (a "Voting Rights Condition"). Upon the written request of FGIC, subject to the immediately preceding sentence, the Trustee shall vote in accordance with any instruction set forth in such written request. Upon the occurrence and continuation of a Voting Rights Condition, the Voting Rights will be deemed to be held on a pro rata basis by the Unitholders, and the Trustee may act at the direction of the Requisite Unitholders.

ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.1 Duties of Trustee.

(a) Every provision of this Trust Agreement relating to the conduct of, affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VII.

(b) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee.

(c) The Trustee shall (at the direction of the Requisite Unitholders) take all necessary or desirable actions to enforce the Covered FGIC Insurance Policy against FGIC as set forth herein.

(d) The Trustee shall deliver to all Unitholders copies of all notices and written communications received from HTA as they relate to the New HTA Bonds and HTA Clawback CVIs.

(e) Except as provided in Section 7.2 hereof, no provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own grossly negligent action, grossly negligent failure to act, bad faith or willful misconduct; provided, however, that:

(i) The Trustee shall not be liable for an error of judgment made in good faith by an Officer of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(ii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of FGIC or the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the New HTA Bonds or HTA Clawback CVIs exercising any trust or power conferred upon the Trustee with respect to the New HTA Bonds or HTA Clawback CVIs, under this Trust Agreement;

(iii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the Covered FGIC Insurance Policy or exercising any trust or power conferred upon the Trustee with respect to the Covered FGIC Insurance Policy, under this Trust Agreement; and

(iv) Any determination of gross negligence, bad faith or willful misconduct of the Trustee shall be made only upon the rendering of a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

Section 7.2 Certain Matters Affecting the Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties. Further, the Trustee may accept a copy of the vote of the board of directors or equivalent governing body of any party certified by its clerk or assistant clerk or secretary or assistant secretary as conclusive evidence of the authority of any Person to act in accordance with such vote, and such vote may be considered as in full force and effect until receipt by the Trustee of written notice to the contrary;

(b) The Trustee may, in the absence of bad faith on its part, conclusively rely upon an Opinion of Counsel or certificate of an Officer of the appropriate Person whenever in the administration of this Trust Agreement the Trustee shall deem it desirable that a matter be proved or established (unless other evidence be herein specifically prescribed) prior to taking, suffering or omitting any action hereunder;

(c) The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in reliance on such advice or Opinion of Counsel;

(d) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Trust Agreement or to institute, conduct, defend or continue any litigation thereunder or in relation thereto at the request, order or direction of the Requisite

Unitholders, pursuant to the provisions of this Trust Agreement, unless such Unitholders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) The Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Trust Agreement;

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by FGIC or the Requisite Unitholders; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Trust Agreement, the Trustee may require indemnity against such expense or liability as a condition to taking any such actions;

(g) The Trustee may execute any of the trusts or powers under this Trust Agreement or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and the Trustee shall not be responsible for the supervision of or any misconduct or negligence on the part of any agent or attorney appointed with due care by it under this Trust Agreement;

(h) Whenever the Trustee is authorized herein to require acts or documents in addition to those required to be provided it in any matter, it shall be under no obligation to make any determination whether or not such additional acts or documents should be required unless obligated to do so under Section 7.1;

(i) The Trustee shall not be deemed to have notice of any matter unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the applicable Trust Units generally, HTA, the Trust or this Trust Agreement;

(j) None of the provisions of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it;

(k) Notwithstanding anything herein to the contrary, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(l) The permissive rights of the Trustee to perform any discretionary act enumerated in this Trust Agreement shall not be construed as a duty or obligation, and the Trustee shall not be answerable in the performance of such act other than for its gross negligence, bad faith or willful misconduct;

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian, co-trustee and other Person employed to act hereunder;

(n) The Trustee shall have no duty (A) to see to any recording, filing, or depositing of this Trust Agreement or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any re-recording, re-filing or re-depositing of any thereof, (B) to see to any insurance, (C) to see to the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Trust Estate, or (D) to confirm or verify the contents of any reports or certificates delivered to the Trustee pursuant to this Trust Agreement believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties;

(o) The Trustee shall have no liability or responsibility for the acts or omissions of any other party to any of this Trust Agreement or any related document;

(p) The Trustee shall have no duty or obligation to obtain or solicit any collateral or any funds to be remitted in any of the accounts established under this Trust Agreement, and shall have a duty only to accept such collateral or funds delivered to it in accordance with this Trust Agreement;

(q) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(r) The Trustee may request the delivery of a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Trust Agreement;

(s) All rights of action under this Trust Agreement or under any of the Trust Units, enforceable by the Trustee, may be enforced by it without the possession of any of the Trust Units or the Certificate, or the production thereof at the trial or other proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Unitholders, subject to the provisions of this Trust Agreement; and

(t) The Trustee shall establish a Fee Reserve, which Fee Reserve shall be replenished up to the Fee Reserve Threshold Amount in accordance with Section 3.4(a), and the Trustee shall be permitted to apply the amounts therein to pay Trustee Costs.

Section 7.3 Trustee Not Liable for Units or New HTA Bonds, HTA Clawback CVIs, the Covered FGIC Insured Bonds or the Covered FGIC Insurance Policy.

The Trustee assumes no responsibility for the correctness of the recitals contained in this Trust Agreement and in the Trust Units or Certificate. The Trustee makes no representations or warranties as to the validity or sufficiency of this Trust Agreement or of the Trust Units (other than the signature and authentication of the Trustee on the Certificate) or of the New HTA Bonds, HTA Clawback CVIs, the Covered FGIC Insured Bonds, the Covered FGIC Insurance Policy or related

documents. The Trustee shall not be accountable for the use or application of any of the Trust Units, or for the use or application of any funds in respect of the New HTA Bonds or HTA Clawback CVIs or deposited in or withdrawn from the Trust in accordance with this Trust Agreement other than, in each case, any funds held by or on behalf of the Trustee in accordance with Article III. The Trustee, in its capacity as Trustee hereunder, shall have no responsibility or obligation to comply with, or to monitor any other Person's compliance with, the HTA Enabling Act, the CVI Legislation, the New HTA Bond Indenture, or the Clawback CVI Indenture.

Section 7.4 Trustee May Own Units.

The Trustee in its individual capacity or any other capacity may become the owner or pledgee of Trust Units with the same rights it would have if it were not Trustee.

Section 7.5 Trustee Costs and Expenses.

(a) The Trustees shall each be entitled to receive from the Trust (i) fees agreed upon in writing, including such fees set forth in the Trustee Fee Schedule, (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by each of the Trustees in the execution of the trusts created under this Trust Agreement and in the exercise and performance of any of the powers and duties thereunder or the administration of the Trust, (ii) reimbursement for (x) all reasonable fees, expenses, costs and disbursements incurred or made by either of the Trustees in accordance with any of the provisions of this Trust Agreement, including Section 7.5(b) hereof (including the fees, expenses and disbursements of their respective counsel and of all persons not regularly in their respective employ), and (y) their indemnities pursuant to Section 7.12 hereof, and (iii) amounts to be promptly used by the Trustee to pay any reasonable fees, expenses or costs then owed by the Trust in accordance with this Trust Agreement and not covered by clause (ii) of this Section 7.5(a) (collectively, the "Trustee Costs"). For the avoidance of doubt, it is understood and agreed by the Parties that Trustee Costs under clause (ii) or (iii) of this Section 7.5(a) may include amounts of reasonable fees, expenses, costs, disbursements or indemnities that properly relate to the Trust and to one or more other trusts created under other trust agreements to which HTA, FGIC and the Trustees are party, which amounts have been reasonably and fairly allocated by the Trustee to the Trust in good faith as the Trust's share and are described in each relevant statement prepared and provided by the Trustee pursuant to Section 4.1. All such Trustee Costs shall be paid to the Trustees in accordance with the provisions of Section 3.4 hereof or taken from the Fee Reserve.

(b) In furtherance of Section 7.5(a), each of the Trustees shall be entitled to receive reimbursement for all reasonable out-of-pocket expenses which are properly documented and incurred or made by it, including costs of collection, payable as a result of or in connection with litigation, enforcement actions or other proceedings brought by Unitholders against HTA, the Trust, or such Trustee except for proceedings, litigation or enforcement actions that relate to such Trustee's grossly negligent action, grossly negligent failure to act, bad faith or its own willful misconduct as determined by a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

(c) For the avoidance of doubt, neither HTA nor FGIC shall be liable for any Trustee Costs or Other Trust Costs. FGIC may, in its sole discretion, elect to pay any Other Trust

Costs, in which case FGIC shall be reimbursed by the Trustee at the time of the next distribution of any amount under Section 3.4(a) hereof upon notifying the Trustee of the amount to be so reimbursed.

Section 7.6 Eligibility Requirements for Trustee and Successor Trustee.

The Trustee and any successor Trustee shall at all times be a corporation or national banking association that: (i) is not an Affiliate of HTA, the Commonwealth of Puerto Rico or any of its instrumentalities, or FGIC; (ii) is neither affiliated with HTA, the Commonwealth of Puerto Rico or any of its instrumentalities, nor located in the Commonwealth of Puerto Rico; (iii) is organized and doing business under the laws of any state or the United States of America; (iv) is authorized under such laws to exercise corporate trust powers; (v) is in good standing under the law of the jurisdiction in which it is organized; (vi) has a combined capital and surplus of at least \$50,000,000; (vii) is subject to supervision or examination by federal or state authority; and (viii) is a nationally recognized financial institution and fiduciary regularly acting as a trustee in the municipal finance market. If such corporation or national banking association publishes reports of its conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time any Trustee or successor Trustee shall cease to be eligible in accordance with the provisions of this Section, such Trustee or successor Trustee shall resign immediately in the manner and with the effect specified in Section 7.7.

Section 7.7 Resignation and Removal of the Trustee.

(a) The Trustee may at any time resign and be discharged from the trusts created pursuant to this Trust Agreement by giving 60 days written notice, which shall be posted to EMMA by the Trustee. Upon receiving such notice of resignation, FGIC shall promptly appoint a successor trustee meeting the requirements set forth in Section 7.6 by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Unitholders and posted to EMMA by the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Trust.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 7.6 and shall fail to resign after written request therefor by FGIC or the Requisite Unitholders, or if any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then FGIC or the Requisite Unitholders may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee.

(c) FGIC, with the written consent of the Requisite Unitholders, may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments,

signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(d) The Requisite Unitholders, with the written consent of FGIC (which consent shall not be unreasonably withheld or delayed by FGIC in the event the Trustee is in default of its obligations hereunder to enforce the Covered FGIC Insurance Policy), may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(e) Any resignation of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until the acceptance of appointment by the successor trustee as provided in Section 7.8 hereof. The compensation and reimbursement for fees and expenses of any successor trustee appointed in connection with the resignation of the Trustee shall be the sole responsibility of the Trust, including the costs and expenses incurred in connection with any such succession.

(f) Any removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until (i) acceptance of appointment by the successor trustee as provided in Section 7.8 hereof and (ii) payment of all costs, expenses and indemnities due and owing to the outgoing Trustee, including the costs and expenses incurred in connection with any such succession. In the event the Trustee is removed due to a request by the Requisite Unitholders pursuant to Section 7.7(b), then the fees and expenses of the successor trustee incurred in connection with any such succession shall be the sole responsibility of the Unitholders requesting such removal.

(g) The compensation for any successor trustee shall be paid in substantially the same manner as compensation was paid to the predecessor trustee.

(h) Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the rights, benefits, protections and indemnities afforded to the Trustee under this ARTICLE VII shall continue to the benefit of the retiring Trustee.

Section 7.8 Successor Trustee.

(a) Any successor trustee appointed as provided in Section 7.7 shall execute, acknowledge and deliver to the Unitholders, FGIC and the predecessor trustee an instrument accepting such appointment under this Trust Agreement and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as trustee herein. The predecessor trustee shall deliver to the successor trustee all related documents and statements held by it under this Trust Agreement and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully

and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations.

(b) No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be eligible under the provisions of this Section 7.6 hereof.

(c) Upon acceptance of appointment by a successor trustee as provided in this Section, the successor trustee shall (a) post to EMMA notice of the succession of such trustee under this Trust Agreement and (b) provide notice of the succession of such trustee under this Trust Agreement to the Depositary.

Section 7.9 Merger or Consolidation of Trustees.

Any Person into which either of the Trustees may be merged or converted or with which it may be consolidated or any Person resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of such Trustee, shall be the successor of such Trustee under this Trust Agreement, provided such Person shall be eligible under the provisions of Section 7.6 (as to the Trustee) and 7.14 (as to the Delaware Trustee), without the execution or filing of any paper or any further act on the part of any of the Parties, anything herein to the contrary notwithstanding.

Section 7.10 Appointment of Trustee Custodians.

The Trustee may appoint one or more custodians (each a "Trustee Custodian") to hold all or a portion of the Trust Estate as agent for the Trustee, by entering into a custodial agreement. The appointment of any Trustee Custodian may at any time be terminated and a substitute custodian appointed therefor by the Trustee. Subject to ARTICLE VII, the Trustee agrees to comply with the terms of each custodial agreement and to enforce the terms and provisions thereof against the Trustee Custodian for the benefit of the Unitholders. Each Trustee Custodian shall be a depository institution or trust company subject to supervision by federal or state authority, shall have combined capital and surplus of at least \$10,000,000 and shall be qualified to do business in the jurisdiction in which it holds any asset constituting part of the Trust Estate. Any such Trustee Custodian may not be an Affiliate of HTA or FGIC. The Trustee is responsible for the fees and expenses of any Trustee Custodian appointed hereunder.

Section 7.11 Trustee May Enforce Claims Without Possession of Certificate.

All rights of action and claims under this Trust Agreement or the Certificate may be prosecuted and enforced by the Trustee without the possession of any of the Trust Units or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name or in its capacity as Trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, fees, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Unitholders in respect of which such judgment has been recovered.

Section 7.12 Trustee Indemnity.

The Trust shall indemnify the Trustees for, and hold them harmless against, any loss, liability or expense arising out of or in connection with their acceptance or administration of the Trust, including the reasonable costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their respective powers or duties hereunder, provided in each case that such loss, liability, expense, cost or claim does not relate to or arise out of or in connection with either Trustee's gross negligence, bad faith or willful misconduct.

Section 7.13 Acceptance by Trustees, Representations and Warranties of Trustees.

The Trustees each hereby undertake to perform their respective obligations set forth herein. The Trustee hereby agrees to hold the Trust Assets, as trustee in trust on behalf of the Trust upon the terms and conditions and for the use and benefit of the Unitholders as herein set forth. The Trustees each as to itself hereby represent and warrant to each of HTA, FGIC, holder of the Certificate and holders of the Units that as of the Closing Date:

(a) it is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;

(b) it has full corporate power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and has taken all necessary corporate action to authorize the execution, delivery and performance by it of this Trust Agreement, including the execution and delivery of the Certificate on behalf of the Trust;

(c) the execution and delivery of this Trust Agreement by it and its performance of and compliance with the terms of this Trust Agreement will not violate its certificate of incorporation, association or other constituent documents or by-laws or constitute a default under, or result in the material breach or acceleration of, any material contract, agreement or other instrument to which it is a party or which may be applicable to it or any of its assets;

(d) as of the Closing Date, this Trust Agreement has been duly executed and delivered by it and, assuming the due authorization, execution and delivery of this Trust Agreement by each of the other parties hereto, constitutes the legal, valid and binding obligation of it, enforceable in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(e) it is not in violation, and the execution and delivery of this Trust Agreement by it and its performance and compliance with the terms thereof will not constitute a violation, of any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over it or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of it or its properties or on the performance of its duties hereunder;

(f) there are no actions or proceedings against, or investigations of, it pending, or, to its knowledge, threatened, before any court, administrative agency or other tribunal (i) that

could reasonably be expected to prohibit its entering into this Trust Agreement, (ii) seeking to prevent the issuance of the Certificate contemplated by this Trust Agreement or (iii) that could reasonably be expected to materially affect the performance by it of its obligations under, or the validity or enforceability against it of, this Trust Agreement; and

(g) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by it of, or compliance by it with, this Trust Agreement, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date, other than the filing of the Certificate of Trust with the Secretary of State.

Section 7.14 The Delaware Trustee.

(a) There shall at all times be a Delaware Trustee. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law and acts through one or more persons authorized to bind such entity. The initial Delaware Trustee shall be U.S. Bank Trust National Association. The Delaware Trustee shall be entitled to all of the rights, privileges, immunities, indemnities and protections afforded to the Trustee hereunder, but will only have such responsibilities and obligations as expressly provided by reference to the Delaware Trustee hereunder.

(b) The Delaware Trustee shall be one of the trustees of the Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Trust Statute and for taking such actions as are required to be taken by a Delaware Trustee under the Delaware Trust Statute. The duties, liabilities and obligations of the Delaware Trustee shall be limited to (i) accepting legal process served on the Trust in the State of Delaware; and (ii) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Delaware Trust Statute (only upon the written direction of the Trustee); and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. With the exception of the express duties set forth in this Section 7.14 (b), and the implied contractual covenant of good faith and fair dealing, all other duties of the Delaware Trustee, including fiduciary duties, are expressly eliminated. The Delaware Trustee shall have no liability to the Trust, to the Trustee, to any beneficiary, or to any other person that is a party to or is otherwise bound by this Trust Agreement for breach of contract or breach of duties (including fiduciary duties), except for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. The Delaware Trustee shall not be liable for any acts or omissions, except for such losses, damages or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Delaware Trustee's gross negligence, bad faith or willful misconduct.

(c) The Delaware Trustee shall not be liable for the acts or omissions of the Trust, the Trustee or any other person or entity, nor shall the Delaware Trustee be liable for supervising or

monitoring the performance of the duties of the Trustee or the Trust or of any other person or entity under this Trust Agreement or any related document.

(d) The Delaware Trustee shall not be personally liable for any error of judgment made by an Officer of the Delaware Trustee having direct responsibility for the administration of this Trust Agreement in good faith.

(e) No provision of this Trust Agreement shall require the Delaware Trustee to expend or risk its personal funds or otherwise incur any financial liability in the performance of its duties hereunder.

(f) Under no circumstance shall the Delaware Trustee, in its individual capacity or in its capacity as Delaware Trustee, or any member, partner, shareholder, director, officer, employee, agent, affiliate or advisor of the Delaware Trustee or their respective affiliates be personally liable for any representation, warranty, covenant, agreement, liability or indebtedness of the Trust, as all such representations, warranties, covenants, agreements, liabilities or indebtedness of the Trust are those of the Trust as an entity.

(g) The recitals contained herein shall not be taken as the statements of the Delaware Trustee, and the Delaware Trustee does not assume any responsibility for their correctness. The Delaware Trustee shall not be personally responsible for or in respect of, and the Delaware Trustee makes no representations as to, the title to, or value or condition of, the property of the Trust or any part thereof, including the Trust Assets or Trust Estate, nor as to the validity or sufficiency of this Trust Agreement or any related certificate, instrument or other document.

(h) The Delaware Trustee may conclusively rely and shall be fully protected, and shall incur no liability to anyone, in acting or refraining from acting in good faith and in reliance upon any signature, instrument, notice, resolution, request, instruction, direction, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Delaware Trustee may accept a certified copy of a resolution of any governing body of any person as conclusive evidence that such resolution has been duly adopted by such person and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein or whenever the Delaware Trustee shall deem it desirable that a fact or matter be proved or established prior to taking, suffering or omitting any action hereunder (including, direction by the Trustee with respect to such action), the Delaware Trustee may for all purposes hereof rely on a certificate, signed by any officer of the party delivering the certificate or, in the case of the Trustee, signed by the Trustee, as to such fact or matter, and such certificate shall constitute full protection to the Delaware Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(i) In accepting and performing its duties hereunder the Delaware Trustee acts solely as Delaware Trustee hereunder and not in its individual capacity, and all persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Trust Agreement shall look only to the Trust Assets for payment or satisfaction thereof.

(j) The Delaware Trustee may be removed by FGIC with the written consent of the Requisite Unitholders upon thirty (30) days prior written notice to the Delaware Trustee, with a copy to the Trustee. The Delaware Trustee may resign upon thirty (30) days prior written notice to FGIC, with a copy to the Trustee. No resignation or removal of the Delaware Trustee shall be effective except upon the appointment of a successor Delaware Trustee that (i) is reasonably acceptable to FGIC, (ii) has a combined capital and surplus of at least \$10,000,000 and (iii) is qualified to do business in the State of Delaware and satisfies the requirements of the Delaware Trust Statute. If no successor has been appointed within such thirty (30) day period, the Delaware Trustee, FGIC or the Unitholders may petition a court to appoint a successor Delaware Trustee, which shall be at the expense of the Trust.

ARTICLE VIII

DEFAULT ON NEW HTA BONDS OR HTA CLAWBACK CVIs

Section 8.1 Realization Upon Default.

(a) The Trustee shall assert claims under the New HTA Bonds or HTA Clawback CVIs and the Covered FGIC Insurance Policy, and shall take such reasonable steps as are necessary to receive payment or to permit recovery thereunder following any default thereunder, with respect to the Covered FGIC Insurance Policy, in accordance with Section 3.3(b) hereof and, with respect to the New HTA Bonds or HTA Clawback CVIs, in accordance with Section 6.1(b) hereof.

(b) If there is a breach, a default or an event of default with respect to any New HTA Bond or HTA Clawback CVI and such breach, default or event of default is known to the Trustee in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC as promptly as practicable, and, in any event, within three (3) Business Days after such breach, default or event of default becomes known to the Trustee. If the Trustee receives notice of an anticipated payment default with respect to any New HTA Bond or the HTA Clawback CVIs in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC within three (3) Business Days after receipt of such notice.

(c) The foregoing provisions of this Section 8.1 shall apply equally to any other securities or property received in respect of the New HTA Bonds or HTA Clawback CVIs or in exchange therefor.

ARTICLE IX

TERMINATION OF TRUST

Section 9.1 Termination; No Redemption Rights.

Upon the indefeasible cancellation or other indefeasible termination or discharge of the Covered FGIC Insurance Policy or FGIC's obligations thereunder, the Trust (including the respective obligations and responsibilities under this Trust Agreement of the Trustee and FGIC)

shall terminate upon (i) the pro rata payment or distribution to the Unitholders of all amounts or Trust Assets (including the New HTA Bonds and HTA Clawback CVIs) held by or on behalf of the Trustee and required hereunder to be so paid or distributed, (ii) payment in full of any Trustee Costs due and owing to the Trustee under this Trust Agreement, and (iii) receipt by the Trustee of an Opinion of Counsel stating that all conditions precedent herein relating to the satisfaction and discharge of this Trust Agreement have been complied with. In no event shall the Trust be terminated or the New HTA Bonds or HTA Clawback CVIs be redeemed (except in the case of a redemption of the New HTA Bonds or HTA Clawback CVIs permitted under the terms of the New HTA Bond Indenture, the HTA Enabling Act, the Clawback CVI Indenture or the CVI Legislation) or otherwise released from the Trust Estate without the prior express written consent of FGIC if either (i) the Covered FGIC Insurance Policy or FGIC's obligations thereunder has not been indefeasibly terminated or discharged, or (ii) FGIC has not been indefeasibly paid in full for any amounts owed pursuant to the Plan.

Notwithstanding anything contained herein to the contrary, the merger or consolidation of the Trustee shall not cause a termination of the Trust.

Section 9.2 Procedure for Termination.

(a) During the month in which the Trustee intends to make the final distribution from the Trust, the Trustee shall give notice to the Unitholders in accordance with Section 11.4 specifying: (a) the anticipated final distribution date; (b) that the final payment with respect to the Trust Units will be made upon presentation and surrender of the Certificate at the office of the Trustee therein designated on that date and the amount of any such final payment; (c) any amounts, or trust assets, remaining on deposit in the Trust will be distributed to the holders of record of the Trust Units on a pro rata basis; and (d) that the Trustee believes that, following the occurrence of such final distributions, the conditions to termination of the Trust have been satisfied and that it intends to terminate the Trust (a "Termination Notice").

(b) If the Requisite Unitholders do not object in writing within 30 days after the Trustee has provided the Termination Notice as set forth herein then, upon completion of final distributions as set forth in the Termination Notice, the Trust shall be dissolved, wound up, and terminated.

(c) Upon the dissolution, wind up and termination of the Trust and this Trust Agreement, the Trustee or Delaware Trustee (acting solely at the written direction of the Trustee) is authorized to file a certificate of cancellation with the Secretary of State.

ARTICLE X

TAX PROVISIONS

Section 10.1 Grantor Trust Provisions.

The Trustee, HTA, the Unitholders (by their acceptance of the Trust Units) and FGIC each agree and acknowledge or have agreed and acknowledged that the Trust is intended to qualify for U.S. federal income tax purposes as an "investment trust" within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust, and it is neither the purpose nor the intent of the

parties hereto to create a partnership, joint venture or association taxable as a corporation or to serve as associates in a joint enterprise for the conduct of business for profit. In furtherance of the foregoing, (a) the purpose of the Trust is and shall be to protect and conserve the assets of the Trust Estate, and the Trust shall not at any time engage in or carry on any kind of business or any kind of commercial or investment activity, (B) the Trust is formed to facilitate direct investment in the Trust Assets and the existence of multiple classes of ownership interests is incidental to that purpose, and (c) the Trustee (at the direction of FGIC and/or the Requisite Unitholders), shall take, or refrain from taking, all such action as is necessary to maintain the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not (i) acquire any assets or dispose of any portion of the Trust other than pursuant to the specific provisions of this Trust Agreement, (ii) vary the investment of the Trust within the meaning of Treasury Regulation § 301.7701- 4(c), (iii) substitute new investments or reinvest so as to enable the Trust Estate to take advantage of variations in the market to improve the investment of any Unitholder or (iv) engage in any activity which may directly or indirectly, adversely affect the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not have any authority to manage, control, use, sell, dispose of or otherwise deal with any part of the Trust Estate except as required by the express terms of this Trust Agreement in accordance with the powers granted to or the authority conferred upon the Trustee pursuant to this Trust Agreement. The Trustee and FGIC each agree that they shall not take any action that would result in the Trust failing to be characterized for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust.

Section 10.2 Characterization.

Each Unitholder acknowledges and agrees to treat the Trust Units as undivided interests in the Trust Estate.

Section 10.3 Grantor Trust Administration.

Notwithstanding anything in this Trust Agreement to the contrary, and notwithstanding any direction or instruction by less than all the Unitholders, the Trustee shall not be authorized to take any action that would cause the Trust not to be treated as a grantor trust under the Code all of the distributions and income from which would be subject to the tax treatment described in Subpart J of Chapter 1 of the Code as to the Unitholders. The Trustee shall perform its duties hereunder so as to maintain the status of the Trust as a grantor trust as provided in Section 10.1 hereof. The Trustee shall not (a) exercise any discretionary rights with respect to the Trust Assets, (b) acquire an interest in any additional Trust Assets (other than proceeds of a sale of Trust Assets permitted under the terms of this Trust Agreement), (c) knowingly take any other action or fail to take (or fail to cause to be taken) any other action that, under the Grantor Trust Provisions, if taken or not taken, as the case may be, could adversely affect the status of (i) the Trust as a grantor trust, (ii) the Trust as a U.S. trust, or (iii) the Unitholders as grantors with respect to the Trust under the Grantor Trust Provisions (any such adverse effect on trust status, an “Adverse Trust Event”), unless the Trustee has obtained or received an Opinion of Counsel nationally recognized as competent in matters relating to the U.S. federal income taxation of organizations such as the Trust (at the expense of the party requesting such action or at the expense of the Trust Estate if the Trustee seeks to take such action or to refrain from taking any action for the benefit of the

Unitholders) to the effect that the contemplated action will not result in an Adverse Trust Event. None of the other parties hereto shall take any action or fail to take any action (whether or not authorized hereunder) as to which the Trustee has advised it in writing that the Trustee has received or obtained an Opinion of Counsel to the effect that an Adverse Trust Event could result from such action or failure to act. The Trustee may consult with counsel to make such written advice, and the cost of same shall be borne by the party seeking to take the action not permitted by this Trust Agreement, but in no event at the cost or expense of the Trust Estate or the Trustee.

Section 10.4 Reports to Unitholders and Tax Authorities.

(a) The Trustee shall perform or cause to be performed on behalf of the Trust all reporting and other tax compliance duties that are required in respect thereof under the Code, the Grantor Trust Provisions or other compliance guidance issued by the Internal Revenue Service or any state or local taxing authority, including for avoidance of doubt the filing of IRS Forms 1099 or providing other information statements to the extent required pursuant to U. S. Treasury Regulations Section 1.671-5 (including U.S. Treasury Regulations Section 1.671-5(c)(1)), as amended or any successor provision (the “WHFIT Regulations”).

(b) Consistent with the Trust’s characterization for U.S. federal income tax purposes as a grantor trust, except to the extent required pursuant to WHFIT Regulations, no U.S. federal income tax return shall be filed on behalf of the Trust unless either (i) the Trustee shall receive an Opinion of Counsel that, based on a change in applicable law occurring after the date hereof, the Code requires such a filing or (ii) the Internal Revenue Service shall determine that the Trust is required to file such a return. In the event that the Trust is required to file tax returns, the Trustee shall prepare or cause to be prepared, and sign and file when due with the appropriate tax authorities all of the tax returns in respect of the Trust. In no event shall the Trustees, FGIC or HTA be liable for any liabilities, costs or expenses of the Trust or the Unitholders arising out of the application of any tax law, including federal, state, foreign or local income or excise taxes or any other tax imposed on or measured by income (or any interest, penalty or addition with respect thereto or arising from a failure to comply therewith) except, in the case of the Trustee, for any such liability, cost or expense attributable to the Trustee’s gross negligence, bad faith or willful misconduct.

(c) If any tax is imposed on the Trust, such tax, together with all incidental costs and expenses (including, without limitation, penalties and reasonable attorneys’ fees) shall be charged to and payable by the Unitholders on a pro rata basis; provided that in each case the Trustee shall be authorized to withhold the applicable amounts from Distributions on the applicable Trust Units and pay such amounts to the applicable taxing authority and that any amounts so withheld and paid to the applicable taxing authority shall be deemed to have been paid as a Distribution to the applicable Unitholders.

(d) The Trustee shall, for U.S. federal income tax purposes, maintain books and records with respect to the Trust on a calendar year basis or such other basis as may be required under the Code.

(e) All taxes due and payable on any amounts payable to a Unitholder with respect to a Trust Unit shall be that Unitholder’s sole responsibility.

(f) For the purposes of this ARTICLE X and any other provision of the Trust Agreement relating to the ownership of a Trust Unit for U.S. federal income tax purposes, including definitions, all references to holder, Unitholder, or beneficial owner shall mean the beneficial owner of a Trust Unit for U.S. federal income tax purposes. By acquiring an interest in a Trust Unit, a beneficial owner of the Trust Unit for U.S. federal income tax purposes shall be deemed to consent as a condition of acquiring such interest to comply with any requirements of such Article and other provisions hereof.

ARTICLE XI

MISCELLANEOUS PROVISIONS

Section 11.1 Amendment of Trust Agreement.

(a) This Trust Agreement may not be amended, waived or supplemented without the prior written consent of FGIC. This Trust Agreement may be amended, waived or supplemented from time to time by FGIC and the Trustee without the consent of any other Party or the Depositary or any Unitholders; provided, however, that no such amendment shall:

(i) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of such Unitholder;

(v) adversely affect in any material respect the interests of the Unitholders in any manner other than as described in clause (i), (ii), (iii) or (iv) above without the written consent of the Requisite Unitholders.

(b) Prior to executing any amendment permitted by this ARTICLE XI, (i) the Trustee shall be required to obtain an Opinion of Counsel that is nationally recognized as competent in matters relating to the federal income taxation of organizations such as the Trust to the effect that such amendment will not result in an Adverse Trust Event and (ii) the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Trust Agreement and that all conditions precedent have been met. The Trustee may, but shall not be obligated to, enter into any such amendment that affects the Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. The Delaware Trustee may, but shall not be obligated to, enter into any such amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. No amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement shall be effective against the Delaware Trustee unless the Delaware Trustee

has consented thereto in writing. Prior to executing any amendment permitted by this ARTICLE XI, the Delaware Trustee shall be entitled to receive and conclusively and exclusively rely upon written direction from the Trustee that such amendment is authorized and permitted by this Trust Agreement.

The words “execution,” “signed,” “signature,” and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including, without limitation, DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the US Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

Section 11.3 Limitation on Rights of Unitholders.

(a) The death or incapacity of any Unitholder shall not operate to terminate this Trust Agreement or the Trust, nor entitle such Unitholder’s legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust, nor otherwise affect the rights, obligations and liabilities of the Parties or any of them.

(b) No Unitholder shall have any right to vote (except as expressly provided for herein) or in any manner otherwise control the operation and management of the Trust, or the obligations of the Parties, nor shall anything herein set forth, or contained in the terms of the Trust Units, be construed so as to constitute the Unitholders from time to time as partners or members of an association; nor shall any Unitholder be under any liability to any third person by reason of any action taken by the Parties pursuant to any provision hereof.

(c) No Unitholder shall have any right by virtue of any provision of this Trust Agreement to institute any suit, action or proceeding in equity or at law upon or under or with

respect to this Trust Agreement or any of the Trust Assets. Nothing in this paragraph shall be construed to limit in any manner the ability of any Party (notwithstanding the ownership by such Party of Trust Units) to institute any suit, action or proceeding upon or under or otherwise with respect to this Trust Agreement or to enforce in any manner its rights as a party hereunder.

Section 11.4 Notices.

All demands, notices and certifications under this Trust Agreement shall be in writing. All demands, notices and certifications under this Trust Agreement shall be deemed to have been duly given to each Party other than FGIC when personally delivered or mailed by first class mail, postage prepaid, or by express delivery service, to such Party at (a) in the case of the Trustee, U.S. Bank Trust Company, National Association, 100 Wall Street, 6th floor, New York, NY 10005, (b) in the case of the Delaware Trustee, U.S. Bank Trust National Association, 100 Wall Street, 6th floor, New York, NY 10005, and (c) in the case of HTA, [c/o Fiscal Agency and Financial Advisory Authority, Roberto Sánchez Vilella (Minillas) Government Center, De Diego Ave. Stop 22, San Juan, Puerto Rico 00907, Attn: Office of the Executive Director], or in each of the above cases such other address as may hereafter be furnished by such Party to each other Party in writing. Any notice or communication so transmitted to the Depositary within the time prescribed in this Trust Agreement shall be conclusively presumed to have been duly given to the Unitholders at the time of transmission, whether or not and regardless of when any Unitholder actually receives such notice or communication. A copy of any notice given hereunder to any other Party shall be delivered to the Trustee. The Trustee shall post all notices delivered hereunder to EMMA within five (5) Business Days of receiving such notice or a copy of such notice, as applicable.

Section 11.5 Severability of Provisions.

If any one or more of the covenants, agreements, provisions or terms of this Trust Agreement shall be for any reason whatsoever held invalid, then to the fullest extent permitted by law such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Trust Agreement and shall in no way affect the validity or enforceability of the other provisions of this Trust Agreement or of the Trust Units or the related rights of the Unitholders.

Section 11.6 Acts of Unitholders.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Trust Agreement to be given or taken by Unitholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Unitholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the

Trustee and ownership of the Units held by such Unitholders is confirmed by Depositary. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and conclusive in favor of the Trustee. The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Trustee deems sufficient. The ownership of Trust Units shall be proved by the Depositary.

Section 11.7 Headings.

Article and Section headings in this Trust Agreement are included herein for convenience of reference only and shall not constitute a part of this Trust Agreement for any other purpose or be given any substantive effect.

Section 11.8 No Waiver; Cumulative Remedies.

No failure to exercise and no delay in exercising, on the part of any Party of any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

Section 11.9 Merger and Integration.

This Trust Agreement and the documents and exhibits expressly incorporated herein set forth the entire understanding of the Parties relating to the subject matter hereof and thereof, and all prior understandings, written or oral, are superseded by this Trust Agreement.

Section 11.10 [Reserved].

Section 11.11 Patriot Act.

The Parties acknowledge that in accordance with Section 326 of the U.S.A.PATRIOT Act, the Trustees, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustees. The Parties agree that they will provide the Trustees with such information as they may request in order for the Trustees to satisfy the requirements of the U.S.A.PATRIOT Act.

Section 11.12 Governing Law; Venue Jury Waiver.

THIS TRUST AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS TRUST AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS TRUST AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS TRUST AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW

PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY WAY RELATED TO THIS TRUST AGREEMENT, OR (B) IN ANY WAY IN CONNECTION WITH OR PERTAINING TO OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES WITH RESPECT TO THIS TRUST AGREEMENT OR IN CONNECTION WITH THIS TRUST AGREEMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS TRUST AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. EACH OF THE PARTIES IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY FEDERAL OR STATE COURTS SITTING IN THE STATE OF DELAWARE IN RESPECT OF ANY ACTION OR PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS TRUST AGREEMENT. EACH PARTY TO THIS TRUST AGREEMENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH PROCEEDINGS IN ANY SUCH COURT AND ANY CLAIM THAT ANY PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 11.13 Force Majeure.

In no event shall the Trustees be responsible or liable for any failure or delay in the performance of their obligations hereunder arising out of or caused by, directly or indirectly, forces beyond their control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, pandemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustees shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 11.14 Intent of Parties.

(a) The Parties intend that, for all purposes, the transfer to the Trust of the Trust Estate pursuant to Section 2.2 in each case shall be, and shall be construed as, a transfer thereof to the Trust on behalf of the Original Holders in lieu of a transfer thereof to the Trust directly by the Original Holders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Closing Date, HTA will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of HTA or HTA's estate in the event of a liquidation, reorganization, or similar proceeding of HTA and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. The Parties agree to treat the transfer contemplated hereby for all purposes (including financial accounting purposes) as an absolute transfer on all relevant books, records, financial statements and other documents.

(b) The Trust Estate will be held by the Trust free and clear of any lien or encumbrance of any Person claiming through or under HTA.

(c) Notwithstanding anything to the contrary in this Trust Agreement or in any other document governing the formation, management, or operation of the Trust, if and for so long as any Trust Unit remains outstanding, none of the Unitholders, FGIC, the Trustees, nor any other Person shall authorize, cause or permit the Trust to (and the Trust shall not, and neither Trustee shall directly take any action that to its actual knowledge would, violate any of the following):

(ii) acquire or own any assets other than the Trust Estate or lease any assets;

(iii) fail to preserve its existence as an entity duly formed, validly existing and in good standing (if applicable) under the laws of the State of Delaware, or fail to remain qualified to do business in each state in which such qualification is required, for any reason, including in order to perform its obligations under this Trust Agreement;

(iv) fail to observe at any time any necessary, appropriate and customary corporate, organizational, company and/or other legal formalities to maintain its separate existence;

(v) fail to act solely in its own name or in the name of the Trustee through duly authorized agents in the conduct of its activities;

(vi) provide for the payment of its expenses, indebtedness or other obligations other than from its own separate assets;

(vii) have its debts or other obligations guaranteed by any other Person or hold itself out as responsible for the debts or other obligations of any other Person;

(viii) commingle its assets or liabilities with those of any other Person;

(ix) fail to maintain its own records, books of account, bank accounts, accounting records and other entity documents separate and apart from those of any other Person;

(x) divert funds for any purpose other than as set forth in this Trust Agreement;

(xi) enter into any contract, agreement or transaction with any Unitholders, HTA, FGIC, any principal or other Affiliate of the Trust, or any shareholder, general partner, member, principal or Affiliate thereof, except as expressly authorized herein;

(xii) maintain its assets in such a manner that it will be costly or difficult to segregate, ascertain or identify its individual assets from those of any other Person;

(xiii) incur, create or assume any indebtedness of or buy or hold evidence of indebtedness issued by any other Person (other than as contemplated by this Trust Agreement); guarantee or hold itself out to be responsible for the debts of another Person or otherwise pledge its assets to secure the obligations of any other Person, or hold out its credit or assets as being available to satisfy the obligations of any other Person or seek to incur, create or assume any indebtedness based upon the assets of any other Person;

(xiv) perform any duties or obligations of HTA or any other Person;

(xv) make any loans or advances to any third party, including any Unitholder, HTA or any Affiliate of the Trust, or any principal or Affiliate thereof;

(xvi) fail to file its own tax returns as and if required to do so by applicable law (subject to any permitted extensions and except to the extent the Trust is treated as a grantor trust for tax purposes) and to pay any taxes required to be paid by it under applicable law;

(xvii) fail to hold itself out to the public as a legal entity separate and distinct from any other Person, fail to conduct its activities solely in its own name or in the name of the Trustee and as a separate and distinct entity, or fail to correct any known misunderstanding regarding its separate identity;

(xviii) identify itself as a department or division of any other Person;

(xix) fail to observe all formalities required of a Delaware statutory trust;

(xx) fail to pay its expenses and liabilities only out of its own funds to the extent such funds are available and fail to hold its assets only in its own name; provided, however, the foregoing shall not require HTA to sell any assets, or make any capital contribution, to the Trust;

(xxi) conduct any oral or written communication, including letters, invoices, purchase orders, contracts, statements and applications, other than in its own name or in the name of the Trustee; or

(xxii) (a) institute proceedings to have the Trust declared or adjudicated a bankrupt or insolvent, (b) consent to the institution of bankruptcy or insolvency proceedings against the Trust, (c) file a petition or consent to a petition seeking reorganization or relief on behalf of the Trust under any applicable federal or state law relating to bankruptcy, (d) consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or any similar official) of the Trust or a substantial portion of the property of the Trust, (e) make any assignment for the benefit of the Trust's creditors, (f) cause the Trust to admit in writing its inability to pay its debts generally as they become due or (g) take any action, or cause the Trust to take any action, in furtherance of any of the foregoing.

(d) Failure of the Trust, HTA, FGIC, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 11.14 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 11.14 conflicts with, violates or otherwise is in contravention with any other provision of this Trust Agreement, the Parties and each Unitholder agree that the terms set forth in this Section 11.14 shall be controlling as expressly set forth herein.

Section 11.15 Non-Petition.

HTA, FGIC, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another Person, the Trustee may file appropriate proofs of claim.

Section 11.16 Certain Terms Regarding HTA.

For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Unitholders shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, HTA, and no recourse shall be had against any officer, director, manager, employee, security holder or incorporator of HTA, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and HTA assumes no responsibility for their correctness. HTA makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of HTA nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of HTA or any of its affiliates.

(iv) HTA shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

Section 3.5 Threshold Event or Permitted Sale Event.

(a) The Trustee shall not sell any HTA Clawback CVIs except upon a Threshold Event or Permitted Sale Event and subject to the terms of Section 3.5(b), provided that the Trustee shall be authorized to make the assignments and transfers contemplated by Sections 3.3 and 3.6. Upon the Trustee's receipt of a notice substantially in the form of Exhibit E-1 attached hereto as contemplated by clause (ii) of the definition of "Permitted Sale Event", the Trustee shall (i) provide the notice to Unitholders contemplated by clause (iii) of such definition (with a copy of such notice to FGIC) as soon as practicable and in any event within three (3) Business Days of receiving FGIC's notice, and (ii) no later than the tenth (10th) Business Day following the date of such notice to Unitholders, notify FGIC in writing whether the Trustee has received a written objection from the Requisite Unitholders as contemplated by clause (iv) of such definition.

(b) Upon the occurrence of a Threshold Event or Permitted Sale Event with respect to which FGIC has provided written instruction to the Trustee (substantially in the form of

Exhibit E-2 hereto, in the case of a Threshold Event, or Exhibit E-3 hereto, in the case of a Permitted Sale Event) to sell some or all of the HTA Clawback CVIs, the Trustee shall seek to sell HTA Clawback CVIs to the person(s) identified to the Trustee by FGIC in such instruction (which instruction shall also include the applicable sale price(s), the information for the account(s) to which such HTA Clawback CVIs shall be transferred by the Trustee and any other details, including relevant broker(s), to be utilized by the Trustee for such sale) as soon as practicable and in any event within one (1) Business Day of receiving such instruction, provided that: (i) any such sale is made at price(s) that equal or exceed the Fair Market Value applicable to such sale, as confirmed to the Trustee by FGIC, (ii) any such sale is made at price(s) that equal or exceed the applicable Threshold Price in the case of a Threshold Event or the applicable Permitted Sale Price in the case of a Permitted Sale Event, and (iii) all proceeds of such sales shall be deposited into the General Collection Account.

Section 3.6 Surrendered Units.

(a) Subject to satisfaction of the conditions set forth in Section 3.6(b), any Unitholder may, at any time and from time to time, elect to surrender Units held by such Unitholder (as confirmed by the Depositary) to the Trustee for cancellation (the “Surrendered Units”) in exchange for a transfer to such Unitholder of its proportional percentage of HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, by giving written notice thereof to FGIC and the Trustee (a “Unitholder Election”).

(b) The following conditions must be satisfied to permit and effectuate any Unitholder Election: (i) FGIC shall, in its sole discretion, have consented in writing to such Unitholder Election (other than any Unitholder Election in connection with which FGIC shall not have agreed or otherwise be obligated to pay any consideration for the release set forth in clause (iv) below), (ii) the Surrendered Units shall be cancelled by the Trustee with an automatic and immediate corresponding reduction in the aggregate Notional Amount of the Units and the Trustee shall deliver written notice of such cancellation and reduction to the Depositary, (iii) the outstanding principal amount of the Covered FGIC Insured Bonds shall automatically and immediately be reduced on a proportionate dollar-for-dollar basis (based on the proportion of the Notional Amount of such Surrendered Units to the aggregate Notional Amount of the Units at that time) with an automatic and immediate corresponding reduction in FGIC’s obligations under the Covered FGIC Insurance Policy, which reductions shall be acknowledged by the Trustee, and (iv) such Unitholder shall execute and deliver a release, in form and substance satisfactory to FGIC, releasing all rights and claims of any kind it may have relating to the Surrendered Units or the Covered FGIC Insurance Policy subject to receipt of consideration, if any, that FGIC shall have agreed in writing to pay to such Unitholder in consideration for release. Upon satisfaction of such conditions, the Trustee shall transfer to the Unitholder ownership of the applicable proportional percentage of the HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, as directed by FGIC. FGIC’s consent to any Unitholder Election shall not limit its right, in its sole discretion, to deny its consent to any other Unitholder Election.

Section 3.7 FGIC Election to Accelerate Policy Payments.

(a) Section 3.7(b) shall apply to the Trust and the Covered FGIC Insurance Policy as of the date that is thirty (30) Business Days following the Closing Date unless the Requisite Unitholders notify the Trustee in writing prior to such date of their election that Section 3.7(b) shall not so apply.

(b) Pursuant to the Plan, the payment of the principal of the Covered FGIC Insured Bonds was accelerated and such Covered FGIC Insured Bonds are due and payable at an “acceleration price” of one hundred percent (100%) of the principal amount thereof, plus accrued interest thereon, or 100% of accreted amounts thereon, to the date of payment. FGIC is not obligated to pay any claims on an accelerated basis under the Covered FGIC Insurance Policy. FGIC shall have the right, in its sole and absolute discretion, to elect at any time to permit a claim under the Covered FGIC Insurance Policy in the amount of such acceleration price at such time (regardless of whether the Trustee shall have submitted a claim therefor to FGIC) and to make payment to the Trustee in respect of such permitted claim under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan; provided, however, that FGIC shall not be obligated to make all or any portion of such payment, unless and until, with respect to the portion of such payment relating to the principal of the Covered FGIC Insured Bonds which will be paid or deemed to be paid by FGIC in cash (the “Cash Acceleration Payment”), the Trustee shall have executed and delivered to FGIC (or its fiscal agent) assignments in substantially the form of Exhibit G with respect to a proportionate share (based on the proportion of such Cash Acceleration Payment compared to the total principal amount of the Covered FGIC Insured Bonds then held by the Trust) of the Trust Assets held by the Trust, as confirmed by FGIC, and taken such action as shall be necessary to transfer such Trust Assets to the account of FGIC or its custodian, in either case as directed by FGIC in writing, and receipt of such Trust Assets shall have been confirmed by FGIC.

(c) At any time, Requisite Unitholders can notify the Trustee of an election that Section 3.7(b) shall apply notwithstanding a prior election under Section 3.7(a), and such notice will be effective upon agreement by FGIC within 30 Business Days of such notification.

ARTICLE IV

REPORTING/REMITTING TO UNITHOLDERS

Section 4.1 Statements to Unitholders and FGIC.

On a quarterly basis, the Trustee shall prepare and post a statement to EMMA, in the form attached hereto as Exhibit B and provide notice of such statement to the Unitholders and FGIC in accordance with the Notice provisions of Section 11.4 setting forth:

(a) all distributions made from the General Collection Account during the quarter and during the year to date (on an aggregate and per Unit basis), identifying the portion thereof attributable to the amount of (i) asset sales; and (ii) CVI payments;

(b) all distributions made from the FGIC Insurance Policy Collection Account during the quarter and during the year to date (on an aggregate and per Unit basis);

(c) the principal amount (or accreted amount, as applicable) as of the quarter end of each CUSIP number of HTA Clawback CVI held by the Trust (or any other securities or property received in respect thereof or in exchange therefor) (on an aggregate and per Unit basis);

(d) the DPO balance and DPO Accretion balance associated with the Covered FGIC Insured Bonds under the Covered FGIC Insurance Policy as of the quarter end, to the extent such information has been furnished to the Trustee by FGIC;

(e) the principal amount of, and the accrued and unpaid interest on, the Covered FGIC Insured Bonds as of the end of the quarter, together with a description of the changes in such amounts during the quarter;

(f) any notices received by the Trustee from FGIC in connection with any required DPO and DPO Accretion payments associated with the Covered FGIC Insured Bonds under the Covered FGIC Insurance Policy;

(g) (i) the respective amounts paid to the Trustees for trustee fees, other Trustee Costs under Section 7.5(a), Trustee Costs under Section 7.5(b) and indemnification amounts under Section 7.12, a description of such indemnification amounts and Trustee Costs, (ii) the amount of any Other Trust Costs reimbursed under Section 7.5(c), if applicable, and (iii) the ending Fee Reserve balance for each quarter; and

(h) any required tax reporting for such period.

Section 4.2 Compliance with Withholding Requirements.

Notwithstanding any other provisions of the Trust Agreement, the Trustee shall comply with all federal withholding requirements with respect to payments to the Depositary and the Unitholders that the Trustee reasonably believes are applicable under the Code. The consent of the Depositary and the Unitholders shall not be required for such withholding. In the event the Trustee does withhold any amount from payments to the Depositary or any Unitholder pursuant to federal withholding requirements, the Trustee shall indicate with any payment to the Depositary or such Unitholder the amount withheld. Any amounts withheld shall be treated as a distribution of cash to the Depositary or Unitholder, as the case may be, in the amount of the withholding for all purposes and shall thereby reduce amounts otherwise distributable to the Depositary or such Unitholder. If an amount required to be withheld was not withheld, the Trust may reduce subsequent distributions by the amount of such required withholding.

ARTICLE V

THE UNITS

Section 5.1 The Units.

(a) The Units shall be evidenced by the Certificate issued by the Trustee to the Depositary in accordance with Section 5.2(a).

(b) As of the Closing Date, the Notional Amount of the Units issued under this Trust Agreement shall be the Notional Amount set forth in Exhibit C, which is the aggregate original principal amount as of their date of issuance of those Covered FGIC Insured Bonds deposited, or deemed hereunder to have been deposited, into the Trust. The beneficial ownership of the Units as of the Closing Date shall be allocated by the Depositary among the Original Holders on a proportionate basis based on the aggregate original principal amount as of their date of issuance of each original Holder's respective Covered FGIC Insured Bonds that are deposited, or deemed hereunder to have been deposited, into the Trust on the Closing Date.

(c) All Units issued under this Trust Agreement shall be evidenced by the same Certificate, subject to the requirements of the Depositary, and otherwise identical in all respects. All Units issued under this Trust Agreement shall be in all respects equally and ratably entitled to the benefits hereunder without preference, priority or distinction on account of the actual time or times of authentication and delivery, and shall be held and transferable only through the Depositary.

(d) No additional interests in the Trust other than the Certificate and the Units shall be issued hereunder, except in accordance with Section 5.3.

Section 5.2 The Certificate; Book-Entry-only System.

(a) On the Closing Date, upon deposit of all of the Trust Assets into the Trust pursuant to the Plan of Adjustment and as provided in Section 2.2, the Trustee shall issue to the Depositary the initial Certificate by executing and delivering the Certificate, on behalf of this Trust, with the manual or facsimile signature of an authorized officer or other agent of the Trustee.

(b) The Trust shall issue the Certificates to the Depositary. Consistent with DTC book-entry provisions, one or more typewritten Certificates shall be prepared and registered in the name of the Depositary or its nominee. There shall be no physical delivery of the Certificate or Units to the Unitholders (other than the Depositary) or other beneficial owners.

(c) DTC is hereby appointed as the initial Depositary, with Cede & Co., a nominee thereof, being the initial registered owner of the Certificate. In the event that any Depositary resigns or is removed, the Trustee shall select a substitute Depositary. Notwithstanding anything herein to the contrary, the Trust and each of the Trustees, and any agent of the Trust or either of the Trustees, may treat any Depositary in whose name any Certificate is registered as the owner of the Units for all purposes, including for actions by Unitholders. For so long as the Depositary is the registered owner of the Certificate, procedures with respect to the transmission of notices and the transfer of ownership and payment of Units shall be in accordance with arrangements between the Trustee and the Depositary. The Certificate shall be issued in global form and the Units represented thereby shall be freely tradeable and transferable through the Depositary.

(d) Notwithstanding anything herein to the contrary, so long as the Certificate is registered in the name of the Depositary, the Trust and the Trustee shall have no responsibility or obligation to any Depositary participant, indirect participant or beneficial owner of the Certificate or Units. Without limiting the immediately preceding sentence, the Trust and the

Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of any Depositary or any Depositary participant or indirect participant with respect to any beneficial ownership interest in the Certificate, (ii) the delivery to any Depositary participant, indirect participant, beneficial owner or any other person, other than the Depositary, of any notice with respect to the Certificate or Units, including any notice of Record Date, distribution date, payment, redemption or tender, or (iii) the payment to any Depositary participant, indirect participant, beneficial owner or any other person, other than the Depositary, of any amount with respect to Units or Certificate. The rights of Unitholders shall be limited to those established by law and agreements between the Unitholders and the Depositary and Depositary participants and as provided herein.

(e) A CUSIP number will be imprinted on the Certificate, but such CUSIP number shall not constitute a part of the contract evidenced by the Certificate or Units. As a convenience to the Depositary and Unitholders, the Trust and the Trustees may use such CUSIP numbers in any notices to the Depositary and Unitholders.

Section 5.3 Mutilated, Destroyed, Lost and Stolen Certificate.

(a) If (i) any mutilated Certificate is presented to the Trustee or (ii) the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and there is delivered to the Trustee such security or indemnity as it may require to save it harmless, and the Trustee has not received notice that such Certificate (and the Units represented thereby) has been acquired by a protected purchaser, then, in each case, the Trustee shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor, form, terms and principal amount, bearing an identifying number not used by any contemporaneously existing Certificate, so that neither gain nor loss in interest shall result from such exchange or substitution.

(b) Upon the issuance of any new Certificate under this Section, the Trustee may require the payment by the Certificate holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(c) Every new Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust Assets to the extent provided herein, whether or not the destroyed, lost or stolen Certificate shall be at any time enforceable by anyone, and the Units represented thereby shall be entitled to all the benefits of this Trust Agreement.

(d) The terms of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Units.

Section 5.4 No Obligation to Register.

The Trustee is not obligated to register or qualify any Certificate or Unit under the Securities Act of 1933, as amended, and the rules and regulations promulgated by the Securities and Exchange Commission thereunder, or any other securities laws or to effect any qualification under the Trust Indenture Act of 1939, as amended.

Section 5.5 Persons Deemed Owners.

Subject to Section 5.3, but notwithstanding anything else in this Trust Agreement, the Trustee and any agent of the Trustee may treat the Depositary or its nominee in whose name the Certificate is registered as the owner of the Units on the related distribution date for the purpose of receiving distributions on such Units and for all other purposes whatsoever, including for actions by Unitholders, and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary. All distributions made hereunder to the Depositary or its nominee, or upon its order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys distributable upon the Units.

Section 5.6 Cancellation.

All Certificates evidencing Units surrendered for payment, redemption, transfer or exchange shall be delivered to the Trustee and shall be promptly canceled by the Trustee. The Trustee and no one else will cancel all such Certificates surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Certificates in accordance with its customary procedures. No Certificate shall be authenticated in lieu of or in exchange for any Certificates canceled as provided in this Section, except as expressly permitted by this Trust Agreement.

ARTICLE VI

HTA CLAWBACK CVIs

Section 6.1 Voting Rights with Respect to HTA Clawback CVIs.

(a) Within three (3) Business Days after receipt of notice of any meeting of, or other occasion for the exercise of voting rights or the giving of consents by, owners of any of the HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor), the Trustee shall deliver a copy of such notice to FGIC and the Unitholders.

(b) The voting and direction rights allocable to the owners of the HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor) pursuant to the terms thereof (including voting and direction rights in respect of remedies) (“Voting Rights”) shall be allocated to FGIC unless FGIC is in default under the Covered FGIC Insurance Policy (a “Voting Rights Condition”). Upon the written request of FGIC, subject to the immediately preceding sentence, the Trustee shall vote in accordance with any instruction set forth in such written request. Upon the occurrence and continuation of a Voting Rights Condition, the Voting Rights will be deemed to be held on a pro rata basis by the Unitholders, and the Trustee may act at the direction of the Requisite Unitholders.

ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.1 Duties of Trustee.

(a) Every provision of this Trust Agreement relating to the conduct of, affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VII.

(b) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee.

(c) The Trustee shall (at the direction of the Requisite Unitholders) take all necessary or desirable actions to enforce the Covered FGIC Insurance Policy against FGIC as set forth herein.

(d) The Trustee shall deliver to all Unitholders copies of all notices and written communications received from HTA as they relate to the HTA Clawback CVIs.

(e) Except as provided in Section 7.2 hereof, no provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own grossly negligent action, grossly negligent failure to act, bad faith or willful misconduct; provided, however, that:

(i) The Trustee shall not be liable for an error of judgment made in good faith by an Officer of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(ii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of FGIC or the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the HTA Clawback CVIs exercising any trust or power conferred upon the Trustee with respect to the HTA Clawback CVIs, under this Trust Agreement;

(iii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the Covered FGIC Insurance Policy or exercising any trust or power conferred upon the Trustee with respect to the Covered FGIC Insurance Policy, under this Trust Agreement; and

(iv) Any determination of gross negligence, bad faith or willful misconduct of the Trustee shall be made only upon the rendering of a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

Section 7.2 Certain Matters Affecting the Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties. Further, the Trustee may accept a copy of the vote of the board of directors or equivalent governing body of any party certified by its clerk or assistant clerk or secretary or assistant secretary as conclusive evidence of the authority of any Person to act in accordance with such vote, and such vote may be considered as in full force and effect until receipt by the Trustee of written notice to the contrary;

(b) The Trustee may, in the absence of bad faith on its part, conclusively rely upon an Opinion of Counsel or certificate of an Officer of the appropriate Person whenever in the administration of this Trust Agreement the Trustee shall deem it desirable that a matter be proved or established (unless other evidence be herein specifically prescribed) prior to taking, suffering or omitting any action hereunder;

(c) The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in reliance on such advice or Opinion of Counsel;

(d) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Trust Agreement or to institute, conduct, defend or continue any litigation thereunder or in relation thereto at the request, order or direction of the Requisite Unitholders, pursuant to the provisions of this Trust Agreement, unless such Unitholders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) The Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Trust Agreement;

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by FGIC or the Requisite Unitholders; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Trust Agreement, the Trustee may require indemnity against such expense or liability as a condition to taking any such actions;

(g) The Trustee may execute any of the trusts or powers under this Trust Agreement or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and the Trustee shall not be responsible for the supervision of or any

misconduct or negligence on the part of any agent or attorney appointed with due care by it under this Trust Agreement;

(h) Whenever the Trustee is authorized herein to require acts or documents in addition to those required to be provided it in any matter, it shall be under no obligation to make any determination whether or not such additional acts or documents should be required unless obligated to do so under Section 7.1;

(i) The Trustee shall not be deemed to have notice of any matter unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the applicable Trust Units generally, HTA, the Trust or this Trust Agreement;

(j) None of the provisions of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it;

(k) Notwithstanding anything herein to the contrary, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(l) The permissive rights of the Trustee to perform any discretionary act enumerated in this Trust Agreement shall not be construed as a duty or obligation, and the Trustee shall not be answerable in the performance of such act other than for its gross negligence, bad faith or willful misconduct;

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian, co-trustee and other Person employed to act hereunder;

(n) The Trustee shall have no duty (A) to see to any recording, filing, or depositing of this Trust Agreement or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any re-recording, re-filing or re-depositing of any thereof, (B) to see to any insurance, (C) to see to the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Trust Estate, or (D) to confirm or verify the contents of any reports or certificates delivered to the Trustee pursuant to this Trust Agreement believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties;

(o) The Trustee shall have no liability or responsibility for the acts or omissions of any other party to any of this Trust Agreement or any related document;

(p) The Trustee shall have no duty or obligation to obtain or solicit any collateral or any funds to be remitted in any of the accounts established under this Trust

Agreement, and shall have a duty only to accept such collateral or funds delivered to it in accordance with this Trust Agreement;

(q) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(r) The Trustee may request the delivery of a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Trust Agreement;

(s) All rights of action under this Trust Agreement or under any of the Trust Units, enforceable by the Trustee, may be enforced by it without the possession of any of the Trust Units or the Certificate, or the production thereof at the trial or other proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Unitholders, subject to the provisions of this Trust Agreement; and

(t) The Trustee shall establish a Fee Reserve, which Fee Reserve shall be replenished up to the Fee Reserve Threshold Amount in accordance with Section 3.4(a), and the Trustee shall be permitted to apply the amounts therein to pay Trustee Costs.

Section 7.3 Trustee Not Liable for Units or HTA Clawback CVIs, the Covered FGIC Insured Bonds or the Covered FGIC Insurance Policy.

The Trustee assumes no responsibility for the correctness of the recitals contained in this Trust Agreement and in the Trust Units or Certificate. The Trustee makes no representations or warranties as to the validity or sufficiency of this Trust Agreement or of the Trust Units (other than the signature and authentication of the Trustee on the Certificate) or of the, HTA Clawback CVIs, the Covered FGIC Insured Bonds, the Covered FGIC Insurance Policy or related documents. The Trustee shall not be accountable for the use or application of any of the Trust Units, or for the use or application of any funds in respect of the HTA Clawback CVIs or deposited in or withdrawn from the Trust in accordance with this Trust Agreement other than, in each case, any funds held by or on behalf of the Trustee in accordance with Article III. The Trustee, in its capacity as Trustee hereunder, shall have no responsibility or obligation to comply with, or to monitor any other Person's compliance with, the CVI Legislation or the Clawback CVI Indenture.

Section 7.4 Trustee May Own Units.

The Trustee in its individual capacity or any other capacity may become the owner or pledgee of Trust Units with the same rights it would have if it were not Trustee.

Section 7.5 Trustee Costs and Expenses.

(a) The Trustees shall each be entitled to receive from the Trust (i) fees agreed upon in writing, including such fees set forth in the Trustee Fee Schedule, (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by each of the Trustees in the execution of the trusts created under this Trust Agreement and in the exercise and performance of any of the powers and duties thereunder or the administration of the Trust, (ii) reimbursement for (x) all reasonable fees, expenses, costs and

disbursements incurred or made by either of the Trustees in accordance with any of the provisions of this Trust Agreement, including Section 7.5(b) hereof (including the fees, expenses and disbursements of their respective counsel and of all persons not regularly in their respective employ), and (y) their indemnities pursuant to Section 7.12 hereof, and (iii) amounts to be promptly used by the Trustee to pay any reasonable fees, expenses or costs then owed by the Trust in accordance with this Trust Agreement and not covered by clause (ii) of this Section 7.5(a) (collectively, the “Trustee Costs”). For the avoidance of doubt, it is understood and agreed by the Parties that Trustee Costs under clause (ii) or (iii) of this Section 7.5(a) may include amounts of reasonable fees, expenses, costs, disbursements or indemnities that properly relate to the Trust and to one or more other trusts created under other trust agreements to which HTA, FGIC and the Trustees are party, which amounts have been reasonably and fairly allocated by the Trustee to the Trust in good faith as the Trust’s share and are described in each relevant statement prepared and provided by the Trustee pursuant to Section 4.1. All such Trustee Costs shall be paid to the Trustees in accordance with the provisions of Section 3.4 hereof or taken from the Fee Reserve.

(b) In furtherance of Section 7.5(a), each of the Trustees shall be entitled to receive reimbursement for all reasonable out-of-pocket expenses which are properly documented and incurred or made by it, including costs of collection, payable as a result of or in connection with litigation, enforcement actions or other proceedings brought by Unitholders against HTA, the Trust, or such Trustee except for proceedings, litigation or enforcement actions that relate to such Trustee’s grossly negligent action, grossly negligent failure to act, bad faith or its own willful misconduct as determined by a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

(c) For the avoidance of doubt, neither HTA nor FGIC shall be liable for any Trustee Costs or Other Trust Costs. FGIC may, in its sole discretion, elect to pay any Other Trust Costs, in which case FGIC shall be reimbursed by the Trustee at the time of the next distribution of any amount under Section 3.4(a) hereof upon notifying the Trustee of the amount to be so reimbursed.

Section 7.6 Eligibility Requirements for Trustee and Successor Trustee.

The Trustee and any successor Trustee shall at all times be a corporation or national banking association that: (i) is not an Affiliate of HTA, , the Commonwealth of Puerto Rico or any of its instrumentalities, or FGIC; (ii) is neither affiliated with HTA, the Commonwealth of Puerto Rico or any of its instrumentalities, nor located in the Commonwealth of Puerto Rico; (iii) is organized and doing business under the laws of any state or the United States of America; (iv) is authorized under such laws to exercise corporate trust powers; (v) is in good standing under the law of the jurisdiction in which it is organized; (vi) has a combined capital and surplus of at least \$50,000,000; (vii) is subject to supervision or examination by federal or state authority; and (viii) is a nationally recognized financial institution and fiduciary regularly acting as a trustee in the municipal finance market. If such corporation or national banking association publishes reports of its conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time any Trustee or successor Trustee shall

cease to be eligible in accordance with the provisions of this Section, such Trustee or successor Trustee shall resign immediately in the manner and with the effect specified in Section 7.7.

Section 7.7 Resignation and Removal of the Trustee.

(a) The Trustee may at any time resign and be discharged from the trusts created pursuant to this Trust Agreement by giving 60 days written notice, which shall be posted to EMMA by the Trustee. Upon receiving such notice of resignation, FGIC shall promptly appoint a successor trustee meeting the requirements set forth in Section 7.6 by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Unitholders and posted to EMMA by the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Trust.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 7.6 and shall fail to resign after written request therefor by FGIC or the Requisite Unitholders, or if any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then FGIC or the Requisite Unitholders may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee.

(c) FGIC, with the written consent of the Requisite Unitholders, may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(d) The Requisite Unitholders, with the written consent of FGIC (which consent shall not be unreasonably withheld or delayed by FGIC in the event the Trustee is in default of its obligations hereunder to enforce the Covered FGIC Insurance Policy), may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(e) Any resignation of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until the acceptance of appointment by the successor trustee as provided in Section 7.8 hereof. The compensation and reimbursement for fees and expenses of any successor trustee appointed in connection with the resignation of the Trustee shall be the sole responsibility of the Trust, including the costs and expenses incurred in connection with any such succession.

(f) Any removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until (i) acceptance of appointment by the successor trustee as provided in Section 7.8 hereof and (ii) payment of all costs, expenses and indemnities due and owing to the outgoing Trustee, including the costs and expenses incurred in connection with any such succession. In the event the Trustee is removed due to a request by the Requisite Unitholders pursuant to Section 7.7(b), then the fees and expenses of the successor trustee incurred in connection with any such succession shall be the sole responsibility of the Unitholders requesting such removal.

(g) The compensation for any successor trustee shall be paid in substantially the same manner as compensation was paid to the predecessor trustee.

(h) Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the rights, benefits, protections and indemnities afforded to the Trustee under this ARTICLE VII shall continue to the benefit of the retiring Trustee.

Section 7.8 Successor Trustee.

(a) Any successor trustee appointed as provided in Section 7.7 shall execute, acknowledge and deliver to the Unitholders, FGIC and the predecessor trustee an instrument accepting such appointment under this Trust Agreement and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as trustee herein. The predecessor trustee shall deliver to the successor trustee all related documents and statements held by it under this Trust Agreement and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations.

Section 7.10 Appointment of Trustee Custodians.

The appointment of any Trustee Custodian may at any time be terminated and a substitute custodian appointed therefor by the Trustee. Subject to ARTICLE VII, the Trustee agrees to comply with the terms of each custodial agreement and to enforce the terms and provisions thereof against the Trustee Custodian for the benefit of the Unitholders. Each Trustee Custodian shall be a depository institution or trust company subject to supervision by federal or state authority, shall have combined capital and surplus of at least \$10,000,000 and shall be qualified to do business in the jurisdiction in which it holds any asset constituting part of the Trust Estate. Any such Trustee Custodian may not be an Affiliate of HTA or FGIC. The Trustee is responsible for the fees and expenses of any Trustee Custodian appointed hereunder.

All rights of action and claims under this Trust Agreement or the Certificate may be prosecuted and enforced by the Trustee without the possession of any of the Trust Units or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name or in its capacity as Trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, fees, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Unitholders in respect of which such judgment has been recovered.

The Trust shall indemnify the Trustees for, and hold them harmless against, any loss, liability or expense arising out of or in connection with their acceptance or administration of the Trust, including the reasonable costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their respective powers or duties hereunder, provided in each case that such loss, liability, expense, cost or claim does not relate to or arise out of or in connection with either Trustee’s gross negligence, bad faith or willful misconduct.

Section 7.13 Acceptance by Trustees, Representations and Warranties of Trustees.

The Trustees each hereby undertake to perform their respective obligations set forth herein. The Trustee hereby agrees to hold the Trust Assets, as trustee in trust on behalf of the Trust upon the terms and conditions and for the use and benefit of the Unitholders as herein set forth. The Trustees each as to itself hereby represent and warrant to each of HTA, FGIC, holder of the Certificate and holders of the Units that as of the Closing Date:

(a) it is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;

(b) it has full corporate power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and has taken all necessary

corporate action to authorize the execution, delivery and performance by it of this Trust Agreement, including the execution and delivery of the Certificate on behalf of the Trust;

(c) the execution and delivery of this Trust Agreement by it and its performance of and compliance with the terms of this Trust Agreement will not violate its certificate of incorporation, association or other constituent documents or by-laws or constitute a default under, or result in the material breach or acceleration of, any material contract, agreement or other instrument to which it is a party or which may be applicable to it or any of its assets;

(d) as of the Closing Date, this Trust Agreement has been duly executed and delivered by it and, assuming the due authorization, execution and delivery of this Trust Agreement by each of the other parties hereto, constitutes the legal, valid and binding obligation of it, enforceable in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(e) it is not in violation, and the execution and delivery of this Trust Agreement by it and its performance and compliance with the terms thereof will not constitute a violation, of any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over it or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of it or its properties or on the performance of its duties hereunder;

(f) there are no actions or proceedings against, or investigations of, it pending, or, to its knowledge, threatened, before any court, administrative agency or other tribunal (i) that could reasonably be expected to prohibit its entering into this Trust Agreement, (ii) seeking to prevent the issuance of the Certificate contemplated by this Trust Agreement or (iii) that could reasonably be expected to materially affect the performance by it of its obligations under, or the validity or enforceability against it of, this Trust Agreement; and

(g) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by it of, or compliance by it with, this Trust Agreement, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date, other than the filing of the Certificate of Trust with the Secretary of State.

Section 7.14 The Delaware Trustee.

(a) There shall at all times be a Delaware Trustee. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law and acts through one or more persons authorized to bind such entity. With the exception of the express duties set forth in this Section 7.14 (b), and the implied contractual covenant of good faith and fair dealing, all other duties of the Delaware Trustee, including fiduciary duties, are expressly eliminated. The Delaware Trustee shall have no liability to the Trust, to the Trustee, to any beneficiary, or to any other person that is a party to or is otherwise bound by this Trust Agreement for breach of contract or breach of duties (including fiduciary duties), except for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. The Delaware Trustee shall not be liable for any acts or omissions, except for such losses, damages or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Delaware Trustee's gross negligence, bad faith or willful misconduct.

(c) The Delaware Trustee shall not be liable for the acts or omissions of the Trust, the Trustee or any other person or entity, nor shall the Delaware Trustee be liable for supervising or monitoring the performance of the duties of the Trustee or the Trust or of any other person or entity under this Trust Agreement or any related document.

(d) The Delaware Trustee shall not be personally liable for any error of judgment made by an Officer of the Delaware Trustee having direct responsibility for the administration of this Trust Agreement in good faith.

(e) No provision of this Trust Agreement shall require the Delaware Trustee to expend or risk its personal funds or otherwise incur any financial liability in the performance of its duties hereunder.

(f) Under no circumstance shall the Delaware Trustee, in its individual capacity or in its capacity as Delaware Trustee, or any member, partner, shareholder, director, officer, employee, agent, affiliate or advisor of the Delaware Trustee or their respective affiliates be personally liable for any representation, warranty, covenant, agreement, liability or indebtedness of the Trust, as all such representations, warranties, covenants, agreements, liabilities or indebtedness of the Trust are those of the Trust as an entity.

(g) The recitals contained herein shall not be taken as the statements of the Delaware Trustee, and the Delaware Trustee does not assume any responsibility for their correctness. The Delaware Trustee shall not be personally responsible for or in respect of, and the Delaware Trustee

makes no representations as to, the title to, or value or condition of, the property of the Trust or any part thereof, including the Trust Assets or Trust Estate, nor as to the validity or sufficiency of this Trust Agreement or any related certificate, instrument or other document.

(h) The Delaware Trustee may conclusively rely and shall be fully protected, and shall incur no liability to anyone, in acting or refraining from acting in good faith and in reliance upon any signature, instrument, notice, resolution, request, instruction, direction, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Delaware Trustee may accept a certified copy of a resolution of any governing body of any person as conclusive evidence that such resolution has been duly adopted by such person and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein or whenever the Delaware Trustee shall deem it desirable that a fact or matter be proved or established prior to taking, suffering or omitting any action hereunder (including, direction by the Trustee with respect to such action), the Delaware Trustee may for all purposes hereof rely on a certificate, signed by any officer of the party delivering the certificate or, in the case of the Trustee, signed by the Trustee, as to such fact or matter, and such certificate shall constitute full protection to the Delaware Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(i) In accepting and performing its duties hereunder the Delaware Trustee acts solely as Delaware Trustee hereunder and not in its individual capacity, and all persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Trust Agreement shall look only to the Trust Assets for payment or satisfaction thereof.

(j) The Delaware Trustee may be removed by FGIC with the written consent of the Requisite Unitholders upon thirty (30) days prior written notice to the Delaware Trustee, with a copy to the Trustee. The Delaware Trustee may resign upon thirty (30) days prior written notice to FGIC, with a copy to the Trustee. No resignation or removal of the Delaware Trustee shall be effective except upon the appointment of a successor Delaware Trustee that (i) is reasonably acceptable to FGIC, (ii) has a combined capital and surplus of at least \$10,000,000 and (iii) is qualified to do business in the State of Delaware and satisfies the requirements of the Delaware Trust Statute. If no successor has been appointed within such thirty (30) day period, the Delaware Trustee, FGIC or the Unitholders may petition a court to appoint a successor Delaware Trustee, which shall be at the expense of the Trust.

ARTICLE VIII

DEFAULT ON HTA CLAWBACK CVIs

Section 8.1 Realization Upon Default.

(a) The Trustee shall assert claims under the HTA Clawback CVIs and the Covered FGIC Insurance Policy, and shall take such reasonable steps as are necessary to receive payment or to permit recovery thereunder following any default thereunder, with respect to the Covered FGIC Insurance Policy, in accordance with Section 3.3(b) hereof and, with respect to the HTA Clawback CVIs, in accordance with Section 6.1(b) hereof.

(b) If there is a breach, a default or an event of default with respect to any HTA Clawback CVI and such breach, default or event of default is known to the Trustee in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC as promptly as practicable, and, in any event, within three (3) Business Days after such breach, default or event of default becomes known to the Trustee. If the Trustee receives notice of an anticipated payment default with respect to any the HTA Clawback CVIs in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC within three (3) Business Days after receipt of such notice.

(c) The foregoing provisions of this Section 8.1 shall apply equally to any other securities or property received in respect of the HTA Clawback CVIs or in exchange therefor.

ARTICLE IX

TERMINATION OF TRUST

Section 9.1 Termination; No Redemption Rights.

Upon the indefeasible cancellation or other indefeasible termination or discharge of the Covered FGIC Insurance Policy or FGIC's obligations thereunder, the Trust (including the respective obligations and responsibilities under this Trust Agreement of the Trustee and FGIC) shall terminate upon (i) the pro rata payment or distribution to the Unitholders of all amounts or Trust Assets (including the HTA Clawback CVIs) held by or on behalf of the Trustee and required hereunder to be so paid or distributed, (ii) payment in full of any Trustee Costs due and owing to the Trustee under this Trust Agreement, and (iii) receipt by the Trustee of an Opinion of Counsel stating that all conditions precedent herein relating to the satisfaction and discharge of this Trust Agreement have been complied with. In no event shall the Trust be terminated or the HTA Clawback CVIs be redeemed (except in the case of a redemption of the HTA Clawback CVIs permitted under the terms of the Clawback CVI Indenture or the CVI Legislation) or otherwise released from the Trust Estate without the prior express written consent of FGIC if either (i) the Covered FGIC Insurance Policy or FGIC's obligations thereunder has not been indefeasibly terminated or discharged, or (ii) FGIC has not been indefeasibly paid in full for any amounts owed pursuant to the Plan.

Notwithstanding anything contained herein to the contrary, the merger or consolidation of the Trustee shall not cause a termination of the Trust.

Section 9.2 Procedure for Termination.

(a) During the month in which the Trustee intends to make the final distribution from the Trust, the Trustee shall give notice to the Unitholders in accordance with Section 11.4 specifying: (a) the anticipated final distribution date; (b) that the final payment with respect to the Trust Units will be made upon presentation and surrender of the Certificate at the office of the Trustee therein designated on that date and the amount of any such final payment; (c) any amounts, or trust assets, remaining on deposit in the Trust will be distributed to the holders of record of the Trust Units on a pro rata basis; and (d) that the Trustee believes that, following the occurrence of

such final distributions, the conditions to termination of the Trust have been satisfied and that it intends to terminate the Trust (a “Termination Notice”).

(b) If the Requisite Unitholders do not object in writing within 30 days after the Trustee has provided the Termination Notice as set forth herein then, upon completion of final distributions as set forth in the Termination Notice, the Trust shall be dissolved, wound up, and terminated.

(c) Upon the dissolution, wind up and termination of the Trust and this Trust Agreement, the Trustee or Delaware Trustee (acting solely at the written direction of the Trustee) is authorized to file a certificate of cancellation with the Secretary of State.

ARTICLE X

TAX PROVISIONS

Section 10.1 Grantor Trust Provisions.

The Trustee, HTA, the Unitholders (by their acceptance of the Trust Units) and FGIC each agree and acknowledge or have agreed and acknowledged that the Trust is intended to qualify for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust, and it is neither the purpose nor the intent of the parties hereto to create a partnership, joint venture or association taxable as a corporation or to serve as associates in a joint enterprise for the conduct of business for profit. In furtherance of the foregoing, (a) the purpose of the Trust is and shall be to protect and conserve the assets of the Trust Estate, and the Trust shall not at any time engage in or carry on any kind of business or any kind of commercial or investment activity, (B) the Trust is formed to facilitate direct investment in the Trust Assets and the existence of multiple classes of ownership interests is incidental to that purpose, and (c) the Trustee (at the direction of FGIC and/or the Requisite Unitholders), shall take, or refrain from taking, all such action as is necessary to maintain the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not (i) acquire any assets or dispose of any portion of the Trust other than pursuant to the specific provisions of this Trust Agreement, (ii) vary the investment of the Trust within the meaning of Treasury Regulation § 301.7701- 4(c), (iii) substitute new investments or reinvest so as to enable the Trust Estate to take advantage of variations in the market to improve the investment of any Unitholder or (iv) engage in any activity which may directly or indirectly, adversely affect the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not have any authority to manage, control, use, sell, dispose of or otherwise deal with any part of the Trust Estate except as required by the express terms of this Trust Agreement in accordance with the powers granted to or the authority conferred upon the Trustee pursuant to this Trust Agreement. The Trustee and FGIC each agree that they shall not take any action that would result in the Trust failing to be characterized for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust.

Section 10.2 Characterization.

Each Unitholder acknowledges and agrees to treat the Trust Units as undivided interests in the Trust Estate.

Section 10.3 Grantor Trust Administration.

Notwithstanding anything in this Trust Agreement to the contrary, and notwithstanding any direction or instruction by less than all the Unitholders, the Trustee shall not be authorized to take any action that would cause the Trust not to be treated as a grantor trust under the Code all of the distributions and income from which would be subject to the tax treatment described in Subpart J of Chapter 1 of the Code as to the Unitholders. The Trustee shall perform its duties hereunder so as to maintain the status of the Trust as a grantor trust as provided in Section 10.1 hereof. The Trustee shall not (a) exercise any discretionary rights with respect to the Trust Assets, (b) acquire an interest in any additional Trust Assets (other than proceeds of a sale of Trust Assets permitted under the terms of this Trust Agreement), (c) knowingly take any other action or fail to take (or fail to cause to be taken) any other action that, under the Grantor Trust Provisions, if taken or not taken, as the case may be, could adversely affect the status of (i) the Trust as a grantor trust, (ii) the Trust as a U.S. trust, or (iii) the Unitholders as grantors with respect to the Trust under the Grantor Trust Provisions (any such adverse effect on trust status, an “Adverse Trust Event”), unless the Trustee has obtained or received an Opinion of Counsel nationally recognized as competent in matters relating to the U.S. federal income taxation of organizations such as the Trust (at the expense of the party requesting such action or at the expense of the Trust Estate if the Trustee seeks to take such action or to refrain from taking any action for the benefit of the Unitholders) to the effect that the contemplated action will not result in an Adverse Trust Event. None of the other parties hereto shall take any action or fail to take any action (whether or not authorized hereunder) as to which the Trustee has advised it in writing that the Trustee has received or obtained an Opinion of Counsel to the effect that an Adverse Trust Event could result from such action or failure to act. The Trustee may consult with counsel to make such written advice, and the cost of same shall be borne by the party seeking to take the action not permitted by this Trust Agreement, but in no event at the cost or expense of the Trust Estate or the Trustee.

Section 10.4 Reports to Unitholders and Tax Authorities.

(a) The Trustee shall perform or cause to be performed on behalf of the Trust all reporting and other tax compliance duties that are required in respect thereof under the Code, the Grantor Trust Provisions or other compliance guidance issued by the Internal Revenue Service or any state or local taxing authority, including for avoidance of doubt the filing of IRS Forms 1099 or providing other information statements to the extent required pursuant to U. S. Treasury Regulations Section 1.671-5 (including U.S. Treasury Regulations Section 1.671-5(c)(1)), as amended or any successor provision (the “WHFIT Regulations”).

(b) Consistent with the Trust’s characterization for U.S. federal income tax purposes as a grantor trust, except to the extent required pursuant to WHFIT Regulations, no U.S. federal income tax return shall be filed on behalf of the Trust unless either (i) the Trustee shall receive an Opinion of Counsel that, based on a change in applicable law occurring after the date hereof, the Code requires such a filing or (ii) the Internal Revenue Service shall determine that the

Trust is required to file such a return. In the event that the Trust is required to file tax returns, the Trustee shall prepare or cause to be prepared, and sign and file when due with the appropriate tax authorities all of the tax returns in respect of the Trust. In no event shall the Trustees, FGIC or HTA be liable for any liabilities, costs or expenses of the Trust or the Unitholders arising out of the application of any tax law, including federal, state, foreign or local income or excise taxes or any other tax imposed on or measured by income (or any interest, penalty or addition with respect thereto or arising from a failure to comply therewith) except, in the case of the Trustee, for any such liability, cost or expense attributable to the Trustee's gross negligence, bad faith or willful misconduct.

(c) If any tax is imposed on the Trust, such tax, together with all incidental costs and expenses (including, without limitation, penalties and reasonable attorneys' fees) shall be charged to and payable by the Unitholders on a pro rata basis; provided that in each case the Trustee shall be authorized to withhold the applicable amounts from Distributions on the applicable Trust Units and pay such amounts to the applicable taxing authority and that any amounts so withheld and paid to the applicable taxing authority shall be deemed to have been paid as a Distribution to the applicable Unitholders.

(d) The Trustee shall, for U.S. federal income tax purposes, maintain books and records with respect to the Trust on a calendar year basis or such other basis as may be required under the Code.

(e) All taxes due and payable on any amounts payable to a Unitholder with respect to a Trust Unit shall be that Unitholder's sole responsibility.

(f) For the purposes of this ARTICLE X and any other provision of the Trust Agreement relating to the ownership of a Trust Unit for U.S. federal income tax purposes, including definitions, all references to holder, Unitholder, or beneficial owner shall mean the beneficial owner of a Trust Unit for U.S. federal income tax purposes. By acquiring an interest in a Trust Unit, a beneficial owner of the Trust Unit for U.S. federal income tax purposes shall be deemed to consent as a condition of acquiring such interest to comply with any requirements of such Article and other provisions hereof.

ARTICLE XI

MISCELLANEOUS PROVISIONS

Section 11.1 Amendment of Trust Agreement.

(a) This Trust Agreement may not be amended, waived or supplemented without the prior written consent of FGIC. This Trust Agreement may be amended, waived or supplemented from time to time by FGIC and the Trustee without the consent of any other Party or the Depositary or any Unitholders; provided, however, that no such amendment shall:

(i) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of such Unitholder;

(ii) alter in any manner the treatment of the Covered FGIC Insurance Policy without the written consent of each Unitholder affected;

(iii) amend this Section 11.1 without the written consent of each Unitholder; or

(iv) amend the definition of Requisite Unitholders without the written consent of all Unitholders; or

(v) adversely affect in any material respect the interests of the Unitholders in any manner other than as described in clause (i), (ii), (iii) or (iv) above without the written consent of the Requisite Unitholders.

(b) Prior to executing any amendment permitted by this ARTICLE XI, (i) the Trustee shall be required to obtain an Opinion of Counsel that is nationally recognized as competent in matters relating to the federal income taxation of organizations such as the Trust to the effect that such amendment will not result in an Adverse Trust Event and (ii) the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Trust Agreement and that all conditions precedent have been met. The Trustee may, but shall not be obligated to, enter into any such amendment that affects the Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. The Delaware Trustee may, but shall not be obligated to, enter into any such amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. No amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement shall be effective against the Delaware Trustee unless the Delaware Trustee has consented thereto in writing. Prior to executing any amendment permitted by this ARTICLE XI, the Delaware Trustee shall be entitled to receive and conclusively and exclusively rely upon written direction from the Trustee that such amendment is authorized and permitted by this Trust Agreement.

(c) Promptly following the execution of this Trust Agreement, the Trustee shall post full and complete copies of this Trust Agreement on EMMA . Promptly after the execution of any amendment to this Trust Agreement, the Trustee shall furnish a copy of such amendment to the Depositary and shall post a copy of such amendment on EMMA.

(d) The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Unitholders shall be subject to such reasonable regulations as the Trustee may prescribe in coordination with the Depositary.

Section 11.2 Counterparts.

This Trust Agreement may be executed simultaneously in any number of counterparts, each of which counterparts may be delivered by electronic messaging system and shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument. The words "execution," "signed," "signature," and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement shall include images of manually executed signatures transmitted by facsimile or other electronic format (including,

without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including, without limitation, DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the US Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

Section 11.3 Limitation on Rights of Unitholders.

(a) The death or incapacity of any Unitholder shall not operate to terminate this Trust Agreement or the Trust, nor entitle such Unitholder’s legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust, nor otherwise affect the rights, obligations and liabilities of the Parties or any of them.

(b) No Unitholder shall have any right to vote (except as expressly provided for herein) or in any manner otherwise control the operation and management of the Trust, or the obligations of the Parties, nor shall anything herein set forth, or contained in the terms of the Trust Units, be construed so as to constitute the Unitholders from time to time as partners or members of an association; nor shall any Unitholder be under any liability to any third person by reason of any action taken by the Parties pursuant to any provision hereof.

(c) No Unitholder shall have any right by virtue of any provision of this Trust Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Trust Agreement or any of the Trust Assets. Nothing in this paragraph shall be construed to limit in any manner the ability of any Party (notwithstanding the ownership by such Party of Trust Units) to institute any suit, action or proceeding upon or under or otherwise with respect to this Trust Agreement or to enforce in any manner its rights as a party hereunder.

The Parties acknowledge that in accordance with Section 326 of the U.S.A.PATRIOT Act, the Trustees, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustees. The Parties agree that they will provide the Trustees with such information as they may request in order for the Trustees to satisfy the requirements of the U.S.A.PATRIOT Act.

Section 11.12 Governing Law; Venue Jury Waiver.

THIS TRUST AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS TRUST AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS TRUST AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS TRUST AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY WAY RELATED TO THIS TRUST AGREEMENT, OR (B) IN ANY WAY IN CONNECTION WITH OR PERTAINING TO OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES WITH RESPECT TO THIS TRUST AGREEMENT OR IN CONNECTION WITH THIS TRUST AGREEMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS TRUST AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. In no event shall the Trustees be responsible or liable for any failure or delay in the performance of their obligations hereunder arising out of or caused by, directly or indirectly, forces beyond their control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, pandemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustees shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 11.14 Intent of Parties.

(a) The Parties intend that, for all purposes, the transfer to the Trust of the Trust Estate pursuant to Section 2.2 in each case shall be, and shall be construed as, a transfer thereof to the Trust on behalf of the Original Holders in lieu of a transfer thereof to the Trust directly by the Original Holders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Closing Date, HTA will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of HTA or HTA's estate in the event of a liquidation, reorganization, or similar proceeding of HTA and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. The Parties agree to treat the transfer contemplated hereby for all purposes (including financial accounting purposes) as an absolute transfer on all relevant books, records, financial statements and other documents.

(b) The Trust Estate will be held by the Trust free and clear of any lien or encumbrance of any Person claiming through or under HTA.

(c) Notwithstanding anything to the contrary in this Trust Agreement or in any other document governing the formation, management, or operation of the Trust, if and for so long as any Trust Unit remains outstanding, none of the Unitholders, FGIC, the Trustees, nor any other Person shall authorize, cause or permit the Trust to (and the Trust shall not, and neither Trustee shall directly take any action that to its actual knowledge would, violate any of the following):

(iv) fail to observe at any time any necessary, appropriate and customary corporate, organizational, company and/or other legal formalities to maintain its separate existence;

(v) fail to act solely in its own name or in the name of the Trustee through duly authorized agents in the conduct of its activities;

(xiv) perform any duties or obligations of HTA or any other Person;

(xv) make any loans or advances to any third party, including any Unitholder, HTA or any Affiliate of the Trust, or any principal or Affiliate thereof;

(xvii) fail to hold itself out to the public as a legal entity separate and distinct from any other Person, fail to conduct its activities solely in its own name or in the name of the Trustee and as a separate and distinct entity, or fail to correct any known misunderstanding regarding its separate identity;

(xviii) identify itself as a department or division of any other Person;

(xix) fail to observe all formalities required of a Delaware statutory trust;

(xx) fail to pay its expenses and liabilities only out of its own funds to the extent such funds are available and fail to hold its assets only in its own name; provided, however, the foregoing shall not require HTA to sell any assets, or make any capital contribution, to the Trust;

(xxi) conduct any oral or written communication, including letters, invoices, purchase orders, contracts, statements and applications, other than in its own name or in the name of the Trustee; or

(xxii) (a) institute proceedings to have the Trust declared or adjudicated a bankrupt or insolvent, (b) consent to the institution of bankruptcy or insolvency proceedings against the Trust, (c) file a petition or consent to a petition seeking reorganization or relief on behalf of the Trust under any applicable federal or state law relating to bankruptcy, (d) consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or any similar official) of the Trust or a substantial portion of the property of the Trust, (e) make any assignment for the benefit of the Trust's creditors, (f) cause the Trust to admit in writing its inability to pay its debts generally as they become due or (g) take any action, or cause the Trust to take any action, in furtherance of any of the foregoing.

(d) Failure of the Trust, HTA, FGIC, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 11.14 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 11.14 conflicts with, violates or otherwise is in contravention with any other provision of this Trust Agreement, the Parties and each Unitholder agree that the terms set forth in this Section 11.14 shall be controlling as expressly set forth herein.

Section 11.15 Non-Petition.

HTA, FGIC, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another Person, the Trustee may file appropriate proofs of claim.

Section 11.16 Certain Terms Regarding HTA.

For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Unitholders shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, HTA, and no recourse shall be had against any officer, director, manager, employee, security holder or incorporator of HTA, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and HTA assumes no responsibility for their correctness. HTA makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of HTA nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of HTA or any of its affiliates.

(iv) HTA shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

The Trustee shall deposit all cash received pursuant to clause (a) of Section 2.2 into the General Collection Account on the Closing Date. U.S. Bank Trust Company, National Association has established and will maintain its participant account at the Depositary into which the New HTA Bonds and HTA Clawback CVIs received pursuant to clause (a) of Section 2.2 shall be deposited and held in trust for the benefit of the Unitholders and FGIC. Each of the General Collection Account and the FGIC Insurance Policy Collection Account and such other accounts shall be under the sole dominion and control of the Trustee, and the Trustee shall be entitled to look solely to the General Collection Account for payment of any Trustee Costs and funding of the Fee Reserve from time to time in accordance with the terms of this Trust Agreement. All distributions to Unitholders shall be made only from cash on deposit in either the General Collection Account or the FGIC Insurance Policy Collection Account in accordance with the terms hereof.

(b) If, at any time, a formerly Eligible Account no longer fulfills the definition of Eligible Account, the Trustee shall within thirty (30) days establish a new General Collection Account or FGIC Insurance Policy Collection Account, as applicable, meeting the conditions specified in such definition and transfer any cash on deposit in the General Collection Account or FGIC Insurance Policy Collection Account to such new General Collection Account or FGIC Insurance Policy Collection Account, and from the date such new General Collection Account or FGIC Insurance Policy Collection Account is established, it shall be the General Collection Account or FGIC Insurance Policy Collection Account under this Trust Agreement.

(c) The Trustee shall give notice to FGIC and Unitholders of the location of each Eligible Account and other account and to the proposed new location of any Eligible Account or other account prior to any change thereof.

Section 3.2 Investment of Funds in the Collection Accounts.

Amounts in the General Collection Account and the FGIC Insurance Policy Collection Account shall not be invested.

Section 3.3 FGIC Insurance Policy and Effect of Distributions.

(a) The Trust is deemed to hold the Covered FGIC Insured Bonds and is the sole Person entitled under the terms of the Covered FGIC Insured Bonds to payment thereof.

Accordingly, the Trust is and shall be the sole “Bondholder” entitled to assert claims and receive payments under or with respect to the Covered FGIC Insurance Policy.

(b) The Trustee shall have the sole authority to assert, and shall assert, subject to its rights and protections herein, claims under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and to take all actions required to enforce the Covered FGIC Insurance Policy, including in the event that FGIC fails to make any payment when due under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy. The Trustee shall be authorized to take, and shall take, subject to its rights and protections herein, all actions it deems necessary or advisable to satisfy any and all conditions to the obligations to make payment of any claim asserted by the Trustee under the Covered FGIC Insurance Policy or any payment in respect of any DPO or DPO Accretion related to the Covered FGIC Insurance Policy which may become payable in accordance with the FGIC Rehabilitation Plan. The following are conditions to FGIC’s obligation to make any such payment, and the Trustee is authorized and directed to satisfy such conditions: (i) the Trustee shall have submitted to FGIC with respect to each claim a fully completed and duly executed Proof of Policy Claim Form in accordance with the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan, and (ii) with respect to each such payment (other than on account of DPO Accretion) relating or with respect to the principal of the Covered FGIC Insured Bonds, which is paid or deemed to be paid by FGIC in cash (each a “Cash Payment”), the Trustee shall have executed and delivered on behalf of the Trust to FGIC (or its fiscal agent) assignments in substantially the form of Exhibit G with respect to a proportionate share (based on the proportion of such Cash Payment compared to the total principal amount of the Covered FGIC Insured Bonds then held by the Trust) of the Trust Assets held by the Trust, as confirmed by FGIC, and taken such actions as shall be necessary to transfer such Trust Assets to the account of FGIC or its custodian, in either case as directed by FGIC in writing, and receipt of such Trust Assets shall have been confirmed by FGIC.

(c) All claims that are properly submitted to FGIC by the Trustee under the Covered FGIC Insurance Policy shall be paid to the extent permitted by FGIC under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan, subject to satisfaction of any conditions to such payments, including the conditions set forth in this Trust Agreement. All payments to the Trustee under or with respect to the Covered FGIC Insurance Policy shall be deposited into the FGIC Insurance Policy Collection Account on the date received if received prior to 11:00 a.m. New York time, on any Business Day or, if received after such time on any Business Day, on the following Business Day. All payments from the FGIC Insurance Policy Collection Account under or with respect to the Covered FGIC Insurance Policy arising from or related to principal of or interest on the

Covered FGIC Insured Bonds (other than on account of DPO Accretion) shall be deemed to automatically and immediately reduce on a dollar-for-dollar basis the outstanding principal amount of or the accrued and unpaid interest on the Covered FGIC Insured Bonds, respectively. For the avoidance of doubt, all payments on account of a claim for accrued and unpaid interest due shall reduce on a dollar-for-dollar basis the outstanding interest amount of the Covered FGIC Insured Bonds, and all payments of a claim for principal shall reduce on a dollar-for-dollar basis the outstanding principal amount of the Covered FGIC Insured Bonds.

If at any time the principal amount of and the accrued and unpaid interest on the Covered FGIC Insured Bonds and the DPO Accretion balance under the Covered FGIC Insurance Policy shall be reduced to zero, then (i) the Covered FGIC Insurance Policy shall be indefeasibly canceled, (ii) within three (3) Business Days thereafter, the Trustee shall (x) first, assign to FGIC ownership of the Trust Assets held by the Trust at that time to the extent required to reimburse FGIC for any unreimbursed payments previously made under the Covered FGIC Insurance Policy and (y) second, distribute to the Unitholders any remaining Trust Assets, and (iii) upon making such assignment and distributions (if any), the Units shall be deemed to be redeemed in full and the Trust shall terminate in accordance with the provisions of Article IX hereof.

(f) Each of FGIC and each Unitholder shall have and retain all rights set forth in the Plan applicable to it, including those set forth in Section ~~25.3~~26.3 of the Plan.

Section 3.4 Distributions.

(a) All cash received by the Trust or the Trustee from any source shall be applied and distributed in accordance with the terms of this Trust Agreement. Within two (2) Business Days of the Trust's receipt of (i) the Cash to be deposited into the Trust pursuant to clause (a) of Section 2.2 on the Closing Date, (ii) any scheduled payment of principal or interest in respect of any series of the New HTA Bonds, or (iii) any scheduled payment due on the HTA Clawback CVIs, the Trustee shall distribute such amounts, net of any outstanding Trustee Costs that are due and payable or to be reimbursed to the Trustees as of the related distribution date, Other Trust Costs to be reimbursed under Section 7.5(c) and amounts necessary to fund the Fee Reserve to the Fee Reserve Threshold Amount, to the Depositary for distribution on a pro rata "pass-through" basis to each Unitholder as of the related Record Date. The Trustee shall pay or

reimburse such Trustee Costs, reimburse such Other Trust Costs and fund the Fee Reserve at the time of such distribution.

(b) The Trustee shall establish the Record Date for the distribution of (i) any other funds deposited or to be deposited in the General Collection Account or (ii) any payment made or to be made under or with respect to the Covered FGIC Insurance Policy, and the Trustee shall send notice to the Unitholders of such Record Date and the related anticipated distribution date of such amounts, in accordance with Section 11.4, in each case not later than two (2) Business Days after the Trust's receipt of such funds or payments. Such Record Date shall be at least 10 days and no more than 15 days after the date such notice is posted on EMMA. On such distribution date, the Trustee shall distribute such amounts, in the case of clause (i) net of any outstanding Trustee Costs that are due and payable as of such distribution date, to the Depositary for distribution on a pro rata "pass-through" basis to each Unitholder as of the related Record Date.

(c) Any distribution to Unitholders shall be made to the Person in whose name such Unit is registered at the close of business on the related Record Date in accordance with the procedures of the Depositary.

Section 3.5 Threshold Event or Permitted Sale Event.

(a) The Trustee shall not sell any New HTA Bonds or HTA Clawback CVIs except upon a Threshold Event or Permitted Sale Event and subject to the terms of Section 3.5(b), provided that the Trustee shall be authorized to make the assignments and transfers contemplated by Sections 3.3 and 3.6. Upon the Trustee's receipt of a notice substantially in the form of Exhibit E-1 attached hereto as contemplated by clause (ii) of the definition of "Permitted Sale Event", the Trustee shall (i) provide the notice to Unitholders contemplated by clause (iii) of such definition (with a copy of such notice to FGIC) as soon as practicable and in any event within three (3) Business Days of receiving FGIC's notice, and (ii) no later than the tenth (10th) Business Day following the date of such notice to Unitholders, notify FGIC in writing whether the Trustee has received a written objection from the Requisite Unitholders as contemplated by clause (iv) of such definition.

(b) Upon the occurrence of a Threshold Event or Permitted Sale Event with respect to which FGIC has provided written instruction to the Trustee (substantially in the form of Exhibit E-2 hereto, in the case of a Threshold Event, or Exhibit E-3 hereto, in the case of a Permitted Sale Event) to sell some or all of one or more series of New HTA Bonds or the HTA Clawback CVIs, the Trustee shall seek to sell such New HTA Bonds or HTA Clawback CVIs to the person(s) identified to the Trustee by FGIC in such instruction (which instruction shall also include the applicable sale price(s), the information for the account(s) to which such New HTA Bonds or HTA Clawback CVIs shall be transferred by the Trustee and any other details, including relevant broker(s), to be utilized by the Trustee for such sale) as soon as practicable and in any event within one (1) Business Day of receiving such instruction, provided that: (i) any such sale is made at price(s) that equal or exceed the Fair Market Value applicable to such sale, as confirmed to the Trustee by FGIC, (ii) any such sale is made at price(s) that equal or exceed the applicable Threshold Price in the case of a Threshold Event or the applicable Permitted Sale

Price in the case of a Permitted Sale Event, and (iii) all proceeds of such sales shall be deposited into the General Collection Account.

Section 3.6 Surrendered Units.

(a) Subject to satisfaction of the conditions set forth in Section 3.6(b), any Unitholder may, at any time and from time to time, elect to surrender Units held by such Unitholder (as confirmed by the Depositary) to the Trustee for cancellation (the “Surrendered Units”) in exchange for a transfer to such Unitholder of its proportional percentage of the New HTA Bonds and HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, by giving written notice thereof to FGIC and the Trustee (a “Unitholder Election”).

(b) The following conditions must be satisfied to permit and effectuate any Unitholder Election: (i) FGIC shall, in its sole discretion, have consented in writing to such Unitholder Election (other than any Unitholder Election in connection with which FGIC shall not have agreed or otherwise be obligated to pay any consideration for the release set forth in clause (iv) below), (ii) the Surrendered Units shall be cancelled by the Trustee with an automatic and immediate corresponding reduction in the aggregate Notional Amount of the Units and the Trustee shall deliver written notice of such cancellation and reduction to the Depositary, (iii) the outstanding principal amount of the Covered FGIC Insured Bonds shall automatically and immediately be reduced on a proportionate dollar-for-dollar basis (based on the proportion of the Notional Amount of such Surrendered Units to the aggregate Notional Amount of the Units at that time) with an automatic and immediate corresponding reduction in FGIC’s obligations under the Covered FGIC Insurance Policy, which reductions shall be acknowledged by the Trustee, and (iv) such Unitholder shall execute and deliver a release, in form and substance satisfactory to FGIC, releasing all rights and claims of any kind it may have relating to the Surrendered Units or the Covered FGIC Insurance Policy subject to receipt of consideration, if any, that FGIC shall have agreed in writing to pay to such Unitholder in consideration for release. Upon satisfaction of such conditions, the Trustee shall transfer to the Unitholder ownership of the applicable proportional percentage of the New HTA Bonds and HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, as directed by FGIC. FGIC’s consent to any Unitholder Election shall not limit its right, in its sole discretion, to deny its consent to any other Unitholder Election.

Section 3.7 FGIC Election to Accelerate Policy Payments.

(a) Section 3.7(b) shall apply to the Trust and the Covered FGIC Insurance Policy as of the date that is thirty (30) Business Days following the Closing Date unless the Requisite Unitholders notify the Trustee in writing prior to such date of their election that Section 3.7(b) shall not so apply.

(b) Pursuant to the Plan, the payment of the principal of the Covered FGIC Insured Bonds was accelerated and such Covered FGIC Insured Bonds are due and payable at an “acceleration price” of one hundred percent (100%) of the principal amount thereof, plus accrued interest thereon, or 100% of accreted amounts thereon, to the date of payment. FGIC is not obligated to pay any claims on an accelerated basis under the Covered FGIC Insurance Policy.

FGIC shall have the right, in its sole and absolute discretion, to elect at any time to permit a claim under the Covered FGIC Insurance Policy in the amount of such acceleration price at such time (regardless of whether the Trustee shall have submitted a claim therefor to FGIC) and to make payment to the Trustee in respect of such permitted claim under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan; provided, however, that FGIC shall not be obligated to make all or any portion of such payment, unless and until, with respect to the portion of such payment relating to the principal of the Covered FGIC Insured Bonds which will be paid or deemed to be paid by FGIC in cash (the “Cash Acceleration Payment”), the Trustee shall have executed and delivered to FGIC (or its fiscal agent) assignments in substantially the form of Exhibit G with respect to a proportionate share (based on the proportion of such Cash Acceleration Payment compared to the total principal amount of the Covered FGIC Insured Bonds then held by the Trust) of the Trust Assets held by the Trust, as confirmed by FGIC, and taken such action as shall be necessary to transfer such Trust Assets to the account of FGIC or its custodian, in either case as directed by FGIC in writing, and receipt of such Trust Assets shall have been confirmed by FGIC.

(c) At any time, Requisite Unitholders can notify the Trustee of an election that Section 3.7(b) shall apply notwithstanding a prior election under Section 3.7(a), and such notice will be effective upon agreement by FGIC within 30 Business Days of such notification.

ARTICLE IV

Notwithstanding any other provisions of the Trust Agreement, the Trustee shall comply with all federal withholding requirements with respect to payments to the Depositary and the Unitholders that the Trustee reasonably believes are applicable under the Code. The consent of the Depositary and the Unitholders shall not be required for such withholding. In the event the Trustee does withhold any amount from payments to the Depositary or any Unitholder pursuant to federal withholding requirements, the Trustee shall indicate with any payment to the Depositary or such Unitholder the amount withheld. Any amounts withheld shall be treated as a distribution of cash to the Depositary or Unitholder, as the case may be, in the amount of the withholding for all purposes and shall thereby reduce amounts otherwise distributable to the Depositary or such Unitholder. If an amount required to be withheld was not withheld, the Trust may reduce subsequent distributions by the amount of such required withholding.

(a) The Units shall be evidenced by the Certificate issued by the Trustee to the Depositary in accordance with Section 5.2(a).

(b) As of the Closing Date, the Notional Amount of the Units issued under this Trust Agreement shall be the Notional Amount set forth in Exhibit C, which is the aggregate original principal amount as of their date of issuance of those Covered FGIC Insured Bonds deposited, or deemed hereunder to have been deposited, into the Trust. The beneficial ownership of the Units as of the Closing Date shall be allocated by the Depositary among the Original Holders on a proportionate basis based on the aggregate original principal amount as of their date of issuance of each original Holder's respective Covered FGIC Insured Bonds that are deposited, or deemed hereunder to have been deposited, into the Trust on the Closing Date.

(c) All Units issued under this Trust Agreement shall be evidenced by the same Certificate, subject to the requirements of the Depositary, and otherwise identical in all respects. All Units issued under this Trust Agreement shall be in all respects equally and ratably entitled to the benefits hereunder without preference, priority or distinction on account of the actual time or times of authentication and delivery, and shall be held and transferable only through the Depositary.

(d) No additional interests in the Trust other than the Certificate and the Units shall be issued hereunder, except in accordance with Section 5.3.

Section 5.2 The Certificate; Book-Entry-only System.

(a) On the Closing Date, upon deposit of all of the Trust Assets into the Trust pursuant to the Plan of Adjustment and as provided in Section 2.2, the Trustee shall issue to the Depositary the initial Certificate by executing and delivering the Certificate, on behalf of this Trust, with the manual or facsimile signature of an authorized officer or other agent of the Trustee.

(b) The Trust shall issue the Certificates to the Depositary. Consistent with DTC book-entry provisions, one or more typewritten Certificates shall be prepared and registered in the name of the Depositary or its nominee. There shall be no physical delivery of the Certificate or Units to the Unitholders (other than the Depositary) or other beneficial owners.

(c) DTC is hereby appointed as the initial Depositary, with Cede & Co., a nominee thereof, being the initial registered owner of the Certificate. In the event that any Depositary resigns or is removed, the Trustee shall select a substitute Depositary. Notwithstanding anything herein to the contrary, the Trust and each of the Trustees, and any agent of the Trust or either of the Trustees, may treat any Depositary in whose name any Certificate is registered as the owner of the Units for all purposes, including for actions by Unitholders. For so long as the Depositary is the registered owner of the Certificate, procedures with respect to the transmission of notices and the transfer of ownership and payment of Units shall be in accordance with arrangements between the Trustee and the Depositary. The Certificate shall be issued in global form and the Units represented thereby shall be freely tradeable and transferable through the Depositary.

(d) Notwithstanding anything herein to the contrary, so long as the Certificate is registered in the name of the Depositary, the Trust and the Trustee shall have no responsibility or obligation to any Depositary participant, indirect participant or beneficial owner of the Certificate or Units. Without limiting the immediately preceding sentence, the Trust and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of any Depositary or any Depositary participant or indirect participant with respect to any beneficial ownership interest in the Certificate, (ii) the delivery to any Depositary participant, indirect participant, beneficial owner or any other person, other than the Depositary, of any notice with respect to the Certificate or Units, including any notice of Record Date, distribution date, payment, redemption or tender, or (iii) the payment to any Depositary participant, indirect participant, beneficial owner or any other person, other than the Depositary, of any amount with respect to Units or Certificate. The rights of Unitholders shall be limited to those established by

law and agreements between the Unitholders and the Depositary and Depositary participants and as provided herein.

(e) A CUSIP number will be imprinted on the Certificate, but such CUSIP number shall not constitute a part of the contract evidenced by the Certificate or Units. As a convenience to the Depositary and Unitholders, the Trust and the Trustees may use such CUSIP numbers in any notices to the Depositary and Unitholders.

Section 5.3 Mutilated, Destroyed, Lost and Stolen Certificate.

(a) If (i) any mutilated Certificate is presented to the Trustee or (ii) the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and there is delivered to the Trustee such security or indemnity as it may require to save it harmless, and the Trustee has not received notice that such Certificate (and the Units represented thereby) has been acquired by a protected purchaser, then, in each case, the Trustee shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor, form, terms and principal amount, bearing an identifying number not used by any contemporaneously existing Certificate, so that neither gain nor loss in interest shall result from such exchange or substitution.

(b) Upon the issuance of any new Certificate under this Section, the Trustee may require the payment by the Certificate holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(c) Every new Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust Assets to the extent provided herein, whether or not the destroyed, lost or stolen Certificate shall be at any time enforceable by anyone, and the Units represented thereby shall be entitled to all the benefits of this Trust Agreement.

(d) The terms of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Units.

Section 5.4 No Obligation to Register.

The Trustee is not obligated to register or qualify any Certificate or Unit under the Securities Act of 1933, as amended, and the rules and regulations promulgated by the Securities and Exchange Commission thereunder, or any other securities laws or to effect any qualification under the Trust Indenture Act of 1939, as amended.

Section 5.5 Persons Deemed Owners.

Subject to Section 5.3, but notwithstanding anything else in this Trust Agreement, the Trustee and any agent of the Trustee may treat the Depositary or its nominee in whose name the Certificate is registered as the owner of the Units on the related distribution date for the purpose of receiving distributions on such Units and for all other purposes whatsoever, including for

actions by Unitholders, and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary. All distributions made hereunder to the Depositary or its nominee, or upon its order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys distributable upon the Units.

Section 5.6 Cancellation.

All Certificates evidencing Units surrendered for payment, redemption, transfer or exchange shall be delivered to the Trustee and shall be promptly canceled by the Trustee. The Trustee and no one else will cancel all such Certificates surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Certificates in accordance with its customary procedures. No Certificate shall be authenticated in lieu of or in exchange for any Certificates canceled as provided in this Section, except as expressly permitted by this Trust Agreement.

ARTICLE VI

NEW HTA BONDS AND HTA CLAWBACK CVIs

Section 6.1 Voting Rights with Respect to New HTA Bonds and HTA Clawback CVIs.

(a) Within three (3) Business Days after receipt of notice of any meeting of, or other occasion for the exercise of voting rights or the giving of consents by, owners of any of the New HTA Bonds or the HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor), the Trustee shall deliver a copy of such notice to FGIC and the Unitholders.

(b) The voting and direction rights allocable to the owners of the New HTA Bonds and HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor) pursuant to the terms thereof (including voting and direction rights in respect of remedies) (“Voting Rights”) shall be allocated to FGIC unless FGIC is in default under the Covered FGIC Insurance Policy (a “Voting Rights Condition”). Upon the written request of FGIC, subject to the immediately preceding sentence, the Trustee shall vote in accordance with any instruction set forth in such written request. Upon the occurrence and continuation of a Voting Rights Condition, the Voting Rights will be deemed to be held on a pro rata basis by the Unitholders, and the Trustee may act at the direction of the Requisite Unitholders.

ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.1 Duties of Trustee.

(a) Every provision of this Trust Agreement relating to the conduct of, affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VII.

(b) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee.

(c) The Trustee shall (at the direction of the Requisite Unitholders) take all necessary or desirable actions to enforce the Covered FGIC Insurance Policy against FGIC as set forth herein.

(d) The Trustee shall deliver to all Unitholders copies of all notices and written communications received from HTA as they relate to the New HTA Bonds and HTA Clawback CVIs.

(e) Except as provided in Section 7.2 hereof, no provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own grossly negligent action, grossly negligent failure to act, bad faith or willful misconduct; provided, however, that:

(i) The Trustee shall not be liable for an error of judgment made in good faith by an Officer of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(ii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of FGIC or the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the New HTA Bonds or HTA Clawback CVIs exercising any trust or power conferred upon the Trustee with respect to the New HTA Bonds or HTA Clawback CVIs, under this Trust Agreement;

(iii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the Covered FGIC Insurance Policy or exercising any trust or power conferred upon the Trustee with respect to the Covered FGIC Insurance Policy, under this Trust Agreement; and

(iv) Any determination of gross negligence, bad faith or willful misconduct of the Trustee shall be made only upon the rendering of a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

Section 7.2 Certain Matters Affecting the Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties. Further, the Trustee may accept a copy of the vote of the board of directors or equivalent governing body of any party certified by its clerk or assistant clerk or secretary or assistant secretary as conclusive evidence of the authority of any Person to

act in accordance with such vote, and such vote may be considered as in full force and effect until receipt by the Trustee of written notice to the contrary;

(b) The Trustee may, in the absence of bad faith on its part, conclusively rely upon an Opinion of Counsel or certificate of an Officer of the appropriate Person whenever in the administration of this Trust Agreement the Trustee shall deem it desirable that a matter be proved or established (unless other evidence be herein specifically prescribed) prior to taking, suffering or omitting any action hereunder;

(c) The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in reliance on such advice or Opinion of Counsel;

(d) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Trust Agreement or to institute, conduct, defend or continue any litigation thereunder or in relation thereto at the request, order or direction of the Requisite Unitholders, pursuant to the provisions of this Trust Agreement, unless such Unitholders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) The Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Trust Agreement;

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by FGIC or the Requisite Unitholders; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Trust Agreement, the Trustee may require indemnity against such expense or liability as a condition to taking any such actions;

(g) The Trustee may execute any of the trusts or powers under this Trust Agreement or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and the Trustee shall not be responsible for the supervision of or any misconduct or negligence on the part of any agent or attorney appointed with due care by it under this Trust Agreement;

(h) Whenever the Trustee is authorized herein to require acts or documents in addition to those required to be provided it in any matter, it shall be under no obligation to make any determination whether or not such additional acts or documents should be required unless obligated to do so under Section 7.1;

(i) The Trustee shall not be deemed to have notice of any matter unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the applicable Trust Units generally, HTA, the Trust or this Trust Agreement;

(j) None of the provisions of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it;

(k) Notwithstanding anything herein to the contrary, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(l) The permissive rights of the Trustee to perform any discretionary act enumerated in this Trust Agreement shall not be construed as a duty or obligation, and the Trustee shall not be answerable in the performance of such act other than for its gross negligence, bad faith or willful misconduct;

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian, co-trustee and other Person employed to act hereunder;

(n) The Trustee shall have no duty (A) to see to any recording, filing, or depositing of this Trust Agreement or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any re-recording, re-filing or re-depositing of any thereof, (B) to see to any insurance, (C) to see to the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Trust Estate, or (D) to confirm or verify the contents of any reports or certificates delivered to the Trustee pursuant to this Trust Agreement believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties;

(o) The Trustee shall have no liability or responsibility for the acts or omissions of any other party to any of this Trust Agreement or any related document;

(p) The Trustee shall have no duty or obligation to obtain or solicit any collateral or any funds to be remitted in any of the accounts established under this Trust Agreement, and shall have a duty only to accept such collateral or funds delivered to it in accordance with this Trust Agreement;

(q) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(r) The Trustee may request the delivery of a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Trust Agreement;

(s) All rights of action under this Trust Agreement or under any of the Trust Units, enforceable by the Trustee, may be enforced by it without the possession of any of the Trust Units or the Certificate, or the production thereof at the trial or other proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Unitholders, subject to the provisions of this Trust Agreement; and

(t) The Trustee shall establish a Fee Reserve, which Fee Reserve shall be replenished up to the Fee Reserve Threshold Amount in accordance with Section 3.4(a), and the Trustee shall be permitted to apply the amounts therein to pay Trustee Costs.

Section 7.3 Trustee Not Liable for Units or New HTA Bonds, HTA Clawback CVIs, the Covered FGIC Insured Bonds or the Covered FGIC Insurance Policy.

The Trustee assumes no responsibility for the correctness of the recitals contained in this Trust Agreement and in the Trust Units or Certificate. The Trustee makes no representations or warranties as to the validity or sufficiency of this Trust Agreement or of the Trust Units (other than the signature and authentication of the Trustee on the Certificate) or of the New HTA Bonds, HTA Clawback CVIs, the Covered FGIC Insured Bonds, the Covered FGIC Insurance Policy or related documents. The Trustee shall not be accountable for the use or application of any of the Trust Units, or for the use or application of any funds in respect of the New HTA Bonds or HTA Clawback CVIs or deposited in or withdrawn from the Trust in accordance with this Trust Agreement other than, in each case, any funds held by or on behalf of the Trustee in accordance with Article III. The Trustee, in its capacity as Trustee hereunder, shall have no responsibility or obligation to comply with, or to monitor any other Person's compliance with, the HTA Enabling Act, the CVI Legislation, the New HTA Bond Indenture, or the Clawback CVI Indenture.

Section 7.4 Trustee May Own Units.

The Trustee in its individual capacity or any other capacity may become the owner or pledgee of Trust Units with the same rights it would have if it were not Trustee.

Section 7.5 Trustee Costs and Expenses.

(a) The Trustees shall each be entitled to receive from the Trust (i) fees agreed upon in writing, including such fees set forth in the Trustee Fee Schedule, (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by each of the Trustees in the execution of the trusts created under this Trust Agreement and in the exercise and performance of any of the powers and duties thereunder or the administration of the Trust, (ii) reimbursement for (x) all reasonable fees, expenses, costs and disbursements incurred or made by either of the Trustees in accordance with any of the provisions of this Trust Agreement, including Section 7.5(b) hereof (including the fees, expenses and disbursements of their respective counsel and of all persons not regularly in their respective

employ), and (y) their indemnities pursuant to Section 7.12 hereof, and (iii) amounts to be promptly used by the Trustee to pay any reasonable fees, expenses or costs then owed by the Trust in accordance with this Trust Agreement and not covered by clause (ii) of this Section 7.5(a) (collectively, the "Trustee Costs"). For the avoidance of doubt, it is understood and agreed by the Parties that Trustee Costs under clause (ii) or (iii) of this Section 7.5(a) may include amounts of reasonable fees, expenses, costs, disbursements or indemnities that properly relate to the Trust and to one or more other trusts created under other trust agreements to which HTA, FGIC and the Trustees are party, which amounts have been reasonably and fairly allocated by the Trustee to the Trust in good faith as the Trust's share and are described in each relevant statement prepared and provided by the Trustee pursuant to Section 4.1. All such Trustee Costs shall be paid to the Trustees in accordance with the provisions of Section 3.4 hereof or taken from the Fee Reserve.

(b) In furtherance of Section 7.5(a), each of the Trustees shall be entitled to receive reimbursement for all reasonable out-of-pocket expenses which are properly documented and incurred or made by it, including costs of collection, payable as a result of or in connection with litigation, enforcement actions or other proceedings brought by Unitholders against HTA, the Trust, or such Trustee except for proceedings, litigation or enforcement actions that relate to such Trustee's grossly negligent action, grossly negligent failure to act, bad faith or its own willful misconduct as determined by a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

(c) For the avoidance of doubt, neither HTA nor FGIC shall be liable for any Trustee Costs or Other Trust Costs. FGIC may, in its sole discretion, elect to pay any Other Trust Costs, in which case FGIC shall be reimbursed by the Trustee at the time of the next distribution of any amount under Section 3.4(a) hereof upon notifying the Trustee of the amount to be so reimbursed.

Section 7.6 Eligibility Requirements for Trustee and Successor Trustee.

The Trustee and any successor Trustee shall at all times be a corporation or national banking association that: (i) is not an Affiliate of HTA, the Commonwealth of Puerto Rico or any of its instrumentalities, or FGIC; (ii) is neither affiliated with HTA, the Commonwealth of Puerto Rico or any of its instrumentalities, nor located in the Commonwealth of Puerto Rico; (iii) is organized and doing business under the laws of any state or the United States of America; (iv) is authorized under such laws to exercise corporate trust powers; (v) is in good standing under the law of the jurisdiction in which it is organized; (vi) has a combined capital and surplus of at least \$50,000,000; (vii) is subject to supervision or examination by federal or state authority; and (viii) is a nationally recognized financial institution and fiduciary regularly acting as a trustee in the municipal finance market. If such corporation or national banking association publishes reports of its conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time any Trustee or successor Trustee shall cease to be eligible in accordance with the provisions of this Section, such Trustee or successor Trustee shall resign immediately in the manner and with the effect specified in Section 7.7.

Section 7.7 Resignation and Removal of the Trustee.

(a) The Trustee may at any time resign and be discharged from the trusts created pursuant to this Trust Agreement by giving 60 days written notice, which shall be posted to EMMA by the Trustee. Upon receiving such notice of resignation, FGIC shall promptly appoint a successor trustee meeting the requirements set forth in Section 7.6 by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Unitholders and posted to EMMA by the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Trust.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 7.6 and shall fail to resign after written request therefor by FGIC or the Requisite Unitholders, or if any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then FGIC or the Requisite Unitholders may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee.

(c) FGIC, with the written consent of the Requisite Unitholders, may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(d) The Requisite Unitholders, with the written consent of FGIC (which consent shall not be unreasonably withheld or delayed by FGIC in the event the Trustee is in default of its obligations hereunder to enforce the Covered FGIC Insurance Policy), may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(e) Any resignation of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until the acceptance of appointment by the successor trustee as provided in Section 7.8 hereof. The compensation and reimbursement for fees and expenses of any successor trustee appointed in connection with the resignation of the Trustee shall be the sole responsibility of the Trust, including the costs and expenses incurred in connection with any such succession.

(f) Any removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until (i) acceptance of appointment by the successor trustee as provided in Section 7.8 hereof and (ii) payment of all costs, expenses and indemnities due and owing to the outgoing Trustee, including

the costs and expenses incurred in connection with any such succession. In the event the Trustee is removed due to a request by the Requisite Unitholders pursuant to Section 7.7(b), then the fees and expenses of the successor trustee incurred in connection with any such succession shall be the sole responsibility of the Unitholders requesting such removal.

(g) The compensation for any successor trustee shall be paid in substantially the same manner as compensation was paid to the predecessor trustee.

(h) Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the rights, benefits, protections and indemnities afforded to the Trustee under this ARTICLE VII shall continue to the benefit of the retiring Trustee.

Section 7.8 Successor Trustee.

(a) Any successor trustee appointed as provided in Section 7.7 shall execute, acknowledge and deliver to the Unitholders, FGIC and the predecessor trustee an instrument accepting such appointment under this Trust Agreement and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as trustee herein. The predecessor trustee shall deliver to the successor trustee all related documents and statements held by it under this Trust Agreement and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations.

(b) No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be eligible under the provisions of this Section 7.6 hereof.

(c) Upon acceptance of appointment by a successor trustee as provided in this Section, the successor trustee shall (a) post to EMMA notice of the succession of such trustee under this Trust Agreement and (b) provide notice of the succession of such trustee under this Trust Agreement to the Depositary.

Section 7.9 Merger or Consolidation of Trustees.

Any Person into which either of the Trustees may be merged or converted or with which it may be consolidated or any Person resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of such Trustee, shall be the successor of such Trustee under this Trust Agreement, provided such Person shall be eligible under the provisions of Section 7.6 (as to the Trustee) and 7.14 (as to the Delaware Trustee), without the execution or filing of any paper or any further act on the part of any of the Parties, anything herein to the contrary notwithstanding.

Section 7.10 Appointment of Trustee Custodians.

The Trustee may appoint one or more custodians (each a “Trustee Custodian”) to hold all or a portion of the Trust Estate as agent for the Trustee, by entering into a custodial agreement. The appointment of any Trustee Custodian may at any time be terminated and a substitute custodian appointed therefor by the Trustee. Subject to ARTICLE VII, the Trustee agrees to comply with the terms of each custodial agreement and to enforce the terms and provisions thereof against the Trustee Custodian for the benefit of the Unitholders. Each Trustee Custodian shall be a depository institution or trust company subject to supervision by federal or state authority, shall have combined capital and surplus of at least \$10,000,000 and shall be qualified to do business in the jurisdiction in which it holds any asset constituting part of the Trust Estate. Any such Trustee Custodian may not be an Affiliate of HTA or FGIC. The Trustee is responsible for the fees and expenses of any Trustee Custodian appointed hereunder.

Section 7.11 Trustee May Enforce Claims Without Possession of Certificate.

All rights of action and claims under this Trust Agreement or the Certificate may be prosecuted and enforced by the Trustee without the possession of any of the Trust Units or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name or in its capacity as Trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, fees, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Unitholders in respect of which such judgment has been recovered.

Section 7.12 Trustee Indemnity.

The Trust shall indemnify the Trustees for, and hold them harmless against, any loss, liability or expense arising out of or in connection with their acceptance or administration of the Trust, including the reasonable costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their respective powers or duties hereunder, provided in each case that such loss, liability, expense, cost or claim does not relate to or arise out of or in connection with either Trustee’s gross negligence, bad faith or willful misconduct.

Section 7.13 Acceptance by Trustees, Representations and Warranties of Trustees.

The Trustees each hereby undertake to perform their respective obligations set forth herein. The Trustee hereby agrees to hold the Trust Assets, as trustee in trust on behalf of the Trust upon the terms and conditions and for the use and benefit of the Unitholders as herein set forth. The Trustees each as to itself hereby represent and warrant to each of HTA, FGIC, holder of the Certificate and holders of the Units that as of the Closing Date:

(a) it is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;

(b) it has full corporate power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and has taken all necessary

corporate action to authorize the execution, delivery and performance by it of this Trust Agreement, including the execution and delivery of the Certificate on behalf of the Trust;

(c) the execution and delivery of this Trust Agreement by it and its performance of and compliance with the terms of this Trust Agreement will not violate its certificate of incorporation, association or other constituent documents or by-laws or constitute a default under, or result in the material breach or acceleration of, any material contract, agreement or other instrument to which it is a party or which may be applicable to it or any of its assets;

(d) as of the Closing Date, this Trust Agreement has been duly executed and delivered by it and, assuming the due authorization, execution and delivery of this Trust Agreement by each of the other parties hereto, constitutes the legal, valid and binding obligation of it, enforceable in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(e) it is not in violation, and the execution and delivery of this Trust Agreement by it and its performance and compliance with the terms thereof will not constitute a violation, of any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over it or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of it or its properties or on the performance of its duties hereunder;

(f) there are no actions or proceedings against, or investigations of, it pending, or, to its knowledge, threatened, before any court, administrative agency or other tribunal (i) that could reasonably be expected to prohibit its entering into this Trust Agreement, (ii) seeking to prevent the issuance of the Certificate contemplated by this Trust Agreement or (iii) that could reasonably be expected to materially affect the performance by it of its obligations under, or the validity or enforceability against it of, this Trust Agreement; and

(g) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by it of, or compliance by it with, this Trust Agreement, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date, other than the filing of the Certificate of Trust with the Secretary of State.

Section 7.14 The Delaware Trustee.

(a) There shall at all times be a Delaware Trustee. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law and acts through one or more persons authorized to bind such entity. The initial Delaware Trustee shall be U.S. Bank Trust National Association. The Delaware Trustee shall be entitled to all of the rights, privileges, immunities, indemnities and protections afforded to the Trustee hereunder, but will only have

such responsibilities and obligations as expressly provided by reference to the Delaware Trustee hereunder.

(b) The Delaware Trustee shall be one of the trustees of the Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Trust Statute and for taking such actions as are required to be taken by a Delaware Trustee under the Delaware Trust Statute. The duties, liabilities and obligations of the Delaware Trustee shall be limited to (i) accepting legal process served on the Trust in the State of Delaware; and (ii) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Delaware Trust Statute (only upon the written direction of the Trustee); and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. With the exception of the express duties set forth in this Section 7.14 (b), and the implied contractual covenant of good faith and fair dealing, all other duties of the Delaware Trustee, including fiduciary duties, are expressly eliminated. The Delaware Trustee shall have no liability to the Trust, to the Trustee, to any beneficiary, or to any other person that is a party to or is otherwise bound by this Trust Agreement for breach of contract or breach of duties (including fiduciary duties), except for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. The Delaware Trustee shall not be liable for any acts or omissions, except for such losses, damages or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Delaware Trustee's gross negligence, bad faith or willful misconduct.

(c) The Delaware Trustee shall not be liable for the acts or omissions of the Trust, the Trustee or any other person or entity, nor shall the Delaware Trustee be liable for supervising or monitoring the performance of the duties of the Trustee or the Trust or of any other person or entity under this Trust Agreement or any related document.

(d) The Delaware Trustee shall not be personally liable for any error of judgment made by an Officer of the Delaware Trustee having direct responsibility for the administration of this Trust Agreement in good faith.

(e) No provision of this Trust Agreement shall require the Delaware Trustee to expend or risk its personal funds or otherwise incur any financial liability in the performance of its duties hereunder.

(f) Under no circumstance shall the Delaware Trustee, in its individual capacity or in its capacity as Delaware Trustee, or any member, partner, shareholder, director, officer, employee, agent, affiliate or advisor of the Delaware Trustee or their respective affiliates be personally liable for any representation, warranty, covenant, agreement, liability or indebtedness of the Trust, as all such representations, warranties, covenants, agreements, liabilities or indebtedness of the Trust are those of the Trust as an entity.

(g) The recitals contained herein shall not be taken as the statements of the Delaware Trustee, and the Delaware Trustee does not assume any responsibility for their correctness. The Delaware Trustee shall not be personally responsible for or in respect of, and the Delaware

Trustee makes no representations as to, the title to, or value or condition of, the property of the Trust or any part thereof, including the Trust Assets or Trust Estate, nor as to the validity or sufficiency of this Trust Agreement or any related certificate, instrument or other document.

(h) The Delaware Trustee may conclusively rely and shall be fully protected, and shall incur no liability to anyone, in acting or refraining from acting in good faith and in reliance upon any signature, instrument, notice, resolution, request, instruction, direction, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Delaware Trustee may accept a certified copy of a resolution of any governing body of any person as conclusive evidence that such resolution has been duly adopted by such person and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein or whenever the Delaware Trustee shall deem it desirable that a fact or matter be proved or established prior to taking, suffering or omitting any action hereunder (including, direction by the Trustee with respect to such action), the Delaware Trustee may for all purposes hereof rely on a certificate, signed by any officer of the party delivering the certificate or, in the case of the Trustee, signed by the Trustee, as to such fact or matter, and such certificate shall constitute full protection to the Delaware Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(i) In accepting and performing its duties hereunder the Delaware Trustee acts solely as Delaware Trustee hereunder and not in its individual capacity, and all persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Trust Agreement shall look only to the Trust Assets for payment or satisfaction thereof.

(j) The Delaware Trustee may be removed by FGIC with the written consent of the Requisite Unitholders upon thirty (30) days prior written notice to the Delaware Trustee, with a copy to the Trustee. The Delaware Trustee may resign upon thirty (30) days prior written notice to FGIC, with a copy to the Trustee. No resignation or removal of the Delaware Trustee shall be effective except upon the appointment of a successor Delaware Trustee that (i) is reasonably acceptable to FGIC, (ii) has a combined capital and surplus of at least \$10,000,000 and (iii) is qualified to do business in the State of Delaware and satisfies the requirements of the Delaware Trust Statute. If no successor has been appointed within such thirty (30) day period, the Delaware Trustee, FGIC or the Unitholders may petition a court to appoint a successor Delaware Trustee, which shall be at the expense of the Trust.

ARTICLE VIII

DEFAULT ON NEW HTA BONDS OR HTA CLAWBACK CVIs

Section 8.1 Realization Upon Default.

(a) The Trustee shall assert claims under the New HTA Bonds or HTA Clawback CVIs and the Covered FGIC Insurance Policy, and shall take such reasonable steps as are necessary to receive payment or to permit recovery thereunder following any default thereunder, with respect to the Covered FGIC Insurance Policy, in accordance with Section

3.3(b) hereof and, with respect to the New HTA Bonds or HTA Clawback CVIs, in accordance with Section 6.1(b) hereof.

(b) If there is a breach, a default or an event of default with respect to any New HTA Bond or HTA Clawback CVI and such breach, default or event of default is known to the Trustee in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC as promptly as practicable, and, in any event, within three (3) Business Days after such breach, default or event of default becomes known to the Trustee. If the Trustee receives notice of an anticipated payment default with respect to any New HTA Bond or the HTA Clawback CVIs in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC within three (3) Business Days after receipt of such notice.

(c) The foregoing provisions of this Section 8.1 shall apply equally to any other securities or property received in respect of the New HTA Bonds or HTA Clawback CVIs or in exchange therefor.

ARTICLE IX

TERMINATION OF TRUST

Section 9.1 Termination; No Redemption Rights.

Upon the indefeasible cancellation or other indefeasible termination or discharge of the Covered FGIC Insurance Policy or FGIC's obligations thereunder, the Trust (including the respective obligations and responsibilities under this Trust Agreement of the Trustee and FGIC) shall terminate upon (i) the pro rata payment or distribution to the Unitholders of all amounts or Trust Assets (including the New HTA Bonds and HTA Clawback CVIs) held by or on behalf of the Trustee and required hereunder to be so paid or distributed, (ii) payment in full of any Trustee Costs due and owing to the Trustee under this Trust Agreement, and (iii) receipt by the Trustee of an Opinion of Counsel stating that all conditions precedent herein relating to the satisfaction and discharge of this Trust Agreement have been complied with. In no event shall the Trust be terminated or the New HTA Bonds or HTA Clawback CVIs be redeemed (except in the case of a redemption of the New HTA Bonds or HTA Clawback CVIs permitted under the terms of the New HTA Bond Indenture, the HTA Enabling Act, the Clawback CVI Indenture or the CVI Legislation) or otherwise released from the Trust Estate without the prior express written consent of FGIC if either (i) the Covered FGIC Insurance Policy or FGIC's obligations thereunder has not been indefeasibly terminated or discharged, or (ii) FGIC has not been indefeasibly paid in full for any amounts owed pursuant to the Plan.

Notwithstanding anything contained herein to the contrary, the merger or consolidation of the Trustee shall not cause a termination of the Trust.

Section 9.2 Procedure for Termination.

(a) During the month in which the Trustee intends to make the final distribution from the Trust, the Trustee shall give notice to the Unitholders in accordance with

Section 11.4 specifying: (a) the anticipated final distribution date; (b) that the final payment with respect to the Trust Units will be made upon presentation and surrender of the Certificate at the office of the Trustee therein designated on that date and the amount of any such final payment; (c) any amounts, or trust assets, remaining on deposit in the Trust will be distributed to the holders of record of the Trust Units on a pro rata basis; and (d) that the Trustee believes that, following the occurrence of such final distributions, the conditions to termination of the Trust have been satisfied and that it intends to terminate the Trust (a “Termination Notice”).

(b) If the Requisite Unitholders do not object in writing within 30 days after the Trustee has provided the Termination Notice as set forth herein then, upon completion of final distributions as set forth in the Termination Notice, the Trust shall be dissolved, wound up, and terminated.

(c) Upon the dissolution, wind up and termination of the Trust and this Trust Agreement, the Trustee or Delaware Trustee (acting solely at the written direction of the Trustee) is authorized to file a certificate of cancellation with the Secretary of State.

ARTICLE X

TAX PROVISIONS

Section 10.1 Grantor Trust Provisions.

The Trustee, HTA, the Unitholders (by their acceptance of the Trust Units) and FGIC each agree and acknowledge or have agreed and acknowledged that the Trust is intended to qualify for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust, and it is neither the purpose nor the intent of the parties hereto to create a partnership, joint venture or association taxable as a corporation or to serve as associates in a joint enterprise for the conduct of business for profit. In furtherance of the foregoing, (a) the purpose of the Trust is and shall be to protect and conserve the assets of the Trust Estate, and the Trust shall not at any time engage in or carry on any kind of business or any kind of commercial or investment activity (B) the Trust is formed to facilitate direct investment in the Trust Assets and the existence of multiple classes of ownership interests is incidental to that purpose, and (c) the Trustee (at the direction of FGIC and/or the Requisite Unitholders), shall take, or refrain from taking, all such action as is necessary to maintain the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not (i) acquire any assets or dispose of any portion of the Trust other than pursuant to the specific provisions of this Trust Agreement, (ii) vary the investment of the Trust within the meaning of Treasury Regulation § 301.7701- 4(c), (iii) substitute new investments or reinvest so as to enable the Trust Estate to take advantage of variations in the market to improve the investment of any Unitholder or (iv) engage in any activity which may directly or indirectly adversely affect the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not have any authority to manage, control, use, sell, dispose of or otherwise deal with any part of the Trust Estate except as required by the express terms of this Trust Agreement in accordance with the powers granted to or the authority conferred upon the Trustee pursuant to this Trust Agreement. The Trustee and FGIC each agree that they shall not take any action that would result in the Trust failing to be

characterized for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust.

Section 10.2 Characterization.

Each Unitholder acknowledges and agrees to treat the Trust Units as undivided interests in the Trust Estate.

Section 10.3 Grantor Trust Administration.

Notwithstanding anything in this Trust Agreement to the contrary, and notwithstanding any direction or instruction by less than all the Unitholders, the Trustee shall not be authorized to take any action that would cause the Trust not to be treated as a grantor trust under the Code all of the distributions and income from which would be subject to the tax treatment described in Subpart J of Chapter 1 of the Code as to the Unitholders. The Trustee shall perform its duties hereunder so as to maintain the status of the Trust as a grantor trust as provided in Section 10.1 hereof. The Trustee shall not (a) exercise any discretionary rights with respect to the Trust Assets, (b) acquire an interest in any additional Trust Assets (other than proceeds of a sale of Trust Assets permitted under the terms of this Trust Agreement), (c) knowingly take any other action or fail to take (or fail to cause to be taken) any other action that, under the Grantor Trust Provisions, if taken or not taken, as the case may be, could adversely affect the status of (i) the Trust as a grantor trust, (ii) the Trust as a U.S. trust, or (iii) the Unitholders as grantors with respect to the Trust under the Grantor Trust Provisions (any such adverse effect on trust status, an “Adverse Trust Event”), unless the Trustee has obtained or received an Opinion of Counsel nationally recognized as competent in matters relating to the U.S. federal income taxation of organizations such as the Trust (at the expense of the party requesting such action or at the expense of the Trust Estate if the Trustee seeks to take such action or to refrain from taking any action for the benefit of the Unitholders) to the effect that the contemplated action will not result in an Adverse Trust Event. None of the other parties hereto shall take any action or fail to take any action (whether or not authorized hereunder) as to which the Trustee has advised it in writing that the Trustee has received or obtained an Opinion of Counsel to the effect that an Adverse Trust Event could result from such action or failure to act. The Trustee may consult with counsel to make such written advice, and the cost of same shall be borne by the party seeking to take the action not permitted by this Trust Agreement, but in no event at the cost or expense of the Trust Estate or the Trustee.

Section 10.4 Reports to Unitholders and Tax Authorities.

(a) The Trustee shall perform or cause to be performed on behalf of the Trust all reporting and other tax compliance duties that are required in respect thereof under the Code, the Grantor Trust Provisions or other compliance guidance issued by the Internal Revenue Service or any state or local taxing authority, including for avoidance of doubt the filing of IRS Forms 1099 or providing other information statements to the extent required pursuant to U. S. Treasury Regulations Section 1.671-5 (including U.S. Treasury Regulations Section 1.671-5(c)(1)), as amended or any successor provision (the “WHFIT Regulations”).

(b) Consistent with the Trust's characterization for U.S. federal income tax purposes as a grantor trust, except to the extent required pursuant to WHFIT Regulations, no U.S. federal income tax return shall be filed on behalf of the Trust unless either (i) the Trustee shall receive an Opinion of Counsel that, based on a change in applicable law occurring after the date hereof, the Code requires such a filing or (ii) the Internal Revenue Service shall determine that the Trust is required to file such a return. In the event that the Trust is required to file tax returns, the Trustee shall prepare or cause to be prepared, and sign and file when due with the appropriate tax authorities all of the tax returns in respect of the Trust. In no event shall the Trustees, FGIC or HTA be liable for any liabilities, costs or expenses of the Trust or the Unitholders arising out of the application of any tax law, including federal, state, foreign or local income or excise taxes or any other tax imposed on or measured by income (or any interest, penalty or addition with respect thereto or arising from a failure to comply therewith) except, in the case of the Trustee, for any such liability, cost or expense attributable to the Trustee's gross negligence, bad faith or willful misconduct.

(c) If any tax is imposed on the Trust, such tax, together with all incidental costs and expenses (including, without limitation, penalties and reasonable attorneys' fees) shall be charged to and payable by the Unitholders on a pro rata basis; provided that in each case the Trustee shall be authorized to withhold the applicable amounts from Distributions on the applicable Trust Units and pay such amounts to the applicable taxing authority and that any amounts so withheld and paid to the applicable taxing authority shall be deemed to have been paid as a Distribution to the applicable Unitholders.

(d) The Trustee shall, for U.S. federal income tax purposes, maintain books and records with respect to the Trust on a calendar year basis or such other basis as may be required under the Code.

(e) All taxes due and payable on any amounts payable to a Unitholder with respect to a Trust Unit shall be that Unitholder's sole responsibility.

(f) For the purposes of this ARTICLE X and any other provision of the Trust Agreement relating to the ownership of a Trust Unit for U.S. federal income tax purposes, including definitions, all references to holder, Unitholder, or beneficial owner shall mean the beneficial owner of a Trust Unit for U.S. federal income tax purposes. By acquiring an interest in a Trust Unit, a beneficial owner of the Trust Unit for U.S. federal income tax purposes shall be deemed to consent as a condition of acquiring such interest to comply with any requirements of such Article and other provisions hereof.

ARTICLE XI

MISCELLANEOUS PROVISIONS

Section 11.1 Amendment of Trust Agreement.

(a) This Trust Agreement may not be amended, waived or supplemented without the prior written consent of FGIC. This Trust Agreement may be amended, waived or

supplemented from time to time by FGIC and the Trustee without the consent of any other Party or the Depositary or any Unitholders; provided, however, that no such amendment shall:

(i) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of such Unitholder;

(b) Prior to executing any amendment permitted by this ARTICLE XI, (i) the Trustee shall be required to obtain an Opinion of Counsel that is nationally recognized as competent in matters relating to the federal income taxation of organizations such as the Trust to the effect that such amendment will not result in an Adverse Trust Event and (ii) the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Trust Agreement and that all conditions precedent have been met. The Trustee may, but shall not be obligated to, enter into any such amendment that affects the Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. The Delaware Trustee may, but shall not be obligated to, enter into any such amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. No amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement shall be effective against the Delaware Trustee unless the Delaware Trustee has consented thereto in writing. Prior to executing any amendment permitted by this ARTICLE XI, the Delaware Trustee shall be entitled to receive and conclusively and exclusively rely upon written direction from the Trustee that such amendment is authorized and permitted by this Trust Agreement.

(c) Promptly following the execution of this Trust Agreement, the Trustee shall post full and complete copies of this Trust Agreement on EMMA . Promptly after the execution of any amendment to this Trust Agreement, the Trustee shall furnish a copy of such amendment to the Depositary and shall post a copy of such amendment on EMMA.

(d) The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Unitholders shall be subject to such reasonable regulations as the Trustee may prescribe in coordination with the Depositary.

The words “execution,” “signed,” “signature,” and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including, without limitation, DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the US Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

Section 11.3 Limitation on Rights of Unitholders.

(a) The death or incapacity of any Unitholder shall not operate to terminate this Trust Agreement or the Trust, nor entitle such Unitholder’s legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust, nor otherwise affect the rights, obligations and liabilities of the Parties or any of them.

(b) No Unitholder shall have any right to vote (except as expressly provided for herein) or in any manner otherwise control the operation and management of the Trust, or the obligations of the Parties, nor shall anything herein set forth, or contained in the terms of the Trust Units, be construed so as to constitute the Unitholders from time to time as partners or members of an association; nor shall any Unitholder be under any liability to any third person by reason of any action taken by the Parties pursuant to any provision hereof.

(c) No Unitholder shall have any right by virtue of any provision of this Trust Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Trust Agreement or any of the Trust Assets. Nothing in this paragraph shall be construed to limit in any manner the ability of any Party (notwithstanding the ownership by such Party of Trust Units) to institute any suit, action or proceeding upon or under or otherwise with respect to this Trust Agreement or to enforce in any manner its rights as a party hereunder.

If any one or more of the covenants, agreements, provisions or terms of this Trust Agreement shall be for any reason whatsoever held invalid, then to the fullest extent permitted by law such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Trust Agreement and shall in no way affect the validity or enforceability of the other provisions of this Trust Agreement or of the Trust Units or the related rights of the Unitholders.

Section 11.6 Acts of Unitholders.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Trust Agreement to be given or taken by Unitholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Unitholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Trustee and ownership of the Units held by such Unitholders is confirmed by Depositary. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and conclusive in favor of the Trustee. The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Trustee deems sufficient. Section 11.8 No Waiver; Cumulative Remedies.

No failure to exercise and no delay in exercising, on the part of any Party of any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

Section 11.9 Merger and Integration.

This Trust Agreement and the documents and exhibits expressly incorporated herein set forth the entire understanding of the Parties relating to the subject matter hereof and thereof, and all prior understandings, written or oral, are superseded by this Trust Agreement.

The Parties acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustees, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustees. The Parties agree that they will provide the Trustees with such information as they may request in order for the Trustees to satisfy the requirements of the U.S.A. PATRIOT Act.

Section 11.12 Governing Law; Venue Jury Waiver.

THIS TRUST AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS TRUST AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS TRUST AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS TRUST AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY WAY RELATED TO THIS TRUST AGREEMENT, OR (B) IN ANY WAY IN CONNECTION WITH OR PERTAINING TO OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES WITH RESPECT TO THIS TRUST AGREEMENT OR IN CONNECTION WITH THIS TRUST AGREEMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS TRUST AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE

In no event shall the Trustees be responsible or liable for any failure or delay in the performance of their obligations hereunder arising out of or caused by, directly or indirectly, forces beyond their control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, pandemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustees shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 11.14 Intent of Parties.

(a) The Parties intend that, for all purposes, the transfer to the Trust of the Trust Estate pursuant to Section 2.2 in each case shall be, and shall be construed as, a transfer thereof to the Trust on behalf of the Original Holders in lieu of a transfer thereof to the Trust directly by the Original Holders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Closing Date, HTA will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of HTA or HTA's estate in the event of a liquidation, reorganization, or similar proceeding of HTA and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. The Parties agree to treat the transfer contemplated hereby for all purposes (including financial accounting purposes) as an absolute transfer on all relevant books, records, financial statements and other documents.

(b) The Trust Estate will be held by the Trust free and clear of any lien or encumbrance of any Person claiming through or under HTA.

(c) Notwithstanding anything to the contrary in this Trust Agreement or in any other document governing the formation, management, or operation of the Trust, if and for so long as any Trust Unit remains outstanding, none of the Unitholders, FGIC, the Trustees, nor any other Person shall authorize, cause or permit the Trust to (and the Trust shall not, and neither Trustee shall directly take any action that to its actual knowledge would, violate any of the following):

(xiv) perform any duties or obligations of HTA or any other Person;

(xv) make any loans or advances to any third party, including any Unitholder, HTA or any Affiliate of the Trust, or any principal or Affiliate thereof;

(xvi) fail to file its own tax returns as and if required to do so by applicable law (subject to any permitted extensions and except to the extent the Trust is treated as a grantor trust for tax purposes) and to pay any taxes required to be paid by it under applicable law;

(xvii) fail to hold itself out to the public as a legal entity separate and distinct from any other Person, fail to conduct its activities solely in its own name or in the name of the Trustee and as a separate and distinct entity, or fail to correct any known misunderstanding regarding its separate identity;

(xxi) conduct any oral or written communication, including letters, invoices, purchase orders, contracts, statements and applications, other than in its own name or in the name of the Trustee; or

(xxii) (a) institute proceedings to have the Trust declared or adjudicated a bankrupt or insolvent, (b) consent to the institution of bankruptcy or insolvency proceedings against the Trust, (c) file a petition or consent to a petition seeking reorganization or relief on behalf of the Trust under any applicable federal or state law relating to bankruptcy, (d) consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or any similar official) of the Trust or a substantial portion of the property of the Trust, (e) make any assignment for the benefit of the Trust's creditors, (f) cause the Trust to admit in writing its inability to pay its debts generally as they become due or (g) take any action, or cause the Trust to take any action, in furtherance of any of the foregoing.

(d) Failure of the Trust, HTA, FGIC, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 11.14 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 11.14 conflicts with, violates or otherwise is in contravention with any other provision of this Trust Agreement, the Parties and each Unitholder agree that the terms set forth in this Section 11.14 shall be controlling as expressly set forth herein.

Section 11.15 Non-Petition.

HTA, FGIC, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another Person, the Trustee may file appropriate proofs of claim.

Section 11.16 Certain Terms Regarding HTA.

For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Unitholders shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, HTA, and no recourse shall be had against any officer, director, manager, employee, security holder or incorporator of HTA, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and HTA assumes no responsibility for their correctness. HTA makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of HTA nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of HTA or any of its affiliates.

(iv) HTA shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

Section 11.17 Certain Terms Regarding FGIC.

ARTICLE III

ADMINISTRATION OF TRUST

Section 3.1 Accounts.

(a) The Trustee has established and will maintain Eligible Accounts (i) to hold all amounts received on or in respect of the Trust Assets except the Covered FGIC Insurance Policy (the "General Collection Account") and (ii) to hold all amounts received on account of the Covered FGIC Insurance Policy (including, any amounts received on account of DPO or DPO Accretion) (the "FGIC Insurance Policy Collection Account"), each held in trust for the benefit of the Unitholders and FGIC. The Trustee shall deposit all cash received pursuant to clause (a) of Section 2.2 into the General Collection Account on the Closing Date. U.S. Bank Trust Company, National Association has established and will maintain its participant account at the Depositary into which the HTA Clawback CVIs received pursuant to clause (a) of Section 2.2 shall be deposited and held in trust for the benefit of the Unitholders and FGIC. Each of the General Collection Account and the FGIC Insurance Policy Collection Account and such other accounts

shall be under the sole dominion and control of the Trustee, and the Trustee shall be entitled to look solely to the General Collection Account for payment of any Trustee Costs and funding of the Fee Reserve from time to time in accordance with the terms of this Trust Agreement. All distributions to Unitholders shall be made only from cash on deposit in either the General Collection Account or the FGIC Insurance Policy Collection Account in accordance with the terms hereof.

(b) If, at any time, a formerly Eligible Account no longer fulfills the definition of Eligible Account, the Trustee shall within thirty (30) days establish a new General Collection Account or FGIC Insurance Policy Collection Account, as applicable, meeting the conditions specified in such definition and transfer any cash on deposit in the General Collection Account or FGIC Insurance Policy Collection Account to such new General Collection Account or FGIC Insurance Policy Collection Account, and from the date such new General Collection Account or FGIC Insurance Policy Collection Account is established, it shall be the General Collection Account or FGIC Insurance Policy Collection Account under this Trust Agreement.

(c) The Trustee shall give notice to FGIC and Unitholders of the location of each Eligible Account and other account and to the proposed new location of any Eligible Account or other account prior to any change thereof.

Section 3.2 Investment of Funds in the Collection Accounts.

Amounts in the General Collection Account and the FGIC Insurance Policy Collection Account shall not be invested.

Section 3.3 FGIC Insurance Policy and Effect of Distributions.

(a) The Trust is deemed to hold the Covered FGIC Insured Bonds and is the sole Person entitled under the terms of the Covered FGIC Insured Bonds to payment thereof. Accordingly, the Trust is and shall be the sole "Bondholder" entitled to assert claims and receive payments under or with respect to the Covered FGIC Insurance Policy.

(b) The Trustee shall have the sole authority to assert, and shall assert, subject to its rights and protections herein, claims under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and to take all actions required to enforce the Covered FGIC Insurance Policy, including in the event that FGIC fails to make any payment when due under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy. The Trustee shall be authorized to take, and shall take, subject to its rights and protections herein, all actions it deems necessary or advisable to satisfy any and all conditions to the obligations to make payment of any claim asserted by the Trustee under the Covered FGIC Insurance Policy or any payment in respect of any DPO or DPO Accretion related to the Covered FGIC Insurance Policy which may become payable in accordance with the FGIC Rehabilitation Plan. The following are conditions to FGIC's obligation to make any such payment, and the Trustee is authorized and directed to satisfy such conditions: (i) the Trustee shall have submitted to FGIC with respect to each claim a fully completed and duly executed Proof of Policy Claim Form in accordance with the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan, and (ii) with respect to each such payment (other than on account of DPO Accretion) relating or with

respect to the principal of the Covered FGIC Insured Bonds, which is paid or deemed to be paid by FGIC in cash (each a "Cash Payment"), the Trustee shall have executed and delivered on behalf of the Trust to FGIC (or its fiscal agent) assignments in substantially the form of Exhibit G with respect to a proportionate share (based on the proportion of such Cash Payment compared to the total principal amount of the Covered FGIC Insured Bonds then held by the Trust) of the Trust Assets held by the Trust, as confirmed by FGIC, and taken such actions as shall be necessary to transfer such Trust Assets to the account of FGIC or its custodian, in either case as directed by FGIC in writing, and receipt of such Trust Assets shall have been confirmed by FGIC.

(c) All claims that are properly submitted to FGIC by the Trustee under the Covered FGIC Insurance Policy shall be paid to the extent permitted by FGIC under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan, subject to satisfaction of any conditions to such payments, including the conditions set forth in this Trust Agreement. All payments to the Trustee under or with respect to the Covered FGIC Insurance Policy shall be deposited into the FGIC Insurance Policy Collection Account on the date received if received prior to 11:00 a.m. New York time, on any Business Day or, if received after such time on any Business Day, on the following Business Day. In the event that FGIC has defaulted in its payment obligations under the Covered FGIC Insurance Policy, the Requisite Unitholders shall have the right to direct the Trustee in writing to take, and the Trustee is authorized to take, and shall take, subject to its rights and protections herein, any and all actions necessary or desirable to enforce and recover such payment obligations.

(d) Each distribution of cash to the Unitholders from the General Collection Account shall automatically and immediately reduce on a dollar-for-dollar basis the outstanding principal amount of the Covered FGIC Insured Bonds and shall automatically and immediately result in a corresponding reduction in FGIC's obligations under the Covered FGIC Insurance Policy. All payments from the FGIC Insurance Policy Collection Account under or with respect to the Covered FGIC Insurance Policy arising from or related to principal of or interest on the Covered FGIC Insured Bonds (other than on account of DPO Accretion) shall be deemed to automatically and immediately reduce on a dollar-for-dollar basis the outstanding principal amount of or the accrued and unpaid interest on the Covered FGIC Insured Bonds, respectively. For the avoidance of doubt, all payments on account of a claim for accrued and unpaid interest due shall reduce on a dollar-for-dollar basis the outstanding interest amount of the Covered FGIC Insured Bonds, and all payments of a claim for principal shall reduce on a dollar-for-dollar basis the outstanding principal amount of the Covered FGIC Insured Bonds.

(e) If at any time the principal amount of the Covered FGIC Insured Bonds shall be reduced to zero, then thereafter each distribution of cash to the Unitholders under this Trust Agreement (other than distributions from the FGIC Insurance Policy Collection Account on account of payments made by FGIC under or with respect to the Covered FGIC Insurance Policy) shall automatically and immediately reduce on a dollar-for-dollar basis the accrued and unpaid interest, if any, due on the Covered FGIC Insured Bonds and shall automatically and immediately result in a corresponding reduction in FGIC's obligations under the Covered FGIC Insurance Policy. If at any time the principal amount of and the accrued and unpaid interest on the Covered FGIC Insured Bonds and the DPO Accretion balance under the Covered FGIC Insurance Policy shall be reduced to zero, then (i) the Covered FGIC Insurance Policy shall be indefeasibly

canceled, (ii) within three (3) Business Days thereafter, the Trustee shall (x) first, assign to FGIC ownership of the Trust Assets held by the Trust at that time to the extent required to reimburse FGIC for any unreimbursed payments previously made under the Covered FGIC Insurance Policy and (y) second, distribute to the Unitholders any remaining Trust Assets, and (iii) upon making such assignment and distributions (if any), the Units shall be deemed to be redeemed in full and the Trust shall terminate in accordance with the provisions of Article IX hereof.

(f) Each of FGIC and each Unitholder shall have and retain all rights set forth in the Plan applicable to it, including those set forth in Section ~~25.3~~26.3 of the Plan.

(g) In addition to any other rights FGIC may have hereunder or otherwise, due to the subrogation rights under the Covered FGIC Insurance Policy, upon making each Cash Payment or Cash Acceleration Payment to the Trust, FGIC shall automatically become the owner of a proportionate share (as described in Section 3.3(b)) of the Trust Assets held by the Trust and shall be fully subrogated to all of the Trust's rights therein, including any payments on or in respect thereof.

Section 3.4 Distributions.

(a) All cash received by the Trust or the Trustee from any source shall be applied and distributed in accordance with the terms of this Trust Agreement. Within two (2) Business Days of the Trust's receipt of (i) the Cash to be deposited into the Trust pursuant to clause (a) of Section 2.2 on the Closing Date, or (ii) any scheduled payment due on the HTA Clawback CVIs, the Trustee shall distribute such amounts, net of any outstanding Trustee Costs that are due and payable or to be reimbursed to the Trustees as of the related distribution date, Other Trust Costs to be reimbursed under Section 7.5(c) and amounts necessary to fund the Fee Reserve to the Fee Reserve Threshold Amount, to the Depositary for distribution on a pro rata "pass-through" basis to each Unitholder as of the related Record Date. The Trustee shall pay or reimburse such Trustee Costs, reimburse such Other Trust Costs and fund the Fee Reserve at the time of such distribution.

(b) The Trustee shall establish the Record Date for the distribution of (i) any other funds deposited or to be deposited in the General Collection Account or (ii) any payment made or to be made under or with respect to the Covered FGIC Insurance Policy, and the Trustee shall send notice to the Unitholders of such Record Date and the related anticipated distribution date of such amounts, in accordance with Section 11.4, in each case not later than two (2) Business Days after the Trust's receipt of such funds or payments. Such Record Date shall be at least 10 days and no more than 15 days after the date such notice is posted on EMMA. On such distribution date, the Trustee shall distribute such amounts, in the case of clause (i) net of any outstanding Trustee Costs that are due and payable as of such distribution date, to the Depositary for distribution on a pro rata "pass-through" basis to each Unitholder as of the related Record Date.

(c) Any distribution to Unitholders shall be made to the Person in whose name such Unit is registered at the close of business on the related Record Date in accordance with the procedures of the Depositary.

Section 3.5 Threshold Event or Permitted Sale Event.

(a) The Trustee shall not sell any HTA Clawback CVIs except upon a Threshold Event or Permitted Sale Event and subject to the terms of Section 3.5(b), provided that the Trustee shall be authorized to make the assignments and transfers contemplated by Sections 3.3 and 3.6. Upon the Trustee's receipt of a notice substantially in the form of Exhibit E-1 attached hereto as contemplated by clause (ii) of the definition of "Permitted Sale Event", the Trustee shall (i) provide the notice to Unitholders contemplated by clause (iii) of such definition (with a copy of such notice to FGIC) as soon as practicable and in any event within three (3) Business Days of receiving FGIC's notice, and (ii) no later than the tenth (10th) Business Day following the date of such notice to Unitholders, notify FGIC in writing whether the Trustee has received a written objection from the Requisite Unitholders as contemplated by clause (iv) of such definition.

(b) Upon the occurrence of a Threshold Event or Permitted Sale Event with respect to which FGIC has provided written instruction to the Trustee (substantially in the form of Exhibit E-2 hereto, in the case of a Threshold Event, or Exhibit E-3 hereto, in the case of a Permitted Sale Event) to sell some or all of the HTA Clawback CVIs, the Trustee shall seek to sell HTA Clawback CVIs to the person(s) identified to the Trustee by FGIC in such instruction (which instruction shall also include the applicable sale price(s), the information for the account(s) to which such HTA Clawback CVIs shall be transferred by the Trustee and any other details, including relevant broker(s), to be utilized by the Trustee for such sale) as soon as practicable and in any event within one (1) Business Day of receiving such instruction, provided that: (i) any such sale is made at price(s) that equal or exceed the Fair Market Value applicable to such sale, as confirmed to the Trustee by FGIC, (ii) any such sale is made at price(s) that equal or exceed the applicable Threshold Price in the case of a Threshold Event or the applicable Permitted Sale Price in the case of a Permitted Sale Event, and (iii) all proceeds of such sales shall be deposited into the General Collection Account.

Section 3.6 Surrendered Units.

(a) Subject to satisfaction of the conditions set forth in Section 3.6(b), any Unitholder may, at any time and from time to time, elect to surrender Units held by such Unitholder (as confirmed by the Depository) to the Trustee for cancellation (the "Surrendered Units") in exchange for a transfer to such Unitholder of its proportional percentage of HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, by giving written notice thereof to FGIC and the Trustee (a "Unitholder Election").

(b) The following conditions must be satisfied to permit and effectuate any Unitholder Election: (i) FGIC shall, in its sole discretion, have consented in writing to such Unitholder Election (other than any Unitholder Election in connection with which FGIC shall not have agreed or otherwise be obligated to pay any consideration for the release set forth in clause (iv) below), (ii) the Surrendered Units shall be cancelled by the Trustee with an automatic and immediate corresponding reduction in the aggregate Notional Amount of the Units and the Trustee shall deliver written notice of such cancellation and reduction to the Depository, (iii) the outstanding principal amount of the Covered FGIC Insured Bonds shall automatically and

immediately be reduced on a proportionate dollar-for-dollar basis (based on the proportion of the Notional Amount of such Surrendered Units to the aggregate Notional Amount of the Units at that time) with an automatic and immediate corresponding reduction in FGIC's obligations under the Covered FGIC Insurance Policy, which reductions shall be acknowledged by the Trustee, and (iv) such Unitholder shall execute and deliver a release, in form and substance satisfactory to FGIC, releasing all rights and claims of any kind it may have relating to the Surrendered Units or the Covered FGIC Insurance Policy subject to receipt of consideration, if any, that FGIC shall have agreed in writing to pay to such Unitholder in consideration for release. Upon satisfaction of such conditions, the Trustee shall transfer to the Unitholder ownership of the applicable proportional percentage of the HTA Clawback CVI (or any other securities or property received in respect thereof or in exchange therefor) held by the Trust at that time, as directed by FGIC. FGIC's consent to any Unitholder Election shall not limit its right, in its sole discretion, to deny its consent to any other Unitholder Election.

Section 3.7 FGIC Election to Accelerate Policy Payments.

(a) Section 3.7(b) shall apply to the Trust and the Covered FGIC Insurance Policy as of the date that is thirty (30) Business Days following the Closing Date unless the Requisite Unitholders notify the Trustee in writing prior to such date of their election that Section 3.7(b) shall not so apply.

(b) Pursuant to the Plan, the payment of the principal of the Covered FGIC Insured Bonds was accelerated and such Covered FGIC Insured Bonds are due and payable at an "acceleration price" of one hundred percent (100%) of the principal amount thereof, plus accrued interest thereon, or 100% of accreted amounts thereon, to the date of payment. FGIC is not obligated to pay any claims on an accelerated basis under the Covered FGIC Insurance Policy. FGIC shall have the right, in its sole and absolute discretion, to elect at any time to permit a claim under the Covered FGIC Insurance Policy in the amount of such acceleration price at such time (regardless of whether the Trustee shall have submitted a claim therefor to FGIC) and to make payment to the Trustee in respect of such permitted claim under and in accordance with the terms and conditions of the Covered FGIC Insurance Policy and the FGIC Rehabilitation Plan; provided, however, that FGIC shall not be obligated to make all or any portion of such payment, unless and until, with respect to the portion of such payment relating to the principal of the Covered FGIC Insured Bonds which will be paid or deemed to be paid by FGIC in cash (the "Cash Acceleration Payment"), the Trustee shall have executed and delivered to FGIC (or its fiscal agent) assignments in substantially the form of Exhibit G with respect to a proportionate share (based on the proportion of such Cash Acceleration Payment compared to the total principal amount of the Covered FGIC Insured Bonds then held by the Trust) of the Trust Assets held by the Trust, as confirmed by FGIC, and taken such action as shall be necessary to transfer such Trust Assets to the account of FGIC or its custodian, in either case as directed by FGIC in writing, and receipt of such Trust Assets shall have been confirmed by FGIC.

(c) At any time, Requisite Unitholders can notify the Trustee of an election that Section 3.7(b) shall apply notwithstanding a prior election under Section 3.7(a), and such notice will be effective upon agreement by FGIC within 30 Business Days of such notification.

ARTICLE IV

REPORTING/REMITTING TO UNITHOLDERS

Section 4.1 Statements to Unitholders and FGIC.

On a quarterly basis, the Trustee shall prepare and post a statement to EMMA, in the form attached hereto as Exhibit B and provide notice of such statement to the Unitholders and FGIC in accordance with the Notice provisions of Section 11.4 setting forth:

(a) all distributions made from the General Collection Account during the quarter and during the year to date (on an aggregate and per Unit basis), identifying the portion thereof attributable to the amount of (i) asset sales; and (ii) CVI payments;

(b) all distributions made from the FGIC Insurance Policy Collection Account during the quarter and during the year to date (on an aggregate and per Unit basis);

(c) the principal amount (or accreted amount, as applicable) as of the quarter end of each CUSIP number of HTA Clawback CVI held by the Trust (or any other securities or property received in respect thereof or in exchange therefor) (on an aggregate and per Unit basis);

(d) the DPO balance and DPO Accretion balance associated with the Covered FGIC Insured Bonds under the Covered FGIC Insurance Policy as of the quarter end, to the extent such information has been furnished to the Trustee by FGIC;

(e) the principal amount of, and the accrued and unpaid interest on, the Covered FGIC Insured Bonds as of the end of the quarter, together with a description of the changes in such amounts during the quarter;

(f) any notices received by the Trustee from FGIC in connection with any required DPO and DPO Accretion payments associated with the Covered FGIC Insured Bonds under the Covered FGIC Insurance Policy;

(g) (i) the respective amounts paid to the Trustees for trustee fees, other Trustee Costs under Section 7.5(a), Trustee Costs under Section 7.5(b) and indemnification amounts under Section 7.12, a description of such indemnification amounts and Trustee Costs, (ii) the amount of any Other Trust Costs reimbursed under Section 7.5(c), if applicable, and (iii) the ending Fee Reserve balance for each quarter; and

(h) any required tax reporting for such period.

Section 4.2 Compliance with Withholding Requirements.

Notwithstanding any other provisions of the Trust Agreement, the Trustee shall comply with all federal withholding requirements with respect to payments to the Depositary and the Unitholders that the Trustee reasonably believes are applicable under the Code. The consent of the Depositary and the Unitholders shall not be required for such withholding. In the event the Trustee does withhold any amount from payments to the Depositary or any Unitholder pursuant to

federal withholding requirements, the Trustee shall indicate with any payment to the Depositary or such Unitholder the amount withheld. Any amounts withheld shall be treated as a distribution of cash to the Depositary or Unitholder, as the case may be, in the amount of the withholding for all purposes and shall thereby reduce amounts otherwise distributable to the Depositary or such Unitholder. If an amount required to be withheld was not withheld, the Trust may reduce subsequent distributions by the amount of such required withholding.

ARTICLE V

THE UNITS

Section 5.1 The Units.

(a) The Units shall be evidenced by the Certificate issued by the Trustee to the Depositary in accordance with Section 5.2(a).

(b) As of the Closing Date, the Notional Amount of the Units issued under this Trust Agreement shall be the Notional Amount set forth in Exhibit C, which is the aggregate original principal amount as of their date of issuance of those Covered FGIC Insured Bonds deposited, or deemed hereunder to have been deposited, into the Trust. The beneficial ownership of the Units as of the Closing Date shall be allocated by the Depositary among the Original Holders on a proportionate basis based on the aggregate original principal amount as of their date of issuance of each original Holder's respective Covered FGIC Insured Bonds that are deposited, or deemed hereunder to have been deposited, into the Trust on the Closing Date.

(c) All Units issued under this Trust Agreement shall be evidenced by the same Certificate, subject to the requirements of the Depositary, and otherwise identical in all respects. All Units issued under this Trust Agreement shall be in all respects equally and ratably entitled to the benefits hereunder without preference, priority or distinction on account of the actual time or times of authentication and delivery, and shall be held and transferable only through the Depositary.

(d) No additional interests in the Trust other than the Certificate and the Units shall be issued hereunder, except in accordance with Section 5.3.

Section 5.2 The Certificate; Book-Entry-only System.

(a) On the Closing Date, upon deposit of all of the Trust Assets into the Trust pursuant to the Plan of Adjustment and as provided in Section 2.2, the Trustee shall issue to the Depositary the initial Certificate by executing and delivering the Certificate, on behalf of this Trust, with the manual or facsimile signature of an authorized officer or other agent of the Trustee.

(b) The Trust shall issue the Certificates to the Depositary. Consistent with DTC book-entry provisions, one or more typewritten Certificates shall be prepared and registered in the name of the Depositary or its nominee. There shall be no physical delivery of the Certificate or Units to the Unitholders (other than the Depositary) or other beneficial owners.

(c) DTC is hereby appointed as the initial Depositary, with Cede & Co., a nominee thereof, being the initial registered owner of the Certificate. In the event that any Depositary resigns or is removed, the Trustee shall select a substitute Depositary. Notwithstanding anything herein to the contrary, the Trust and each of the Trustees, and any agent of the Trust or either of the Trustees, may treat any Depositary in whose name any Certificate is registered as the owner of the Units for all purposes, including for actions by Unitholders. For so long as the Depositary is the registered owner of the Certificate, procedures with respect to the transmission of notices and the transfer of ownership and payment of Units shall be in accordance with arrangements between the Trustee and the Depositary. The Certificate shall be issued in global form and the Units represented thereby shall be freely tradeable and transferable through the Depositary.

(d) Notwithstanding anything herein to the contrary, so long as the Certificate is registered in the name of the Depositary, the Trust and the Trustee shall have no responsibility or obligation to any Depositary participant, indirect participant or beneficial owner of the Certificate or Units. Without limiting the immediately preceding sentence, the Trust and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of any Depositary or any Depositary participant or indirect participant with respect to any beneficial ownership interest in the Certificate, (ii) the delivery to any Depositary participant, indirect participant, beneficial owner or any other person, other than the Depositary, of any notice with respect to the Certificate or Units, including any notice of Record Date, distribution date, payment, redemption or tender, or (iii) the payment to any Depositary participant, indirect participant, beneficial owner or any other person, other than the Depositary, of any amount with respect to Units or Certificate. The rights of Unitholders shall be limited to those established by law and agreements between the Unitholders and the Depositary and Depositary participants and as provided herein.

(e) A CUSIP number will be imprinted on the Certificate, but such CUSIP number shall not constitute a part of the contract evidenced by the Certificate or Units. As a convenience to the Depositary and Unitholders, the Trust and the Trustees may use such CUSIP numbers in any notices to the Depositary and Unitholders.

Section 5.3 Mutilated, Destroyed, Lost and Stolen Certificate.

(a) If (i) any mutilated Certificate is presented to the Trustee or (ii) the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and there is delivered to the Trustee such security or indemnity as it may require to save it harmless, and the Trustee has not received notice that such Certificate (and the Units represented thereby) has been acquired by a protected purchaser, then, in each case, the Trustee shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor, form, terms and principal amount, bearing an identifying number not used by any contemporaneously existing Certificate, so that neither gain nor loss in interest shall result from such exchange or substitution.

(b) Upon the issuance of any new Certificate under this Section, the Trustee may require the payment by the Certificate holder of a sum sufficient to cover any tax or other

governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(c) Every new Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust Assets to the extent provided herein, whether or not the destroyed, lost or stolen Certificate shall be at any time enforceable by anyone, and the Units represented thereby shall be entitled to all the benefits of this Trust Agreement.

(d) The terms of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Units.

Section 5.4 No Obligation to Register.

The Trustee is not obligated to register or qualify any Certificate or Unit under the Securities Act of 1933, as amended, and the rules and regulations promulgated by the Securities and Exchange Commission thereunder, or any other securities laws or to effect any qualification under the Trust Indenture Act of 1939, as amended.

Section 5.5 Persons Deemed Owners.

Subject to Section 5.3, but notwithstanding anything else in this Trust Agreement, the Trustee and any agent of the Trustee may treat the Depositary or its nominee in whose name the Certificate is registered as the owner of the Units on the related distribution date for the purpose of receiving distributions on such Units and for all other purposes whatsoever, including for actions by Unitholders, and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary. All distributions made hereunder to the Depositary or its nominee, or upon its order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys distributable upon the Units.

Section 5.6 Cancellation.

All Certificates evidencing Units surrendered for payment, redemption, transfer or exchange shall be delivered to the Trustee and shall be promptly canceled by the Trustee. The Trustee and no one else will cancel all such Certificates surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Certificates in accordance with its customary procedures. No Certificate shall be authenticated in lieu of or in exchange for any Certificates canceled as provided in this Section, except as expressly permitted by this Trust Agreement.

ARTICLE VI

Section 6.1 Voting Rights with Respect to HTA Clawback CVIs.

(a) Within three (3) Business Days after receipt of notice of any meeting of, or other occasion for the exercise of voting rights or the giving of consents by, owners of any of the HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor), the Trustee shall deliver a copy of such notice to FGIC and the Unitholders.

(b) The voting and direction rights allocable to the owners of the HTA Clawback CVIs (or any other securities or property received in respect thereof or in exchange therefor) pursuant to the terms thereof (including voting and direction rights in respect of remedies) ("Voting Rights") shall be allocated to FGIC unless FGIC is in default under the Covered FGIC Insurance Policy (a "Voting Rights Condition"). Upon the written request of FGIC, subject to the immediately preceding sentence, the Trustee shall vote in accordance with any instruction set forth in such written request. Upon the occurrence and continuation of a Voting Rights Condition, the Voting Rights will be deemed to be held on a pro rata basis by the Unitholders, and the Trustee may act at the direction of the Requisite Unitholders.

ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.1 Duties of Trustee.

(a) Every provision of this Trust Agreement relating to the conduct of, affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VII.

(b) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee.

(c) The Trustee shall (at the direction of the Requisite Unitholders) take all necessary or desirable actions to enforce the Covered FGIC Insurance Policy against FGIC as set forth herein.

(d) The Trustee shall deliver to all Unitholders copies of all notices and written communications received from HTA as they relate to the HTA Clawback CVIs.

(e) Except as provided in Section 7.2 hereof, no provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own grossly negligent action, grossly negligent failure to act, bad faith or willful misconduct; provided, however, that:

(i) The Trustee shall not be liable for an error of judgment made in good faith by an Officer of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(ii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of FGIC or the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the HTA Clawback CVIs exercising any trust or power conferred upon the Trustee with respect to the HTA Clawback CVIs, under this Trust Agreement;

(iii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Requisite Unitholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the Covered FGIC Insurance Policy or exercising any trust or power conferred upon the Trustee with respect to the Covered FGIC Insurance Policy, under this Trust Agreement; and

(iv) Any determination of gross negligence, bad faith or willful misconduct of the Trustee shall be made only upon the rendering of a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

Section 7.2 Certain Matters Affecting the Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties. Further, the Trustee may accept a copy of the vote of the board of directors or equivalent governing body of any party certified by its clerk or assistant clerk or secretary or assistant secretary as conclusive evidence of the authority of any Person to act in accordance with such vote, and such vote may be considered as in full force and effect until receipt by the Trustee of written notice to the contrary;

(b) The Trustee may, in the absence of bad faith on its part, conclusively rely upon an Opinion of Counsel or certificate of an Officer of the appropriate Person whenever in the administration of this Trust Agreement the Trustee shall deem it desirable that a matter be proved or established (unless other evidence be herein specifically prescribed) prior to taking, suffering or omitting any action hereunder;

(c) The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in reliance on such advice or Opinion of Counsel;

(d) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Trust Agreement or to institute, conduct, defend or continue any

litigation thereunder or in relation thereto at the request, order or direction of the Requisite Unitholders, pursuant to the provisions of this Trust Agreement, unless such Unitholders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) The Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Trust Agreement;

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by FGIC or the Requisite Unitholders; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Trust Agreement, the Trustee may require indemnity against such expense or liability as a condition to taking any such actions;

(g) The Trustee may execute any of the trusts or powers under this Trust Agreement or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and the Trustee shall not be responsible for the supervision of or any misconduct or negligence on the part of any agent or attorney appointed with due care by it under this Trust Agreement;

(h) Whenever the Trustee is authorized herein to require acts or documents in addition to those required to be provided it in any matter, it shall be under no obligation to make any determination whether or not such additional acts or documents should be required unless obligated to do so under Section 7.1;

(i) The Trustee shall not be deemed to have notice of any matter unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the applicable Trust Units generally, HTA, the Trust or this Trust Agreement;

(j) None of the provisions of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it;

(k) Notwithstanding anything herein to the contrary, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(l) The permissive rights of the Trustee to perform any discretionary act enumerated in this Trust Agreement shall not be construed as a duty or obligation, and the

Trustee shall not be answerable in the performance of such act other than for its gross negligence, bad faith or willful misconduct;

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian, co-trustee and other Person employed to act hereunder;

(n) The Trustee shall have no duty (A) to see to any recording, filing, or depositing of this Trust Agreement or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any re-recording, re-filing or re-depositing of any thereof, (B) to see to any insurance, (C) to see to the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Trust Estate, or (D) to confirm or verify the contents of any reports or certificates delivered to the Trustee pursuant to this Trust Agreement believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties;

(o) The Trustee shall have no liability or responsibility for the acts or omissions of any other party to any of this Trust Agreement or any related document;

(p) The Trustee shall have no duty or obligation to obtain or solicit any collateral or any funds to be remitted in any of the accounts established under this Trust Agreement, and shall have a duty only to accept such collateral or funds delivered to it in accordance with this Trust Agreement;

(q) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(r) The Trustee may request the delivery of a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Trust Agreement;

(s) All rights of action under this Trust Agreement or under any of the Trust Units, enforceable by the Trustee, may be enforced by it without the possession of any of the Trust Units or the Certificate, or the production thereof at the trial or other proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Unitholders, subject to the provisions of this Trust Agreement; and

(t) The Trustee shall establish a Fee Reserve, which Fee Reserve shall be replenished up to the Fee Reserve Threshold Amount in accordance with Section 3.4(a), and the Trustee shall be permitted to apply the amounts therein to pay Trustee Costs.

Section 7.3 Trustee Not Liable for Units or HTA Clawback CVIs, the Covered FGIC Insured Bonds or the Covered FGIC Insurance Policy.

The Trustee assumes no responsibility for the correctness of the recitals contained in this Trust Agreement and in the Trust Units or Certificate. The Trustee makes no representations or warranties as to the validity or sufficiency of this Trust Agreement or of the Trust Units (other than the signature and authentication of the Trustee on the Certificate) or of the, HTA Clawback CVIs, the Covered FGIC Insured Bonds, the Covered FGIC Insurance Policy or related documents. The Trustee shall not be accountable for the use or application of any of the Trust Units, or for the use or application of any funds in respect of the HTA Clawback CVIs or deposited in or withdrawn from the Trust in accordance with this Trust Agreement other than, in each case, any funds held by or on behalf of the Trustee in accordance with Article III. The Trustee, in its capacity as Trustee hereunder, shall have no responsibility or obligation to comply with, or to monitor any other Person's compliance with, the CVI Legislation or the Clawback CVI Indenture.

Section 7.4 Trustee May Own Units.

The Trustee in its individual capacity or any other capacity may become the owner or pledgee of Trust Units with the same rights it would have if it were not Trustee.

Section 7.5 Trustee Costs and Expenses.

(a) The Trustees shall each be entitled to receive from the Trust (i) fees agreed upon in writing, including such fees set forth in the Trustee Fee Schedule, (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by each of the Trustees in the execution of the trusts created under this Trust Agreement and in the exercise and performance of any of the powers and duties thereunder or the administration of the Trust, (ii) reimbursement for (x) all reasonable fees, expenses, costs and disbursements incurred or made by either of the Trustees in accordance with any of the provisions of this Trust Agreement, including Section 7.5(b) hereof (including the fees, expenses and disbursements of their respective counsel and of all persons not regularly in their respective employ), and (y) their indemnities pursuant to Section 7.12 hereof, and (iii) amounts to be promptly used by the Trustee to pay any reasonable fees, expenses or costs then owed by the Trust in accordance with this Trust Agreement and not covered by clause (ii) of this Section 7.5(a) (collectively, the "Trustee Costs"). For the avoidance of doubt, it is understood and agreed by the Parties that Trustee Costs under clause (ii) or (iii) of this Section 7.5(a) may include amounts of reasonable fees, expenses, costs, disbursements or indemnities that properly relate to the Trust and to one or more other trusts created under other trust agreements to which HTA, FGIC and the Trustees are party, which amounts have been reasonably and fairly allocated by the Trustee to the Trust in good faith as the Trust's share and are described in each relevant statement prepared and provided by the Trustee pursuant to Section 4.1. All such Trustee Costs shall be paid to the Trustees in accordance with the provisions of Section 3.4 hereof or taken from the Fee Reserve.

(b) In furtherance of Section 7.5(a), each of the Trustees shall be entitled to receive reimbursement for all reasonable out-of-pocket expenses which are properly documented

and incurred or made by it, including costs of collection, payable as a result of or in connection with litigation, enforcement actions or other proceedings brought by Unitholders against HTA, the Trust, or such Trustee except for proceedings, litigation or enforcement actions that relate to such Trustee's grossly negligent action, grossly negligent failure to act, bad faith or its own willful misconduct as determined by a final judgment of a court of competent jurisdiction no longer subject to appeal or review.

(c) For the avoidance of doubt, neither HTA nor FGIC shall be liable for any Trustee Costs or Other Trust Costs. FGIC may, in its sole discretion, elect to pay any Other Trust Costs, in which case FGIC shall be reimbursed by the Trustee at the time of the next distribution of any amount under Section 3.4(a) hereof upon notifying the Trustee of the amount to be so reimbursed.

Section 7.6 Eligibility Requirements for Trustee and Successor Trustee.

The Trustee and any successor Trustee shall at all times be a corporation or national banking association that: (i) is not an Affiliate of HTA, the Commonwealth of Puerto Rico or any of its instrumentalities, or FGIC; (ii) is neither affiliated with HTA, the Commonwealth of Puerto Rico or any of its instrumentalities, nor located in the Commonwealth of Puerto Rico; (iii) is organized and doing business under the laws of any state or the United States of America; (iv) is authorized under such laws to exercise corporate trust powers; (v) is in good standing under the law of the jurisdiction in which it is organized; (vi) has a combined capital and surplus of at least \$50,000,000; (vii) is subject to supervision or examination by federal or state authority; and (viii) is a nationally recognized financial institution and fiduciary regularly acting as a trustee in the municipal finance market. If such corporation or national banking association publishes reports of its conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time any Trustee or successor Trustee shall cease to be eligible in accordance with the provisions of this Section, such Trustee or successor Trustee shall resign immediately in the manner and with the effect specified in Section 7.7.

Section 7.7 Resignation and Removal of the Trustee.

(a) The Trustee may at any time resign and be discharged from the trusts created pursuant to this Trust Agreement by giving 60 days written notice, which shall be posted to EMMA by the Trustee. Upon receiving such notice of resignation, FGIC shall promptly appoint a successor trustee meeting the requirements set forth in Section 7.6 by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Unitholders and posted to EMMA by the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Trust.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 7.6 and shall fail to resign after written request therefor by FGIC or the Requisite Unitholders, or if any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then FGIC or the Requisite Unitholders may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee.

(c) FGIC, with the written consent of the Requisite Unitholders, may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(d) The Requisite Unitholders, with the written consent of FGIC (which consent shall not be unreasonably withheld or delayed by FGIC in the event the Trustee is in default of its obligations hereunder to enforce the Covered FGIC Insurance Policy), may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, signed by such Requisite Unitholders or their attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor trustee so appointed.

(e) Any resignation of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until the acceptance of appointment by the successor trustee as provided in Section 7.8 hereof. The compensation and reimbursement for fees and expenses of any successor trustee appointed in connection with the resignation of the Trustee shall be the sole responsibility of the Trust, including the costs and expenses incurred in connection with any such succession.

(f) Any removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.7 shall not become effective until (i) acceptance of appointment by the successor trustee as provided in Section 7.8 hereof and (ii) payment of all costs, expenses and indemnities due and owing to the outgoing Trustee, including the costs and expenses incurred in connection with any such succession. In the event the Trustee is removed due to a request by the Requisite Unitholders pursuant to Section 7.7(b), then the fees and expenses of the successor trustee incurred in connection with any such succession shall be the sole responsibility of the Unitholders requesting such removal.

(g) The compensation for any successor trustee shall be paid in substantially the same manner as compensation was paid to the predecessor trustee.

(h) Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the rights, benefits, protections and indemnities afforded to the Trustee under this ARTICLE VII shall continue to the benefit of the retiring Trustee.

Section 7.8 Successor Trustee.

(a) Any successor trustee appointed as provided in Section 7.7 shall execute, acknowledge and deliver to the Unitholders, FGIC and the predecessor trustee an instrument accepting such appointment under this Trust Agreement and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as trustee herein. The predecessor trustee shall deliver to the successor trustee all related documents and statements held by it under this Trust Agreement and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations.

(b) No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be eligible under the provisions of this Section 7.6 hereof.

(c) Upon acceptance of appointment by a successor trustee as provided in this Section, the successor trustee shall (a) post to EMMA notice of the succession of such trustee under this Trust Agreement and (b) provide notice of the succession of such trustee under this Trust Agreement to the Depositary.

Section 7.9 Merger or Consolidation of Trustees.

Any Person into which either of the Trustees may be merged or converted or with which it may be consolidated or any Person resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of such Trustee, shall be the successor of such Trustee under this Trust Agreement, provided such Person shall be eligible under the provisions of Section 7.6 (as to the Trustee) and 7.14 (as to the Delaware Trustee), without the execution or filing of any paper or any further act on the part of any of the Parties, anything herein to the contrary notwithstanding.

Section 7.10 Appointment of Trustee Custodians.

The Trustee may appoint one or more custodians (each a "Trustee Custodian") to hold all or a portion of the Trust Estate as agent for the Trustee, by entering into a custodial agreement. The appointment of any Trustee Custodian may at any time be terminated and a substitute custodian appointed therefor by the Trustee. Subject to ARTICLE VII, the Trustee agrees to comply with the terms of each custodial agreement and to enforce the terms and provisions thereof against the Trustee Custodian for the benefit of the Unitholders. Each Trustee Custodian shall be a depository institution or trust company subject to supervision by federal or state authority, shall have combined capital and surplus of at least \$10,000,000 and shall be qualified to do business in the jurisdiction in which it holds any asset constituting part of the Trust Estate. Any such Trustee Custodian may not be an Affiliate of HTA or FGIC. The Trustee is responsible for the fees and expenses of any Trustee Custodian appointed hereunder.

Section 7.11 Trustee May Enforce Claims Without Possession of Certificate.

All rights of action and claims under this Trust Agreement or the Certificate may be prosecuted and enforced by the Trustee without the possession of any of the Trust Units or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name or in its capacity as Trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, fees, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Unitholders in respect of which such judgment has been recovered.

Section 7.12 Trustee Indemnity.

The Trust shall indemnify the Trustees for, and hold them harmless against, any loss, liability or expense arising out of or in connection with their acceptance or administration of the Trust, including the reasonable costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their respective powers or duties hereunder, provided in each case that such loss, liability, expense, cost or claim does not relate to or arise out of or in connection with either Trustee's gross negligence, bad faith or willful misconduct.

Section 7.13 Acceptance by Trustees, Representations and Warranties of Trustees.

The Trustees each hereby undertake to perform their respective obligations set forth herein. The Trustee hereby agrees to hold the Trust Assets, as trustee in trust on behalf of the Trust upon the terms and conditions and for the use and benefit of the Unitholders as herein set forth. The Trustees each as to itself hereby represent and warrant to each of HTA, FGIC, holder of the Certificate and holders of the Units that as of the Closing Date:

(a) it is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;

(b) it has full corporate power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and has taken all necessary corporate action to authorize the execution, delivery and performance by it of this Trust Agreement, including the execution and delivery of the Certificate on behalf of the Trust;

(c) the execution and delivery of this Trust Agreement by it and its performance of and compliance with the terms of this Trust Agreement will not violate its certificate of incorporation, association or other constituent documents or by-laws or constitute a default under, or result in the material breach or acceleration of, any material contract, agreement or other instrument to which it is a party or which may be applicable to it or any of its assets;

(d) as of the Closing Date, this Trust Agreement has been duly executed and delivered by it and, assuming the due authorization, execution and delivery of this Trust Agreement by each of the other parties hereto, constitutes the legal, valid and binding obligation of it, enforceable in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(e) it is not in violation, and the execution and delivery of this Trust Agreement by it and its performance and compliance with the terms thereof will not constitute a violation, of any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over it or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of it or its properties or on the performance of its duties hereunder;

(f) there are no actions or proceedings against, or investigations of, it pending, or, to its knowledge, threatened, before any court, administrative agency or other tribunal (i) that could reasonably be expected to prohibit its entering into this Trust Agreement, (ii) seeking to prevent the issuance of the Certificate contemplated by this Trust Agreement or (iii) that could reasonably be expected to materially affect the performance by it of its obligations under, or the validity or enforceability against it of, this Trust Agreement; and

(g) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by it of, or compliance by it with, this Trust Agreement, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date, other than the filing of the Certificate of Trust with the Secretary of State.

Section 7.14 The Delaware Trustee.

(a) There shall at all times be a Delaware Trustee. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law and acts through one or more persons authorized to bind such entity. The initial Delaware Trustee shall be U.S. Bank Trust National Association. The Delaware Trustee shall be entitled to all of the rights, privileges, immunities, indemnities and protections afforded to the Trustee hereunder, but will only have such responsibilities and obligations as expressly provided by reference to the Delaware Trustee hereunder.

(b) The Delaware Trustee shall be one of the trustees of the Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Trust Statute and for taking such actions as are required to be taken by a Delaware Trustee under the Delaware Trust Statute. The duties, liabilities and obligations of the Delaware Trustee shall be limited to (i) accepting legal process served on the Trust in the State of Delaware; and (ii) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Delaware Trust Statute (only upon the written direction of the Trustee); and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. With the exception of the express duties set forth in this Section 7.14 (b), and the implied contractual covenant of good faith and fair dealing, all other duties of the Delaware Trustee, including fiduciary duties, are expressly eliminated. The Delaware Trustee shall have no liability to the Trust, to the Trustee, to any beneficiary, or to any other person that is a party to or is otherwise

bound by this Trust Agreement for breach of contract or breach of duties (including fiduciary duties), except for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. The Delaware Trustee shall not be liable for any acts or omissions, except for such losses, damages or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Delaware Trustee's gross negligence, bad faith or willful misconduct.

(c) The Delaware Trustee shall not be liable for the acts or omissions of the Trust, the Trustee or any other person or entity, nor shall the Delaware Trustee be liable for supervising or monitoring the performance of the duties of the Trustee or the Trust or of any other person or entity under this Trust Agreement or any related document.

(d) The Delaware Trustee shall not be personally liable for any error of judgment made by an Officer of the Delaware Trustee having direct responsibility for the administration of this Trust Agreement in good faith.

(e) No provision of this Trust Agreement shall require the Delaware Trustee to expend or risk its personal funds or otherwise incur any financial liability in the performance of its duties hereunder.

(f) Under no circumstance shall the Delaware Trustee, in its individual capacity or in its capacity as Delaware Trustee, or any member, partner, shareholder, director, officer, employee, agent, affiliate or advisor of the Delaware Trustee or their respective affiliates be personally liable for any representation, warranty, covenant, agreement, liability or indebtedness of the Trust, as all such representations, warranties, covenants, agreements, liabilities or indebtedness of the Trust are those of the Trust as an entity.

(g) The recitals contained herein shall not be taken as the statements of the Delaware Trustee, and the Delaware Trustee does not assume any responsibility for their correctness. The Delaware Trustee shall not be personally responsible for or in respect of, and the Delaware Trustee makes no representations as to, the title to, or value or condition of, the property of the Trust or any part thereof, including the Trust Assets or Trust Estate, nor as to the validity or sufficiency of this Trust Agreement or any related certificate, instrument or other document.

(h) The Delaware Trustee may conclusively rely and shall be fully protected, and shall incur no liability to anyone, in acting or refraining from acting in good faith and in reliance upon any signature, instrument, notice, resolution, request, instruction, direction, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Delaware Trustee may accept a certified copy of a resolution of any governing body of any person as conclusive evidence that such resolution has been duly adopted by such person and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein or whenever the Delaware Trustee shall deem it desirable that a fact or matter be proved or established prior to taking, suffering or omitting any action hereunder (including, direction by the Trustee with respect to such action), the Delaware Trustee may for all purposes hereof rely on a certificate, signed by any officer of the party delivering the certificate or, in the case of the

Trustee, signed by the Trustee, as to such fact or matter, and such certificate shall constitute full protection to the Delaware Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(i) In accepting and performing its duties hereunder the Delaware Trustee acts solely as Delaware Trustee hereunder and not in its individual capacity, and all persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Trust Agreement shall look only to the Trust Assets for payment or satisfaction thereof.

(j) The Delaware Trustee may be removed by FGIC with the written consent of the Requisite Unitholders upon thirty (30) days prior written notice to the Delaware Trustee, with a copy to the Trustee. The Delaware Trustee may resign upon thirty (30) days prior written notice to FGIC, with a copy to the Trustee. No resignation or removal of the Delaware Trustee shall be effective except upon the appointment of a successor Delaware Trustee that (i) is reasonably acceptable to FGIC, (ii) has a combined capital and surplus of at least \$10,000,000 and (iii) is qualified to do business in the State of Delaware and satisfies the requirements of the Delaware Trust Statute. If no successor has been appointed within such thirty (30) day period, the Delaware Trustee, FGIC or the Unitholders may petition a court to appoint a successor Delaware Trustee, which shall be at the expense of the Trust.

ARTICLE VIII

Section 8.1 Realization Upon Default.

(a) The Trustee shall assert claims under the HTA Clawback CVIs and the Covered FGIC Insurance Policy, and shall take such reasonable steps as are necessary to receive payment or to permit recovery thereunder following any default thereunder, with respect to the Covered FGIC Insurance Policy, in accordance with Section 3.3(b) hereof and, with respect to the HTA Clawback CVIs, in accordance with Section 6.1(b) hereof.

(b) If there is a breach, a default or an event of default with respect to any HTA Clawback CVI and such breach, default or event of default is known to the Trustee in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC as promptly as practicable, and, in any event, within three (3) Business Days after such breach, default or event of default becomes known to the Trustee. If the Trustee receives notice of an anticipated payment default with respect to any the HTA Clawback CVIs in accordance with Section 7.2(i), the Trustee shall give notice thereof to the Unitholders (through the Depositary) and FGIC within three (3) Business Days after receipt of such notice.

(c) The foregoing provisions of this Section 8.1 shall apply equally to any other securities or property received in respect of the HTA Clawback CVIs or in exchange therefor.

ARTICLE IX

TERMINATION OF TRUST

Section 9.1 Termination; No Redemption Rights.

Upon the indefeasible cancellation or other indefeasible termination or discharge of the Covered FGIC Insurance Policy or FGIC's obligations thereunder, the Trust (including the respective obligations and responsibilities under this Trust Agreement of the Trustee and FGIC) shall terminate upon (i) the pro rata payment or distribution to the Unitholders of all amounts or Trust Assets (including the HTA Clawback CVIs) held by or on behalf of the Trustee and required hereunder to be so paid or distributed, (ii) payment in full of any Trustee Costs due and owing to the Trustee under this Trust Agreement, and (iii) receipt by the Trustee of an Opinion of Counsel stating that all conditions precedent herein relating to the satisfaction and discharge of this Trust Agreement have been complied with. In no event shall the Trust be terminated or the HTA Clawback CVIs be redeemed (except in the case of a redemption of the HTA Clawback CVIs permitted under the terms of the Clawback CVI Indenture or the CVI Legislation) or otherwise released from the Trust Estate without the prior express written consent of FGIC if either (i) the Covered FGIC Insurance Policy or FGIC's obligations thereunder has not been indefeasibly terminated or discharged, or (ii) FGIC has not been indefeasibly paid in full for any amounts owed pursuant to the Plan.

Notwithstanding anything contained herein to the contrary, the merger or consolidation of the Trustee shall not cause a termination of the Trust.

Section 9.2 Procedure for Termination.

(a) During the month in which the Trustee intends to make the final distribution from the Trust, the Trustee shall give notice to the Unitholders in accordance with Section 11.4 specifying: (a) the anticipated final distribution date; (b) that the final payment with respect to the Trust Units will be made upon presentation and surrender of the Certificate at the office of the Trustee therein designated on that date and the amount of any such final payment; (c) any amounts, or trust assets, remaining on deposit in the Trust will be distributed to the holders of record of the Trust Units on a pro rata basis; and (d) that the Trustee believes that, following the occurrence of such final distributions, the conditions to termination of the Trust have been satisfied and that it intends to terminate the Trust (a "Termination Notice").

(b) If the Requisite Unitholders do not object in writing within 30 days after the Trustee has provided the Termination Notice as set forth herein then, upon completion of final distributions as set forth in the Termination Notice, the Trust shall be dissolved, wound up, and terminated.

(c) Upon the dissolution, wind up and termination of the Trust and this Trust Agreement, the Trustee or Delaware Trustee (acting solely at the written direction of the Trustee) is authorized to file a certificate of cancellation with the Secretary of State.

ARTICLE X
TAX PROVISIONS

Section 10.1 Grantor Trust Provisions.

The Trustee, HTA, the Unitholders (by their acceptance of the Trust Units) and FGIC each agree and acknowledge or have agreed and acknowledged that the Trust is intended to qualify for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust, and it is neither the purpose nor the intent of the parties hereto to create a partnership, joint venture or association taxable as a corporation or to serve as associates in a joint enterprise for the conduct of business for profit. In furtherance of the foregoing, (a) the purpose of the Trust is and shall be to protect and conserve the assets of the Trust Estate, and the Trust shall not at any time engage in or carry on any kind of business or any kind of commercial or investment activity (B) the Trust is formed to facilitate direct investment in the Trust Assets and the existence of multiple classes of ownership interests is incidental to that purpose, and (c) the Trustee (at the direction of FGIC and/or the Requisite Unitholders), shall take, or refrain from taking, all such action as is necessary to maintain the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not (i) acquire any assets or dispose of any portion of the Trust other than pursuant to the specific provisions of this Trust Agreement, (ii) vary the investment of the Trust within the meaning of Treasury Regulation § 301.7701-4(c), (iii) substitute new investments or reinvest so as to enable the Trust Estate to take advantage of variations in the market to improve the investment of any Unitholder or (iv) engage in any activity which may directly or indirectly adversely affect the status of the Trust as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust. The Trustee shall not have any authority to manage, control, use, sell, dispose of or otherwise deal with any part of the Trust Estate except as required by the express terms of this Trust Agreement in accordance with the powers granted to or the authority conferred upon the Trustee pursuant to this Trust Agreement. The Trustee and FGIC each agree that they shall not take any action that would result in the Trust failing to be characterized for U.S. federal income tax purposes as an “investment trust” within the meaning of Treasury Regulation § 301.7701-4(c) that is a grantor trust.

Section 10.2 Characterization.

Each Unitholder acknowledges and agrees to treat the Trust Units as undivided interests in the Trust Estate.

Section 10.3 Grantor Trust Administration.

Notwithstanding anything in this Trust Agreement to the contrary, and notwithstanding any direction or instruction by less than all the Unitholders, the Trustee shall not be authorized to take any action that would cause the Trust not to be treated as a grantor trust under the Code all of the distributions and income from which would be subject to the tax treatment described in Subpart J of Chapter 1 of the Code as to the Unitholders. The Trustee shall perform its duties hereunder so as to maintain the status of the Trust as a grantor trust as provided in Section 10.1 hereof. The Trustee shall not (a) exercise any discretionary rights with respect to the Trust

Assets, (b) acquire an interest in any additional Trust Assets (other than proceeds of a sale of Trust Assets permitted under the terms of this Trust Agreement), (c) knowingly take any other action or fail to take (or fail to cause to be taken) any other action that, under the Grantor Trust Provisions, if taken or not taken, as the case may be, could adversely affect the status of (i) the Trust as a grantor trust, (ii) the Trust as a U.S. trust, or (iii) the Unitholders as grantors with respect to the Trust under the Grantor Trust Provisions (any such adverse effect on trust status, an “Adverse Trust Event”), unless the Trustee has obtained or received an Opinion of Counsel nationally recognized as competent in matters relating to the U.S. federal income taxation of organizations such as the Trust (at the expense of the party requesting such action or at the expense of the Trust Estate if the Trustee seeks to take such action or to refrain from taking any action for the benefit of the Unitholders) to the effect that the contemplated action will not result in an Adverse Trust Event. None of the other parties hereto shall take any action or fail to take any action (whether or not authorized hereunder) as to which the Trustee has advised it in writing that the Trustee has received or obtained an Opinion of Counsel to the effect that an Adverse Trust Event could result from such action or failure to act. The Trustee may consult with counsel to make such written advice, and the cost of same shall be borne by the party seeking to take the action not permitted by this Trust Agreement, but in no event at the cost or expense of the Trust Estate or the Trustee.

Section 10.4 Reports to Unitholders and Tax Authorities.

(a) The Trustee shall perform or cause to be performed on behalf of the Trust all reporting and other tax compliance duties that are required in respect thereof under the Code, the Grantor Trust Provisions or other compliance guidance issued by the Internal Revenue Service or any state or local taxing authority, including for avoidance of doubt the filing of IRS Forms 1099 or providing other information statements to the extent required pursuant to U. S. Treasury Regulations Section 1.671-5 (including U.S. Treasury Regulations Section 1.671-5(c)(1)), as amended or any successor provision (the “WHFIT Regulations”).

(b) Consistent with the Trust’s characterization for U.S. federal income tax purposes as a grantor trust, except to the extent required pursuant to WHFIT Regulations, no U.S. federal income tax return shall be filed on behalf of the Trust unless either (i) the Trustee shall receive an Opinion of Counsel that, based on a change in applicable law occurring after the date hereof, the Code requires such a filing or (ii) the Internal Revenue Service shall determine that the Trust is required to file such a return. In the event that the Trust is required to file tax returns, the Trustee shall prepare or cause to be prepared, and sign and file when due with the appropriate tax authorities all of the tax returns in respect of the Trust. In no event shall the Trustees, FGIC or HTA be liable for any liabilities, costs or expenses of the Trust or the Unitholders arising out of the application of any tax law, including federal, state, foreign or local income or excise taxes or any other tax imposed on or measured by income (or any interest, penalty or addition with respect thereto or arising from a failure to comply therewith) except, in the case of the Trustee, for any such liability, cost or expense attributable to the Trustee’s gross negligence, bad faith or willful misconduct.

(c) If any tax is imposed on the Trust, such tax, together with all incidental costs and expenses (including, without limitation, penalties and reasonable attorneys’ fees) shall be charged to and payable by the Unitholders on a pro rata basis; provided that in each case the

Trustee shall be authorized to withhold the applicable amounts from Distributions on the applicable Trust Units and pay such amounts to the applicable taxing authority and that any amounts so withheld and paid to the applicable taxing authority shall be deemed to have been paid as a Distribution to the applicable Unitholders.

(d) The Trustee shall, for U.S. federal income tax purposes, maintain books and records with respect to the Trust on a calendar year basis or such other basis as may be required under the Code.

(e) All taxes due and payable on any amounts payable to a Unitholder with respect to a Trust Unit shall be that Unitholder's sole responsibility.

(f) For the purposes of this ARTICLE X and any other provision of the Trust Agreement relating to the ownership of a Trust Unit for U.S. federal income tax purposes, including definitions, all references to holder, Unitholder, or beneficial owner shall mean the beneficial owner of a Trust Unit for U.S. federal income tax purposes. By acquiring an interest in a Trust Unit, a beneficial owner of the Trust Unit for U.S. federal income tax purposes shall be deemed to consent as a condition of acquiring such interest to comply with any requirements of such Article and other provisions hereof.

ARTICLE XI

MISCELLANEOUS PROVISIONS

Section 11.1 Amendment of Trust Agreement.

(a) This Trust Agreement may not be amended, waived or supplemented without the prior written consent of FGIC. The Trustee may, but shall not be obligated to, enter into any such amendment that affects the Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. The Delaware Trustee may, but shall not be obligated to, enter into any such amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement or otherwise. No amendment that affects the Delaware Trustee's own rights, duties, liabilities, indemnities or immunities under this Trust Agreement shall be effective against the Delaware Trustee unless the Delaware Trustee has consented thereto in writing. Prior to executing any amendment permitted by this ARTICLE XI, the Delaware Trustee shall be entitled to receive and conclusively and exclusively rely upon written direction from the Trustee that such amendment is authorized and permitted by this Trust Agreement.

(c) Promptly following the execution of this Trust Agreement, the Trustee shall post full and complete copies of this Trust Agreement on EMMA . Promptly after the execution of any amendment to this Trust Agreement, the Trustee shall furnish a copy of such amendment to the Depositary and shall post a copy of such amendment on EMMA.

The words "execution," "signed," "signature," and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg") and other electronic signatures (including, without limitation, DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the US Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

Section 11.3 Limitation on Rights of Unitholders.

(a) The death or incapacity of any Unitholder shall not operate to terminate this Trust Agreement or the Trust, nor entitle such Unitholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust, nor otherwise affect the rights, obligations and liabilities of the Parties or any of them.

(b) No Unitholder shall have any right to vote (except as expressly provided for herein) or in any manner otherwise control the operation and management of the Trust, or the obligations of the Parties, nor shall anything herein set forth, or contained in the terms of the Trust Units, be construed so as to constitute the Unitholders from time to time as partners or members of an association; nor shall any Unitholder be under any liability to any third person by reason of any action taken by the Parties pursuant to any provision hereof.

(c) No Unitholder shall have any right by virtue of any provision of this Trust Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Trust Agreement or any of the Trust Assets. Nothing in this paragraph shall be construed to limit in any manner the ability of any Party (notwithstanding the ownership by such Party of Trust Units) to institute any suit, action or proceeding upon or under or otherwise with respect to this Trust Agreement or to enforce in any manner its rights as a party hereunder.

Section 11.4 Notices.

All demands, notices and certifications under this Trust Agreement shall be in writing. Any notice or communication so transmitted to the Depositary within the time prescribed in this Trust Agreement shall be conclusively presumed to have been duly given to the Unitholders at the time of transmission, whether or not and regardless of when any Unitholder actually receives such notice or communication. A copy of any notice given hereunder to any other Party shall be delivered to the Trustee. The Trustee shall post all notices delivered hereunder to EMMA within five (5) Business Days of receiving such notice or a copy of such notice, as applicable.

Section 11.5 Severability of Provisions.

If any one or more of the covenants, agreements, provisions or terms of this Trust Agreement shall be for any reason whatsoever held invalid, then to the fullest extent permitted by law such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Trust Agreement and shall in no way affect the validity or enforceability of the other provisions of this Trust Agreement or of the Trust Units or the related rights of the Unitholders.

Section 11.6 Acts of Unitholders.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Trust Agreement to be given or taken by Unitholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Unitholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Trustee and ownership of the Units held by such Unitholders is confirmed by Depositary. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and conclusive in favor of the Trustee. The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Trustee deems sufficient. The ownership of Trust Units shall be proved by the Depositary.

Section 11.7 Headings.

Article and Section headings in this Trust Agreement are included herein for convenience of reference only and shall not constitute a part of this Trust Agreement for any other purpose or be given any substantive effect.

Section 11.8 No Waiver; Cumulative Remedies.

No failure to exercise and no delay in exercising, on the part of any Party of any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

Section 11.9 Merger and Integration.

This Trust Agreement and the documents and exhibits expressly incorporated herein set forth the entire understanding of the Parties relating to the subject matter hereof and thereof, and all prior understandings, written or oral, are superseded by this Trust Agreement.

Section 11.10 [Reserved].

Section 11.11 Patriot Act.

The Parties acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustees, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustees. The Parties agree that they will provide the Trustees with such information as they may request in order for the Trustees to satisfy the requirements of the U.S.A. PATRIOT Act.

Section 11.12 Governing Law; Venue Jury Waiver.

THIS TRUST AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS TRUST AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS TRUST AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS TRUST AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY WAY RELATED TO THIS TRUST AGREEMENT, OR (B) IN ANY WAY IN CONNECTION WITH OR PERTAINING TO OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES WITH RESPECT TO THIS TRUST AGREEMENT OR IN CONNECTION WITH THIS TRUST AGREEMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS TRUST AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. EACH OF THE PARTIES IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY FEDERAL OR STATE COURTS SITTING IN THE STATE OF DELAWARE IN RESPECT OF ANY ACTION OR PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS TRUST AGREEMENT. EACH PARTY TO THIS TRUST AGREEMENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH PROCEEDINGS IN ANY SUCH COURT AND ANY CLAIM THAT ANY PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 11.13 Force Majeure.

In no event shall the Trustees be responsible or liable for any failure or delay in the performance of their obligations hereunder arising out of or caused by, directly or indirectly, forces beyond their control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, pandemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustees shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 11.14 Intent of Parties.

(a) The Parties intend that, for all purposes, the transfer to the Trust of the Trust Estate pursuant to Section 2.2 in each case shall be, and shall be construed as, a transfer thereof to the Trust on behalf of the Original Holders in lieu of a transfer thereof to the Trust directly by the Original Holders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Closing Date, HTA will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of HTA or HTA's estate in the event of a liquidation, reorganization, or similar proceeding of HTA and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. The Parties agree to treat the transfer contemplated hereby for all purposes (including financial accounting purposes) as an absolute transfer on all relevant books, records, financial statements and other documents.

(b) The Trust Estate will be held by the Trust free and clear of any lien or encumbrance of any Person claiming through or under HTA.

(c) Notwithstanding anything to the contrary in this Trust Agreement or in any other document governing the formation, management, or operation of the Trust, if and for so long as any Trust Unit remains outstanding, none of the Unitholders, FGIC, the Trustees, nor any other Person shall authorize, cause or permit the Trust to (and the Trust shall not, and neither Trustee shall directly take any action that to its actual knowledge would, violate any of the following):

(d) Failure of the Trust, HTA, FGIC, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 11.14 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 11.14 conflicts with, violates or otherwise is in contravention with any other provision of this Trust Agreement, the Parties and each Unitholder agree that the terms set forth in this Section 11.14 shall be controlling as expressly set forth herein.

Section 11.15 Non-Petition.

HTA, FGIC, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another Person, the Trustee may file appropriate proofs of claim.

Section 11.16 Certain Terms Regarding HTA.

For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Unitholders shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, HTA, and no recourse shall be had against any officer, director, manager, employee, security holder or incorporator of HTA, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.
